

check Branch

Berlin - Dec. 11. 1926

Dear Florence :

Will you, my dear, please  
give the enclosed to Thorborg  
Hahemann (see Civic Club or  
Ellen Kennan) and ask her to  
send it to her brother, Ernest,  
at once. The Americans here  
are refusing me a passport  
again and I'm fighting for it.  
I have to have a copy of my  
divorce papers.

Love

Arthur.
