Their sweet per-fume teach the lov-ers how to spoon The honey-bee says "Good-

-bye" To the rose with a sigh Night-in-gale flies a-way For he's fin-ish'd the

day If I could find the lit-tle girl I have in mind Where pop-pies bloom

There'd be another bride and groom to bill and croon Where ev-ry dew drops in love With the

bright stars a-bove There's no brok-en hearts In the land where pop-pies bloom Where pop-pies bloom
