Introductory Section

This section provides general information on the government's structure and information useful in assessing the City's financial condition.

December 5, 2014

To the Honorable Mayor, Members of the City Council and Citizens of the City of Tempe, Arizona:

The Comprehensive Annual Financial Report, including the Independent Auditor's Report, for the fiscal year ended June 30, 2014 is submitted in accordance with Article V of the City Charter for your review. Responsibility for the accuracy and completeness of the presented data, including all disclosures, rests with management. To the best of our knowledge and belief, this report is accurate in all material respects and is presented in a manner designed to fairly set forth the financial position and results of operations of the City. All disclosures necessary to enable the reader to gain an understanding of the City's financial activities have been included.

This Comprehensive Annual Financial Report (CAFR) represents management's report to its governing body, constituents, legislative and oversight bodies, investors and creditors. Copies of this report will be sent to elected officials, City management personnel, bond rating agencies, nationally recognized municipal securities information repositories and other agencies that have expressed an interest in Tempe's financial condition. Copies of this financial report will also be placed in the City library and on the City's web site at <http://www.tempe.gov/accounting/> for use by the general public.

Management is responsible for establishing and maintaining an internal control structure designed to ensure that the assets of the City are protected from loss, theft, or misuse and that adequate accounting data are compiled to allow for the preparation of the basic financial statements in conformity with generally accepted accounting principles (GAAP). The internal control structure is designed to provide reasonable, but not absolute, assurance that these objectives are met. The concept of reasonable assurance recognizes that the cost of a control should not exceed the benefits likely to be derived and the valuation of costs and benefits requires estimates and judgments by management.

The accounting firm of Heinfeld, Meech & Co., P.C., an independent certified public accounting firm, performed the City's annual financial statement audit. The auditor's unmodified "clean" Independent Auditor's Report on the financial statements is included in the financial section of this report. The City's independent auditors also perform the Single Audit of the City's federal grant programs. The Single Audit Reporting Package is issued separately from this financial report and is available upon request.

Generally Accepted Accounting Principles (GAAP) require that management provide a narrative introduction, overview and analysis to accompany the basic financial statements in the form of Management's Discussion and Analysis (MD&A). This letter of transmittal is designed to complement the MD&A and should be read in conjunction with it. The MD&A can be found immediately following the Independent Auditors' Report.

CITY OF TEMPE PROFILE

History - Tempe's history dates back to 1867 when Mr. Charles T. Hayden, father of former U.S. Senator Carl Hayden, constructed a cable ferry on the then uncontrollable waters of the Salt River. In 1871, Mr. Hayden and four others organized the Hayden Milling operations and related agricultural enterprises. Soon after, the Town of Hayden's Ferry was founded. The name of the town was changed from Hayden's Ferry to Tempe in 1880 and was incorporated in 1894.

Current Profile - The boundaries of Tempe encompass an area approximately 40.1 square miles with an estimated population of 162,000 residents as of the 2010 census. Tempe offers more than 330 days of sunshine each year with rainfall amounts of approximately 7 inches a year. The City is located in Maricopa County, Arizona and is bordered by the cities of Phoenix, Scottsdale, Mesa, Chandler and the Town of Guadalupe. Tempe is surrounded by five major freeways and is only minutes away from Phoenix Sky Harbor International Airport, making it the most accessible City in the metropolitan Phoenix area.

Government and Organization - On October 19, 1964, the electors in accordance with Arizona State Law ratified a Home Rule City Charter. The City operates under a Council-Manager form of government. The Mayor is elected for four years and six council members are elected at large on a non-partisan ballot for staggered four-year terms. The City Council appoints the City Manager who has full responsibility for carrying out Council policies and administering City operations. The City provides services as authorized by its charter including: public safety (police, fire, building inspection), highways and streets, public transit, sanitation, water and wastewater, cultural-recreational, community development and general administration. The Rio Salado Community Facilities District is a separate component unit of the City and facilitates the development around Tempe Town Lake.

Budgetary Controls - The City maintains budgetary controls that are designed to ensure compliance with budgetary and legal provisions embodied in the annually appropriated operating and capital project budgets approved by the City Council. Activities of the General Fund, Special Revenue Funds, General Obligation Debt Service Fund, and Proprietary Funds are included in the annually appropriated operating budget. Project-length budgets are developed for capital projects and appropriated annually in the Capital Projects Funds. The level of budgetary control (that is, the level at which expenditures cannot legally exceed the appropriated amount) is at the city-wide level consisting of the total operating budget and the total capital projects budget, as adopted by the City Council. However, for budget administrative purposes, the City maintains budgeting controls at department appropriation levels. In addition to maintaining budgetary control via a formal appropriation, the City maintains an encumbrance accounting system. Encumbrances are made against appropriations upon the issuance of a purchase order. As part of the annual budgeting process, encumbrances outstanding at each fiscal year end are re-appropriated through City Council action in order to be carried forward at the end of each fiscal year.

LOCAL ECONOMY

The bond rating agencies consider Tempe's economy to be strong with access to the broad and diverse Phoenix economy. This is reflected in the strong ratings of AAA, AAA, and Aa1 from Standard & Poors Corporation, Fitch Ratings, and Moody's Investors Service, respectively. The local economic recovery continues as expansion projects result in increasing permit fee revenues, and consumer confidence boosts sales tax revenues. Recently, the city has seen elevated permitting activity, including notable projects such as a 1.9 million square foot office project anchored by State Farm Insurance, and hotel and conference center project which includes facilities for USA Basketball. The city's pipeline of new construction activity remains full, which is expected to contribute to the city's continued medium-term economic growth. Although Tempe was somewhat less exposed to the housing correction than its regional neighbors, given a sizable commercial and industrial base, the presence of Arizona State University (ASU), and less reliance on new housing construction, the city's tax base is not immune to correction. Real estate values remain below peak levels, and lagging property assessments continued to decline through 2014. After peaking at \$19.0 billion in 2010 the city's full value (net of estimated value of property exempt from taxation) declined 42% to \$11.0 billion in 2014, which is nonetheless more than twice as large as the Aa1-rated city median. We anticipate that 2014 will be

the bottom of this trend, with 2015 projected assessed value growth of approximately 7.6%, led by residential reassessments.

The City, like most of the State of Arizona and nation, continued its recovery from the economic recession during the fiscal year. Improvement was experienced in all major categories of revenue including sales taxes and property taxes. The City's unemployment rate was at an estimated 5.4% as of the end of the fiscal year.

Sales Tax

Growth continued in the local sales tax base across many categories including retail, utilities/communication, contracting, hotel/motel and restaurants. Total taxable sales increased by 5%. Retail taxable sales (comprising 51.3% of total taxable sales) grew by 4.7%. As a result, General Fund gross sales tax revenues (exclusive of bed tax) increased by \$4.5 million (5%) to \$92.8 million; \$11.4 million of this sales tax revenue is from the 0.2% (two-tenths of one percent) temporary (four-year) sales tax that became effective July 1, 2010 and expired on June 30, 2014. Sales tax revenue represented 52% of total General Fund revenues for the year.

State-Shared Revenue

State-shared sales tax revenue (\$14.1 million) increased by 6% compared to the prior year, reflecting increased taxable sales throughout the state and minimal impact of the U.S. Census. The 2010 Census counts are used in the distribution formula for state-shared revenues. As the City's proportionate share of total state population continues to decline over time due to its landlocked status, the percentage of state-shared revenues allocated to the City also declines. Despite this decline in the percentage proportionate share, the City experienced an increase in state-shared income tax of \$1.5 million (9.0%) due to the continuing growth in the pool of state income tax revenues shared with cities and towns. State shared income tax received during the fiscal year (\$18 million) is from actual collections by the State for fiscal year 2011-12. Auto lieu tax (\$6.1 million) increased by \$0.9 million (17%) compared to the prior year, reflective of very strong auto sales. These state-shared revenues combined represented about 20% of General Fund revenue for the year.

Property Tax

Property tax revenues grew by \$0.7 million (4%) to \$16.5 million and \$0.6 million (3%) to \$23.6 million over the prior year in the General Fund and General Obligation Debt Service Fund, respectively. The modest increases are reflective of the property tax revenue stabilization policy recently implemented by the City to mitigate the impact of the decline in property valuation due to the recession. This stabilization has ensured the City's ability to service currently outstanding debt and maintain basic infrastructure. Property tax comprised approximately 9% of General Fund revenues for the year.

LONG-TERM FINANCIAL PLANNING

The City prepares a five-year, comprehensive long-range financial forecast for each of its major operating funds in the fall and spring of each fiscal year. In addition, the city also annually updates the debt management plan. These forecasts are critical to identifying and establishing the budgetary parameters that guide management and policy makers in the budget allocation process.

The latest forecast indicates that economic outlooks have softened slightly in most regional and statewide projections. Retail sales projections are still projected to improve, but are slightly weaker in most recent studies than they were in the spring. However, Tempe's economy is currently outperforming the forecasts for state and regional growth. We are projecting that Tempe's retail and development activity will continue to outperform our surrounding cities for the rest of the current year and into next fiscal year.

Overall, our five-year forecast for local revenues is slightly better than our spring projections. Following the expiration of the temporary sales tax in June, there is no need for budget reductions and, in fact, restrictions on compensation growth can be eased slightly. The trend continues to improve as we add years to the end of the forecast, indicating that the current strategy is producing the desired results.

CITY COUNCIL STRATEGIC PRIORITIES

The City Council strategic priorities were identified after a series of open meetings to discuss, identify and prioritize their collective vision for the future of Tempe. The resulting 5 priorities provide the framework to align our top strategic priorities through city staff in creating goals that support the City Council's vision and achieve operational and sustainable accountability. This means continually finding ways to transform our strategic priorities into strategies that guide the development of the budget, allocation of resources, and citywide departmental performance goals in getting the most important things accomplished. The following represent the priorities:

1. Ensure Long-Term Financial Stability
2. Pursue Quality Economic Development
3. Maintain High Quality of Life and Services
4. Maintain Commitment to Public Safety
5. Create Innovative/Creative/Fun/Different/Active Atmosphere

The overarching intention is to delineate long-range goals, formulate a cohesive strategy for each of the defined areas, and develop departmental action plans to advance the City toward those strategic goals.

MAJOR INITIATIVES

As reported last year, the State of Arizona enacted a new law during the spring 2013 legislative session mandating that the State Department of Revenue (DOR) would be responsible for all privilege tax licensing, collection, and auditing in the state beginning January 1, 2015. **As a result of extensive discussions between state agencies, cities and the League of Arizona Cities & Towns, the start date for administration of transaction privilege tax for the 18 self-collecting cities by the DOR has been extended to January 1, 2016.** This is to allow time for the computer system changes at DOR required to handle the necessary level of detail reporting for the additional cities. Specifically, DOR will be collecting and reporting by separate business location with detailed tax data including separately stated gross receipts by classification, and itemized deductions claimed. While the DOR currently performs these services for the majority of cities/towns in the state, approximately eighteen of the largest jurisdictions (including the cities of Phoenix, Tucson, Mesa, Scottsdale, Chandler, and Tempe) in the state provide these services directly to taxpayers located within their boundaries. The intent of the legislation is to streamline the tax reporting and remitting process for taxpayers throughout the state without any loss of revenue and tax data for each of the jurisdictions. The City is unable to estimate the potential impact of the change at this time.

Construction began during fiscal year on the replacement of the Tempe Town Lake downstream dam. The original dam, consisting of four rubber bladders constructed over 10 years ago, experienced a rupture in one of the bladders in July of 2010. All four bladders were replaced under an agreement with the manufacturer that required the dam to be replaced by December 31, 2015. The City has decided that the new structure would feature steel-hinged crest gates. Replacement of the dam is critical to continuing economic development of the area around the lake. The total estimated cost of completing the replacement of the dam is \$40.8 million. The City expects that construction of the new dam will be completed by the end of calendar year 2015.

Construction also began during the year on the largest "Class A" office project in the history of the State of Arizona, "Marina Heights". The significant \$600 million development in downtown Tempe is to be anchored by a State Farm Insurance regional headquarters. The entire project is estimated at 1.9 million square feet in five office buildings on a 20-acre site north of Arizona State University's Sun Devil Stadium. The project is expected to become a job hub that will draw thousands of employees at various skill levels.

Construction is anticipated to begin during the first quarter of calendar year 2015 on the hotel and conference center at the intersection of Mill Avenue and University Drive. The \$350 million development will feature a 330-room luxury hotel and a 30,000-square-foot conference center, both operated by Omni Hotels and Resorts, as well as apartments above office and retail space on the site. The project, proposed by USA Place, will be located on 10.5 acres of land at Mill Avenue and University Drive and is projected to bring some 300,000 people to

Tempe each year. In addition, the project will feature a state of the art basketball facility housing five full courts and a 4,500 seat event center.

Tempe continues to pursue development of the approximately 3-mile streetcar project. The city envisions building a rail-based system that would make it easier to get to downtown Tempe and attract redevelopment akin to the hefty economic investment seen in cities such as Portland and Seattle that banked on streetcars in their urban core.

AWARDS AND ACKNOWLEDGEMENTS

Certificates of Achievement

The Government Finance Officers Association of the United States and Canada ("GFOA") awarded a **Certificate of Achievement for Excellence in Financial Reporting** to the City for its comprehensive annual financial report for the fiscal year ended June 30, 2013. The Certificate of Achievement is a prestigious national award recognizing conformance with the highest standards in the preparation of state and local government financial reports. In order to be awarded a Certificate of Achievement, the City published an easily readable and efficiently organized comprehensive annual financial report, whose contents conform to program standards. This report satisfied both generally accepted accounting principles and applicable legal requirements. A Certificate of Achievement is valid for a period of one year only. The City has received a Certificate of Achievement for the last thirty-eight consecutive years (fiscal years 1975-76 through 2012-13). We believe our current report continues to conform to the Certificate of Achievement program requirements, and we are submitting it to the GFOA for award consideration.

In order to maintain its commitment to financial excellence, the City also received the GFOA's **Distinguished Budget Presentation Award** for the fiscal year 2013-14 annual budget and the National Purchasing Institute's certificate of **Achievement of Excellence in Procurement Award** for 2014.

Acknowledgment

The preparation of this report could not have been accomplished without the dedicated service of the entire staff of the Accounting Division, the assistance of administrative personnel in the various departments, and the competent service of our independent auditors. Credit also must be given to the Mayor and City Council members for their continued support for maintaining the highest standards of professionalism in the management of the City of Tempe's finances. For those involved, we express our sincerest appreciation.

Respectfully submitted,

Andrew B. Ching

Financial Section

This section contains the independent auditor's report, management's discussion and analysis, and basic financial statements. Also included are financial statements for individual funds and a component unit for which data is not provided separately in the basic financial statements, and other useful supplementary information.

INDEPENDENT AUDITOR'S REPORT

The Honorable Mayor and Members of the City Council
City of Tempe, Arizona

Report on the Financial Statements

We have audited the accompanying financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of City of Tempe, Arizona (the City), as of and for the year ended June 30, 2014, and the related notes to the financial statements, which collectively comprise the City's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the City of Tempe, Arizona, as of June 30, 2014, and the respective changes in financial position and, where applicable, cash flows thereof and the respective budgetary comparisons for the General Fund and the Transit Special Revenue Fund for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Change in Accounting Principle

As described in Note 1, the City implemented the provisions of the Governmental Accounting Standards Board (GASB) Statement No. 65, *Items Previously Reported as Assets and Liabilities*, for the year ended June 30, 2014, which represents a change in accounting principle. Our opinion is not modified with respect to this matter.

Other Matters***Required Supplementary Information***

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis on pages 17 through 34 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the City's basic financial statements. The introductory section, combining fund financial statements, other supplementary information, and statistical section are presented for purposes of additional analysis and are not a required part of the basic financial statements.

The combining fund financial statements and other supplementary information are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the combining fund financial statements and other supplementary information is fairly stated in all material respects in relation to the basic financial statements as a whole.

The introductory and statistical sections have not been subjected to the auditing procedures applied in the audit of the basic financial statements and, accordingly, we do not express an opinion or provide any assurance on them.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated December 5, 2014, on our consideration of City of Tempe's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering City of Tempe's internal control over financial reporting and compliance.

MANAGEMENT'S DISCUSSION AND ANALYSIS

This section of the City of Tempe's (the City) *Comprehensive Annual Financial Report* presents a narrative overview and analysis of the financial activities of the City for the fiscal year ended June 30, 2014. Readers are encouraged to consider the information presented here in conjunction with additional information that has been furnished in the letter of transmittal.

FINANCIAL HIGHLIGHTS

- The assets and deferred outflows of resources of the City exceeded its liabilities at the close of the most recent fiscal year by \$1.180 billion (net position). Of this amount, \$355.7 million (unrestricted net position) may be used to meet the government's ongoing obligations to citizens and creditors.
- The City's total net position increased by \$9.4 million during the fiscal year compared to a decrease of \$13.0 million in the prior year. The governmental funds experienced an increase in net position of \$1.4 million compared to a decrease of \$12.3 million and the enterprise funds experienced an increase of \$8.1 million compared to a decrease of \$0.7 million.
- For the fiscal year ended June 30, 2014, the City's governmental revenues overall increased by \$22.6 million. Even though there was a decrease in *operating grants and contributions* of \$2.6 million, this was offset by an increase of \$12.0 million in *sales taxes*, \$7.1 million in *charges for services*, \$2.3 million in *intergovernmental revenue, unrestricted* as well as a \$1.4 million increase in *property taxes*. Expenses only moderately increased by \$5.9 million. The increase in expenses was primarily in the area of the *Police and Community Development* functions as well as in *Interest on Long-term Debt*.
- At June 30, 2014, the City's governmental funds reported combined ending fund balances of \$183.4 million. Approximately 56.2% of this total amount (\$103.1 million) is for spending at the government's discretion (committed, assigned, or unassigned).
- At June 30, 2014, total fund balance for the General Fund was \$74.8 million which represents an increase of \$13.3 million over the prior year's fund balance as revenues continued to exceed expenditures. Revenues increased by \$18.5 million while related expenditures increased by \$13.1 million. The other factor in the net increase is that *other financing sources (uses)* varied from a *net use* in prior year of \$3.8 million to a *net source* in the current year of \$4.2 million.
- At June 30, 2014, the City's proprietary funds reported combined total net position of \$256.7 million, and total unrestricted net position of \$118.7 million. \$115.4 million of the unrestricted net position was in the Water and Wastewater Fund.
- At June 30, 2014, the total long-term obligations of the City decreased by \$33.2 million due primarily to the scheduled debt service payments on existing debt being greater than the amount of new money bond issues which was 11.7 million in general obligation bonds for transportation, public safety, parks, and municipal infrastructure preservation. In addition, the general obligation issuance included a refunding component of \$15.6 million of general governmental and enterprise debt.

OVERVIEW OF THE FINANCIAL STATEMENTS

This discussion and analysis is intended to serve as an introduction to the City's basic financial statements. The City's basic financial statements are comprised of three components: (1) **Government-wide** financial statements, (2) **Fund** financial statements, and (3) **Notes** to the financial statements. This report also contains **other supplementary information** in addition to the basic financial statements themselves.

GOVERNMENT-WIDE FINANCIAL STATEMENTS

The government-wide financial statements are designed to provide readers with a broad overview of the City's finances, in a manner similar to a private-sector business.

The **statement of net position** presents information on all of the City's assets, liabilities and deferred inflows/outflows of resources, with the difference reported as net position. Over time, increases or decreases in net position may serve as a useful indicator of whether or not the financial position of the City is improving or deteriorating.

The **statement of activities** presents information showing how the City's net position changed during the current fiscal year. All changes in net position are reported as soon as the underlying event giving rise to the change occurs, regardless of the timing of related cash flows. Thus, revenues and expenses are reported in this statement for some items that will only result in cash flows in future periods, such as revenues pertaining to uncollected taxes and expenses pertaining to earned but unused vacation and sick leave.

Both of the government-wide statements distinguish functions of the City that are principally supported by taxes and intergovernmental revenues (governmental activities) from other functions that are intended to recover all or a significant portion of their costs through user fees and charges (business-type activities). The governmental activities of the City include police, fire, community services, public works, community development, community relations, mayor and council, city manager, diversity program, internal audit/consulting, economic development, city clerk and elections, city attorney, municipal court, finance and technology, and human resources. The business-type activities of the City include water and wastewater, solid waste, and golf operations.

Included within the government-wide financial statements are the operations of the Rio Salado Community Facilities District. Although legally separate from the City, this component unit is blended with the primary government (the City) because of its governance or financial relationships with the City.

FUND FINANCIAL STATEMENTS

The fund financial statements are designed to report information about groupings of related accounts that are used to maintain control over resources that have been segregated for specific activities or objectives. The City, like other state and local governments, uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements. All of the funds of the City can be divided into the following three categories: **governmental** funds, **proprietary** funds, and **fiduciary** fund.

