

JUST IN LOVE WITH ME

Words and Music by
DUNCAN SISTERS

Allegro moderato

VOICE

Noth - in' to do but just think of you,

a la arpeggio

All thru' the live - long day, Feel - in' so blue

just came to you For I know that love finds a way.

Chorus

When I look in the depths of your dear, dear

eyes, There's a light that I long to see,

When you smile there's a charm that I i - dol -

ize, And you thrill me with ecs - ta - sy

When the dawn of the day Sends the night on its

way, I'll be wait - ing my dear to say, I love

you, Yes it's true and my heart can see That you're in love, just in

love with me. When I me.
