EXTRA CHORUSES

"FELIX THE CAT"

1.

Felix - Felix - Felix the cat
You're a real true blue Democrat
We watch your capers in the papers each day
And all our troubles float like bubbles away
Felix - Felix - just stick around
Make us laugh and grow fat
Now and ever - may your kittens be as clever
Felix - Felix - the cat.

2.

Felix - Felix - Felix the cat
You're no fool when you "smell a rat"
All of the kittens who live down on our block
Powder their faces when you go for a walk,
Felix - Felix - you know your furs
When you play tit for tat
Sweet or sour - you're my wonderful meower
Felix - Felix - the cat.

3.

Felix - Felix - Felix the cat
Drop around and we'll have a chat
Brush your whiskers Felix, put "on the Dog"
Look just as nifty as a frog on a log
Felix - Felix - we like your name
Please don't change it to "Pat"
Mercy Mercy - never let them call you Percy
Felix - Felix - the cat.

4.

Felix - Felix - Felix the cat
Eat and drink but never grow fat
You've got a whisbone that sticks out through your hide
P'rhaps its a fishbone that you swallowed inside
Felix - Felix - you're just the kind
I could keep in my flat
Love your Mommy - wrap your tail around me Tommy
Felix - Felix - the cat.

5.

Felix - Felix - Felix the cat
You're a stuck up-gay 'ristocrat
When you go riding you sit back in the car
You get familiar but you don't go too far
Felix - Felix - you seem to know
You know just where you're at
All the highbrows - imitate your Felix eyebrows
Felix - Felix - the cat.

6.

Felix - Felix - Felix the cat
Wish you would keep out of our flat
On our piano ev'ry night if you please
You are the kitten that walks over our keys
Felix - Felix - you wake us up
Spoil our sleep and all that
You're a jumper but a bad piano thumper
Felix - Felix - the cat.