Governmental funds. Governmental funds are used to account for essentially the same functions reported as governmental activities in the government-wide financial statements. Most of the City's basic services are reported in governmental funds. These statements, however, focus on near-term inflows and outflows of spendable resources and spendable resources available at the end of the fiscal year. Such information may be useful in determining what financial resources are available in the near future to finance the City's programs.

Because the focus of governmental funds is narrower than that of the government-wide financial statements, it is useful to compare the information presented for governmental funds with similar information presented for governmental activities in the government-wide financial statements. By doing so, readers may better understand the long-term impact of the government's near-term financing decisions. Both the governmental funds balance sheet and the governmental funds statement of revenues, expenditures and changes in fund balances provide a reconciliation to facilitate this comparison between governmental funds and governmental activities.

Other than the General Fund, the City maintains several individual governmental funds organized according to their type (special revenue, debt service, and capital projects). Information is presented separately in the governmental funds balance sheet and in the governmental funds statement of revenues, expenditures and changes in fund balances for the General Fund, Transit Special Revenue Fund, General Obligation Debt Service Fund, Special Assessment Debt Service Fund and the Transit Capital Projects Fund which are all considered to be major funds. Data from the remaining governmental funds are combined into a single, aggregated presentation. Individual fund data for each of the non-major governmental funds is provided in the form of combining statements elsewhere in this report.

The City adopts an annual appropriated budget for the General, Special Revenue, Debt Service, and Proprietary Funds along with a Capital Improvement Program Budget for the Capital Projects Funds. The legal level of budgetary control is at the citywide level (incorporating both the operating and capital budgets). Budgetary comparison statements have been provided in the basic financial statements for the General and Transit Special Revenue Funds to demonstrate compliance with the budget. Budgetary comparison schedules for other Non-major Special Revenue, Debt Service, Capital Projects, and Enterprise Funds are included in *Other Supplementary Information*.

Proprietary funds. Proprietary funds are generally used to account for services provided to customers to whom the City charges user fees that are designed to fully recover the cost of providing the service. Proprietary fund statements provide the same type of information shown in the government-wide financial statements, only in more detail. The City maintains the following two types of proprietary funds:

- **Enterprise funds** are used to report the same functions presented as business-type activities in the government-wide financial statements. The City uses enterprise funds to account for its water and wastewater, solid waste and golf course operations. All enterprise funds are considered to be major funds of the City.
- **Internal Service funds** are used to report activities that provide supplies and services for certain City programs and activities. The City uses internal service funds to account for its employee and retiree health insurance programs and its risk management services including workers compensation, general liability and property liability claims. Because these services predominantly benefit governmental rather than business-type functions, they have been included within governmental activities in the government-wide financial statements. The internal service funds are combined into a single, aggregated presentation in the proprietary fund financial statements. Individual fund data for the internal service funds is provided in the form of combining statements elsewhere in this report.

Fiduciary funds. Fiduciary funds are used to account for resources held for the benefit of parties outside the City. The City uses a fiduciary fund to account for other post-employment benefits provided to retirees. Fiduciary funds are not reflected in the government-wide financial statements because the resources of those funds are not available to support the City's own programs.

NOTES TO THE FINANCIAL STATEMENTS

The notes to the financial statements provide additional information that is essential to a full understanding of the data provided in the government-wide and fund financial statements.

COMBINING STATEMENTS

The combining statements referred to earlier in connection with non-major governmental funds and internal service funds are presented immediately following the *notes to the financial statements*.

ANALYSIS OF NET POSITION

As noted earlier, net position may serve as a useful indicator of a government's financial position. With the current year implementation of Governmental Accounting Standards Board (GASB) Statement No. 65, *Items Previously Reported as Assets and Liabilities*, the *Net Position- June 30, 2014* table presents a new category of *deferred outflows of resources* containing a *deferred charge on refundings*. This was not an existing category as of June 30, 2013 and therefore does not have comparable data.

As only the beginning *Net Position* balance for June 30, 2014 was restated and not the detail components, the following analysis compares with the non-restated June 30, 2013 balances. For the City, assets and deferred outflows of resources exceeded liabilities by \$1.180 billion and \$1.177 billion as of June 30, 2014 and 2013, respectively. The largest portion of the City's net position reflects its investment in capital assets (e.g. land, buildings, infrastructure, improvements, machinery and equipment and construction in progress) less any related debt used to acquire those assets. The net position invested in capital assets, net of related debt were \$675.9 million and \$698.5 million at June 30, 2014 and 2013, respectively. These totals represent 57.3% and 59.4% of total net position at June 30, 2014 and 2013, respectively. The City uses these capital assets to provide services to citizens; consequently, these assets are not available for future spending. Although the City's investment in its capital assets is reported net of related debt, it should be noted that the resources needed to repay this debt must be provided from other sources, since the capital assets themselves cannot be liquidated for these liabilities.

An additional portion of the City's net position represents resources that are subject to external restriction on their usage. The net position subject to external restrictions was \$148.3 million (12.6% of total net position) at June 30, 2014. At June 30, 2013 restricted net position was \$119.8 million (10.2% of total net position). With the implementation of GASB Statement No. 54, *Fund Balance Reporting and Governmental Fund Type Definitions*, new categories of net position were established and existing ones redefined. One new category represents non-spendable items which are inventories, prepaid items, and notes receivable. This category is considered unrestricted. The remaining balance of net position is also unrestricted (committed, assigned, and unassigned), and may be used to meet the government's ongoing obligations to citizens and creditors. The total balance of unrestricted net position was \$355.7 million (30.1% of total net position) and \$358.5 million (30.5% of total net position) at June 30, 2014 and 2013, respectively.

At the end of each fiscal year, the City is able to report positive balances in all three categories of net position for the governmental as well as for the business-type activities as a whole.

ANALYSIS OF CHANGE IN NET POSITION

The City's net position increased by \$9.4 million during the current fiscal year. These changes in net position are explained in the governmental and business-type activities discussion below. The *Changes in Net Position- June 30, 2014*, "net position at the beginning of the year, restated" of the Business-type Activities does not agree to the prior year *Changes in Net Position- June 30, 2013* "net position at end of year" due to the implementation of GASB Statement No. 65, *Items Previously Reported as Assets and Liabilities*.

Governmental activities. The governmental net position increased by \$1.4 million for the fiscal year ended June 30, 2014 which was an improvement over the \$12.3 million decrease in net position which occurred for fiscal year ended 2013. Overall revenues increased by \$22.6 million while expenditures only increased by \$5.9 million.

The key factors contributing to the change in net position compared to the prior year are as follows:

- The largest component contributing to the increase in net position was an increase in citywide *sales tax* of \$12.0 million (8.8%). The primary drivers of the growth were in the areas of retail, construction, and restaurants.
- *Charges for services* was the next largest component contributing to the increase in net position with an increase of \$7.1 million (16.8%) over prior year. The increase was due predominately to the increase in construction and building permits revenue.
- *Property taxes* increased by \$1.4 million (3.7%) due to the continuation of the property tax stabilization policy implemented by the City in fiscal year 2011-12.
- *Intergovernmental revenue, unrestricted* increased in the amount \$2.3 million (7.9%) due to an increase in *State shared income tax*.
- *Total expenses* increased by only \$5.9 million (1.9%) evidencing the City's continuing efforts to control costs.

The following charts, over the next few pages, illustrate the City's governmental expenses and program revenues by function and its revenues by source for the current fiscal year:

A comparison of expenses by function and the percentage of total expenses for the largest functions is presented in the chart. Total expenses for the City's governmental activities increased from prior year by \$5.9 million (1.9%). Within the functions, there was a decrease in expenses for *Public Works* and *Fire* which were moderately offset with an increase in expenses for *Police*, *Community Development* and *Community Services*.

	Fiscal Year Ended			
	June 30, 2014		June 30, 2013	
Public works	\$102,892,245	32.7%	\$103,586,986	33.6%
Police	78,658,426	25.0	76,585,163	24.8
Fire	31,103,237	9.9	32,594,512	10.6
Community development	30,234,017	9.6	26,757,509	8.7
Community services	29,363,339	9.3	28,592,571	9.3

Fiscal Year 2013-14 Expenses by Function- Governmental Activities

General revenues such as *sales taxes*, *property taxes*, *intergovernmental revenue, unrestricted* and other excise taxes are not shown by program, but are effectively used to support program activities citywide. For governmental activities overall, without regard to program, a comparison of the largest general revenues and their percentage of total revenues (excluding transfers) is presented below. As stated previously, *sales taxes*, *property taxes*, and *intergovernmental revenue, unrestricted* each displayed growth by increasing by \$12.0 million, \$1.4 million and \$2.3 million, respectively.

	Fiscal Year Ended			
	June 30, 2014		June 30, 2013	
Sales taxes	\$147,815,825	46.9%	\$135,841,046	50.9%
Property taxes	40,074,441	12.7	38,644,241	13.2
Intergovernmental revenue, unrestricted	32,102,103	10.2	29,756,246	5.6
Auto-lieu taxes	6,053,172	1.9	5,165,072	1.8
Franchise taxes	3,310,940	1.1	3,253,175	1.1

**Fiscal Year 2013-14 Revenues by Source-
Governmental Activities**

Business-type activities. Business-type activities increased the City's net position by \$8.1 million for the year ended June 30, 2014 compared to a decrease of \$0.7 million for the year ended June 30, 2013. The current year increase was derived primarily from water and wastewater rate increases which resulted in *charges for services* increasing by \$6.0 million (8.0%) in the Water and Wastewater Fund.

For the business-type activities a comparison of revenues by source is provided for each activity.

For the Year Ended June 30, 2014					
	Water and Wastewater	Solid Waste	Golf	Cemetery	Total
Charges for services	\$ 80,989,551	\$ 14,400,476	\$2,661,519	\$ -	\$ 98,051,546
Unrestricted investment earnings/other	2,059,645	68,702	4,991	-	2,133,338
Total	<u>\$ 83,049,196</u>	<u>\$ 14,469,178</u>	<u>\$2,666,510</u>	<u>\$ -</u>	<u>\$100,184,884</u>

For the Year Ended June 30, 2013					
	Water and Wastewater	Solid Waste	Golf	Cemetery	Total
Charges for services	\$ 74,979,069	\$ 14,341,827	\$2,480,815	\$ -	\$ 91,801,711
Unrestricted investment earnings/other	1,060,341	5,738	501	528	1,067,108
Total	<u>\$ 76,039,410</u>	<u>\$ 14,347,565</u>	<u>\$2,481,316</u>	<u>\$ 528</u>	<u>\$ 92,868,819</u>

As shown in the *Analysis of Change in Net Position* schedules presented previously, the largest of the City's business-type activities, Water and Wastewater, had expenses of \$73.2 million for the fiscal year, followed by Solid Waste with \$15.4 million and Golf with \$2.8 million. Due to revenues consistently not being sufficient to cover expenses, the Cemetery fund was consolidated into the General fund on 7/1/2013.

Expenses for the Water and Wastewater fund decreased by \$2.3 million (3.0%) due to the prior year having a loss on the transfer of an asset of \$3.1 million. The current year change was then offset with a modest increase in operating expenses of \$0.5 million (0.9%).

The Solid Waste fund incurred a moderate increase of expenses of \$0.6 million (4.2%) while *charges for services* increased by less than \$0.1 million (0.4%). As a result, the change in net position increased from a deficit of \$1.0 million in prior year to a deficit of \$1.3 million in the current year.

The Golf fund improved between years. *Charges for services* increased by \$0.2 million (7.3%) while operating expenses increased by less than \$0.1 million (2.8%). This improved the decrease in the net position from a prior year deficit balance of \$0.2 million to the current year deficit balance of less than \$0.1 million.

FUND STATEMENTS FINANCIAL ANALYSIS

As noted earlier, the City uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements.

GOVERNMENTAL FUNDS

The focus of the City's governmental funds is to provide information on near-term inflows, outflows, and balances of resources that are available for spending. Such information is useful in assessing the City's financing requirements. Types of governmental funds reported by the City include the General Fund, Special Revenue Funds, Debt Service Funds and Capital Project Funds.

Fund balance is reported in classifications that comprise a hierarchy based on the extent to which the City is bound to honor constraints on the specific purposes for which amounts in those funds can be spent. The classifications of fund balance are *Non-spendable*, *Restricted*, *Committed*, *Assigned*, and *Unassigned*. The amount that represents available resources for spending is the total of *Committed*, *Assigned*, and *Unassigned*. The unrestricted fund balance, less the non-spendable portion, may serve as a useful measure of a government's net resources available for spending at each fiscal year end.

As of the end of the current fiscal year, the City's governmental funds reported combined ending fund balances of \$183.4 million, an increase of \$11.4 million from the prior year. Approximately \$103.1 million of this total amount pertained to the categories of *committed*, *assigned* or *unassigned*, all of which is available for spending at the City's discretion. The combination of these categories nets an increase of 9.0 million over the prior year's combined balance of \$94.1 million. The increase is primarily due an increase in *sales taxes* and *charges for services*.

The remainder of fund balance contains two components: *Non-spendable* and *Restricted*. *Non-spendable* fund balance includes amounts that cannot be spent as they are not in a spendable form. At June 30, 2014 fiscal year end, the fund balance included amounts for *inventories* (\$1.7 million), *prepaid items* (\$0.7 million) and *capital improvement notes receivable* (\$15.8 million). *Restricted* fund balances are amounts that have externally (outside the City) enforceable limitations or enabling legislation (changes in City Charter). The restricted portion of fund balance consists of amounts for *debt service* (\$33.8 million), *public works* (\$43.2 million) and *community development* (\$0.7 million).

Revenues for governmental functions overall totaled \$316.8 million in the fiscal year ended June 30, 2014, which represents an increase \$18.7 million (6.3%) from the fiscal year ended June 30, 2013. This change is primarily due to the increase in the following areas: \$11.7 million (9.2%) in *sales taxes*, \$1.5 million (9.1%) in *State income taxes*, \$1.3 million (3.3%) in *property taxes* and \$5.5 million in *charges for services* (17.1%).

The **General Fund** is the chief operating fund of the City. At the end of the current fiscal year, the total fund balance was \$74.8 million; the fund did not have any *restricted* fund balance. As a measure of the General Fund's liquidity, it may be useful to compare fund balances to total fund revenues.

The total fund balance in the City's General Fund experienced an increase in the current year of \$13.3 million. In the prior year the net increase was \$0.1 million.

Total revenues increased by \$18.5 million (10.9%) from the prior year. *Sales taxes* increased by \$7.6 million (8.3%) over prior year due to the accelerated collection on certain sales tax audits and the modest recovery/natural growth in the economy. *State income taxes* increased by \$1.5 million (9.1%). The final major increase was an additional \$5.0 million (44.1%) in *charges for services*. The increase was due to the accelerated payments received for planning and building permits on the State Farm development. The increase in revenues was offset with a \$13.1 million (7.9%) increase in expenditures. The increase in expenditures was mainly due to \$4 million in development agreement related costs along with an increase in employee compensation costs.

	Fiscal Year Ended			
	June 30, 2014		June 30, 2013	
Revenues	\$ 188,451,965		\$ 169,962,203	
Total fund balance	74,754,916	39.7 %	61,429,953	36.1 %
Unassigned fund balance	63,878,841	33.9	52,658,705	31.0

The **Transit Special Revenue Fund** is used to account for revenues and expenditures utilized to provide related transit services. Revenues continued to increase in the current year by a net \$2.6 million. Transit *sales tax* revenues increased by \$3.5 million but were offset with the decrease in *federal grants* for the bus operations preventative maintenance.

The fund balance totaled \$31.1 million at June 30, 2014, compared to a \$27.6 million fund balance at June 30, 2013. The fund balance was able to grow by \$3.5 million despite a \$3.7 million transfer to the Transit Capital Projects fund. The current year fund balance growth was only \$1.1 million less than the fiscal year 2013 growth which contained only a \$1.0 million transfer to the Transit Capital Project fund.

The **General Obligation Debt Service Fund** accounts for the accumulation of resources for and payments of general obligation debt. Total fund balance (which other than the \$1.8 million *assigned*, is restricted for general obligation debt service payments) decreased from \$38.3 million at June 30, 2013 to \$35.5 million at June 30, 2014. The decrease in fund balance was due primarily to a \$5.0 million transfer of *assigned* fund balance to the general fund. There was a modest increase in *property tax* revenues (\$0.6 million), which was offset by an increase in expenditures of \$1.4 million. The additional expenditures were due to the debt service on a *current* refunding. See the *Debt Administration* section for further analysis. The total debt service fund balance will be used for future debt service payments consistent with the City's *Debt Management Plan*.

The **Special Assessment Debt Service Fund** accounts for the accumulation of resources for and payments of special assessment debt to which the City acts as a trustee for the established improvement districts. Total fund balance (restricted for special assessment debt service payments) improved from a deficit of \$0.6 million at June 30, 2013 to a fund balance of \$0.1 million at June 30, 2014. The reduction of the deficit was due to receiving certain delinquent receivables. The remaining delinquent receivables will be covered by future anticipated special assessment payments (refer to Note 9 of the *Notes to the Financial Statements*).

The **Transit Capital Projects Fund** accounts for the acquisition of buses, streetscapes, the East Valley Bus Maintenance Facility upgrades and other traffic flow improvements. Total fund balance had a \$2.2 million increase from \$11.9 million at June 30, 2013 to \$14.1 million at June 30, 2014. The net increase was due to a \$3.7 million transfer from the *Transit Special Revenue* fund, which was offset primarily with a \$1.6 million decrease in *federal grants*.

PROPRIETARY FUNDS

The City's proprietary funds provide the same type of information found in the government-wide financial statements, but in more detail. At the end of the fiscal year indicated, the total net positions for the proprietary funds were as follows:

	Fiscal Year Ended	
	June 30, 2014	June 30, 2013, restated
Water and wastewater fund	\$245,648,951	\$236,257,578
Solid waste fund	10,207,651	11,489,099
Golf fund	841,047	900,459
Internal service funds	3,733,893	1,239,840

The **Water and Wastewater Fund** accounts for the provision of water and sewer services to the City and the adjoining Town of Guadalupe. The fund experienced an increase in total net position of \$9.4 million (4.0%) for the fiscal year ended June 30, 2014 versus only a slight increase in net position of \$0.2 million (0.1%) for the fiscal year ended June 30, 2013. This was due primarily to a rate increase implemented on January 1, 2014 which increased *charges for services* by \$6.0 million (8.0%). As mentioned earlier, in the prior year the fund also incurred a loss on the transfer of assets in the amount of \$3.1 million. In the current year there was a decrease in total expenses of \$2.3 million (3.0%) which, after factoring out the impact of the prior year loss on the transfer of assets, resulted in a modest increase in total expenses.

The **Solid Waste Fund** accounts for the provision of solid waste collection and disposal services for both residential and commercial customers. Revenues slightly increased in the current year by less than \$0.1 million (0.4%) while operating expenses increased by \$0.6 million (4.2%). With the transfer of \$0.4 million to the Capital Projects funds, the net position experienced a decrease of \$1.3 million (11.2%) verses a decrease of \$1.0 million (8.3%) in net position in prior year.

The **Golf Fund** accounts for the operation of the Rolling Hills and Ken McDonald golf courses. The Golf Fund recognized less than a \$0.1 million (6.6%) reduction in total net position for fiscal year ending June 30, 2014 which was less than the prior year's reduction of \$0.2 million (19.6%). In an effort to stabilize the fund, an improved operating model has been implemented at the golf courses. In addition, initiatives continue to be explored to reduce costs, such as converting the Rolling Hills irrigation system from treated water to raw water.

The **Internal Service Funds** account for the risk management and health insurance activities of the City. The \$2.5 million increase in net position is due primarily to contributions exceeding operating expenses in the *Health* fund.

FIDUCIARY FUND

The Other **Post-Employment Benefits Trust Fund** accounts for activities of the Other Post-Employment Benefits Plan, which accumulates resources for health care benefit payments to qualified retirees. The trust was established in the prior year and the increase of \$5.4 million in net position was due primarily to the current year contribution of \$4.6 million and investment income of \$0.8 million.

BUDGET HIGHLIGHTS

The City's final General Fund expenditure budget of \$184.0 million differs from the original budget of \$180.3 million due to budget transfers from other funds.

During the year, actual revenues were greater than budgetary estimates by \$13.0 million (7.4% of total budgeted revenue) in the General Fund. This is due primarily to the increase in *taxes and charges for services*.

Actual expenditures were less than budgetary estimates by \$4.8 million (2.6% of final budgetary estimates) in the General Fund. This positive variance was attributable to continual cost reduction efforts in preparation for the sunset of the temporary sales tax on June 30, 2014.

