

people's money.

Alexander Berkman comes to see me  
this evening.

Have the implements of war arrived  
which I shipped from here?

I finish my analysis on July 20<sup>th</sup>,  
- that is, when I leave for Czechoslovakia.  
I'm finished 20 months of it! Not yet  
completely finished, but on my feet  
and more so when I get out of this  
Berlin atmosphere. Now Mr. Roe is trying  
to get Villard to accept one article a month  
from me in the Nation, and if he succeeds,  
I shall be able to do something. But I  
doubt if he will succeed. And since  
La Follette died, he is undoubtedly too miserable  
to give much attention to my affairs.

Do you go to India in September?

My permanent address is % American  
Express Co., Berlin, 55 Charlottenstr.

Love to you & Annie Lipschitz.
