**Milton D. Glick, PhD, Executive Vice President
and Provost of the University**

Founded in 1885, the Tempe campus of Arizona State University is located near the heart of metropolitan Phoenix in the city of Tempe. The Tempe campus comprises more than 700 acres and offers outstanding physical facilities to support the university's educational programs. The campus is characterized by broad pedestrian malls laid out in an easy-to-follow grid plan, with spacious lawns and subtropical landscaping.

ASU is a multicampus state-supported university with a student enrollment of more than 48,900 on the Tempe campus. Among the colleges are more than 90 programs leading to bachelor's degrees and more than 140 programs leading to graduate degrees, including a law degree program. These colleges are located on the Tempe campus:

1. Barrett Honors College;
2. College of Architecture and Environmental Design;
3. College of Education;
4. College of Law;
5. College of Liberal Arts and Sciences;
6. College of Nursing;

7. College of Public Programs;
8. Herberger College of Fine Arts;
9. Ira A. Fulton School of Engineering; and
10. W. P. Carey School of Business.

The Division of Graduate Studies, College of Extended Education, and University Libraries are also administered through the Tempe campus.

The mission of the university is to provide outstanding programs in instruction, research, and creative activity; to promote and support economic development; and to provide service appropriate for the nation, the state of Arizona, and the state's major metropolitan area. The Tempe campus supports the university mission through faculty who are excellent scholars and researchers and who are committed to teaching excellence.

The Tempe campus offers a broad range of educational experiences through a traditional semester calendar and summer and winter sessions. ASU programs offer diversity in academic, athletic, cultural, and social activities to prepare students to be productive citizens in a multicultural society.

The West campus, a community-focused metropolitan campus of Arizona State University located in Phoenix, serves the community and more than 7,300 residential and commuter students of diverse ages, ethnic backgrounds, and experiences through 30 baccalaureate programs, nine master's programs, and eight certificate programs. The West campus focuses on developing a learning community that addresses the needs of a dynamic metropolitan environment. It does this by offering learner-centered academic programs that enhance learning through teaching, service, and enrichment opportunities; promoting discovery and innovation; pursuing new knowledge; introducing insights and creative ideas through instruction; encouraging direct involvement in new fields of inquiry; investigating important community-based issues; and integrating with the community through service. The West campus' vision is to enhance the intellectual, social, cultural, and economic qualities of its urban environment through research and creative activity and to provide access to a quality liberal arts education for undergraduates, professional programs grounded in the liberal arts, and an array of graduate programs.

The West campus' commitment to integrated learning extends to Las Casas, an apartment-style, living-learning-based housing facility. Las Casas features faculty and academic advisors who live in the residence, faculty mentors, courses taught on site at the community center, and student affinity groups focusing on topics such as global awareness, leadership, and the arts.

Faculty and staff are dedicated to serving the evolving needs of high school graduates, working adults, and returning and continuing students. Expanding campus facilities and programs, along with a diverse student body, faculty, and staff, contribute to a culturally rich academic and social campus environment.

The West campus offers many on-campus services and facilities, all fully accessible for those with disabilities. These include a multimedia resource library, state-of-the-art

computer classrooms and labs, housing facilities, tutoring services, a disability resource center, bookstore, cafeteria, credit union, fitness center, recreational facilities, child care, and post office, plus many student activities, clubs, and organizations. Classes are offered days, evenings, weekends, and via television and the Internet.

The West campus occupies approximately 300 square acres between 43rd and 51st Avenues on West Thunderbird Road in Phoenix, easily accessed from Interstate 17 and Loop 101. Its architecture and courtyards are modeled on those of the University of Oxford in England, enhanced by a beautifully landscaped natural environment featuring widely acclaimed public art.

ACCREDITATION

The West campus is accredited by the Higher Learning Commission and is a member of the North Central Association. For more information, call 312/263-0456, access the Web site at www.ncahigherlearningcommission.org, or write

Change of Major from Tempe Campus or East Campus to West Campus

Currently enrolled Tempe campus degree-seeking students who want to relocate to a West campus degree program should contact Admissions Services at the West campus for the appropriate procedures. Acceptance to a West campus degree program requires the student to meet the prerequisites for entry to the student’s choice of major as stated in the appropriate catalog. Students should be aware that requirements may differ between the West campus and the Tempe campus for the same major.

Application of Course Credit. The application of transfer course credit to the degree program is determined by the department of the student’s major. Because of these constraints, students should seek advice from the appropriate advisor for their major before registering for classes at another university or ASU campus.

ACADEMIC ADVISING

Effective academic advising is an essential aspect of the educational experience at the West campus. Prospective students should contact a general advisor as a first step in the admission process. To make an appointment, call 602/543-WCAC, or visit the Campus Advising Center in UCB 201. A general counselor reviews admission requirements and processes and makes referrals to academic advisors as appropriate. A convenient alternative is to meet with an out-reach advisor at a West campus Transfer Center located on the campuses of local community colleges.