CAPITAL ASSETS AND DEBT ADMINISTRATION

CAPITAL ASSETS

The City's capital assets for its governmental and business-type activities as of June 30, 2014 amount to \$1.2 billion (net of accumulated depreciation). Capital assets include *land, buildings, infrastructure, improvements, machinery and equipment, and construction in progress*. The total decrease in the City's capital assets for the current fiscal year was \$28.8 million. The tables below reflect the capital assets at the end of the fiscal year June 30, 2014 and 2013, respectively.

Capital Assets, Net of Depreciation- June 30, 2014			
	Governmental Activities	Business-type Activities	Total
Land	\$ 89,605,173	\$ 6,693,377	\$ 96,298,550
Buildings	206,591,618	27,871,635	234,463,253
Infrastructure	368,559,197	173,671,445	542,230,642
Improvements	130,453,884	130,544,677	260,998,561
Machinery and equipment	43,919,299	13,556,158	57,475,457
Construction in progress	6,601,860	411,244	7,013,104
Total	<u>\$ 845,731,031</u>	<u>\$ 352,748,536</u>	<u>\$ 1,198,479,567</u>

Capital Assets, Net of Depreciation- June 30, 2013			
	Governmental Activities	Business-type Activities	Total
Land	\$ 89,605,173	\$ 6,693,377	\$ 96,298,550
Buildings	217,639,287	29,135,082	246,774,369
Infrastructure	378,181,671	171,745,005	549,926,676
Improvements	128,870,936	136,320,010	265,190,946
Machinery and equipment	44,640,224	13,524,170	58,164,394
Construction in progress	5,736,256	4,969,830	10,706,086
Total	<u>\$ 864,673,547</u>	<u>\$ 362,387,474</u>	<u>\$ 1,227,061,021</u>

Major capital asset events during the current fiscal year included the following:

Governmental Activities

- The City completed several improvement projects including \$0.9 million in Transit Center additions, \$2.0 million in collector roadways, \$1.3 million in bike pathways, \$0.9 million in paved alleys, \$0.8 million in energy retrofits, and \$3.7 million in the police radio replacement system. There were also various other infrastructure and improvement projects for parks and street lights.

Business-type Activities

- The Water and wastewater fund incurred \$1.7 million in capital infrastructure improvement for a reclaimed water recharge project and \$0.9 million for a sewer replacement project during the fiscal year. In addition, there were \$2.3 million in capital infrastructure and improvements for the Johnny G. Martinez water treatment plant. The final major project was \$4.1 million for metering and water main systems.

For government-wide financial statement presentation, all depreciable capital assets are depreciated from acquisition date to the end of the current fiscal year. Fund financial statements record capital asset purchases as expenditures. Please refer to Note 8 of the *Notes to the Financial Statements* for further information regarding capital assets.

DEBT ADMINISTRATION

At the end of the current fiscal year, the City had total long-term obligations outstanding of \$712.4 million which is a decrease of \$33.2 million over the prior fiscal year. The decrease is due in large part to the annual principal payment being more than the new money debt issued in the current year. In addition, with the implementation of GASB 65, *Items Previously Reported as Assets and Liabilities*, the City restated the Outstanding Long-term Obligations as of June 30, 2013 to reflect the Premium on Debt payable.

Outstanding Long-term Obligations - June 30, 2014			
	Governmental Activities	Business-type Activities	Total
General obligation bonds	\$ 163,205,000	\$ 223,495,000	\$ 386,700,000
Special assessment bonds	23,930,000	-	23,930,000
Excise tax obligations	144,606,000	76,109,000	220,715,000
Premium on debt payable	19,542,476	11,158,485	30,700,961
Capital improvement note payable	509,804	-	509,804
HUD Section 108 loan	4,907,000	-	4,907,000
WIFA loan	-	12,551,554	12,551,554
Total debt payable	356,700,280	323,314,039	680,014,319
Capital leases	-	499,476	499,476
Compensated absences	26,011,933	-	26,011,933
Claims and judgments	5,827,047	-	5,827,047
Total long-term obligations	\$ 388,539,260	\$ 323,813,515	\$ 712,352,775

Outstanding Long-term Obligations- June 30, 2013 (restated)			
	Governmental Activities	Business-type Activities	Total
General obligation bonds	\$ 164,235,000	\$ 240,505,000	\$ 404,740,000
Special assessment bonds	25,675,000	-	25,675,000
Excise tax obligations	154,081,000	79,034,000	233,115,000
Premium on debt payable	20,176,543	10,963,121	31,139,664
Capital improvement note payable	1,009,612	-	1,009,612
HUD Section 108 loan	5,247,000	-	5,247,000
WIFA loan	-	13,255,904	13,255,904
Total debt payable	370,424,155	343,758,025	714,182,180
Capital leases	29,645	711,466	741,111
Compensated absences	25,391,538	-	25,391,538
Claims and judgments	5,276,961	-	5,276,961
Total long-term obligations	\$ 401,122,299	\$ 344,469,491	\$ 745,591,790

The City's issued \$27.2 million in general obligation debt during the current fiscal year which consisted of \$11.6 million of new money and \$15.6 million to refund existing general obligation debt. The new money was for public safety, parks, municipal infrastructure preservation and street improvements in the amounts of \$3.0 million, \$2.6 million, \$2.9 million, and \$3.0 million, respectively. The primary purpose of refunding \$15.6 million of existing debt was to take advantage of lower interest rates thereby reducing future debt service payments which resulted in an economic gain (the difference between the present values of the debt service payment on the old and new debt) of \$1.0 million in the City's General Obligation Debt Service and Water and Wastewater funds.

The City's total net general obligation bonded debt (total bonded debt, including the Enterprise Funds and WIFA loans, less debt service reserves) outstanding decreased by approximately \$15.9 million from the fiscal year ended June 30, 2013 to the fiscal year ended June 30, 2014. The ratio of net general obligation bonded debt for governmental purposes to taxable valuation and the amount of bonded debt per capita are useful indicators of the City's debt position to management, citizens, oversight bodies and investors. Additional information can be located in the *Statistical Section* (Exhibit S-14). A comparison of these indicators follows:

	Fiscal Year Ended	
	June 30, 2014	June 30, 2013
Net general bonded debt	\$ 363,773,211	\$ 379,720,902
Net general bonded debt per capita	2,140	2,294
Ratio of net general bonded debt to net assessed value	24.0%	22.4%
Debt service secondary tax rate per \$100 of taxable valuation	\$ 1.57	\$ 1.35

The State constitution imposes certain debt limitations on the City of 6% and 20% of the outstanding assessed valuation of the City. The City's available debt margin at June 30, 2014 is \$51.8 million under the 6% limitation. Due to the fall in property values, the City currently does not have any available borrowing capacity under the 20% limitation. Additional information on the statutory debt limitations may be found in Note 9 of the *Notes to the Financial Statements* and the *Statistical Section* (Exhibit S-17) of this report.

During the year, the City's ratings on its outstanding general obligation bonds were AAA from Standard & Poors Corporation, Aa1 from Moody's Investors Service, and AAA from Fitch Ratings.

Additional information on the City's long-term debt can be found in Note 9 of the *Notes to the Financial Statements*.

REQUESTS FOR INFORMATION

This financial report is designed to provide our citizens, taxpayers, city council, customers, investors and creditors with a general overview of the City's finances. If you have questions about this report or need additional information, contact:

Reconciliation of the Balance Sheet to the Statement of Net Position

June 30, 2014

City of Tempe, Arizona

Fund balances- total governmental funds		\$ 183,375,317
Amounts reported for the governmental activities in the statement of net position are different because:		
Capital assets used in governmental activities are not financial resources and, therefore, are not reported in the funds.		
Governmental capital assets	1,513,482,689	
Accumulated depreciation	<u>(667,751,658)</u>	845,731,031
The equity in joint venture is not a financial resource and, therefore, is not reported in the funds.		
		270,652,731
Certain revenues are received but not yet earned		
		229,910
Other assets are not available to pay current-period expenditures and, therefore, are offset by unavailable revenue.		
Unavailable special assessment revenue	24,692,644	
Unavailable tax and other revenue	1,279,719	
Unavailable notes receivable revenue	14,119,885	
Unavailable court revenue	3,569,846	
Capital grant and contribution monies not received within 60 days	<u>4,819,913</u>	48,482,007
Deferred charge on refundings are not financial resources and, therefore, are not reported in the funds.		
		8,189,289
Bond premiums are not financial resources and, therefore, are not reported in the funds.		
		(19,542,472)
Long-term liabilities, including bonds payable, are not due and payable in the current period and, therefore, are not reported in the governmental funds.		
Compensated absences	(26,011,932)	
Claims and judgments	(5,827,047)	
Other post employment benefits (excluding internal service)	(48,585,216)	
Bonds, capital improvement notes and capital leases	<u>(337,157,804)</u>	(417,581,999)
Internal service funds are used by management to charge the costs of self insurance to individual funds. The assets and liabilities of the internal service funds are reported with governmental activities.		
		<u>3,733,893</u>
Net position of governmental activities		<u>\$ 923,269,707</u>

The notes to the financial statements are an integral part of this statement.

Reconciliation of the Statement of Revenues, Expenditures and Changes in Fund Balance to the Statement of Activities

For the Fiscal Year Ended June 30, 2014

City of Tempe, Arizona

Net change in fund balances- total governmental funds \$ 11,344,510

Amounts reported for the governmental activities in the statement of activities are different because:

Certain expenditures reported in the statement of activities do not require the use of current financial resources and, therefore, are not reported as expenditures in governmental funds.

Compensated absences and long-term claims and judgements	(1,170,478)	
Other post employment benefits (excluding internal service)	<u>3,541,507</u>	
		2,371,029

Certain revenues in the statement of activities do not provide current financial resources and, therefore, are not reported as revenues in the governmental funds.

Property tax and charges for services revenue	43,657	
Court revenue	(664,776)	
Grants and contributions	(933,676)	
Special assessments received/recognized	<u>(2,304,231)</u>	
		(3,859,026)

Governmental funds report capital outlays as expenditures. However, in the statement of activities the cost of those assets is allocated over their estimated useful lives and reported as depreciation expense.

Capital outlay	24,192,621	
Miscellaneous net capital expenditures	(345,029)	
Depreciation expense	<u>(43,994,359)</u>	
		(20,146,767)

Lease payments are reported as expenditures in the governmental funds when paid. For the City as a whole, however, the principal portion of the payments serve to reduce the liability in the statement of net position while the acquisition of new leases increase the liability.

Principal payments made		29,645
-------------------------	--	--------

Governmental funds report the effect of issuance costs, premiums, discounts, and similar items when debt is first issued, whereas these amounts are deferred and amortized in the statement of activities.

Amortization of deferred outflow- refunding	(793,767)	
Amortization of bond premium	1,515,034	
Amortization of bond issuance costs	<u>(3,769,982)</u>	
		(3,048,715)

The issuance of long-term debt provides current financial resources to governmental funds, while the repayment of the principal of long-term debt consumes the current financial resources of the governmental funds. Neither transaction, however, has any effect on net position.

Issuance of debt	(13,027,106)	
Premium on issuance of debt	(880,967)	
Principal payments made	<u>26,105,000</u>	
		12,196,927

Internal service funds are used by management to charge the costs of self-insurance to individual funds. The adjustments for internal service funds close those funds by charging additional amounts to participating governmental activities to completely cover the internal service funds' costs.

2,494,053

Change in net position of governmental activities \$ 1,381,656

The notes to the financial statements are an integral part of this statement.

Notes to the Financial Statements

For Fiscal Year Ended June 30, 2014

City of Tempe, Arizona

The City of Tempe, Arizona (the "City") was incorporated on November 26, 1894. On October 19, 1964, the electors in accordance with Arizona State Law ratified a Home Rule City Charter. The City operates under a Council-Manager form of government and provides services as authorized by its charter including: public safety (police, fire, building inspection), highways and streets, public transit, sanitation, water and wastewater, cultural-recreational, community development, and administrative.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The accompanying summary of the City's significant accounting policies is presented to assist the reader in interpreting the basic financial statements. The basic financial statements of the City have been prepared in conformity with accounting principles generally accepted in the United States of America ("GAAP") as applied to governmental units.

During the year ended June 30, 2014, the City implemented the provisions of GASB Statement No. 65, *Items Previously Reported as Assets and Liabilities*. GASB Statement No. 65 establishes accounting and financial reporting standards that reclassify, as deferred outflows of resources or deferred inflows of resources, certain items that were previously reported as assets and liabilities and recognizes, as outflows of resources or inflows of resources, certain items that were previously reported as assets and liabilities.

A. Reporting Entity

The accompanying basic financial statements include the City and its component unit, collectively referred to as "the financial reporting entity". In accordance with the Governmental Accounting Standards Board's ("GASB") Statement 14, as amended, the component unit discussed below has been included in the City's financial reporting entity because of the significance of its financial relationships with the City.

Rio Salado Community Facilities District: The Rio Salado Community Facilities District (CFD) was organized on February 20, 1997, under the laws of the State of Arizona to facilitate development of the Rio Salado Town Lake project. The board of the district is comprised of the same members as the City's council.

Data for this component unit has been included in the City's basic financial statements utilizing the "blending" method because its sole purpose is to finance public facilities and facilitate development for the City. Blending involves aggregating the component unit's data and data from the City at the government-wide and fund financial statement level. Separately issued financial statements are not available for the City's component unit.

B. Basic Financial Statements

The basic financial statements include both government-wide (based on the City as a whole and its component unit) and fund financial statements. Both the government-wide and fund financial statements categorize activities as either governmental activities or business-type activities. *Governmental activities* are normally supported by taxes and intergovernmental revenues. *Business-type activities* rely to a significant extent, on fees and charges for support. All activities, both governmental and business-type, are reported in the government-wide financial statements using the economic resources measurement focus and the accrual basis of accounting, which includes long-term assets as well as long-term obligations. The government-wide financial statements focus more on the sustainability of the City as an entity and the change in aggregate financial position resulting from the activities of the fiscal period. The government-wide financial statements exclude the fiduciary fund.

The government-wide Statement of Activities demonstrates the degree to which the direct expenses, including depreciation, of the various departments of the City are offset by program revenues. Direct expenses are those that are clearly identifiable with a specific department. Interest on long-term debt and depreciation expense on assets shared by multiple departments, are not allocated to the various departments.

Notes to the Financial Statements

For Fiscal Year Ended June 30, 2014

City of Tempe, Arizona

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

B. Basic Financial Statements (Continued)

Program revenues include revenues from fines and forfeitures, licenses and permit fees, special assessment taxes, certain intergovernmental grants, other entities participation and charges for services. Taxes and other items not properly included among program revenues are reported as general revenues.

Generally, the effect of interfund activity has been removed from the government-wide financial statements. Net interfund activity and balances between governmental activities and business-type activities are shown in the government-wide financial statements.

The City does not currently utilize an indirect cost allocation system. The General Fund charges certain administrative fees to departments within other operating funds to support general services used by those funds. The expenditures/expenses are recorded as a reduction of expense in the allocating fund. Therefore, no elimination is required from either the government-wide or fund level financial statements.

The fund financial statements are, in substance, very similar to the financial statements presented prior to the adoption of GASB Statement 34. Emphasis here is on the major funds in either the governmental, business-type or fiduciary categories. Non-major funds are summarized into a single column.

Unless an internal service fund is combined with the business-type activities (deemed to be an infrequent event), totals on the proprietary fund statement should directly reconcile to the business-type activity column presented in the government-wide statements.

Internal service funds of a government (which traditionally provide services primarily to other funds of the City) are presented as part of the proprietary fund financial statements. Since the principal users of the internal services are the City's governmental activities, financial statements of internal service funds are consolidated into the governmental activities column when presented at the government-wide level. To the extent possible, the costs of these services are reflected in the appropriate department.

C. Basis of Presentation

The City uses funds to report on its financial position and the results of its operations. A fund is a separate accounting entity with a self-balancing set of accounts. Fund accounting is designed to demonstrate legal compliance and to aid in the City's financial management by segregating transactions related to certain functions or activities.

The following fund categories are used by the City:

Governmental Funds

Governmental Funds are those through which most of the governmental functions of the City are financed. The focus of Governmental Fund measurement, in the fund financial statements, is upon determination of financial position and changes in financial position rather than upon net income.

Notes to the Financial Statements

For Fiscal Year Ended June 30, 2014

City of Tempe, Arizona

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

C. Basis of Presentation (Continued)

Governmental Funds (Continued)

Governmental Funds include the following fund types:

General - The General Fund is the general operating fund of the City. It is used to account for all activities of the City not accounted for in some other fund.

Special Revenue - Special Revenue Funds are used to account for the proceeds of specific revenue sources (other than for major capital projects) that are legally or otherwise restricted to expenditures for specified purposes. There is one special revenue fund presented as a major fund in the basic financial statements, it is as follows:

Transit Special Revenue Fund - accounts for the receipt and expenditures of the Transit Tax monies. These monies are restricted to financing transit operations and improvements.

Debt Service - Debt Service Funds are used to account for the accumulation of resources for, and the payment of, long term debt not being accounted for in the Special Revenue Funds and Enterprise Funds. Both debt service funds are presented as major funds in the basic financial statements:

General Obligation Debt Service Fund - accounts for the accumulation of resources and payments of general obligation and other debt.

Special Assessment Debt Service Fund - accounts for the accumulation of resources and payments of special assessment debt.

Capital Projects - Capital Projects Funds are used to account for financial resources to be used for the acquisition or construction of major capital facilities and improvements (other than those financed by Enterprise Funds). The following capital project fund is presented as a major fund in the basic financial statements:

Transit Capital Projects Fund - used for the acquisition of buses, the light rail system, and other traffic flow improvements.

Proprietary Funds

Proprietary funds are used to account for the City's ongoing operations and activities, which are similar to those often found in the private sector. The focus of Proprietary Fund measurement is upon the determination of operating income, changes in net position, financial position and cash flows. Each proprietary fund is reported as a major fund in the basic financial statements.

Notes to the Financial Statements

For Fiscal Year Ended June 30, 2014

City of Tempe, Arizona

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

C. Basis of Presentation (Continued)

Proprietary Funds (Continued)

Proprietary funds include the following fund types:

Enterprise - Enterprise Funds are used to account for operations, including debt service, (a) that are financed and operated in a manner similar to private businesses - where the intent of the government body is that the costs (expenses, including depreciation) of providing goods or services to the general public on a continuing basis is financed or recovered primarily through user charges; or (b) where the governing body has determined that periodic determination of revenues earned, expenses incurred, and/or net income is appropriate for capital maintenance, public policy, management control, accountability, or other purposes.

Equity in Joint Venture - The equity method is used to account for the City's equity interest in a joint venture (See Note 7). Under this method, the equity interest is recorded in the balance sheet as a single amount. In addition, the City's share of the net income or loss is reported in the Statement of Revenues, Expenses and Changes in Fund Net Position - Proprietary Funds, as a nonoperating revenue or expense.

The following enterprise funds are used by the City:

Water and Wastewater Fund – accounts for the provision of water and sewer services to the residents of the City and some residents in the adjoining Town of Guadalupe. All activities necessary to provide such services are accounted for in this fund, including but not limited to administration, operation, maintenance, financing and related debt service, billing and collection.

Solid Waste Fund – accounts for the provision of refuse collection and disposal services for both residential and commercial customers. All activities necessary to provide such services are accounted for in this fund, including but not limited to administration, operation, maintenance, financing, billing and collection.

Golf Course Fund - accounts for the operation of the Rolling Hills and Ken McDonald golf courses. All activities necessary to provide such services are accounted for in this fund, including but not limited to administration, operation, maintenance and financing.

Internal Service - Internal Service Funds account for operations that provide services to other departments or agencies of the government, or to other governments, on a cost-reimbursement basis.

The following internal service funds are used by the City:

Risk Management Fund – accounts for expenses incurred for worker's compensation, automobile liability, general liability, and property claims under the City's self-insurance program.

Health Fund – accounts for the expenses incurred for employee health related costs under the City's self-insurance program.

Notes to the Financial Statements

For Fiscal Year Ended June 30, 2014

City of Tempe, Arizona

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

C. Basis of Presentation (Continued)

Fiduciary Funds

Fiduciary funds are used to account for resources held for the benefit of parties outside of the City. The fiduciary fund is reported by fund type. The following fiduciary fund is used by the City.

Other Post Employment Benefits Trust Fund – accounts for activities of the Other Post Employment Benefits Plan, which accumulates resources for health care benefit payments to qualified retirees.

D. Measurement Focus and Basis of Accounting

The government-wide, proprietary and fiduciary fund financial statements are reported using the economic resources measurement focus and the accrual basis of accounting. Under this method, revenues are recorded when earned and expenses are recorded at the time liabilities are incurred.

