*Analyzed and Interpreted by Scott Nearing*

*To the Readers of "World Events":*

We are sending you herewith a reprint of the Foreword and Preface of Scott Nearing's ~~forthcoming~~ book,

### **THE SOVIET UNION AS A WORLD POWER**

As the author explains in the Foreword, if this publication is successful, it will inaugurate an annual series of Scott Nearing's lectures in printed form. It is, therefore, to the interest of all of us to make this venture a success.

Dr. Nearing has declined any remuneration for preparing the manuscript. Any surplus resulting from the sale of the book will be credited to *World Events* and used to extend the circulation of Scott Nearing's writings.

Orders should be sent to The Island Press, 470 West 24th Street, New York 11, N. Y. It is requested that payment accompany all orders.

We would like to call especial attention to the offer of six copies of the book (to one address) for \$5.00. A wide diffusion of Scott Nearing's interpretation of the Soviet Union will be one of the best available means of combatting the present sinister effort of certain business and ecclesiastical interests to foment discord between the U.S.A. and the U.S.S.R.

We ask your wholehearted cooperation in assuring the success of *The Soviet Union as a World Power*.

WORLD EVENTS COMMITTEE

P.S. Do you wish extra copies of the Foreword and Preface to give or send to your friends?
