Ten Looks

Frist, look at Lukuoochiao,  
The bridge is ten feet high!  
The Japanese devils, oh-h-h!  
Without any cause  
Fired their artillery against us!

Second, look at the resistant Chinese army,  
The army has a good spirit!  
Wait only, oh- h- h+  
for the orders  
Bravely kill the enemy!

Third, look at Nanking,  
The city had stationed a big army!  
Chaing Kai Shake, oh-h-h!  
The Generalissimo  
Takes the roll call every day!

Fourth, look at Ping- hsin- kwan,  
The devils gall-bladders ruptured with terror!  
The 8th Route Army, oh-h-h!  
Really brave  
Their raputation is famous in the world!

Fiveth, look at the Four Bank Store,  
Eight hundred brave soldiers!  
Gave their life for defense, oh-h-h!  
Never to surrender  
Serve the nation with deqermation!  
( repeat all last three lines)
