# Magic Melodies

SERIES

## FOUR IMPORTANT COLLECTIONS FOR MUSIC LOVERS

### *Magic Melodies for Piano...*

Over 200 of the world's great masterpieces — the most comprehensive album of its kind — including copyrights not found in any other collection. The volume comprises selections from the works of the world's great composers — from Beethoven to Wagner . . . from brilliant concerto themes to lilting operetta airs . . . from 18th century stateliness to 20th century styling.

PRICE \$1.25 IN U. S. A.

### *Magic Melodies in the Early Grades...*

A graded collection of elementary piano pieces for the eager, exploring fingers of music making novices. The publishers have overlooked nothing in their determination to bring to beginning musicians the best of piano literature from the great masters. A wealth of melodic, easy-to-play compositions is included — 125 of them representing the works of 57 composers.

PRICE \$1.25 IN U. S. A.

### *Magic Melodies from the World of Song...*

Here are the songs everybody loves to sing, favorites of all lands, by the world's great composers. The unusual content of its 239 pages affords an open door to those enduring melodies which are virtually a necessity in the experience of all who have an interest in vocal music. Represented are such composers as Debussy, Schubert, Tchaikowsky and Wagner — a galaxy of songs ranging from simple English Ballads to a stirring Soviet war song — selections for every type of voice.

PRICE \$1.25 IN U. S. A.

### *Magic Melodies of the Gay Nineties...*

The songs of yesterday that are beloved by the singers of today. A collection of over eighty old timers, that remain perennially young in spirit. The titles have been selected purely for the pleasure they can give . . . with all the favorites of bygone days included. Between the covers can be found typical examples of the sentimental ballads, the tear jerking moralistic songs, the novelty numbers and the big hit tunes of the era. A veritable collectors item of melodies and merriment.