Governmental fund financial statements are reported using the current financial resources measurement focus and the modified accrual basis of accounting. This is the manner in which these funds are normally budgeted. This presentation is deemed most appropriate to 1) demonstrate legal and covenant compliance, 2) demonstrate the source and use of liquid resources, and 3) demonstrate how the City's actual experience conforms to the annual budget. Under the modified accrual basis of accounting, revenues are recorded when susceptible to accrual, i.e., both measurable and available. "Measurable" means the amount of the transaction can be determined and "available" is defined as collectible within the current period or within 60 days of the end of the current fiscal period. Expenditures, other than interest on long-term debt, are recorded when the related fund liability is incurred, if measurable. However, debt service expenditures, as well as expenditures related to compensated absences and claims and judgments, are recorded only when payment is due.

Revenues susceptible to accrual include property tax, local sales tax, state-shared sales tax, highway user tax, vehicle license tax, franchise fees, special assessments and interest earned on pooled investments. Licenses and permits, charges for services, fines and forfeitures and miscellaneous revenues are generally recorded as revenues when received in cash because they are not measurable until actually received. In applying the susceptible to accrual concept to intergovernmental revenues, the legal and contractual requirements of the numerous individual programs are used as guidance. There are, however, essentially two types of these revenues. In one, monies must be expended for a specific purpose or project before any amounts will be paid to the City; therefore, revenues are recognized based upon the expenditures recorded. In the other, monies are virtually unrestricted as to the purpose of expenditure and are usually revocable only for failure to comply with prescribed compliance requirements. These resources are reflected as revenues at the time of receipt or earlier if the susceptible to accrual criteria are met.

The City reports unearned revenues in the governmental funds if the potential revenue does not meet both the "measurable" and "available" criteria for recognition in the current period. Unearned revenues arise when resources are received by the City before it has a legal claim to them, as when grant monies are received prior to the incurrence of qualifying expenditures. In subsequent periods, when both revenue recognition criteria are met, or when the City has a legal claim to the resources, the liability for the unearned revenue is removed and revenue is recognized.

Since the governmental fund financial statements are presented on a basis different than the governmental activities column of the government-wide financial statements, a reconciliation is provided immediately following each fund statement. These reconciliations briefly explain the adjustments necessary to transform the governmental fund financial statements into the governmental activities column of the government-wide financial statements.

Notes to the Financial Statements

For Fiscal Year Ended June 30, 2014

City of Tempe, Arizona

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

D. Measurement Focus and Basis of Accounting (Continued)

As a general rule, the effect of interfund activity has been eliminated from the government-wide financial statements. An exception to this rule is charges between the government's water and sewer function and various functions of the City. Elimination of these charges would distort the direct costs and program revenues reported for the applicable functions.

Amounts reported as program revenue include 1) charges to customers or users who purchase, use or directly benefit from goods or services provided by a particular department 2) operating grants and contributions that are restricted to meeting the operational requirements of a particular department and 3) capital grants and contributions that are restricted. Taxes, investment income and other revenues not identifiable with a particular department are included as general revenues. The general revenues support the net costs of the departments not covered by program revenues.

Proprietary funds distinguish operating revenues and expenses from non-operating items. Operating revenues and expenses generally result from providing goods and services of the fund's principal ongoing operations. Operating expenses include the cost of providing the goods and services, administrative expenses, and depreciation on capital assets. Non-operating revenues and expenses are items such as investment income and interest expense, which are not a result of the direct operations of the activity.

E. Budgetary Data

State law mandates that cities and towns adopt a budget annually. As a result, an operating budget is legally adopted each fiscal year for the General, Special Revenue, Debt Service, and Proprietary Funds on a modified accrual basis plus encumbrances. The separately issued annual budget may be obtained from the City's Finance and Technology Department, Budget and Research Division, 20 East Sixth Street, Tempe, Arizona, 85281.

Certain differences as described in Note 2 exist between the basis of accounting used for budgetary purposes and that used for reporting purposes in accordance with GAAP.

The legal level of budgetary control is at the city-wide level consisting of the total operating budget and the total capital projects budget, as adopted. Management may amend the budget at any level below the total budget as adopted. The total budget can only be amended by the City Council subject to limitations in the State law (see Note 1F). At the end of each fiscal year, all amounts encumbered are reappropriated as part of the following year's operating or capital projects budget. Any appropriations that are either unexpended or unencumbered, lapse at fiscal year-end. No supplemental appropriations were necessary during the year.

The City adheres to the following procedures in establishing the budgetary data reflected in the basic financial statements:

- 1) Prior to May 1, the City Manager submits to the City Council a proposed operating budget for the fiscal year commencing the following July 1. The operating budget includes proposed revenues and expenditures.
- 2) Public hearings are conducted to obtain taxpayer comments.
- 3) Prior to July 1, the budget is legally enacted through passage of a resolution.

Notes to the Financial Statements

For Fiscal Year Ended June 30, 2014

City of Tempe, Arizona

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

F. Expenditure Limitation

On June 3, 1980, the voters of Arizona approved an expenditure limitation for all local governments, which restricts the annual growth of expenditures to a percentage determined by population and inflation. Certain types of expenditures are excluded from the limitation. Article 9, Sections 20 and 21 of the Arizona Constitution require the Economic Estimates Commission to determine each year the expenditure limitation for the following fiscal year for each city. The limitation is calculated based upon the amount of FY 1979-80 actual payments of local revenues, referred to as the "base limit". Each year, the base limits for local jurisdictions are adjusted for population and inflation to reach the expenditure limitations. The City of Tempe's 2013-14 Expenditure Limitation is \$301,998,196.

Local governments may carry forward to later year's revenues, which are not subject to the expenditure limitation and were not expended in the year of receipt.

G. Pooled Cash and Investments

Cash resources of the City are combined to form a pool of cash and investments managed by the Accounting Division. Excluded from this pool are certain legally restricted cash resources. In accordance with the City's legally adopted budget, the interest earned on pooled investments is recorded in the General Fund, except for the earnings of Enterprise Funds and other funds whose interest earnings are specifically mandated by law or an outside regulating agency to remain in those funds. Investments are stated at fair value.

The City's investment policy permits investment in the following instruments:

- 1) Obligations of the United States Government, its agencies and instrumentalities;
- 2) Fully insured or collateralized certificates of deposit and other evidences of deposit at banks and savings and loan associations;
- 3) Bankers' acceptances issued by the 10 largest domestic banks and the 20 largest international banks, provided collateral meets the standards set by the Investment Advisory Committee;
- 4) A-1/P-1 rated commercial paper secured by an irrevocable line of credit or collateralized by U.S. government securities;
- 5) Repurchase agreements whose underlying collateral consist of the foregoing;
- 6) Money market funds whose portfolios consist of the foregoing; and
- 7) The State of Arizona's Local Government Investment Pools 5 and 7.

H. Receivables

For accounts receivable, all amounts outstanding in excess of 120 days are included in the allowance.

I. Inventories and Prepaid Items

All inventories are valued using the average cost method. They consist of expendable supplies held for consumption and are accounted for using the consumption method.

Certain payments to vendors reflect costs applicable to future accounting periods and are recorded as prepaid items in both government-wide and fund financial statements.

Notes to the Financial Statements

For Fiscal Year Ended June 30, 2014

City of Tempe, Arizona

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

J. Restricted Assets

Certain proceeds of the City's bonds, as well as certain resources set aside for their repayment, are classified as restricted on the Balance Sheet, or Statement of Net Position, because they are maintained in trust accounts and their use is limited by applicable debt covenants. In addition, the Industrial Commission of Arizona requires a restricted security for self-insured entities. As the City is self-insured, a security of \$2.6 million is included in restricted assets in the General Fund.

K. Capital Assets

Capital assets, including public domain infrastructure (e.g., roads, bridges, curbs and gutters, streets and sidewalks, drainage systems, and lighting systems) are reported in the applicable governmental or business-type activities columns in the government-wide financial statements. Capital assets are defined by the government as assets with an initial, individual cost of more than \$5,000 (\$25,000 for infrastructure assets) and an estimated useful life greater than one year. Such assets are recorded at historical cost or estimated historical cost if purchased or constructed. Donated capital assets are recorded at estimated fair market value at the date of donation.

The cost of normal maintenance and repairs that do not add to the value of the asset or materially extend its life, are not capitalized. Major improvements are capitalized and depreciated over the remaining useful lives of the related capital assets.

Major outlays for capital assets and improvements are capitalized as projects are constructed. Interest incurred during the construction phase of capital assets of business-type activities is included as part of the capitalized value of the assets constructed, if material.

Property, plant and equipment are depreciated using the straight-line method over the following estimated useful lives (land and construction-in-progress are not depreciated):

<u>Assets</u>	<u>Useful life (years)</u>
Buildings	10-70
Infrastructure	7-70
Improvements	10-50
Machinery and equipment	3-15

L. Deferred Outflows/Inflows of Resources

In addition to assets, the statement of financial position may report a separate section for deferred outflows of resources. This separate financial statement element, deferred outflows of resources, represents a consumption of net position that applies to a future period and so will not be recognized as an outflow of resources (expense/expenditure) until then.

In addition to liabilities, the statement of financial position may report a separate section for deferred inflows of resources. This separate financial statement element, deferred inflows of resources, represents an acquisition of net position that applies to a future period and so will not be recognized as an inflow of resources (revenue) until that time.

Notes to the Financial Statements

For Fiscal Year Ended June 30, 2014

City of Tempe, Arizona

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

M. Compensated Absences

Accumulated unpaid vacation, vested sick pay and vested "Mediflex" supplementary health maintenance benefits are accrued in the Government-wide and all Proprietary Fund statements. Compensated absences are only reported in the governmental funds if they have matured (i.e. unused reimbursable leave still outstanding following an employee's resignation or retirement). These long-term liabilities of the governmental funds are not shown on the fund financial statements, as the benefits are not expected to be liquidated with expendable available financial resources.

Vacation leave will be absorbed by time off from work or, within certain limitations, may be payable to the employees. Sick leave is accumulated at the rate of 96 hours (or a proportionate equivalent for employees with workweeks other than 40 hours) per year up to a maximum of 480 hours. Each year, hours accumulated in excess of 480 hours are either converted to cash at a 4-for-1 rate or accumulated in a "sick bank". Upon retirement or resignation, employees with at least 10 years of service are eligible for compensation of up to 50 percent of accumulated sick leave.

Each employee with 3 years of service receives a "Mediflex" allowance each year as reimbursement for all otherwise nonreimbursed health maintenance costs. Benefits are prorated based on length of service and increase up to a maximum of \$650 a year. Unused credits are cumulative and upon employee termination are "banked" at the following rates: after 10 years, 50 percent; after 15 years, 75 percent; after 20 years, 100 percent.

N. Long-term Obligations

In the government-wide financial statements, and proprietary fund types in the fund financial statements, long-term debt and other long-term obligations are reported as liabilities in the applicable governmental activities, business-type activities, or proprietary fund type. Bond premiums and discounts are deferred and amortized over the life of the bonds. Bonds payable are reported net of the applicable bond premium or discount.

In the fund financial statements, governmental fund types recognize bond premiums and discounts, as well as bond issuance costs, in the period in which the bonds are issued. The face amount of debt issued is reported as other financing sources. Premiums received on debt issuances are reported as other financing sources, while discounts on debt issuances are reported as other financing uses. Issuance costs, whether or not withheld from the actual debt proceeds received, are reported as debt service expenditures.

O. Interfund Transactions

Interfund transactions consist of identified services performed for other funds or costs billed to other funds and are recorded as expenditures in the fund receiving the services and as a reimbursement, reducing expenditures, in the fund performing the services except for sales of water, sewer and refuse services to other City departments and the internal service risk management or health charges which are recorded as revenue and expenditures in the appropriate funds. All other interfund transactions are reported as transfers.

P. Fund Equity

In the fund financial statements, the classifications of fund balance are *Nonspendable*, *Restricted*, *Committed*, *Assigned*, and *Unassigned*. *Nonspendable* and *Restricted* fund balances represent the "restricted" classifications and *Committed*, *Assigned*, and *Unassigned* represent the "unrestricted" classifications (see Note 11).

Notes to the Financial Statements

For Fiscal Year Ended June 30, 2014

City of Tempe, Arizona

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Q. Statements of Cash Flows

The City considers all highly liquid investments (including restricted assets) with an original maturity of three months or less to be cash equivalents. For the purposes of the statement of cash flows, all pooled cash and investments are also considered to be cash equivalents, although there are investments with maturities in excess of three months when purchased in the portfolio. This is due to the fact that the Proprietary funds may deposit or withdraw cash at any time without prior notice or penalty, having the characteristics of demand deposits. In a statement of cash flows, cash receipts and payments are classified according to whether they stem from operating, noncapital financing, capital and related financing, or investing activities.

R. Use of Estimates

The preparation of basic financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amount of assets, liabilities, revenue and expenses/expenditures, and the disclosure of contingent assets and liabilities at the date of the basic financial statements. Actual results could differ from those estimates.

NOTE 2 - BUDGET BASIS OF ACCOUNTING

Arizona state statutes require accounting for certain transactions to be on a basis other than GAAP. The actual results of operations, in accordance with state statutes ("budget basis") are presented in the Statement of Revenues, Expenditures and Changes in Fund Balance - Budget and Actual for the General Fund and Transit Special Revenue Fund (major funds) to provide a meaningful comparison of actual results with the budget. Budgetary statements include a reconciliation of the adjustments required to convert the budgetary basis to GAAP basis.

The major differences between the budget and GAAP bases are:

- 1) Encumbrances are recorded as the equivalent of expenditures (budget) as opposed to a reservation of fund balance (GAAP).
- 2) Certain revenues and expenditures not recognized in the budgetary year are accrued (GAAP).
- 3) Changes in the fair value of investments (GAAP) are not budgeted.

NOTE 3 - PROPERTY TAXES

Under Arizona law a two-tiered tax system exists: (1) a primary system for taxes levied to pay for current operation and maintenance expenses, and (2) a secondary system for taxes levied to pay principal and interest on bonded indebtedness as well as for the determination of the maximum permissible bonded indebtedness.

Specific provisions are made under each system for determining full cash values of property, the basis of assessment, and the maximum annual tax levies on certain types of property and by certain taxing authorities. Under the primary system, the full cash value of locally assessed real property (consisting of residential, commercial, industrial, agricultural and unimproved property) may increase by more than 10% only under certain circumstances. Under the secondary system, there is no limitation on annual increases in full cash value of any property. Primary levies are limited to a 2% increase annually plus levies attributable to assessed valuation added as a result of growth and annexation. Secondary tax levies do not have a limitation.

The City's property tax is levied each year on or before the third Monday in August based on the previous January 1 full cash value as determined by the Maricopa County Assessor. Levies are due and payable in two installments on October 1 and March 1, and become delinquent on November 1 and May 1, respectively. Delinquent amounts bear interest at the rate of 16%. Maricopa County, at no charge to the taxing entities, bills and collects all property taxes.

Notes to the Financial Statements

For Fiscal Year Ended June 30, 2014

City of Tempe, Arizona

NOTE 3 - PROPERTY TAXES (continued)

Public auctions of properties which have delinquent real estate taxes are held in February following the May 1 date upon which the second installment becomes delinquent. The purchaser is given a Certificate of Purchase issued by the County Treasurer. Five years from the date of sale, the holder of a Certificate of Purchase, which has not been redeemed, may demand of the County Treasurer a County Treasurer's Deed. Additionally, a lien against property assessed attaches on the first day of January preceding the assessment and levy thereof.

Using the accrual basis of accounting, property taxes are recognized as revenue when earned in the government-wide financial statements. In the governmental funds, property taxes are recognized as revenue on the modified accrual basis, i.e., when both measurable and available. Property taxes levied in August 2014 are not available for the current year; accordingly, such taxes will not be recognized as revenue until the subsequent fiscal year. Prior year levies were recorded using these same principles, and remaining receivables from such levies are also recognized as revenue, when available.

NOTE 4 - CASH AND INVESTMENTS

The City maintains a cash and investment pool that is available for use by all funds. Each fund type's portion of this pool is displayed on the Statement of Net Position and on the Balance Sheet as "Pooled cash and investments." Pooled cash and investments are stated at fair value, with accrued interest shown under "Accrued interest receivable". The change in fair value of the investments is recorded in investment income. Restricted cash and investments are amounts held separately by trustees and segregated due to their source and future intent. Amounts held by trustees are invested in money market securities, maturing within one year from the time of purchase, or US treasury obligations and are reported at amortized cost.

Deposits

At year-end, the carrying amount of the City's deposits with financial institutions was \$2,921,504 and the bank balance was \$3,532,834; \$3,282,834 of that amount was exposed to custodial credit risk because it was uninsured and is collateralized with securities held by the pledging financial institution.

Investments

City Charter, Ordinance, and Trust Agreements authorize the City to invest in US treasury obligations, US agency obligations, certificates of deposit that are fully insured or collateralized, banker's acceptances issued by the 10 largest domestic banks and the 20 largest international banks, A-1/P-1 rated commercial paper secured by an irrevocable line of credit or collateralized by US government securities, repurchase agreements whose underlying collateral consist of the foregoing, money market funds whose portfolios consist of the foregoing and the Arizona Local Government Investment Pools 5 and 7.

Cash and investments as of June 30, 2014 are classified in the accompanying financial statements as follows:

Carrying amount of investments	\$345,987,293
Carrying amount of cash deposits	2,921,504
Total pooled cash and investments	<u>\$348,908,797</u>
Pooled cash and investments – unrestricted	\$279,658,191
Restricted cash and investments	59,322,948
Investments in OPEB trust	9,927,658
Total pooled cash and investments	<u>\$348,908,797</u>

Notes to the Financial Statements

For Fiscal Year Ended June 30, 2014

City of Tempe, Arizona

NOTE 4 - CASH AND INVESTMENTS (Continued)

Investments (Continued)

The City had a net increase in the fair value of investments during fiscal year 2013-14 of \$261,958. This amount takes into account all changes in fair value (including purchases and sales) that occurred during the year.

At June 30, 2014, the City maintained the following investments and maturities:

Investment Type	Fair Value	Remaining Maturity in Months		
		12 Months or Less	13 - 24 Months	25 - 36 Months
US government treasuries	\$221,588,871	\$117,261,696	\$ 79,460,497	\$24,866,678
US government agencies	90,803,338	24,142,399	40,842,383	25,818,556
Money market	975,824	975,824	-	-
Repurchase agreements	1,740,553	1,740,553	-	-
Cash held with trustee	49,062	49,062	-	-
Mutual funds	9,927,658	9,927,658	-	-
State investment pool	20,901,987	20,901,987	-	-
	<u>\$345,987,293</u>	<u>\$174,999,179</u>	<u>\$120,302,880</u>	<u>\$50,685,234</u>

Interest rate risk. One of the ways the City limits its exposure to fair value losses arising from rising interest rates is by purchasing a combination of shorter term and longer term investments and by timing cash flows from maturities so that a portion of the portfolio is maturing or coming close to maturity evenly over time as necessary to provide the cash flow and liquidity needed for operations. Although the City's formal investment policy allows for investment maturities up to 5 years from the date of purchase, in general, the City limits all securities to a final maturity of no more than three years and assumes that its callable investments will not be called. In general, it is the City's intent to hold investments to maturity.

Credit risk. The City addresses credit risk through the investment policy by restricting the allowable investment instruments. The investments in the US agency obligations were rated AA+ and money market funds were rated AAAM by Standard & Poor's. The repurchase agreements are between JP Morgan and the City of Tempe, Arizona and are considered a short term debt obligation of the bank. The Arizona Local Government Investment Pool 5 is currently rated AAAf/S1+ by Standard & Poor's.

Concentration of Credit Risk. The City policy places no limit on the amount that the City may invest in any one issuer of the US treasury obligations and the US agency obligations. The investment policy does establish a maximum percentage of 10% in banker's acceptances, 20% in commercial paper and 25% in repurchase agreements. The maximum investment in any one issuer for certificates of deposits is 33% and for repurchase agreements is 10%. The City is required to disclose if 5% or more of its investments are in securities of a single issuer. As of June 30, 2014, 64.05% of the City's investments are in US Treasuries, 9.29% of the City's investments are in Fannie Mae, 10.11% of the City's investments are in Federal Home Loan Bank, 5.13% of the City's investments are in Federal Farm Credit Bank securities and 6.04% of the City's investments are in the State of Arizona Local Government Investment Pool 5.

Custodial Credit Risk. The City's investment in the State of Arizona Local Government Investment Pool (LGIP) is stated at fair value, which approximates the value of the City's pool shares. The LGIP is operated by the Arizona State Treasurer's Office, as authorized by Arizona Revised Statutes, §35-326. Arizona Revised Statutes, §35-312 and §35-313, regulate authorized investments. The Arizona State Legislature has created the Arizona Board of Investments which reviews the investment of state monies, serves as trustees of the Permanent Land Trust Funds, and approves the State Treasurer's Office Investment Policy.

