

June 24, 1939.

Dear Agnes,

I have just returned from my vacation and find a half dozen letters from Germany which I am forwarding to you. They are all appealing for help and Mrs. Sanger is sure that you can refer them to the proper sources in their respective communities where they will be taken care of.

Love and best wishes from Mrs. Sanger,
Kitty and myself,

Cordilly,

Miss Agnes Smedley,
Holsteinischestr. 36,
bei Prippenow,
Berlin-Wilmersdorf, Germany
