TEN THOUSAND YEARS FROM NOW  
SONG  
J. KEIRN BRENNAN  
MUSIC BY  
ERNEST R. BALL  
M. WITMARK & SONS  
NEW YORK

THEY still believe, in old Japan,  
Should lovers live their earthly span  
Without fulfillment of desire,  
Or leave unquenched love's sacred fire,  
They'll live again to love at last,  
When ten thousand years have passed.

Ten thousand years seem a long, long time  
To wait for a dream to come true,  
Yet 'twould seem but a day  
Dreaming centuries away,  
To wake at the end with you.  
For I know just as sure as our souls endure,  
We'll meet somewhere, somehow,  
And I'll wake to your song,  
With a love just as strong,  
Ten thousand years from now.

No lapse of time nor length of space  
Can dim the mem'ry of your face;  
No tales ten thousand tongues might tell  
Can change in me your magic spell,  
Nor still the song within my soul,  
Tho' ten thousand years unroll.

J. Keirn Brennan.