Notes to the Financial Statements

For Fiscal Year Ended June 30, 2014

City of Tempe, Arizona

NOTE 5 - DUE TO/FROM OTHER FUNDS AND INTERFUND TRANSFERS

Due to/from other funds consisted of the following at June 30, 2014:

	Due to	Due from
General fund	\$ -	\$ 303,885
Non-major governmental funds	303,885	-
Total governmental funds	<u>\$ 303,885</u>	<u>\$ 303,885</u>

The interfund balances at June 30, 2014 are short-term loans to cover temporary cash deficits in various funds. All interfund balances outstanding at June 30, 2014 are expected to be repaid within one year.

The interfund balances between the governmental funds and interfund balances between the proprietary funds have been eliminated in the government-wide statement of net position.

Transfers Out							
	General	Transit Special Revenue	General Obligation Debt Service	Non-major Governmental	Water and Wastewater	Solid Waste	Total
General	\$ -	\$ -	\$ 5,003,881	\$ 161,961	\$ 75,000	\$ -	\$ 5,240,842

For Fiscal Year Ended June 30, 2014

City of Tempe, Arizona

NOTE 6 – CAPITAL IMPROVEMENT NOTES RECEIVABLE

On November 10, 2004 the City entered into an intergovernmental agreement with the Arizona Tourism and Sports Authority ("TSA") for the renovation of the Tempe Diablo Stadium Complex. On September 1, 2005, the City funded the project through the issuance of municipal bonds (see Note 9). The TSA agreed to reimburse the City \$12,000,000 for their contribution, plus interest at the bond rate (3.50% to 5.00%). A note receivable was recorded in the General Obligation Debt Service Fund for the TSA's portion. Payments are received semi-annually and any unpaid interest is capitalized. Due to capitalizing interest, at June 30, 2014 the note receivable balance is \$13,703,128.

In August 2008, the City advanced to the Downtown Tempe Community (DTC) \$250,000 to begin operations. The DTC is to repay the advance at zero percent interest rate when the district is terminated.

During the construction of the light rail, the City entered into two development agreements to add a light rail station at Washington and Center Parkway. Each agreement has a total contribution to the City of \$1.3 million, payable at \$130,000 annually over a five and six year period with the remaining balance due the following year. In addition, there is an option for a prepayment equal to the net present value of the unpaid balance calculated using a 4.50% discount rate. At June 30, 2014 the note receivable balance in the Transit Special Revenue fund is \$1,798,089 and the corresponding revenue has been reported as a deferred inflow of resources.

In accordance with a development agreement, the City has deferred certain water and sewer development fees. Commencing in August 2011, the City receives \$12,324 monthly over a 10 year period with an interest rate of 4.00%. The notes receivable balance in the Water and Wastewater Enterprise Fund at June 30, 2014 was \$920,139.

In August 2011, in accordance with a development agreement, the City has deferred certain water and sewer development fees. The City will use the sales tax rebate due to the developer to pay for the deferred development fees. The outstanding fees accrue at an interest rate of 2.00%. The notes receivable balance in the Water and Wastewater Enterprise Fund at June 30, 2014 was \$496,847.

The City executed a loan from the Water and Wastewater Fund to the General Fund for the construction of a municipal building which would be occupied primarily by departments residing in the General Fund. The interest rate ranges from 2% to 5%. The Water and Wastewater Capital Improvement Note Receivable balance at June 30, 2014 was \$509,804. See Note 9 for the corresponding Capital Improvement Note Payable.

NOTE 7 - JOINT VENTURE

The City currently participates in two joint ventures, the Subregional Operating Group and Valley Metro Rail, Inc.

Subregional Operating Group (SROG)

The City participates with the cities of Phoenix, Mesa, Scottsdale, and Glendale in an intergovernmental agreement for the construction, operation and maintenance of jointly used facilities including the 91st Avenue Wastewater Treatment Plant, the Salt River Project Outfall Sewer, the Southern Avenue Interceptor and related transportation facilities. The City of Phoenix is the management agency who has agreed to be responsible for the planning, designing, constructing, operating and maintaining of the jointly used sewage facilities and to perform the required accounting, administrative and other support functions.

The agreement provides for the formation of a Multicity Subregional Operating Group Committee ("Multicity SROG"), whose members are composed of a representative officially appointed upon motion and order of each city, for the specific purpose of making recommendations concerning specific decisions or courses of action for the jointly used facilities. The Multicity SROG annually reviews and approves the capital improvements and replacements budget and also the operating budget for the jointly used facilities.

Notes to the Financial Statements

For Fiscal Year Ended June 30, 2014

City of Tempe, Arizona

NOTE 7 - JOINT VENTURE (Continued)

Subregional Operating Group (SROG) (Continued)

As of June 30, 2013 (the latest information available), the City has a 15.73% equity interest or purchased capacity in the 91st Avenue Wastewater Treatment Plant and other varied, yet less significant percentages of equity interest in the other jointly used facilities. Purchased capacity is a measure of the right of use owned by the City in the total capacity of the wastewater treatment plant. The City contributes to capital improvements based upon equity interest and contributes to operating and maintenance expenses based upon proportional flow and sewage strength. The City has financed its share of capital improvement costs through the issuance of general obligation bonds, excise tax bonds, development fees and grants. The joint venture has not issued any debt.

Summary financial information on the joint venture (GAAP basis) as of and for the fiscal year ended June 30, 2013 (the latest information available) is as follows (in thousands):

Total assets	\$ 868,659
Total liabilities	(37,272)
Total net position	<u>\$ 831,387</u>
Total revenues	\$ 50,653
Total expenses	(96,922)
Total non-operating revenues (expenses)	(226)
Net decrease in net position	<u>(\$ 46,495)</u>

The City's net investment and its share of operating and maintenance expenses are recorded in the Water and Wastewater Enterprise Fund. The City's equity in joint venture at June 30, 2014, was \$ 133,163,643. The City's net loss from joint venture was \$ 7,297,400 for the fiscal year ended June 30, 2014. Separately audited financial statements for the jointly used wastewater treatment and transportation facilities may be obtained from the Arizona Municipal Water Users Associations, 3003 North Central, Suite 1550, Phoenix, Arizona, 85012.

Valley Metro Rail, Inc. (VMRI)

The City currently participates with the cities of Phoenix, Mesa and Glendale in a joint powers agreement for the design, construction and operation of a light rail transit system. Valley Metro Rail, Inc. (VMRI) is the management agency that was incorporated to administer the joint powers agreement between the cities. In addition, VMRI has oversight responsibility for the planning, designing, construction and operation of a regional mass transit light rail system. The agreement provides voting rights for members of the representative cities related to strategic initiatives including passage of an annual capital program and annual operating budget.

As of June 30, 2014, the City has a 22.66% (unaudited) equity interest in the joint venture. The light rail project was completed and began operations in December 2008. Member contributions to the joint venture were offset by a Federal funding agreement from the U.S. Department of Transportation. These contributions were recognized as intergovernmental revenue in the Transit Capital Projects fund.

Summary financial information on the joint venture (GAAP basis) as of and for the fiscal year ended June 30, 2013 (the latest information available) is as follows:

Total assets	\$ 1,270,426,007
Total liabilities	(125,002,440)
Total net position	<u>\$ 1,145,423,567</u>

Notes to the Financial Statements

For Fiscal Year Ended June 30, 2014

City of Tempe, Arizona

NOTE 7 - JOINT VENTURE (Continued)

Valley Metro Rail, Inc. (VMRI) (Continued)

Total revenues	\$ 90,818,368
Total expenses	(75,977,430)
Total non-operating revenues	10,934,660
Total non-operating expenses	(19,218,462)
Net increase in net position	<u>\$ 6,557,136</u>

The City has an ongoing financial responsibility as a result of the joint powers agreement to participate in the cost to construct and operate the light rail project and related improvements less any federal reimbursements and operating fares. The equity interests will be determined, and periodically adjusted, based on the number of rail mileage located within each city. The City's equity in joint venture at June 30, 2014 was \$ 270,652,731. Separate financial statements may be obtained from Valley Metro Rail, Inc., 411 North Central Avenue, Suite 200, Phoenix, Arizona 85004.

City of Tempe, Arizona

NOTE 9 - LONG-TERM DEBT

General Obligation Bonds. The City issues general obligation bonds to provide funds for the acquisition and construction of major capital facilities. General obligation bonds have been issued for both general government and proprietary activities. Bonds issued for proprietary activities are reported in the Proprietary Funds as they are to be repaid from proprietary revenues. In the current year, \$11.650 million was issued to finance improvements for Street Improvements and Infrastructure Preservation, Parks, and Public Safety. In addition, general obligation bonds have been issued to refund previously issued general obligation bonds. General obligation bonds are direct obligations and pledge the full faith and credit of the City. These bonds are generally issued as 10-20 year serial bonds with varying amounts of principal maturing each year.

General obligation bonds outstanding at June 30, 2014, were as follows (the 7/1/2014 principal payment was deducted as the fiscal year 2014 resources were dedicated):

\$52,425,000 2005 Capital Improvement Serial Bonds due in annual installments of \$1,740,000 to \$3,860,000 through July 1, 2024; interest at 3.50% to 5.00%	\$ 13,870,000
\$74,495,000 2006 Capital Improvement Serial Bonds due in annual installments of \$2,150,000 to \$5,900,000 through July 1, 2025; interest at 3.50% to 5.00%	22,925,000
\$20,690,000 2007 Capital Improvement Refunding Issue Serial Bonds due in annual installments of \$20,000 to \$5,860,000 through July 1, 2018; interest at 3.75% to 5.00%	10,470,000
\$76,485,000 2007A Capital Improvement Serial Bonds due in annual installments of \$2,220,000 to \$5,350,000 through July 1, 2026; interest at 3.50% to 4.50%	55,705,000
\$66,365,000 2008A Capital Improvement Serial Bonds due in annual installments of \$1,870,000 to \$5,080,000 beginning July 1, 2009 through July 1, 2028; interest at 3.375% to 4.375%	52,805,000
\$56,055,000 2009A Capital Improvement Serial Bonds due in annual installments of \$1,760,000 to \$4,200,000 beginning July 1, 2011 through July 1, 2029; interest at 3.00% to 4.375%	46,030,000
\$16,755,000 2010A Capital Improvement Serial Bonds due in annual installments of \$500,000 to \$2,160,000 beginning July 1, 2011 through July 1, 2019; interest at 2.50% to 5.00%	10,055,000
\$28,410,000 2010B Capital Improvement Serial Bonds due in annual installments of \$2,250,000 to \$2,295,000 beginning July 1, 2020 through July 1, 2030; interest at 4.21% to 5.719%, net of 35% federal credit	28,410,000
\$60,280,000 2010C Capital Improvement Refunding Issue Serial Bonds due in annual installments of \$1,225,000 to \$7,735,000 through July 1, 2022; interest at 1.25% to 5.00%	47,035,000
\$5,375,000 2011A Capital Improvement Serial Bonds due in annual installments of \$475,000 to \$605,000 beginning July 1, 2013 through July 1, 2021; interest at 2.00% to 4.00%	3,900,000
\$7,005,000 2012A Capital Improvement Serial Bonds due in annual installments of \$635,000 to \$765,000 beginning July 1, 2013 through July 1, 2022; interest at 2.00% to 2.25%	5,715,000
\$12,765,000 2012B Capital Improvement Refunding Serial Bonds due in annual installments of \$1,055,000 to \$3,320,000 beginning July 1, 2013 through July 1, 2023; interest at 2.00% to 3.50%	10,635,000
\$13,675,000 2013A Capital Improvement Serial Bonds due in annual installments of \$515,000 to \$940,000 beginning July 1, 2014 through July 1, 2033; interest at 1.00% to 4.00%	13,160,000
\$41,070,000 2013B Capital Improvement Refunding Serial Bonds due in annual installments of \$90,000 to \$8,205,000 beginning July 1, 2014 through July 1, 2024; interest at 1.00% to 5.00%	38,785,000
\$11,650,000 2014A Capital Improvement Serial Bonds due in one annual installment of \$11,650,000 on July 1, 2015; interest at 3.00%	11,650,000
\$15,550,000 2014B Capital Improvement Refunding Serial Bonds due in annual installments of \$1,025,000 to \$5,320,000 beginning July 1, 2015 through July 1, 2023; interest at 2.00% to 4.00%	15,550,000

City of Tempe, Arizona

NOTE 9 - LONG-TERM DEBT (Continued)

Special Assessment Bonds Payable with Governmental Commitment. As trustee for improvement districts, the City is responsible for collection of assessments levied against the owners of property within the improvement districts and for disbursement of these amounts for retirement of the respective bonds issued to finance the improvements. At June 30, 2014, the special assessments receivable of \$23,925,639, together with amounts paid in advance and interest to be received over the life of the assessment period, are adequate for the scheduled maturities of the bonds payable and the related interest.

Improvement bonds are collateralized by properties within the districts. In the event of default by the property owner, the City may enforce an auction sale to satisfy the debt service requirements of the improvement bonds. As of June 30, 2014, there is \$355,035 in delinquent receivables. The City is contingently liable on special assessment bonds to the extent that proceeds from auction sales are insufficient to retire outstanding bonds.

Special assessment bonds payable with governmental commitment outstanding at June 30, 2014, were as follows (the 7/1/2014 principal payment was deducted as the fiscal year 2014 resources were dedicated):

\$6,175,000 ID 175 Special Assessment Bonds Payable with Governmental Commitment issued May 6, 1999; maturing January 1, 2015; due in annual installments of \$295,000 to \$555,000; interest at 4.70%	\$ 555,000
\$4,405,000 ID 179 Special Assessment Bonds Payable with Governmental Commitment issued June 1, 2005; maturing January 1, 2021; due in annual installments of \$220,000 to \$385,000; interest at 4.10%	2,390,000
\$25,190,000 ID 180 Special Assessment Bonds Payable with Governmental Commitment issued February 27, 2008; maturing January 1, 2029; due in annual installments of \$760,000 to \$1,925,000; interest at 5.00%	20,985,000
Total special assessment bonds outstanding	<u>\$ 23,930,000</u>

The following is a summary of debt service cash requirements to maturity:

Fiscal Year Ending June 30,	Principal	Interest	Total

City of Tempe, Arizona

NOTE 9 - LONG-TERM DEBT (Continued)

Excise Tax Revenue Obligations. On September 1, 2005, the City issued \$21,315,000 of Excise Tax Revenue Obligations. The proceeds were used to finance the construction and renovation of various projects for Tempe Diablo Stadium, various cemetery improvements and pay costs incurred to issue the obligations. The City has collateralized the obligations by a pledge of all unrestricted excise taxes (transaction, franchise, privilege, business taxes, state-shared sales and income taxes, fees for licenses and permits, and state revenue sharing), including all fines and forfeitures, which the City presently or in the future validly imposes or receives from other entities and which are not earmarked by the contributor for a contrary or inconsistent purpose. The Excise Taxes do not include the 0.10% Performing Arts Center Excise Taxes, the excise taxes collected and paid to the City under the 0.50% transportation excise tax approved by the voters of the City on September 10, 1996 which are restricted to public transit use, or the excise taxes collected under the 1.00% increase in the transient lodging tax on hotels approved by the voters on September 10, 2002, which are restricted to fund programs of the Tempe Convention and Visitor's Bureau.

The City covenants and agrees that the Excise Taxes which it presently imposes will continue to be imposed so that the amount of Excise Taxes for any fiscal year of the City shall be equal to at least three times the total of the Debt Service on all Parity Obligations in such Fiscal Year. The City further covenants and agrees that if receipts for any current Fiscal Year shall not equal three times such Debt Service or will not be sufficient to meet such Fiscal Year's actual Debt Service with respect to Parity Obligations, the City will either impose new Excise Taxes or will increase the rates of such taxes currently imposed in order that (i) such revenues for the current Fiscal Year will be sufficient to meet such Fiscal Year's Debt Service with respect to Parity Obligations, and (ii) such revenues for the next succeeding Fiscal Year will be equal to at least three times the next succeeding Fiscal Year's Debt Service with respect to Parity Obligations. In the following outstanding balance, the 7/1/2014 principal payment was deducted as the fiscal year 2014 resources were dedicated.

\$21,315,000 2005 Excise Tax Revenue Obligations due in annual installments of \$345,000
to \$2,135,000 through July 1, 2016; interest at 3.50% to 5.00%

\$ 1,850,000

The following is a summary of the service cash requirements to maturity:

Fiscal Year Ending June 30,	Principal	Interest	Total
2015	\$ 460,000	\$ 74,000	\$ 534,000
2016	1,390,000	55,600	1,445,600
	<u>\$ 1,850,000</u>	<u>\$ 129,600</u>	<u>\$ 1,979,600</u>

For Fiscal Year Ended June 30, 2014

City of Tempe, Arizona

NOTE 9 - LONG-TERM DEBT (Continued)

Excise Tax Revenue Obligations (Continued)

Excise Tax Revenue Obligations. On May 1, 2006 the City issued \$22,265,000 of Excise Tax Revenue Obligations. The proceeds were used to fund a portion of the cost of the Tempe Center for the Arts Project and to pay costs incurred to issue the obligations. The City has collateralized the obligations by a pledge of 0.10% performing arts center tax, approved by voters on May 16, 2000, which are restricted to the Tempe Center for the Performing Arts Project. Additionally, the payments to be made by the City are secured by a subordinate lien pledge by the City of all unrestricted excise, transaction, franchise, privilege and business taxes, state-shared sales and income taxes, fees for licenses and permits, and state revenue sharing, including all fines and forfeitures, which the City presently or in the future validly imposes or receives from other entities and which are not earmarked by the contributor for a contrary or inconsistent purpose. The Excise Taxes do not include the 0.10% Performing Arts Center Excise Taxes, the excise taxes collected and paid to the City under the 0.50% transportation excise tax approved by the voters of the City on September 10, 1996 which are restricted to public transit use, or the excise taxes collected under the 1.00% increase in the transient lodging tax on hotels approved by the voters on September 10, 2002, which are restricted to fund programs of the Tempe Convention and Visitor's Bureau.

The City covenants and agrees that the Performing Arts Center Excise Taxes and the Excise Taxes which it presently imposes will continue to be imposed in each Fiscal Year so that the sum of (A) the Performing Arts Center Excise Taxes for such Fiscal Year plus (B) the excess of the Excise Taxes for such Fiscal Year over the Debt Service requirements on the Outstanding Senior Excise Tax Obligations for such Fiscal Year, shall be equal to at least three times the total of the Debt Service with respect to Parity Obligations in such Fiscal Year. The City further covenants and agrees that if such revenues for any such Fiscal Year shall not equal three times such Debt Service or will not be sufficient to meet such Fiscal Year's actual Debt Service with respect to Parity Obligations, the City will either impose new Excise Taxes or will increase the rates of such taxes currently imposed in order that (i) such revenues for the current Fiscal Year will be sufficient to meet such Fiscal Year's Debt Service with respect to Parity Obligations, and (ii) such revenues for the next succeeding Fiscal Year will be equal to at least three times the next succeeding Fiscal Year's Debt Service with respect to Parity Obligations.

The City further covenants and agrees that so long as any Special Parity Obligations are outstanding, the Performing Arts Center Excise Taxes, the Excise Taxes and the Special Excise Taxes will be imposed in each Fiscal Year so that the sum of (A) Performing Arts Center Excise Taxes for such Fiscal Year, plus (B) Special Excise Taxes for such Fiscal Year plus (C) the excess of the Excise Taxes for such Fiscal Year over the Debt Service on the Outstanding Senior Excise Tax Obligations for such Fiscal Year shall be equal to at least three times the total of the Debt Service with respect to the Parity Obligations and the Special Parity Obligations in such Fiscal Year.

The City further covenants and agrees that if such revenues for any such Fiscal Year shall not equal three times such Debt Service or will not be sufficient to meet such Fiscal Year's actual Debt Service with respect to Parity Obligations and Special Parity Obligations, the City will either impose new Excise Taxes or Special Excise Taxes or will increase the rates of such taxes currently imposed in order that (i) such revenues for the current Fiscal Year will be sufficient to meet such Fiscal Year's Debt Service with respect to Parity Obligations and Special Parity Obligations and (ii) such revenues for the next succeeding Fiscal Year will be equal to at least three times the next succeeding Fiscal Year's Debt Service with respect to Parity Obligations and Special Parity Obligations. The City covenants and agrees that, so long as any of the obligations remain outstanding and the principal and interest thereon shall be unpaid or unprovided for, it will not further encumber the excise taxes on a parity basis unless the excise taxes collected in the next preceding fiscal year of the City shall have amounted to at least three times the highest combined debt service requirements for any succeeding fiscal year for all obligations and outstanding parity obligations, including the additional parity obligations proposed to be secured by a pledge or the excise taxes. In the following outstanding balance, the 7/1/2014 principal payment was deducted as the fiscal year 2014 resources were dedicated.

