

EXAM EVADERS SENTENCE TO THREE YEARS

All of the nine young men who were taken to Phoenix recently by FBI officials pleaded guilty March 27 to charges of refusing to appear for their pre-induction physical examination. Thomas Masuda of the legal division has learned.

Upon their plea they were sentenced to three years in the federal penitentiary.

LEAVE GRANT PROCEDURES REVISED

H. Rex Lee, field supervision section chief in Washington, explained recent revisions of leave grant procedures at the Project Directors' conference in Washington earlier last month.

The basic grant of MASUDA TO LEAVE CENTER ON TOUR

Thomas Masuda, assistant project attorney and vice chairman of the community council, will leave about April 10 on a month's relocation tour through Salt Lake City, Twin Falls, Havre, Minneapolis, Chicago, Grand Rapids, Detroit, Toledo, Cleveland, Buffalo, Boston, New York City, returning via Philadelphia, Washington, D.C., Cincinnati, St. Louis, Kansas and Denver.

He has been stationed at the unit relocation offices for the convenience of residents who are interested in the areas he is to visit. He will be at the Unit 5 office on Thursday, April 6.

On his return, he will be in a position to counsel residents who wish to relocate.

MILLS APPOINTED PROJECT DIRECTOR AT WASHINGTON CONFAB

Duncan Mills, who has been acting project director since late January, announced on his return recently from Washington, D.C. that he has accepted the appointment as director of the Colorado River War Relocation Project.

Project Director Mills was in Washington with Morris Burge, deputy project director, to attend the directors' meeting.

There after presenting the needs of the project, the two were successful in getting the employment quota for the fourth quarter of the fiscal year revised from 5,128 to 5,500. This quota was allocated by divisions with specific limitations in certain jobs to conform to standards set by Washington. It is believed that the small adjustments necessary in the present payroll can be accomplished without detriment to any essential service and without serious hardship or inconvenience.

It is pointed out that Poston, as compared with other centers, is well staffed with doctors, dentists, and other medical personnel. By present-day wartime standards, the Poston Medical staff also compares favorably with those of most American communities.

A new provision allows free transportation of 5000 pounds of fixture, equipment and tools to a family if these things are not procurable in the area of relocation.

Provision has also been made for the WRA to pay coach fare for an evacuee to go out and investigate a location, subject to four conditions: (1) if the proposal is approved by the Relocation Division; (2) if the Project Director and the Relocation Officer of the district he proposes to investigate approve; (3) if he agrees to stay within the bounds of his itinerary; (4) if he can show reasonable proof that he is going out to deal with a definite proposition and not a hazy prospect.

FOUR BOYS DISTURB PEACE

Arraigned before the Unit 1 Judicial Commission last Thursday morning on charges of disturbing the peace, four boys were granted until Friday, April 14, to consider the charges before entering their pleas.

NEXT PHYSICAL APRIL 16TH

April 16 is the date set for the second pre-induction physical examinations. James D. Crawford, selective service representative, announces.

Preliminary examinations were begun this week.

AN EASTER MESSAGE

All over the war-torn world, and wherever there may be Easter Services, the glad message of our Risen Lord is spoken. In the great cathedral and bombed basilica, in the country parish and the city church, in the quiet chapel and in the tumble-down mission hut, there come the words bringing hope and joy to war-weary hearts bowed down in sorrow and grief: "I have arisen and I am still with you", our Risen Saviour says in His Greeting to us.

The meaning of Easter is the same for us as it was for Peter, and for Thomas, and for the Disciples at Emmaus. "I have arisen," Jesus says, to each of us, "for the comfort and joy of My friends and loved ones, for the confusion of My enemies; to bring gladness to them that weep, strength to hearts that falter. "I am still with you" in time of trouble. I am with you, to comfort and to heal.

On this third Easter in Poston, the joyous message of the Risen Saviour is brought to other Magdalens, other repentant Peters, other doubting Thomases, other discouraged pilgrims on the Roadside of a war-embattled world. This divine message of the Resurrection is brought to us not only by priests and clergymen in the sanctuary and pulpit but also by the edifying lives of Christian men and women in our own temporary exile here in Poston. May the joys of this Eastertide strengthen in our hearts our hopes and prayers, for the sorrows of today are not worthy to be accounted with the Gladness of the Peace which is to come.

