Don't blame the girl you
Who has the right to

VAMP

see on Broad - way Don't point a fin - ger of scorn
blame an - y girl Give her a chance when she's down

Just re - a - lize how of - ten she sighs when she a -
You'll nev - er know the shame she en - dures when she is

wak - ens each morn - I ov - er - heard a
passed with a frown Pic-ture that girl in

girl yes - ter - day Tell - ing a man as he turned a - way.
all her des - pair Tell - ing the man who nev - er could care.

Chorus

It's men like you that make girls like me So, why blame the girl for it

all With words of de ceit and the glit - ter of gold

Trust - ing hearts you lure from the fold You laugh up your

sleeve just to think they be - lieve then Leave them where they

fall — Yes it's men like you that make girls like me So,

don't blame the girl for it all. — For it's all. —
