

June 2, 1928.

Dear Agnes,

✓ | Mrs. Sanger has used one of Kate Kollowitz's drawings from the book for the Birth Control Review, and will also use the drawing of the Pregnant Woman Facing Death, in her book.

Would you be able to get another drawing or two for her? Can you get a copy of that "Waiting" poster? Mrs. Sanger would like to have at least two more drawings for the book.

Dr. Stone's pamphlet is just off the press and I am sending you six copies. You can have more, if you wish.

I shall keep you posted of any art by Mrs. Sanger that appear anywhere.

Mrs. Sanger is sending a copy of Dr. Cooper's book to Dr. Schmiede with her compliments. This will be sent to you/address, and I hope it reaches you safely.

Best love from the three of us, and all good wishes.

Most cordially,

sent