\$22,265,000 2006 Excise Tax Revenue Obligations due in annual installments of
\$1,650,000 to \$2,385,000 through July 1, 2016; interest at 4.00% to 4.50%

\$ 4,665,000

NOTE 9 - LONG-TERM DEBT (Continued)

Excise Tax Revenue Obligations (Continued)

Excise Tax Revenue Obligations. On June 17, 2008 the City issued \$30,170,000 of Excise Tax Revenue Obligations. The proceeds were used to fund the costs associated with a portion of the City's light rail project and to pay costs incurred to issue the obligations. The City has collateralized the obligations by a pledge of 0.50% transit excise tax revenues, approved by voters on September 10, 1996, which are restricted to public transit use.

The City covenants and agrees that, so long as any of the Parity Obligations remain outstanding and the principal and interest shall be unpaid, it will not further encumber the Transit Excise Taxes on a parity basis unless the Transit Excise Taxes collected in the immediately preceding fiscal year shall have amounted to at least two times the highest combined principal and interest debt service payments, or any required deposits, for any succeeding fiscal year for with respect to the transit excise tax revenue Parity Obligations. In the following outstanding balance, the 7/1/2014 principal payment was deducted as the fiscal year 2014 resources were dedicated.

\$30,170,000 2008 Excise Tax Revenue Obligations due in annual installments of
\$480,000 to \$1,120,000 through July 1, 2038; interest at 3.50% to 5.00%

Excise Tax Revenue Obligations. On August 31, 2011, the City issued \$18,300,000 of Excise Tax Revenue Refunding Obligations. The Obligations were issued for the purpose of providing funds (i) to refund in advance of maturity portions of certain outstanding Performing Arts Center Excise Tax Revenue Obligations (the "Obligations Being Refunded") and (ii) to pay the costs and expenses relating to the issuance of the Obligations.

The City has collateralized the obligations by a pledge of 0.10% performing arts center tax, approved by voters on May 16, 2000, which are restricted to the Tempe Center for the Performing Arts Project. Additionally, the payments to be made by the City are secured by a subordinate lien pledge by the City of all unrestricted excise, transaction, franchise, privilege and business taxes, state-shared sales and income taxes, fees for licenses and permits, and state revenue sharing, including all fines and forfeitures, which the City presently or in the future validly imposes or receives from other entities and which are not earmarked by the contributor for a contrary or inconsistent purpose. The general Excise Taxes do not include the Performing Arts Center Excise Taxes, the excise taxes collected and paid to the City under the 0.50% transportation excise tax approved by the voters of the City on September 10, 1996 which are restricted to public transit use, or the excise taxes collected under the 1.00% increase in the transient lodging tax on hotels approved by the voters on September 10, 2002, which are restricted to fund programs of the Tempe Convention and Visitor's Bureau.

Notes to the Financial Statements

For Fiscal Year Ended June 30, 2014

City of Tempe, Arizona

NOTE 9 - LONG-TERM DEBT (Continued)

Excise Tax Revenue Obligations (Continued)

The City covenants and agrees that the Performing Arts Center Excise Taxes and the Excise Taxes which it presently imposes will continue to be imposed in each Fiscal Year so that the sum of (A) the Performing Arts Center Excise Taxes for such Fiscal Year plus (B) the excess of the Excise Taxes for such Fiscal Year over the Debt Service requirements on the Outstanding Senior Excise Tax Obligations for such Fiscal Year, shall be equal to at least three times the total of the Debt Service with respect to Parity Obligations in such Fiscal Year. The City further covenants and agrees that if such revenues for any such Fiscal Year shall not equal three times such Debt Service or will not be sufficient to meet such Fiscal Year's actual Debt Service with respect to Parity Obligations, the City will either impose new Excise Taxes or will increase the rates of such taxes currently imposed in order that (i) such revenues for the current Fiscal Year will be sufficient to meet such Fiscal Year's Debt Service with respect to Parity Obligations, and (ii) such revenues for the next succeeding Fiscal Year will be equal to at least three times the next succeeding Fiscal Year's Debt Service with respect to Parity Obligations.

The City further covenants and agrees that so long as any Special Parity Obligations are outstanding, the Performing Arts Center Excise Taxes, the Excise Taxes and the Special Excise Taxes will be imposed in each Fiscal Year so that the sum of (A) Performing Arts Center Excise Taxes for such Fiscal Year, plus (B) Special Excise Taxes for such Fiscal Year plus (C) the excess of the Excise Taxes for such Fiscal Year over the Debt Service on the Outstanding Senior Excise Tax Obligations for such Fiscal Year shall be equal to at least three times the total of the Debt Service with respect to the Parity Obligations and the Special Parity Obligations in such Fiscal Year. The City further covenants and agrees that if such revenues for any such Fiscal Year shall not equal three times such Debt Service or will not be sufficient to meet such Fiscal Year's actual Debt Service with respect to Parity Obligations and Special Parity Obligations, the City will either impose new Excise Taxes or Special Excise Taxes or will increase the rates of such taxes currently imposed in order that (i) such revenues for the current Fiscal Year will be sufficient to meet such Fiscal Year's Debt Service with respect to Parity Obligations and Special Parity Obligations and (ii) such revenues for the next succeeding Fiscal Year will be equal to at least three times the next succeeding Fiscal Year's Debt Service with respect to Parity Obligations and Special Parity Obligations. In the following outstanding balance, the 7/1/2014 principal payment was deducted as the fiscal year 2014 resources were dedicated.

\$18,300,000 2011 Excise Tax Revenue Refunding Obligations due in annual installments
of \$100,000 to \$3,295,000 through July 1, 2020; interest at 2.00% to 5.00%

\$ 17,865,000

The following is a summary of debt service cash requirements to maturity:

Fiscal Year Ending June 30,	Principal	Interest	Total
2015	\$ 2,695,000	\$ 734,100	\$ 3,429,100
2016	2,825,000	604,350	3,429,350

Notes to the Financial Statements

For Fiscal Year Ended June 30, 2014

City of Tempe, Arizona

NOTE 9 - LONG-TERM DEBT (Continued)

Excise Tax Revenue Obligations (Continued)

Excise Tax Revenue Obligations. On June 11, 2012, the City issued \$30,500,000 of Excise Tax Revenue and Revenue Refunding Obligations: \$8,390,000 of revenue obligations and \$22,110,000 of revenue refunding obligations.

The proceeds were used (i) to refund in advance of maturity certain outstanding Excise Tax Revenue Obligations of the City, (ii) finance the construction and acquisition of certain water and wastewater improvements, and (iii) to pay the costs of execution and delivery of the obligations.

The City has collateralized the obligations by a pledge of all unrestricted excise taxes (transaction, franchise, privilege, business taxes, state-shared sales and income taxes, fees for licenses and permits, and state revenue sharing), including all fines and forfeitures, which the City presently or in the future validly imposes or receives from other entities and which are not earmarked by the contributor for a contrary or inconsistent purpose. The Excise Taxes do not include the taxes collected and paid to the City under the 0.50% transportation privilege (sales) and use tax approved by the voters of the City on September 10, 1996 which are restricted to public transit use, the 0.10% Performing Arts Center Excise Taxes approved by voters of the City on May 16, 2000, which are restricted to the Tempe Center for the Arts Project, or the excise taxes collected under the 1.00% increase in the transient lodging tax on hotels approved by the voters on September 10, 2002, which are restricted to fund programs of the Tempe Convention and Visitor's Bureau.

The City covenants and agrees that the Excise Taxes which it presently imposes will continue to be imposed so that the amount of Excise Taxes for any fiscal year of the City shall be equal to at least three times the total of the Debt Service on all Parity Obligations in such Fiscal Year. The City further covenants and agrees that if receipts for any current Fiscal Year shall not equal three times such Debt Service or will not be sufficient to meet such Fiscal Year's actual Debt Service with respect to Parity Obligations, the City will either impose new Excise Taxes or will increase the rates of such taxes currently imposed in order that (i) such revenues for the current Fiscal Year will be sufficient to meet such Fiscal Year's Debt Service with respect to Parity Obligations, and (ii) such revenues for the next succeeding Fiscal Year will be equal to at least three times the next succeeding Fiscal Year's Debt Service with respect to Parity Obligations. In the following outstanding balance, the 7/1/2014 principal payment was deducted as the fiscal year 2014 resources were dedicated.

\$30,500,000 2012 Excise Tax Revenue and Refunding Obligations due in annual
installments of \$280,000 to \$5,125,000 through July 1, 2032; interest at 1.50% to
5.00%

\$28,085,000

	<u>\$ 7,820,000</u>	<u>\$ 3,169,788</u>	<u>\$10,989,788</u>

Excise Tax Revenue Refunding Obligations. On September 12, 2012, the City issued \$41,390,000 of Excise Tax Revenue Obligations. The proceeds (including the premium) were used to refund \$45,295,000 of the 2007 Variable Rate Demand Excise Tax Revenue Obligations and pay costs incurred to issue the obligations.

The payments required to be made by the City to the Trustee under the Purchase Agreement are payable from and secured by a pledge of revenues from an excise tax collected by the City under a 0.50% transportation excise tax approved by the voters of the City on September 10, 1996 which is restricted to public transit use (the "Transit Excise Taxes"). Such tax is levied by the City upon persons on account of their business activities within the City. The amount of taxes due are calculated by applying the 0.50% tax rate against the gross proceeds of sales or gross income derived from the business activities. Such taxes are collected by the City on a monthly basis.

Notes to the Financial Statements

For Fiscal Year Ended June 30, 2014

City of Tempe, Arizona

NOTE 9 - LONG-TERM DEBT (Continued)

Excise Tax Revenue Obligations (Continued)

Such lien on and pledge of the Transit Excise Taxes is on parity with that for the City's Transit Excise Tax Revenue Obligations, Series 2008, currently outstanding in the aggregate principal amount of \$26,755,000.

\$41,390,000 2012 Excise Tax Revenue Refunding Obligations due in annual installments
of \$430,000 to \$2,645,000 through July 1, 2037; interest at 1.50% to 5.00%

\$39,890,000

The following is a summary of total debt service cash requirements to maturity:

Fiscal Year Ending June 30,	Principal	Interest	Total
2015	\$ 1,095,000	\$ 1,668,894	\$ 2,763,894
2016	1,130,000	1,636,044	2,766,044

Excise Tax Revenue Obligations. On June 26, 2013, the City issued \$27,240,000 of Excise Tax Revenue Obligations to finance the construction and acquisition of various water and wastewater improvements for the City and to pay the costs of execution and delivery of the Obligations.

The payments to be made by the City will be secured by a pledge by the City of all unrestricted excise, transaction, franchise, privilege and business taxes, State-shared sales and income taxes, fees for licenses and permits, and State revenue-sharing now or hereafter validly imposed by the City or contributed, allocated and paid over to the City and not earmarked by the contributor for a contrary or inconsistent purpose, including, without limitation, all fines and forfeitures (all such taxes and receipts herein referred to as "Excise Taxes"), but not (i) excise taxes collected and paid to the City under the 0.50% transaction privilege (sales) and use tax approved by the voters of the City on September 10, 1996, which are restricted to improvement and operation of the public transit system (such taxes and receipts herein referred to as "Transit Excise Taxes"), (ii) excise taxes collected and paid to the City under the 0.10% transaction privilege (sales) and use tax approved by the voters of the City on May 16, 2000, the use of which is restricted to the construction and operation of a performing arts center (such taxes and receipts herein referred to as the "Performing Arts Center Excise Taxes"), (iii) excise taxes collected and paid to the City under the 1.00% increase in the transient lodging tax on hotels approved by the voters of the City on September 10, 2002, which are restricted to funding programs of the Tempe Convention and Visitor's Bureau (such taxes and receipts herein referred to as "Convention and Visitor's Bureau Taxes") or (iv) any other similar tax restricted as to its use. The pledge of the Excise Taxes is on a parity pledge with the Existing Obligations.

Capital Improvement Notes. Capital improvement notes represent borrowings to provide long-term financing for certain major capital improvement program projects (see Note 6).

Capital improvement note outstanding at June 30, 2014 was as follows:

\$7,400,000 capital improvement notes issued in 1995 due to the Water and Wastewater Enterprise Fund from the General Fund payable in equal annual installments through January 1, 2015; interest ranging from 2.00% to 5.00%

\$ 509,804

The following discloses debt service requirements as of June 30, 2014 segregating principal and interest, to maturity:

Fiscal Year Ending June 30,	Principal	Interest	Total
2015	\$ 509,804	\$ 10,196	\$ 520,000
	<u>\$ 509,804</u>	<u>\$ 10,196</u>	<u>\$ 520,000</u>

Section 108 Guaranteed Loan. In July 2004, the City entered into a Section 108 guaranteed loan agreement with the U.S. Department of Housing and Urban Development (HUD) for funding of \$7,000,000 for on-site environmental remediation of the University/Hayden Butte Redevelopment Area 5 (Rio Salado Marketplace Redevelopment). The note required interest only payments until August 2007. At that time the note was due in annual installments of \$261,000 to \$549,000 through August 1, 2024; interest at 5.37% to 6.01%. The City has pledged its Community Development Block Grants as security for HUD's guaranteed loan. The City was awarded a \$1,000,000 HUD Brownfield Economic Development Initiative grant to be used to pay interest on the HUD Section 108 loan until such time the development generates sufficient tax revenue to cover the debt service of the development.

	<u>\$ 11,037,453</u>	<u>\$ 1,847,472</u>	<u>\$ 12,884,925</u>

Capital Leases. The City has entered into capital lease agreements for equipment. These lease agreements generally require annual payments and the lease term varies from 4 to 5 years. The lease agreements qualify as capital leases for accounting purposes and, therefore, have been recorded at the present value of their future minimum lease payments as of the date of inception.

The proprietary assets acquired through capital leases are for equipment with an original cost of \$861,649. Accumulated depreciation as of June 30, 2014 totaled \$359,020. The following is a schedule of future minimum lease payments, together with the net present value of the minimum lease payments as of June 30, 2014. These amounts will be paid for by the Golf Fund.

	Fiscal Year Ending June 30,	Total
	2015	\$ 223,175
	2016	223,175
	2017	63,966
Total minimum lease payments		510,316
Less: interest at 3.05% to 3.13%		(10,840)
Present value of future minimum lease payments		<u>\$ 499,476</u>

Notes to the Financial Statements

For Fiscal Year Ended June 30, 2014

City of Tempe, Arizona

NOTE 9 - LONG-TERM DEBT (Continued)

Statutory Debt Limitation. In the absence of more restrictive bond authorization ballot limitations, the City is subject to state statutory limitations on the amount of net bonded debt (exclusive of revenue and special assessment bonds and purchase contracts) it may have outstanding. The statutory debt limitation is 20 percent of the secondary assessed valuation for purposes of water, wastewater, open space preserves, artificial lighting, parks, playgrounds and recreational facilities, public safety, law enforcement, fire and emergency services facilities and streets and transportation facilities and 6 percent of the secondary assessed valuation for all other purposes.

At June 30, 2014, the 20 percent debt limitation was \$302,659,854 with \$390,600,904 of outstanding debt. Due to the decline in property values, there is no additional capacity in the 20 percent debt margin category. The 6 percent debt limitation was \$90,797,956 with \$39,045,000 of outstanding debt. This provided a 6 percent debt margin of \$51,752,956. The authorized, unissued debt subject to the statutory limitations of 20 percent and 6 percent at June 30, 2014, was \$159,454,698.

Bond Covenants. The various bond indentures contain certain limitations and restrictions on annual debt service requirements, maintenance and flow of monies through various restricted accounts, minimum amounts to be maintained in various sinking funds, and minimum revenue bond coverages.

Arbitrage. Under U.S. Treasury Department regulations, all government tax-exempt debt issued after August 31, 1986 is subject to arbitrage rebate requirements. The requirements stipulate, in general, the earnings from the investment of tax exempt bond proceeds that exceed related interest expenditures on the bonds must be remitted to the Federal government on every fifth anniversary of each bond issue. The City has evaluated each general obligation bond and revenue bond issue subject to the arbitrage rebate requirements and has determined that no liability exists at June 30, 2014.

Debt Service Coverage for Governmental General Obligation Bonds. The governmental general obligations are payable from ad valorem tax revenues to be levied on all taxable property within the City. A total of \$163,205,000 is outstanding in governmental general obligation bonds. Proceeds of the bonds were used for general governmental purposes. The bonds are payable through July 1, 2033. Annual principal and interest payments on the bonds are expected to require less than 80.63% of total 2013-14 ad valorem taxes. The total principal and interest remaining to be paid on the bonds is \$205,542,336. Principal and interest paid for the current year and total ad valorem tax revenues were \$19,021,851 and \$23,590,842, respectively.

Debt Service Coverage for Business-type Activities General Obligation Bonds. The business-type general obligations are paid from the water and wastewater utility system revenues of the City. A total of \$223,495,000 is outstanding in business-type general obligation bonds. Proceeds of the bonds were used for improvements and expansions to the City's water and wastewater system. The bonds are payable through July 1, 2030. Annual principal and interest payments on the bonds are expected to require less than 33.90% of 2013-14 water and wastewater utility system revenue. The total principal and interest remaining to be paid on the bonds is \$284,617,343. Principal and interest paid for the current year and water and wastewater system revenues were \$27,452,899 and \$80,989,551, respectively.

Debt Service Coverage for Governmental Excise Tax Obligations. The City has pledged all future unrestricted excise taxes to repay a total of \$55,431,000 in outstanding governmental excise tax obligations. Proceeds of the bonds were used for general governmental purposes. The bonds are payable through July 1, 2031. Annual principal and interest payments on the bonds are expected to require less than 3.31% of total 2013-14 pledged excise taxes. The total principal and interest remaining to be paid on the bonds is \$70,606,038. Principal and interest (net of Federal subsidy) paid for the current year and total pledged excise taxes were \$5,482,271 and \$165,485,314, respectively.

Notes to the Financial Statements

For Fiscal Year Ended June 30, 2014

City of Tempe, Arizona

NOTE 9 - LONG-TERM DEBT (Continued)

Debt Service Coverage for Business-type Activities Excise Tax Obligations. The City has pledged all future unrestricted excise taxes to repay a total of \$76,109,000 in outstanding business-type activities excise tax obligations. Proceeds of the bonds were used for improvements and expansions to the City's water and wastewater system. The bonds are payable through July 1, 2033. Annual principal and interest payments on the bonds are expected to require less than 3.93% of total 2013-14 excise taxes. The total principal and interest remaining to be paid on the bonds is \$112,633,240. Principal and interest paid for the current year and total excise taxes were \$6,495,697 and \$165,485,314, respectively.

Debt Service Coverage for Transit Excise Tax Obligations. For the repayment of transit excise tax obligation bonds, the City has pledged all future excise taxes collected and paid under the 0.50% transportation excise tax. Proceeds of the bonds were used for the construction of the City's portion of the light rail system. The current balance outstanding is \$66,645,000. The bonds are payable through July 1, 2038. Annual principal and interest payments on the bonds are expected to require less than 13.88% of total 2013-14 transit excise taxes. The total principal and interest remaining to be paid on the bonds is \$109,023,863. Principal and interest paid for the current year and transit excise taxes were \$4,655,713 and \$33,539,177, respectively.

Debt Service Coverage for Performing Arts Center Excise Taxes. For repayment of performing arts excise tax obligations, the City has pledged all future excise taxes collected and paid under a 0.10% performing arts center tax. Proceeds of the bonds were used for the construction of the Tempe Performing Arts Center. The bonds are payable primarily from performing arts excise taxes and are secured by a subordinate lien pledge of all future unrestricted excise taxes. The current balance outstanding is \$22,530,000 and the bonds are payable through July 1, 2020. Annual principal and interest payments on the bonds are expected to be less than 85.50% of total 2013-14 performing arts excise taxes. The total principal and interest remaining to be paid on the bonds is \$25,559,352. Principal and interest paid for the current year and total available excise taxes were \$5,918,250 and \$160,429,251, respectively.

Capital leases	711,466	-	(211,990)	499,476	215,881
Total debt payable	<u>\$344,469,491</u>	<u>\$10,886,009</u>	<u>\$ (31,541,985)</u>	<u>\$323,813,515</u>	<u>\$22,734,845</u>

The long-term liabilities at June 30, 2014 have been reduced by deposits made with the City's fiscal agent for July 1, 2014 maturities. In addition, in the summary noted above, the beginning balance has been restated to include the *premium on debt payable*. For the governmental activities, the premium had been included in deferred charges in prior year. For the Business-type activities, the premium had been expensed in prior years; however, with the implementation of GASB Statement No. 65, *Items Previously Reported as Assets and Liabilities*, the beginning balance was restated. Please refer to Note 21- Prior Period Adjustment for further information.

For the governmental activities, claims and judgments and compensated absences are generally liquidated by the General Fund.