INDIA MISSIVE

... "Somewhere in the midst of a wilderness known as the Indian jungles surrounded by jungle vegetation, bamboo groves, and banana trees, two U.S. army sgts. from day to day spend the wintry days of March. One is called Lloyd, and the other known as Roy. I have long since forgotten their last names."

So writes our good fighting friend from the Far Eastern battle front. Sgt. Roy Takai who formerly graced our ranks of fourth estate, V-mails us with his overflowing brim of wit and humor and is as sharp as a new spring hatpin. To continue, he says of Lloyd and Roy:

"They no longer live in those luxurious, new and modern barracks which had been their homes in India for the past three or four months. Their present abode is a bamboo hut known to all jungle-dwellers as a "Basha." All the furniture even to the bed is made from bamboo. It can truthfully be said those straw-filled mattresses which were so scorned in Poston would be and are heaven compared to these bamboo beds known as "chapois."

"From time to time a family of monkeys is seen scampering among the trees--vultures, crows, and in a great while an elephant or two tramps by. This atmosphere is certainly similar to that which is so picturesquely painted by Burroughs in his Tarzan series.

"It seems each army has its pet food. Beans, beans, beans and more beans is what we used to eat. Now

**PANTHER BEES, NATIONAL LEAGUE CHAMPS, CROWNED
POSTON II TITLISTS: UPSET AMERICAN LEAGUERS**

The Sacramento Panthers, holder of the National "B" League crown, became the undisputed Poston II "B" champions last Wednesday as they virtually upset the favored American League titlist, the block 213 Terrors, 19-82 in the final contest of the 2-out-of-3 game playoff series.

We wish to take this means of expressing our sincerest thanks to all our friends for their kindness during our recent bereavement.

the picture has changed to bully, bully, bully, and more bully. (Bully is canned corned beef) Our ingenious cook's menu reads something to this effect: bully a la hot, bully a la cold, bully a la mode, and bully a la rissole. Rissole is bully all mashed up, trodden flat by feet of Indian soldiers, and then superbly rolled into balls and deliciously boiled in oil. There is no need of adding flavoring or spicing, being that the sweat off the Indians feet already has added that unique flavor. (Please disregard the unusual description in the making of rissole. 'tis only the workings of a jungle-crazed mind.)

Excerpts from Sgt. Roy will appear from time to time. We regard him as a nisei Pvt. Hargrove, only more so.

The triumphant Panthers' unsurpassed offensive power was sparked few minutes after the tip-off as forward Toots Hironaka scored the initial 5 points by calmly swishing two perfect hookshots and a gratis throw for the Panthers 5-0 lead. The winners never relinquished this marginal lead as center Jim Matsui and forward Tom Matsumoto continued the attack to gain an 19-8 lead at half-time.

The Terrors' defeat was marked by the tight defensive maneuvering of guards Pete Hironaka and Dave Osumi. The two stellar guards held in check the "long shot combo" of Pev Irino and Tosh Toyota to a mere bucket each.

Star-studded performance of T. Hironaka and J. Matsui who took scoring honors with 10 points apiece was matched by Norio Kokka and Harry Morimune of the loser, each garnering 8 markers.

Panthers: P. Hironaka 2, T. Hironaka 10, Matsui 10, Matsumoto 4, G. Kawakami 2, Osumi 2, Sunahara 2, H. Kawakami
Terrors: Morimune 8, Kokka 8, Toyota 2, Irino 1, Abe, Iyemura, Mihayaki.

192 INDEFINITE LEAVES IN THREE MONTHS

Within the past three months, 192 people have relocated into the Midwest and East from Unit III, surpassing all records in the past year.

Month of February and March had the equal number of 74 people leaving camp. In January, 44 people left. The destination receiving the largest amount of evacuees still remains Chicago.

One hundred and third teen people went on short term leaves while 53 people were transferred to other centers in these three months.

IN APPRECIATION

I wish to take this means to express my sincere gratitude and appreciation to the doctors, hospital-staff and friends for the kindness and care extended me during my stay in the hospital.

NEW BOOKS ARRIVED IN UNIT III LIBRARY

Now is an ideal time to spend in a library and check out the books to nourish your minds.

Besides the many best sellers on the shelf, the following new books are now available:

Beckoning Star--by Lockwood, Dollar a Share--by Allen, Louisa Alcott--by Wagner; Keystone Kids--by This East Flight by Earhart.

Many new stories for the Juniors which consist of biographies, Sport, primary books, etc. are also on the shelves.

