Modern American Ballads

Song Favorites

• The modern music of such distinguished American composers as Ferde Grofe, Louis Alter, Peter De Rose and Richard Rodgers, among others, has aroused unusual interest in the new trend in American music.

• As performances of these instrumental compositions increased in schools, at concerts, and on the radio, their popularity created a demand for vocal adaptations.

• Subsequently, song versions were made of the most familiar themes of these famous American compositions.

• Today, this select group of modern American ballads represents the best in contemporary vocal music—music that is genuinely American in style and spirit.

• Foremost concert and radio artists say that no repertoire of American songs is complete without these modern American ballads. Add them to your library now!