The Gerontology Program is a university-wide, multidisciplinary program designed so that students may take course work at any of the four ASU campuses and apply it toward the graduate Certificate in Gerontology or the minor in Gerontology. The program has an affiliated faculty of more than 50 members housed in 24 different departments throughout the university. Courses related to aging are taught by faculty who are active contributors to research, theory, and public policy and practice.

Program activities are designed for students who wish to study the psychological, sociological, biological, and policy-related aspects of aging, as well as for those interested in the health, economic, and social concerns of older people. Students study the aging process from multiple perspectives and develop knowledge and skills to prepare them for careers in an aging society. Students may also gain practical experience in working with older adults through field-based experiences and internships.

Since older Americans are becoming an increasing percentage of the population, there is a growing need for professionals with gerontology expertise. This is especially the case in Arizona due to the large number of retirement communities located here. Careers are available in a broad range of fields, including recreation, social work, nursing, counseling, public policy, and long-term care administration.

Certificate in Gerontology

An interdisciplinary, 21-semester-hour Certificate in Gerontology, administered by the Committee on Gerontology, is open to individuals with an earned baccalaureate degree. Students enrolled in the certificate program may simultaneously pursue a major in an academic unit offering a graduate degree or may enter the program as nondegree graduate students.

The course work is composed of six semester hours of required courses, a capstone experience, and 12 hours of aging-related elective courses chosen in consultation with an advisor. For more information on program requirements, contact the Gerontology Program office.

Minor in Gerontology

The minor in Gerontology consists of 18 semester hours—six hours of required course work and 12 hours of electives. Undergraduate students may begin taking courses for the minor upon completion of 56 semester hours with a minimum cumulative GPA of 2.00.

The minor may be used to fulfill the BIS concentration requirement. See "School of Interdisciplinary Studies," page 124.

For more information, call 602/543-6642, or access the program Web site at www.west.asu.edu/chs/grn.

PURPOSE

The need for higher education is growing every day, and yet balancing work, family, and learning can be challenging. To help students fit higher education into their busy schedules, the university provides additional access to quality education through the ASU College of Extended Education. The college provides flexible scheduling, innovative technologies, and a vast network of off-campus sites that makes it more convenient for students to pursue their education. Programming includes credit classes, degree programs, certificates, and continuing education.

For more information, access the Web site at www.asu.edu/xed or call 480/965-3986.

ORGANIZATION

The university-wide College of Extended Education provides an interactive link between ASU and the diverse communities it serves. The college assesses lifelong learning requirements and works in partnership with ASU campuses, colleges, and the community to serve learners using a network of locations, programs, schedules, and technologies. The college is composed of the following departments: Academic and Professional Programs, American English and Culture Program, Communications and Marketing, Distance Learning and Technology, Downtown Center and Property Administration, Extended Campus Programs, and Planning and Business Services.

Credits, Tuitions, and Fees

Academic credits earned off-campus are equivalent in all considerations as those credits earned on-campus, and the credits are recorded on students' permanent records.

Courses are published each fall and spring semester in the *ASU Schedule of Classes* and on the Web at www.asu.edu/xed and asuonline.asu.edu.

Tuition and fees for off-campus credit courses are the same as those offered on a campus. (See resident and non-resident rates in the latest *Schedule of Classes*.) Before the 21st calendar day of the each semester, any combination of on-campus and off-campus resident credit courses resulting in a combined registration of seven or more semester hours requires that the student pay full-time tuition. Off-campus credit courses and programs that commence on or after the 21st calendar day of the start of each semester require full-time and part-time students to pay tuition separate from (but in addition to) those courses starting before the 21st calendar day of the semester.

Schedule Options

Through the College of Extended Education, students have many opportunities to pursue their educational goals. A variety of scheduling options are available for credit courses offered by the university's academic departments. Convenient times and locations, and innovative technologies, make it easier for students to earn degrees.

As a convenience to students, courses are conducted off campus in locations throughout the state, on campus in the evening, via the Internet and television, and during Winter Session. Academic credits earned off campus are equivalent in all considerations with credits earned on campus, and the credits are recorded on students' permanent records. Courses are published each fall and spring semester in the *ASU Schedule of Classes* and on the Web at www.asu.edu/xed and asuonline.asu.edu.

Evening Classes

Evening study is perfect for students with busy schedules. The College of Extended Education offers several program options.

Evening classes in English as a second language are offered at night at the Tempe campus. For details, see "English as a Second Language," page 707.

The Undergraduate Evening Degree Completion Programs are designed for the working student seeking a bachelor's degree. Students enrolled in these programs typically have completed 60 lower-division semester hours. For more information about these credit programs, see an advisor.

The Bachelor of Interdisciplinary Studies is offered at the Downtown Center at ASU. Students may earn their entire

COLLEGE OF EXTENDED EDUCATION

degree in downtown Phoenix. For more information, see an advisor.