The casaba league in Unit III has come to an end. Unlike last year, it did not hold the enthusiasm and crowded spectators. However, those who played had lots of fun in sportsmanlike ways.

In the feminine basketball circle, the mighty Phylesiuns became the Queen of Courts in Poston as expected.

Here is the Chronicle's choice of all-stars for this season: (The Girls Athletic Department All-Opponent all-stars will be announced later)

First on the forward position, we choose Akiko Kodama, the most steadiest and accurate Nisei girl forward that ever paced the courts--who for decade of playing have not yet lost the shooting eye and speed.

Second we select Teruko Shimizu of 318, an all-star Guard playing forward for the first time this season who scored 20 points in most of the game.

For the third forward, Meggie Hatada of Phylesiuns, also a guard playing forward for the first time, however making good, her one hand and long range shots in dead-eye accuracy. Above mentioned forwards each measures around 5 feet 4 inches.

In the defense position, it is unanimous that Midori Koba outshines others with her fast and springy guarding. Shizu Matsuoka of 306, a forward last season, stood out for good defense to bring her team in second place and Haruye Koga, small but clever player of 318 for the third guard.

LEAVES FOR BONDED ALIEN RESTRICTED

Instructions affecting the relocation procedure for aliens released from internment have been received here from Philip Glick, WRA Solicitor, according to Scott Rowley, project attorney.

"Aliens who have been released by the Immigration and Naturalization Service under bond or on their own recognizance pending deportation may not be granted leave from a relocation center until the Immigration and Naturalization Service has had the opportunity to complete any arrangements for supervision it may wish to make. This restriction upon departure should also be brought to attention by the Immigration and Naturalization Service at the time the application is filed."

FUJII TRIAL SET FOR JUNE

George Fujii returned to the project Wednesday, March 29, the Legal Division reported after his family and friends arranged for his release after his bond was lowered from \$10,000 to \$5,000.

Appearing for arraignment on April 3, in Phoenix Federal Court, he entered a plea of not guilty and was ordered to report for trial on June 6.

TELEGRAM TAX INCREASED

Tax rates on all telegrams have been increased 25% on Apr. 1, according to H. Kuwahara Office Service.

TRIAL RELOCATION:

SIX MONTHS TRIAL POSSIBLE

Residents of relocation centers will be eligible to go out on indefinite leave for a trial period of from four to six months and may secure permission to return to the center at the end of that period if they find it necessary, according to new regulations of the War Relocation Authority received today by Project Director Duncan Mills.

Explaining the new regulations, Leland Barrows, Acting Director of WRA in Washington, said:

"The adoption of this program permitting indefinite leave on a trial basis is an effort on the part of WRA to meet the needs of those evacuees who have been uncertain of their ability to make a success of relocation, and those who have hesitated to leave the centers without assurance that they could come back in the event they were unable to make a satisfactory adjustment on the outside.

"They will now be able to take employment on a trial basis and to find out for themselves what conditions are like on the outside, with the provision that they may secure permission to return to the center at the end of four months if they find it necessary. Applicants must show that indefinite leave for the trial period is a definite step toward permanent relocation."

Individuals and families to whom this new type leave is granted must accept certain responsibilities and meet certain conditions.

They must have a specific offer of employment or a community invitation.

The new type leave will be issued only to applicants whose destination is a state east of the Mississippi River or in the states of Minnesota, Iowa or Missouri.

Applicants must agree not to change employment nor to travel outside a prescribed travel district without approval of the Relocation Officer in that district. Applicants must be at least 21 years of age or accompanied by an immediate member of his family.

Ordinarily, an evacuee getting trial period leave must finance his own transportation. He may, however, apply for an assistance grant and receive such a grant on the same basis as persons going out on regular indefinite leave.

Persons going out on trial period indefinite leave will not be permitted to visit the center during the period except in the case of emergencies such as, death or serious illness in the family.

Holders of this type leave may secure permission to return to the center at the end of the four-month trial period but not more than six months after the issuance date of the leave. After six months the trial period leave will convert to regular indefinite.

Residents of the Poston may obtain further information on this new type leave from the Unit Relocation Offices at Blk. 27, in Unit II Administrative area and in Blk. 310.

PURPLE HEART RECEIVED BY MRS. RUTH SHIRAMIZU

For military merit, wounds received in action resulting in his death, January 14, 1944, on an Italian battlefield, Technician Third Grade Kiyoshi J. Shiramizu, A.S.N. No. 39181870, was awarded the honor of the Purple Heart, which was received by his widow Ruth of block 214, from Washington D.C. recently.