Notes to the Financial Statements

For Fiscal Year Ended June 30, 2014

City of Tempe, Arizona

NOTE 10 - BONDS TO BE PAID FROM ASSETS HELD IN TRUST

Advance Bond Refundings

Future debt service on refunded bonds has been provided through advance refunding bond issues. Under an advance refunding arrangement, refunding bonds are issued and the net proceeds, plus any additional resources that may be required, are used to purchase securities issued or guaranteed by the United States government. These securities are then deposited in an irrevocable trust under an escrow agreement which provides that all proceeds from the trust will be used to fund the principal and interest payments of the previously issued bonded debt being refunded. The trust deposits have been computed so that the securities in the trust, along with future cash flow generated by the securities, will be sufficient to service the previously issued bonds.

On November 10, 2010, the City issued \$60,280,000 of general obligation refunding bonds with a premium of \$4,997,165 to refund \$3,215,000 of Series 1998; \$9,860,000 of Series 1998A; \$9,015,000 of Series 2001A; \$14,475,000 of Series 2002A; and partially refund \$15,530,000 of Series 2003 and \$8,185,000 of Series 2004 of outstanding general obligation bonds. The bonds were issued with an average interest rate of 3.71%. The net proceeds of \$64,670,397, after payment of \$124,528 issuance costs and an underwriter's discount of \$482,240, were used to purchase State and local government securities.

The primary purpose of the refunding was to take advantage of lower interest rates, thereby reducing future debt service in the City's General Obligation Debt Service and Water/Wastewater funds. As a result of the advance refunding, the City reduced its total debt service requirements by \$4,858,809 which resulted in an economic gain (the difference between the present values of the debt service payment on the old and new debt) of \$4,342,453.

On August 31, 2011, the City issued \$18,300,000 of excise tax revenue refunding obligation bonds with a premium of \$2,322,676 to partially refund \$17,735,000 of Series 2004 outstanding excise tax revenue obligation bonds. The bonds were issued with an average interest rate of 2.11%. The net proceeds of \$20,384,744, after allocation of \$100,683 of issuance costs and an underwriter's discount of \$137,250 were used to purchase State and local government securities.

The primary purpose of the refunding was to take advantage of lower interest rates, thereby reducing future debt service in the Performing Arts fund. As a result of the advance refunding, the City reduced its total debt service requirements by \$819,224, which resulted in an economic gain of \$751,095.

On June 11, 2012, the City issued \$22,110,000 of excise tax revenue refunding obligation bonds with a premium of \$3,992,095 to partially refund \$6,835,000 of Series 2003 and \$15,925,000 of Series 2005 outstanding excise tax revenue obligation bonds. The bonds were issued with an average interest rate of 2.50%. The net proceeds of \$25,258,908 after transferring \$553,944 to the debt service fund, the payment of \$123,418 in issuance costs and an underwriter's discount of \$165,825, were used to purchase State and local government securities.

The primary purpose of the refunding was to take advantage of lower interest rates, thereby reducing future debt service in the City's General Obligation Debt Service, Community Facilities District, and Cemetery funds. As a result of the advance refunding, the City reduced its total debt service requirements by \$1,616,232, which resulted in an economic gain of \$1,462,225.

On June 19, 2013, the City issued \$41,070,000 of general obligation refunding bonds with a premium of \$4,318,047 to partially advance refund \$3,865,000 of Series 2004, \$16,030,000 of Series 2005 and \$18,945,000 of Series 2006 outstanding general obligation bonds. In addition, the proceeds were utilized for a current refunding of \$2,230,000 of Series 2003 bonds. The bonds were issued with an average interest rate of 3.90%. The net proceeds of \$44,958,214 after the payment of \$146,450 in issuance costs and an underwriter's discount of \$283,383 were used to purchase State and local government securities.

The primary purpose of the refunding was to take advantage of lower interest rates, thereby reducing future debt service in the City's General Obligation Debt Service and Water and Wastewater funds. As a result of the advance refunding, the City reduced its total debt service requirements by \$1,720,519, which resulted in an economic gain of \$1,552,184.

Notes to the Financial Statements

For Fiscal Year Ended June 30, 2014

City of Tempe, Arizona

NOTE 10 - BONDS TO BE PAID FROM ASSETS HELD IN TRUST (Continued)

Advance Bond Refundings (Continued)

On May 28, 2014, the City issued \$15,550,000 of general obligation refunding bonds with a premium of \$1,540,100 to partially advance refund \$2,810,000 of Series 2005 and \$9,545,000 of Series 2006 outstanding general obligation bonds. In addition, the proceeds were utilized for a current refunding of \$3,195,000 of Series 2004 refunding bonds. The bonds were issued with an average interest rate of 3.97%. The net proceeds of \$16,977,361 after the payment of \$83,384 in issuance costs and an underwriter's discount of \$112,739 were used to purchase State and local government securities.

The primary purpose of the refunding was to take advantage of lower interest rates, thereby reducing future debt service in the City's General Obligation Debt Service and Water and Wastewater funds. As a result of the advance refunding, the City reduced its total debt service requirements by \$976,050, which resulted in an economic gain of \$1,015,727.

Bonds which have been advance refunded (and thus not included in the debt of the City) and are still outstanding as of June 30, 2014 are as follows:

\$19,900,000 general obligation bonds issued in 2004 and partially refunded in 2011 (final redemption date is 7/1/2014)	\$ 8,185,000
\$37,595,000 excise tax revenue obligation bonds issued in 2004 and partially refunded in 2012 (final redemption date is 7/1/2014)	17,735,000
\$21,315,000 excise tax revenue obligation bonds issued in 2005 and partially refunded in 2012 (final redemption date is 7/1/2015)	15,925,000
\$19,900,000 general obligation bonds issued in 2004 and partially refunded in 2013 (final redemption date is 7/1/2014)	3,865,000
\$52,425,000 general obligation bonds issued in 2005 and partially refunded in 2013 (final redemption date is 7/1/2015)	16,030,000
\$74,495,000 general obligation bonds issued in 2006 and partially refunded in 2013 (final redemption date is 7/1/2016)	18,945,000
\$52,425,000 general obligation bonds issued in 2005 and partially refunded in 2014 (final redemption date is 7/1/2015)	2,810,000
\$74,495,000 general obligation bonds issued in 2006 and partially refunded in 2014 (final redemption date is 7/1/2016)	9,545,000
Total bonds advance refunded	<u>\$ 93,040,000</u>

NOTE 11 – FUND BALANCE CLASSIFICATIONS

During the year ended June 30, 2011, the City implemented the provisions of GASB Statement No. 54, *Fund Balance Reporting and Governmental Fund Type Definitions*. GASB Statement No. 54 establishes standards for financial reporting, including note disclosure requirements, for fund balance classifications of the governmental funds, and clarifies existing governmental fund type definitions.

In the fund financial statements, fund balance is reported in classifications that comprise a hierarchy based on the extent to which the City is bound to honor constraints on the specific purposes for which amounts in those funds can be spent.

The classifications of fund balance are *Non-spendable*, *Restricted*, *Committed*, *Assigned*, and *Unassigned*. *Committed*, *Assigned*, and *Unassigned* represent the amount that is available for discretionary spending.

Notes to the Financial Statements

For Fiscal Year Ended June 30, 2014

City of Tempe, Arizona

NOTE 11 – FUND BALANCE CLASSIFICATIONS (Continued)

Non-spendable fund balance includes amounts that cannot be spent because either 1) it is not in a spendable form, such as inventory or prepaid items or 2) legally or contractually required to be maintained intact.

Restricted fund balance is externally (outside the City) enforceable limitations imposed by creditors, grantors, contributors, laws and regulations of other governments, or laws through constitutional provisions or enabling legislation (changes in City Charter).

Committed fund balance is self-imposed limitations imposed at the highest level of decision making authority, namely, Mayor and Council. Mayor and Council approval (through ordinance) is required to commit resources or to rescind the commitment.

Assigned fund balance represents limitations imposed by management. In June 2011, through resolution 2011.56, the Mayor and Council authorized the Chief Financial Officer to assign fund balance amounts for specific purposes.

Unassigned fund balance represents the residual net resources in excess of the other classifications.

The General Fund is the only fund that can report a positive unassigned fund balance and any governmental fund can report a negative unassigned fund balance.

When both restricted and unrestricted resources are available for specific expenditures, restricted resources are considered spent before unrestricted resources. Within unrestricted resources, committed and assigned are considered spent (if available) before unassigned amounts.

As of June 30, 2014, the fund balance details by classification are listed as follows:

Notes to the Financial Statements

For Fiscal Year Ended June 30, 2014

City of Tempe, Arizona

NOTE 11 – FUND BALANCE CLASSIFICATIONS (Continued)

The Mayor and Council have established a minimum unassigned fund balance policy for the General Fund of 20% to 30% of current year operating revenues. As of June 30, 2014, the aggregate balance is 33.90% of General Fund revenues.

City of Tempe, Arizona

NOTE 12 - COMMITMENTS

In the Governmental fund financial statements, construction commitments are included in either the restricted or committed fund balances.

At June 30, 2014 the City's construction commitments are as follows:

	<u>Commitment</u>	<u>Construction in Progress</u>
Governmental funds:		
Transit	\$ 2,092,364	\$ 1,648,919
Streets	456,575	231,354
Fire	549,828	173,222
Storm drains	1,320	-
Parks	141,769	-
Rio Salado	12,555,045	4,448,216
Community development	389,807	7,044
Signals	424,445	93,105
	<u>\$ 16,611,153</u>	<u>\$ 6,601,860</u>
	<u>Commitment</u>	<u>Construction in Progress</u>
Proprietary funds:		
Water/wastewater	\$ 2,377,836	\$ 411,244
Golf	126,635	-
	<u>\$ 2,504,471</u>	<u>\$ 411,244</u>

In addition, there were non-construction related commitments as follows:

	<u>Commitment</u>
Governmental funds:	
General	\$ 338,193
Non-major special revenue	300,484
	<u>\$ 638,677</u>
	<u>Commitment</u>
Proprietary funds:	
Water/wastewater	\$ 73,498
Solid waste	743,215
	<u>\$ 816,713</u>

Notes to the Financial Statements

For Fiscal Year Ended June 30, 2014

City of Tempe, Arizona

NOTE 13 - OPERATING LEASES

The City leases copiers under certain non-cancelable leases accounted for as operating leases. Operating leases do not give rise to property rights or lease obligations, and therefore the results of the lease agreements are not reflected in the City's Statement of Net Position. Current year lease costs for the fiscal year ended June 30, 2014 were \$221,767.

The following is a schedule by year of future minimum lease payments:

Fiscal Year Ending June 30,	Amount
2015	\$ 143,252
2016	121,950
2017	54,121
2018	52,092
Total minimum payments required	\$ 371,415

NOTE 14 - RETIREMENT AND PENSION PLANS

The City contributes to four separate defined benefit pension plans for the benefit of all full-time employees and elected officials. The Arizona Public Safety Personnel Retirement System administers separate agent multiple-employer retirement plans for all full-time police and fire personnel. The Arizona Public Safety Personnel Retirement System also acts as fund administrator for the Elected Officials Retirement Plan, a multiple-employer cost-sharing plan for elected officials of the City. The Arizona State Retirement System administers a multiple-employer cost-sharing plan for all other full-time employees. The City has met all required payment dates for these plans.

Arizona Public Safety Personnel Retirement System (Full-time Police and Fire Employees)

A. Plan Description

The City contributes to the Arizona Public Safety Personnel Retirement System ("PSPRS"), an agent multiple-employer public safety employee retirement system that acts as a common investment and administrative agent for the various police and fire agencies within the state. All police and fire personnel are eligible to participate in the plan. The plan provides retirement, disability, and death benefits to plan members and beneficiaries. The PSPRS is jointly administered by the Fund Manager and 162 Local Boards and was established by Title 38, Chapter 5, Article 4 of the Arizona Revised Statutes (A.R.S.). The PSPRS issues a publicly available financial report that includes financial statements and required supplementary information. This report may be obtained by writing to Arizona Public Safety Personnel Retirement System, PO Box 17670, Phoenix, Arizona, 85011-0670 or by calling 602-255-5575.

B. Funding Policy

The System is funded through a member contribution of 10.35 percent of gross payroll, an employer contribution set by an actuarial valuation expressed as a percent of gross payroll, and a distribution of the net earnings of the Fund. The City's current aggregate contribution rate for fire is 37.41 percent of annual covered payroll, of which 0.24 percent was the health insurance premium portion. The current aggregate contribution rate for police is 33.58 percent of annual covered payroll, of which 0.29 percent was the health insurance premium portion. Benefit and contribution provisions are established by law and may be amended only by the State of Arizona Legislature (A.R.S. Section 38-843).

Notes to the Financial Statements

For Fiscal Year Ended June 30, 2014

City of Tempe, Arizona

NOTE 14 - RETIREMENT AND PENSION PLANS (Continued)

C. Annual Pension Cost

Police personnel contributed \$2,953,545 and fire personnel \$1,309,957 during fiscal year 2013-14. For 2014, the City's annual pension cost was \$9,498,647 for police and \$4,734,705 for fire and was equal to the City's required contributions. The required contribution was determined as part of the June 30, 2012 actuarial valuation determining contribution requirements for fiscal year 2013-14, using the entry age normal method. The actuarial assumptions included (a) 8.00% investment rate of return (b) projected salary increases of 5.00% per year compounded annually, attributable to inflation and other across-the-board increases, (c) additional projected salary increases ranging from 5.00% to 9.00% per year, attributable to seniority/merit. The actuarial value of the PSPRS assets was determined using techniques that smooth the effects of short-term volatility in the market value of investments over a 7-year period. PSPRS's unfunded actuarial accrued liability is being amortized as a level percentage of projected payroll on a closed basis. The remaining amortization period at July 1, 2014 was 24 years.

D. Three Year Trend Information :

Police

Fiscal Year Ended June 30,	Annual Pension Cost (APC)	Percentage Contributed	Net Pension Obligation
2012 (Pension)	\$ 7,185,625	100%	-

Arizona State Retirement System (All Other Full-time Employees)

A. Plan Description

The City has elected to participate in the Arizona State Retirement System (ASRS or The System), a multiple-employer cost-sharing retirement plan, which provides retirement benefits for all full-time employees, except police and fire employees. The plan provides for retirement, disability, health insurance premium benefits, and death and survivor benefits. The System was established by the State of Arizona to provide pension benefits for employees of the state and employees of participating political subdivisions and school districts. The System is administered in accordance with Title 38, Chapter 5, of the Arizona Revised Statutes. The System issues a publicly available financial report that includes financial statements and required supplementary information. That report may be obtained by writing to the Arizona State Retirement System, 3300 North Central Avenue, Suite 1300, Phoenix, AZ, 85012 or by calling 602-240-2000.

B. Funding Policy

The Arizona Revised Statutes provide statutory authority for determining the employees' and employers' contribution amounts as a percentage of covered payroll. Employers are required to contribute at the same rate as employees. Although the statutes prescribe the basis of making the actuarial calculation, the Arizona legislature is able to change the contribution rate from that actuarially determined.

The actuarially determined contribution rates for the year ended June 30, 2014 were 11.54 percent (11.30 percent for retirement and 0.24 percent for long-term disability) for active members and the City was required to contribute 11.54 percent (10.70 percent for retirement, 0.60 percent for health insurance premium and 0.24 percent for long-term disability) of the members' annual covered payroll. The City's contributions to the ASRS for the years ended June 30, 2014, 2013, and 2012 were \$7,983,616, \$7,654,272, and \$7,104,490 respectively, equal to the annual required contributions for each year.

Notes to the Financial Statements

For Fiscal Year Ended June 30, 2014

City of Tempe, Arizona

NOTE 14 - RETIREMENT AND PENSION PLANS (Continued)

Elected Officials Retirement Plan (Mayor and City Council)

A. Plan Description

The City's Mayor and Councilmembers participate in the Elected Officials Retirement Plan ("EORP") a multiple employer, cost-sharing pension plan. The Fund Manager of the Arizona Public Safety Personnel Retirement System ("PSPRS") is the administrator for the EORP which was established by Title 38, Chapter 5, Article 3 of the Arizona Revised Statutes to provide pension benefits for state and county elected officials, judges and certain city elected officials. EORP provides retirement benefits as well as death and disability benefits. The authority to amend Title 38, Chapter 5, Article 3 is reserved for the State Legislature. EORP issues a publicly available financial report that includes financial statements and required supplementary information. This report may be obtained by writing to the Elected Officials Retirement Plan, 3010 East Camelback Road, Suite 200, Phoenix, Arizona, 85016 or by calling 602-255-5575.

B. Funding Policy

The retirement plan's funding policy (required by State Statutes) provides for periodic employer contributions at actuarially determined rates and employee contributions of 10.00 percent of their annual covered salary. The employer rate for 2013-14 was 39.62 percent of the members' annual covered payroll for the first two quarters and then decreased to 23.50 percent for the last two quarters. The health insurance premium portion of 0.58 percent was the same for the entire fiscal year. The City's contributions to EORP for the fiscal years ended June 30, 2014, 2013 and 2012 were \$70,776, \$84,054 and \$72,692, respectively, equal to the annual required contributions for each year. The City's employees contributed \$29,153, \$26,526 and \$22,035, respectively, for the same time period.

NOTE 15 - OTHER POST EMPLOYMENT BENEFITS

Other post employment healthcare benefits, like the cost of pension benefits, constitute an exchange of compensation for employee services rendered. Similar to pension benefits, the cost of other post employment benefits (OPEB) generally should be associated with the periods in which the exchange occurs rather than in future periods in which the benefits are provided. GASB Statement No. 45 requires the City to measure and recognize the OPEB cost while employee services are rendered, report the accumulated liability from prior years and provide information about the potential demands on the City's future cash flows. Recognition of the liability, from the plan described below, accumulated from prior years, is being amortized over 30 years with the first period beginning with the fiscal year ending June 30, 2008.

A. Plan Description

The City offers (single-employer plan) the continuation of group health insurance benefits, in accordance with Resolution 2009.86 of the City Council, to all retired, benefitted employees who meet the following eligibility requirements: (a) have at least 10 years of service, (b) be enrolled in one of the City's group health insurance plans, and (c) at the time of retirement, be or have been eligible to receive benefits from one of the City sponsored state retirement plans. Due to changes effective July 1, 2009, benefitted employees hired after June 30, 1999 are not eligible to participate in the post employment benefit plan subject to the requirements of GASB Statement No. 45.

As of June 30, 2014, 732 retirees met those eligibility requirements to receive post employment healthcare benefits. Total membership in the program is as follows:

Retirees receiving benefits	732
Active employees eligible	589
Total	<u>1,321</u>

Notes to the Financial Statements

For Fiscal Year Ended June 30, 2014

City of Tempe, Arizona

NOTE 15 - OTHER POST EMPLOYMENT BENEFITS (Continued)

A. Plan Description (Continued)

Effective with changes implemented on October 1, 2011, this OPEB plan provides medical coverage for qualified, pre-Medicare retired employees through a single-employer defined *contribution* plan; prior to this change, coverage was provided through a defined benefit plan. (With this change, active employees are the only group participating in a defined benefit plan for health benefits.) The plan provides benefits to eligible retirees (as outlined above), their spouses and dependents through monthly City contributions to a health reimbursement account established for each retiree. The plan benefits and contribution rates are determined by the City's Human Resources Department based on the costs of coverage that is available through the health plan offered by the ASRS. Coverage for Medicare-eligible retirees is provided through fully-insured, City-sponsored Medicare Supplemental plans.

B. Basis of accounting and valuation of investments

The Other Post Employment Benefit Trust financial statements are prepared on the accrual basis of accounting. The City's contributions are recognized when due and a formal commitment to provide the contribution has been made. Benefits are recognized when due and payable in accordance with the terms of the plan. All trust investments are reported at fair value. Fair value is determined based on quoted market prices.

C. Benefits Provided

For those retirees/dependents who have not reached Medicare eligibility, the City makes monthly contributions to the retiree/dependents' health reimbursement account. For coverage to be continued for retirees and dependents reaching Medicare eligibility, beneficiaries are required to enroll in a City-sponsored Medicare Supplemental Plan.

D. Funding Policy

The pre-Medicare plan contributions are determined annually by the City's Human Resources Department. Contributions for retirees/dependents are determined based on a review of the premiums (and changes thereto) for health care coverage that is available through the ASRS. For the City-sponsored Medicare Supplemental Plans, premiums are determined annually by the outside insurance company. Retirees/dependents are not required to enroll in the health plan offered through the ASRS. The current employer contribution rate is 23.0% of annual covered payroll. Because retired employees and their dependents are enrolled in a completely separate plan than active employees, there are no implicit rate subsidies. An irrevocable trust fund (Other Post Employment Benefit Trust) has been established for the purpose of advance funding the obligation; the trust has a \$9.9 million balance as of June 30, 2014.

Both the Arizona State Retirement and Arizona Public Safety Personnel Retirement systems subsidize the health insurance premium of eligible retirees depending on type of health plan chosen, coverage selected, and years of service.

