loved to see his gen - ial ray, _____ And
though he too, seemed far a - - bove, _____ This

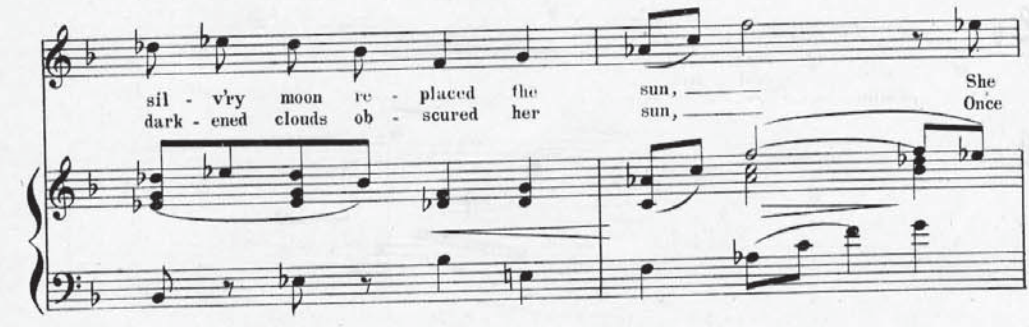

watch for him at close of day. _____ And
lit - tle maid soon fell in love. _____ But,

when at last, the day was done, _____ And
when at last, her dream was done, _____ And

sil - vry moon re - placed the sun, _____ She
dark - ened clouds ob - scured her sun, _____ Once

looked for him up in the sky, To
more she sad - ly looked on high, For

rit.
see his beam and soft - ly sigh:
her old love, to soft - ly sigh:

REFRAIN.

"Oh, twink - ling star, that beams so bright,

Smile on a - - far, through all the

night, Your gen - ial ray

and gen - tle glow, Ap - pear to

say "I love you so!"

When you shine on, as now you

do, I know a - non, your love is

true, I'll wor - ship thee,

though from a - - far, If you will

be, My eve - ning star!"