The certificate, which read in part, "...the President of the United States of America...has awarded the Purple Heart established by General George Washington at Newburgh, New York, August 7, 1782..." was signed by J.A. Ulio, Major General, The Adjutant General, and Henry Stimson, Secretary of War.

On being asked how it felt to be owner of a Purple Heart, comely Mrs. Shiramizu said she could never express in words the feeling which mounts within.

act comedy, "Ever Since Eve," superb was the word which could justly describe their acting.

For in each of their character roles, performers showed acting ability worthy of special recognition.

The feminine lead of Susan Blake, a typical, all-around high-school co-ed in various moods was expertly enacted by Dorothy Sakasegawa; while the heartbreaker male lead of Johnny Clover was skillfully handled by Mitsuo Ikeda.

The members of the supporting cast, all of whom gave splendid performances were Virginia Yanagisako, Mrs. Clover; Yoshimi Kobara, Mr. Clover; Goro Kudo; Spud Erwin; Sally Kayashima, Betsy Erwin; Theodora Obana, Martha Willard; Haruo Yuki, Officer Cappy Ammons; Frances Yoshida, Lucybelle Lee; Joe Tsuboi, Preston Hughes; Football players; and last but by no means least Principal Henry Quinn, portrayed by Mike Shiratsuki whose name was erroneously omitted from program cast.

Due credit goes to Miss Joan Smith, faculty cast director who for the past few weeks had been directing the production.

The success of the play was attributed to the efforts of the following:

Mr. Robert C. Wells, Crew Director; Norio Kokka, Student Director; Aileen Oita, Prompter; Sachi Mizuki Stage Manager, Henry Inagi, Construction Manager, Mary Kanagawa Business Manager; Lefty Riyohara, Publicity Manager; Marie Sunada, Tickets; Janet Yamamoto, Props; Dorothy Matsumoto, Usherette

GIGANTIC HANA MATSURI PROGRAM BEING HELD

Last night's Young Peoples Hana Matsuri Social at 310 opened the three day Hana Matsuri program commemorating the birth of Shakamuni founder of Buddhist religion some 3000 years ago in India. Large crowd jammed the place to enjoy an evening of dancing with Tom Doi as emcee.

Tonight, the Buddhist Church will sponsor an out-of-door service and program at the Poston Square Garden Amphitheatre from 7 p.m. with U. Murakami as chairman.

Second portion of the program will see the songs and dances by Sunday School students, Bussei talent show, and performance of classical Japanese odori by Anna Iac Fujino's students.

On Sunday, April 9 Young People are cordially invited to attend the special Hana Matsuri Service to be held at Rec. 322 from 10 a.m.

Rev. Z. Kawasaki will be the speaker with Masami Honda, YBA president as chairman.

Misao Nakamura will be the pianist for the service.

BETROTHALS ANNOUNCED

Mr. and Mrs. N. Kita of Blk. 326 announced the engagement of their eldest daughter, Lillie to Bill Doi which took place in Chicago where both have relocated.

The bride-elect, prior to relocation was a pre-school instructor while the groom-to-be was connected with the Unit II Chronicle.

Coming as a complete surprise to many of her friends, Clara Tsuchiyama of 308 became betrothed to Joe Obayashi of Salt Lake City at her home March 29.

Engagement of Miharu Akiba of 325 to Cpl. Kyoto Sakai, Camp Crowder, Missouri was also announced recently.

\$75 ALLOCATED FOR SCHOLARSHIP

The Community Council, at a meeting held last Wednesday, approved the allocation of \$75 to help cover the necessary expense of scholarship awards as requested by the PTA and Miss Cushman, principal.

This amount will pay for the scholarship pin of the National Honor Society to 25 students of the graduating class.

SPECIAL SCHOOL MOVIES BEING HELD

Sunday will be the final showing of the school benefit movie, "The Ox Bow Incident" starring Mary Beth Hughes and Henry Fonda at the adobe building. It is sponsored by senior students.

The three day showing of this movie was held to raise funds for cap and gown rent.

The deceased is survived by his wife, five children and a brother, Mitsumasa all of 328. Formerly of El Monte, he passed away after a brief illness.

