Wander With Me To Loveland

Waltz Song

Words & Music
By ANITA OWEN

Slowly

Waltz tempo

There is a land that I know, ——— Where I would love to go, ———
Life is a beau-ti-ful dream ——— When love's the on-ly theme, ———

Where flow-ers rare Per-fume the air, And rippling wa-ters flow. ———
Cares fade a-way, Grief will not stay Where Cu-pid reigns su-preme. ———

All through that won-der-ful land ——— We'll wan-der hand in hand, ———
I on-ly want you to say ——— You will be mine some-day, ———

"**BEAUTIFUL LAND OF DREAMS**"—Simplicity in melodic construction, sympathetic harmonies and words that belong and appeal, are the principles upon which *Miss Owen* has constructed this wonderful ballad, "*Beautiful Land of Dreams*." It is a *most spontaneous melody*, with no forced striving for effect, *simple to read and easy to play*, at the same time covering only the compass of one octave, and the words of a nature to bring out the most musical tones of the *singing voice*. To quote *Miss Owen*: "A song writer seldom receives more than one song inspiration of this kind during a life-time."—Doubtless it will become a popular classic and reach the home of every *music lover*. Look it over and be as enthusiastic as we are. *It will reach you—get you and haunt you.*

"WANDER WITH ME TO LOVELAND"

Whenever a beautiful melody is coupled with a lyric that contains a true love sentiment, it is bound to become popular. "*Wander With Me To Loveland*" by that popular composer, *Anita Owen*, is a natural melody, with the satisfying harmony to be found in her "*Daisy*" songs. Only it is possessed of more character and in consequence will be more greatly appreciated by both singer and audience.

"**TELL IT TO THE WORLD**"—*Another Anita Owen song and dance sensation*. What is called in music publisher's parlance an "over night hit" which means that the morning after the night it was first sung, there was a big demand at all music stores for copies of the song. This is a Fox-trot song, with a *striking melody*, that will set your feet dancing. The words containing a love sentiment different from the rest. *Miss Owen* is constantly introducing novelties that create enthusiasm.

Don't Be Sad Words & Music By ANITA OWEN

REFRAIN

Don't be sad, don't feel bad, All the clouds will pass a-way. On-ly

"**DON'T BE SAD**" by *Anita Owen* is a most fascinating melody with sentimental words that fairly breathe optimism and good cheer. *You will love to sing it; you will love to dance by it. We are not going to talk about it; for it will speak for itself. You are bound to hear it, for it will live forever!*