The W. P. Carey MBA Evening Program offers working professionals a solid managerial degree at two locations: the Downtown Center at ASU and at the Tempe campus. For more information, see an advisor.

The Master of Public Administration offers several interdisciplinary courses during the evening at various locations, and the full program is available at the Downtown Center at ASU. For more information, see an advisor.

Weekend Courses

Each semester, ASU offers weekend courses that often are in a compressed format and involve meeting for several hours on select weekends. Some course work may be required outside of the regular course sessions. For a list of current weekend courses, refer to the searchable online course schedule at www.asu.edu/xed. A student wishing to enroll in a weekend course should contact the appropriate department for details, including specific dates and requirements.

Winter Session

This is an intensive, condensed session offered between the fall and spring semesters. Students may enroll in one course and earn up to three semester hours of credit, which are recorded on fall transcripts. Courses are offered at the Tempe campus. Registration begins October 1 and courses start in late December. The College of Extended Education schedules the Winter Session courses in collaboration with the university's academic departments.

For more information, call 480/727-9900.

Distance Learning

ASU offers more than 200 courses each semester through the Internet and television. Distance learning students complete the course work and exams for the same academic credit as students on campuses. However, they experience the added value and flexibility of earning credit at home or work. Distance learning students keep in touch with instructors and classmates through teleconferencing, e-mail, and discussion boards.

Internet

Online courses offer students a great deal of scheduling flexibility. Various university departments offer Internet classes. Through the Web, students can access lectures, participate in class assignments, interact with the instructor, collaborate with other students, and earn ASU credit at convenient times and locations. A computer, Internet access, e-mail, and a Web browser are necessary to participate in Web-based courses; however, specific equipment and software requirements may vary by course. Students register for Internet courses through the normal university admissions and registration process.

For more information, visit ASUonline, the university's gateway to the "online campus," at asuonline.asu.edu. Interested individuals may also write to distance@asu.edu, or call 480/965-6738.

Television

Televised courses make it possible for students to earn course credits by viewing class sessions and completing work assignments at home or work. Courses are available throughout the Phoenix area via public and cable television providers. Televised courses are also available in university residence halls at the Tempe and East campuses. Most televised courses are available for viewing through University Libraries. Televised courses are listed each fall and spring in the *ASU Schedule of Classes* and online at asutv.asu.edu.

For more information about televised courses, send e-mail to asutv@asu.edu, or call 480/965-6738.

Interactive Instructional Television Program. Students employed by companies participating in this program may take courses for credit at their work sites. The teleconferencing system enables students to interact with other students and instructors in the classroom on campus. Interactive instructional television sites are available at several locations in the Phoenix area. Each site has a coordinator to assist with registration, provide information, and proctor exams, which typically are held at the site. A daily courier service circulates course materials between faculty on campus and their students at remote sites.

Public Sites. Certain sites provide the public with access to interactive television courses. Students can participate in most televised courses at locations such as the Downtown Center at ASU, the East and West campuses of ASU, Cactus Shadows High School, and the Gila River Indian Community.

Off-Campus Locations

ASU classes are held at more than 200 off-campus sites throughout metropolitan Phoenix, the state, and beyond. Many neighborhood sites, such as community colleges, schools, churches, and businesses, serve as hosts to university courses.

The anchor off-campus site is the Downtown Center at ASU, located in downtown Phoenix. The center is the educational hub for downtown workers, organizations, and residents, and serves as a meeting site for conferences and seminars.

For more information, see "Locations," page 708.

Degree Programs

Convenient times and locations, as well as today's innovative technologies, make it easier for working adults and other nontraditional students to earn a degree. Some of the degrees may be offered in different subject areas or concentrations, at various locations, or through technology. The College of Extended Education delivers courses offered by the university's academic departments. The courses are published each fall and spring semester in the *ASU Schedule of Classes*. For complete details about any of these degree programs, contact the appropriate academic department.

Undergraduate Evening Degree Completion Programs. These programs are perfect for the working adult seeking a bachelor's degree. The programs offer a variety of courses and access to faculty and advisors at night. Most classes are

held on the Tempe campus. Students enrolled in the program typically have completed 60 lower-division semester hours. Degrees offered are from the College of Liberal Arts and Sciences, and students can earn a bachelor's degree in any of these disciplines: communication, English, history, political science, psychology, and sociology. The Undergraduate Evening Degree Completion Programs are offered in partnership with the Maricopa Community Colleges. Front Cover

The Tempe campus continues to grow with the recent addition of Lattie F. Coor Hall and the completion of phase one of the Biodesign Institute, and yet historic buildings remain at the heart. Here students enjoy a typically sunny day walking between the University Club (left) and Old Main.

Back Cover

Campus life includes cheerleaders and ASU mascot Sparky rooting on the football team at Sun Devil Stadium, students strolling through a courtyard between classes at West campus, and Architecture majors working in their own studio spaces on Tempe campus.

Flap

The East, Tempe, and West campuses of ASU are all beautiful settings in which students live, learn, and reach their academic goals.
