74TH CONGRESS
1ST SESSION

S. 2811

AN ACT

To authorize and adopt certain Public Works projects for controlling floods, improving navigation, regulating the flow of certain streams of the United States, and for other purposes.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That for the purpose of controlling floods, improving navigation, regulating the flow of the streams of the United States, providing for storage and for the delivery of the stored waters thereof, for the reclamation of public lands and Indian reservations, and other beneficial uses, and for the generation of electric energy as a means of financially aiding and assisting such undertakings, the projects known as "Parker Dam" on the Colorado River and "Grand

Coulee Dam " on the Columbia River are hereby authorized and adopted, and all contracts and agreements which have been executed in connection therewith are hereby validated and ratified, and the President, acting through such agents as he may designate, is hereby authorized to construct, operate, and maintain dams, structures, canals, and incidental works necessary to such projects, and in connection therewith to make and enter into any and all necessary contracts, including contracts amendatory of or supplemental to those hereby validated and ratified.

SEC. 2. All projects planned or undertaken to accomplish the purposes specified in section 1 for which allotments have been made pursuant to the provisions of title II of the Act approved June 16, 1933, entitled the " National Industrial Recovery Act ", are hereby authorized and adopted, and all contracts and agreements which have heretofore been executed in connection therewith are hereby validated and ratified, and the President, acting through such agents as he may designate, is hereby authorized to construct, operate, and maintain dams, structures, canals, and incidental works necessary to such projects, and in connection therewith to make and enter into any and all necessary contracts, including contracts amendatory of or supplemental to those hereby validated and ratified.

SEC. 3. For the purposes specified in section 1 the Secretary of the Interior is authorized to construct a dam in and across the Colorado River at or near Head Gate Rock, Arizona, and structures, canals, and incidental works necessary in connection therewith.

Passed the Senate May 13 (calendar day, May 27), 1935.

Attest:

Secretary.