For both the governmental and proprietary activities, the corresponding fund is used to liquidate the OPEB liability.

E. Annual OPEB Cost and Net OPEB Obligation

The City's annual OPEB cost is calculated based on the annual required contribution (ARC) which is an amount actuarially determined in accordance with the parameters of GASB Statement No. 45. The ARC represents a level of funding that, if paid on an ongoing basis, is projected to cover normal cost each year and amortize any unfunded actuarial liabilities over a period not to exceed 30 years.

Notes to the Financial Statements

For Fiscal Year Ended June 30, 2014

City of Tempe, Arizona

NOTE 15 - OTHER POST EMPLOYMENT BENEFITS (Continued)

E. Annual OPEB Cost and Net OPEB Obligation (Continued)

The following table shows the components of the City's annual OPEB cost for the year ended June 30, 2014, the amount actually contributed to the plan and changes in the City's net OPEB obligation

ARC	\$ 6,781,035
ARC adjustment	(4,884,038)
Interest on the net OPEB obligation	4,389,395
Annual OPEB cost	6,286,392
Contributions made	(10,136,943)
Decrease in net OPEB obligation	(3,850,551)
Net OPEB obligation – beginning of year	58,525,271
Net OPEB obligation – end of year	<u>\$ 54,674,720</u>

The City's annual OPEB cost, the percentage of annual OPEB cost contributed to the plan and the new OPEB obligation for the fiscal years ended June 30, 2014, 2013, and 2012 are as follows:

Fiscal Year Ended June 30,	Annual OPEB Cost	Employer Contributions	Percentage of Annual OPEB Cost Contributed	Net OPEB Obligation
2012	\$ 11,280,697	\$ 4,614,656	41.0%	\$ 56,636,594
2013	11,436,001	9,547,324	83.5	58,525,271
2014	6,286,392	10,136,943	161.3	54,674,720

F. Health Care Cost Trend Rate

The following minimum and maximum annual trend rates are applied for this projection:

Benefit	Minimum	Maximum
ASRS/PSPRS Pre-medicare	5.0%	7.0%
Medicare supplement	2.0	5.0

G. Funded Status and Funding Progress (most recent information available)

Actuarial Valuation Date	Actuarial Value of Assets	Actuarial Accrued Liability Entry Age	Unfunded AAL (UAAL)	Funded Ratio	Annual Covered Payroll	Unfunded AAL as a % of Covered Payroll
7/1/2009	-	154,671,513	154,671,513	0.0	51,923,274	297.9
7/1/2011	-	166,968,101	166,968,101	0.0	47,378,802	352.4
7/1/2013	4,530,000	77,305,345	72,775,345	5.9	44,539,774	163.4

Notes to the Financial Statements

For Fiscal Year Ended June 30, 2014

City of Tempe, Arizona

NOTE 15 - OTHER POST EMPLOYMENT BENEFITS (Continued)

G. Funded Status and Funding Progress (Continued)

Actuarial valuations of an ongoing plan involve estimates of the value of reported amounts and assumptions about the probability of occurrence of events far into the future. Examples include assumptions about future employment, mortality and healthcare cost trends. Amounts determined regarding the funded status of the plan and the annual required contributions of the employer are subject to continual revisions and actual results are compared with past expectations and new estimates are made about the future. The schedule of funding progress presents multi-year trend information that shows whether the actuarial value of plan assets is increasing or decreasing over time relative to the actuarial accrued liabilities for benefits. The City will obtain an actuarial valuation on a bi-annual basis.

H. Actuarial Methods and Assumptions

Projections of benefits for financial reporting purposes are based on the substantive plan (the plan as understood by the employer and plan members) and include the types of benefits provided at the time of each valuation and the historical pattern of sharing of benefit costs between the employer and plan members to that point. The actuarial methods and assumptions used include techniques that are designed to reduce short-term volatility in actuarial accrued liabilities and the actuarial value of assets, consistent with the long-term perspective of the calculations. The investment rate reflects the expected long term rate of return for the assets expected to pay the post employment benefits. Significant methods and assumptions used for this fiscal year valuation were as follows:

Actuarial valuation date	July 1, 2013
Actuarial cost method	Entry age normal
Remaining amortization period	25 years, closed
Asset valuation method	Market value
Actuarial assumptions:	
Inflation rate	See F. Health Care Cost Trend Rate
Investment rate of return	7.5%
Projected payroll increases	3% per annum
Amortization method	Level dollar

NOTE 16 - DEFERRED COMPENSATION PLANS

The City offers its employees two compensation plans created in accordance with Internal Revenue Code, Section 457 and 401(K). The plans, available to all City employees, permit them to defer a portion of their salary until future years. The deferred compensation is not available to employees until termination, retirement, death or unforeseeable emergency. The City's fiduciary responsibility is that of exercising "due care" in selecting a third-party administrator.

Federal legislation requires that Section 457 plan assets be held in trust for employees. As a result, the employee assets held in Section 457 plans are neither the property of the City nor subject to claims of the City's general creditors. Therefore, the plan assets are not included in the City's basic financial statements.

Notes to the Financial Statements

For Fiscal Year Ended June 30, 2014

City of Tempe, Arizona

NOTE 17 - RISK FINANCING ACTIVITIES

The City is exposed to risks arising from general liability, automobile liability (physical damage and bodily injury), property liability, workers compensation, and employee health claims.

The City has established a Risk Management Fund and Health Fund (both internal service funds) to account for and finance its uninsured risks of loss. Amounts are paid into the internal service funds by all other funds and are available to pay claims and to fund claim reserves. As with any risk retention program, the City is contingently liable in respect to claims beyond those actuarially projected. These interfund premiums are used to reduce the amount of claim expenditures reported in the internal service funds.

The City is a self-insured entity with excess commercial insurance coverage purchased for general and automobile liability, property, workers' compensation/employers' liability, crime and group health coverage. The coverage is as follows: for general and automobile liability the first \$2.25 million per occurrence is self-insured and excess coverage of \$40.0 million is provided; for property the self-insurance retention is the first \$100,000 per occurrence of all perils with a policy limit of \$844 million; for workers' compensation the first \$750,000 for police, firefighters, and EMT and \$500,000 for all others of each claim is self-insured, with excess coverage per the Arizona statutory workers' compensation requirements and \$2.0 million per occurrence in employer's liability; and for group health the self-insurance retention is \$250,000 per occurrence, with an aggregate stop loss deductible of \$18.5 million. During the year there were no significant reductions in the amounts of excess coverage purchased.

At fiscal year end, the estimated, unpaid insurance claims liability was based on a case-by-case review of actual pending claims and an estimated amount for incurred but not reported claims. A liability for a known claim was established if information indicated that it was probable that a loss had been incurred as of June 30, 2014, and that the amount was reasonably estimable. A liability for incurred but not reported claims was based on historical experience.

The following is a summary of changes in insurance claims liabilities, accounted for in the governmental and proprietary funds, for the last two fiscal years:

	June 30, 2013	Claims Incurred Net of Change in Estimates	Payments	June 30, 2014
General liability	\$ 3,945,792	\$ 962,298	\$ (200,332)	\$ 4,707,758
Automobile liability	746,100	(43,401)	(401,249)	301,450
Property liability	124,901	173,027	(249,778)	48,150
Workers' compensation	1,475,439	1,470,183	(1,416,375)	1,529,247
Health insurance	1,111,473	13,197,283	(13,003,157)	1,305,599
	<u>\$ 7,403,705</u>	<u>\$ 15,759,390</u>	<u>\$(15,270,891)</u>	<u>\$ 7,892,204</u>
	June 30, 2012	Claims Incurred Net of Change in Estimates	Payments	June 30, 2013
General liability	\$ 3,707,500	\$ 577,781	\$ (339,489)	\$ 3,945,792
Automobile liability	102,977	773,343	(130,220)	746,100
Property liability	75,840	141,220	(92,159)	124,901
Workers' compensation	1,992,511	835,523	(1,352,595)	1,475,439
Health insurance	1,431,940	13,737,052	(14,057,519)	1,111,473
	<u>\$ 7,310,768</u>	<u>\$ 16,064,919</u>	<u>\$(15,971,982)</u>	<u>\$ 7,403,705</u>

Notes to the Financial Statements

For Fiscal Year Ended June 30, 2014

City of Tempe, Arizona

NOTE 17 - RISK FINANCING ACTIVITIES (Continued)

At June 30, 2014, the Risk Management Internal Service Fund accrued expenses totaled \$6,614,293. This balance includes the general liability, automobile liability, property liability and worker's compensation liability of \$6,586,605 and other accrued expenses of \$27,688. The health claims liability at June 30, 2014 of \$1,305,599 is deemed due and payable at June 30, 2014 and recorded as accrued expenditures/expense in the Health Internal Service Fund. Additionally, at June 30, 2014, the City had \$6,841,391 of General Fund fund balance assigned for self-insurance purposes.

NOTE 18 - CONTINGENT LIABILITIES

The City is subject to a number of lawsuits, investigations, and other claims that are incidental to the ordinary course of its operations. Although the City Attorney does not currently possess sufficient information to reasonably estimate the amounts of the liabilities to be recorded upon the settlement of such claims and lawsuits, some claims could be significant to the City's operations. While the ultimate resolution of such lawsuits, investigations, and claims cannot be determined at this time, in the opinion of City management, based on the advice of the City Attorney, the resolution of these matters will not have a materially adverse effect on the City's financial position.

The City participates in federally-funded and state-funded programs administered by various government agencies. The programs included in these financial statements may be subject to program compliance and/or financial monitoring by the granting agency or its representatives. The amount, if any, of expenditures which may be disallowed by the granting agencies cannot be determined at this time.

NOTE 19 - RELATED ORGANIZATION

The Industrial Development Authority (IDA) is a non-profit corporation established by the City in 1981 to promote industry and develop trade by inducing manufacturing, industrial and commercial enterprises to locate and remain in Tempe. The Board of Directors of the IDA is appointed by the City Council; however, the City does not have a financial benefit/burden relationship nor is the City able to impose its will on the IDA as defined in GASB Statement No. 14; therefore, data for the IDA is not included in the City's basic financial statements. Separately issued financial statements are not available for the IDA.

NOTE 20 - DEFICIT IN FUND BALANCE/NET ASSETS

The Community Development Special Revenue Fund had a deficit fund balance of \$220,191 at June 30, 2014. The deficit will be covered by future grant revenue. The Grants and Court Awards Special Revenue Fund had a deficit fund balance of \$379,306 at June 30, 2014. The deficit will be covered by future grant revenue to be received.

NOTE 21 - PRIOR PERIOD ADJUSTMENTS

The July 1, 2013, net position of the Business-type Activities of the Water and Wastewater Fund does not agree to the prior year financial statements. For the business-type activities, bond premiums and deferred charges had been expensed in prior years; however, with the implementation of GASB Statement No. 65, *Items Previously Reported as Assets and Liabilities*, the beginning balance was restated to include these bond related items.

	Business-type activities	Water and Wastewater Fund
Net position, June 30, 2013, as previously reported	\$ 254,989,647	\$ 242,600,089
Premiums related to long-term debt	(10,963,121)	(10,963,121)
Deferred charges on refundings	4,620,610	4,620,610
Net position, July 1, 2013, as restated	<u>\$ 248,647,136</u>	<u>\$ 236,257,578</u>

NON-MAJOR GOVERNMENTAL FUNDS

SPECIAL REVENUE FUNDS

Special Revenue Funds are used to account for specific revenues used to finance certain projects or activities as required by law or contractual agreement.

- **Performing Arts Fund.** To account for the receipt and expenditure of the Performing Arts Tax monies. These monies are restricted to financing the performing and visual arts center.
- **Highway User Revenue Fund.** To account for the receipt and expenditure of the City's share of the highway user taxes. State law restricts the use of these monies to maintenance, construction and reconstruction of streets, and repayment of transportation-related general obligation debt.
- **Local Transportation Assistance Fund.** To account for the receipt and expenditure of the City's share of state lottery allocations. These monies are restricted to transportation programs only.
- **Community Development Fund.** To account for the receipt and expenditure of U.S. Department of Housing and Urban Development Community Development Block Grant and Home Program monies.
- **Housing Assistance Fund.** To account for the receipt and expenditure of U.S. Department of Housing and Urban Development Lower Income Housing Assistance Program grant monies.
- **Grants and Court Awards.** To account for the receipt and expenditure of miscellaneous grant monies and revenue received from court awarded confiscated property under both the Federal and State Organized Crime Acts.
- **Community Facilities District.** To account for the receipt and expenditure of monies for the Rio Salado Community Facilities District.

NON-MAJOR GOVERNMENTAL FUNDS (continued)

CAPITAL PROJECTS FUNDS

Capital Projects Funds account for all current financial resources used for the acquisition of capital facilities except those financed by Enterprise Funds. Disbursements from these funds are primarily for property acquisition and the construction of permanent public improvements. The major sources of financing are derived from bond proceeds and special revenues.

- **Streets Fund.** Used for improving, constructing and reconstructing major streets, highways, collector and local streets within the City, and to acquire rights-of-way.
- **Police Fund.** Used for purchasing, constructing and equipping public safety buildings.
- **Fire Fund.** Used for purchasing, constructing and equipping fire stations.
- **Storm Sewers Fund.** Used for planning, constructing, extending and improving storm drain trunk lines and detention basins.
- **Parks Fund.** Used for acquiring, developing and equipping parks, playgrounds and recreation facilities.
- **Rio Salado Fund.** Used for consulting and engineering studies necessary for the design of the Rio Salado projects and for constructing a wildlife habitat.
- **Community Development Fund.** Used for acquiring, reconstructing, remodeling, renovating and equipping existing buildings that house municipal departments, and for acquiring and constructing housing for the elderly and the redevelopment of the downtown area.
- **Signals Fund.** Used for purchasing, constructing and equipping street light and traffic signal upgrades and for the planning of an overall transportation plan.
- **Community Facilities District.** Used for the improving and constructing in the Rio Salado Community Facilities District.

INTERNAL SERVICE FUNDS

Internal Service Funds are used to account for the financing of goods or services provided by one department to other departments of the government and to other government units, on a cost reimbursement basis.

- **Risk Management Fund.** Used to account for the costs of general liability, automobile liability, property liability and workers compensation claims by the City under a self-insurance program.
- **Health Fund.** Accounts for the expenses incurred for employee health related costs under the City's self-insurance program.

Statistical Section

This section provides a broad range of trend data covering key financial indicators including general governmental revenues and expenditures, property taxes, debt burden, demographics and miscellaneous data useful in assessing the City's financial condition.

STATISTICAL SECTION

The Statistical Section presents detailed information as a context for understanding the information in the financial statements, note disclosures and required supplementary information in regards to the City's overall financial health.

- **Financial Trends.** These schedules contain trend information to help the reader understand how the City's financial performance and well-being have changed over time.
- **Revenue Capacity.** These schedules contain information to help the reader assess the City's most significant local revenue sources, property tax and sale and use taxes.
- **Debt Capacity.** These schedules present information to help the reader assess the affordability of the City's current levels of outstanding debt and the City's ability to issue additional debt in the future.
- **Economic and Demographic Information.** These schedules offer economic and demographic indicators to help the reader understand the environment within which the City's financial activities take place.
- **Operating Information.** These schedules contain service and infrastructure data to help the reader understand how the information in the City's financial report relates to the services the City provides and the activities it performs.

Sources: Unless otherwise noted, the information in these schedules is derived from the comprehensive annual financial reports for the relevant year.

Note: In fiscal year 2009-10, State of Arizona voters approved a 1.0% increase in the State sales tax.
 In fiscal year 2010-11, City of Tempe, Arizona voters approved a 0.2% temporary (4 years) increase in the City sales tax.
 In fiscal year 2012-13, State of Arizona decreased the State sales tax rate by 1.0%, effective June 1, 2013.

General Property Tax Information (Exhibit S-7)

City of Tempe, Arizona

Tax Levy Limitations

Beginning in 1980-81, the total tax levy is comprised of two elements: a primary levy for operating costs and a secondary levy for general obligation bond debt service requirements. The primary levy was limited to a 7% increase for 1980-81 and a 2% annual increase thereafter. In addition, the primary levy on residential property only is limited to an amount not more than 1% of market value. The secondary levy is unlimited.

Assessments and Collections

Since 1950-51, Maricopa County, at no charge to the cities, has assessed and collected all municipal property taxes. Remittances are made to the respective cities periodically as collections accrue.

Taxes Due

First installment is due October 1st; second installment is due March 1st.

Taxes Payable

City property taxes are payable at the office of the County Treasurer. Taxes for the first half of the year can be paid on the first of September through the first of November. Second half taxes can be paid on the first of March through the first of May.

Taxes Delinquent

The first half becomes delinquent on the first day of November at 5 p.m. The second half becomes delinquent on the first day of May at 5 p.m. Interest at the rate of 16% per annum attaches on the first and second installments following the delinquent dates.

Tax Sale

The sale of delinquent tax bills is begun on a date not earlier than February 1 nor later than March 1 following the May 1 date upon which the second half taxes become delinquent. The sale is made at public auction in the office of the County Treasurer. Tax bills are sold to the highest bidder who offers to pay the accumulated amount of tax and to charge thereon the lowest rate of interest. The maximum amount of interest allowed by law is 12% per annum. The purchaser is given a Certificate of Purchase for each parcel.

Tax Deed

Five years subsequent to the tax sale, the holder of a Certificate of Purchase which has not been redeemed by the delinquent property owner may demand a County Treasurer's Deed. However, at the end of three full years, a holder of a Certificate of Purchase may institute quiet title action and the court will instruct the County Treasurer to issue a County Treasurer's Deed if the suit is successful.

Redemption

Redemption may be made by the delinquent property owner or any interested party by payment in full of all accumulated charges at any time before issuance of the tax deed. Payment may be made to the County Treasurer.

Maricopa County Tax Levy Publication

- (A) Primary levies are limited to a 2% increase annually plus levies attributable to assessed valuation added as a result of growth and annexation. Secondary tax levies do not have a limitation.
- (B) Tempe property owners residing within the Kyrene Elementary School District No. 28, Scottsdale Unified School District No. 48 or Mesa Unified School District No. 4 have combined rates of \$10.44, \$10.73 or \$13.61, respectively. Also, see the *Total Direct and Overlapping Governmental Activities Debt* Schedule (Exhibit S-16b).

(A) The amounts listed in this column do not tie directly to the amount listed for City of Tempe in Exhibit S-10 for total of Primary and Secondary Property Tax Levy. Due to a timing difference, the amount listed on the *Maricopa County Secured Tax Levy Report*, from the Maricopa County Treasurer's office, is at the time the levy is placed on the Tax Levy report (in May/June when the property tax rate is set). The amount listed on the *Secured Tax Levy Report*, from the Maricopa County Treasurer's office, is at the time the levy is placed on the actual tax rolls in August.

(B) Negative collections are due to successful tax protests being higher than actual tax payments being made.

Total direct and overlapping debt				\$ 367,771,561	

Source: RBC Capital Markets and Maricopa County Assessor

Note: Overlapping governments are those that coincide, at least in part, with the geographic boundaries of the City. This schedule estimates the portion of the outstanding debt of those overlapping governments that is borne by the residents and businesses of the City of Tempe. This process recognizes that, when considering the City's ability to issue and repay long-term debt, the entire debt burden borne by the residents and businesses should be taken into account. However, this does not imply that every taxpayer is a resident, and therefore responsible for repaying the debt of each overlapping government.

The applicable percentage of each jurisdiction's assessed valuation which lies within the City's boundaries (see "Percent" column above) was derived from information obtained from the County Assessor's Office.

(A) Excludes the outstanding principal amount of Maricopa County Hospital District No.1 general obligation bonds, as this obligation has historically and is presently being paid from revenues generated from the operations of the District.

(A) The WIFA funding includes a "forgivable" principal portion of \$2.2 million. Per the loan agreement, the forgivable portion could be added back should the City not comply with the terms of the agreement. As some of the terms are not fulfilled until the end of the loan period, the forgivable portion will continue to utilize authorization until the loan is paid off (FY 2028-29). At that time, the authorization will be restored.

- (A) Excise tax revenue collections include privilege and use tax, state shared privilege and use tax, state shared income tax, franchise tax, permits and fees, and fines and forfeitures. Note that the privilege and use tax exclude the 0.5% excise tax approved by voters on September 10, 1996 as a dedicated "transit tax", the 0.1% Performing Arts Center Tax approved by voters in September 2000, and the 1.0% increase in the transient lodging tax on hotels approved by the voters in September 2002, which is restricted to fund programs of the Tempe Convention and Visitor's Bureau.
- (B) The 0.1% privilege and use tax is a Performing Arts Center Tax approved by voters in September 2000.
- (C) The 0.5% privilege and use tax is a Transit Tax approved by voters in September 1996.
- (D) The debt service amount does not include fiscal agent fees.