**SUMI COPS BOUT
DESPITE INJURY**

With his right arm pushed from its shoulder socket, Henry Sumi, of the Chicago CYO, fought on for one and a half rounds to defeat Sam Chernoff, New York 118-pounder, this week in the 1944 Inter-city Golden Glove bouts between Chicago and New York.

Arch Ward, sporting editor of the Chicago Daily Tribune and originator of the Golden Gloves Tournament, in his famous "In the Wake of the News" column this week eulogized Henry Sumi's victory over New York's Sam Chernoff in the 118-pound Inter-city match. Sumi boxes for the Chicago CYO.

Ward said: "Others may rave about the performance of 16-year-old Major Jones, Chicago featherweight who last night became the Inter-city Golden Gloves champion of 1944 by defeating Frank Perone of New York before 18,630 roaring fans in Madison Square Garden, but the performance which made this writer's heart strings strum the loudest was the triumph of Henry Sumi, Chicago bantamweight, who literally licked his opponent with one hand... Sumi lost no time convincing the overflow crowd that a Jap can fight elsewhere than in a jungle, if he is American born. He jarred his foe with two-handed volleys to the head... He doubled him up with body punches, Chernoff barely weathered the first round, Sumi started the second in the same fashion... Then came the break that would have beaten an athlete less courageous... In landing a blow Sumi's right arm slipped out of the shoulder socket... The pain was terrific... The Chicagoan winced only a moment, then began jabbing his foe with straight lefts to the head..."

UNIT I CAPTURE "A" & "B" TITLES

With over 100 thin clads from the three units participating, the first P.H.S.A.L. track and field meet in the history of Poston was held Sat., Apr. 1 at George Inagi Field in Unit II.

Despite the many handicaps the athletes were forced to perform under, some excellent performances were turned in. The outstanding event of the day being a 1:31.6 in the 660 by R.Kato of Unit II.

Although the affair was run as one meet, three separate dual scores were kept with the following results:
Class "A" dual scores:
Unit I-69, Unit II-0
Unit III-72, Unit II-0
Unit I-51, Unit III-36
Class "B" dual scores:

POPULATION

DECREASES 578

There has been an overall decrease of 578 persons in the population of Poston in the period between February 29 and April 1, according to housing division statistics.

On April 1, there were 7070 residents listed for Unit I; 2713 for Unit II; 3342 for Unit III, and 120 in the hospital, for a total of 13,125.

On February 29 there were 7322 people in I; 2865 in II; 3502 in III, and 134 in the hospital, totalling 13,689.

SEGREGATED UNITS:

WAR DEPT. CLARIFIES REASON FOR SEPARATE NISEI UNIT

The War Department's reasons for placing Japanese American soldiers in segregated units have been set forth in a letter written by Lt. Col. Harrison Gerhardt, executive to the assistant secretary of war, to all project directors.

"The use of Japanese in specific units is not based upon any discrimination policy. The assignment of personnel in the armed forces is based upon military considerations and not upon racial derivations."

It is not considered advisable to utilize Japanese Americans in the Pacific theatre because (1) enemy Japanese may be able to secure American uniforms from dead soldiers and mingle with the Japanese American unit; (2) if a Japanese American were captured in the Pacific, retaliation measures would probably be in the form of extreme torture.

If Japanese Americans were generally assigned to all units, it would be necessary to screen units employed in the Pacific theatre before such a unit could be shipped causing delay. It would also disrupt the efficient operation of the combat unit to remove personnel from the organization who are in an advanced state of training.

LEAVE CLEARANCE:

EXPATRIATES DOCKETS HELD-UP

Being deferred for the time being is the review of leave clearance dockets for persons who have been recommended for leave clearance denial, including persons who have requested repatriation and expatriation, a wire from Dillon Myer informed the project this week.

The primary reason for the postponement is to expedite the review cases which have been recommended for leave

clearance in order to facilitate the resettlement plans of those who have been granted leave clearance and who wish to relocate.

DEFERMENT:

CHANCES FOR DEFERMENT SLIM

Sgt. R.L. Porter of the Phoenix Board reminds residents that a person may apply for deferment at any time prior to his induction and under any circumstances, regardless of age or occupation.

However, he emphasizes that unless certain very specific conditions are met, the individual's chances for deferment are very slim.

The State Board of Appeal in Phoenix has handled a dozen or more appeals from Jap-

anese Americans, but none have been deferred.

"As far as I know, all cases have been dependency, and the action of the board on these cases is not unusual, inasmuch as this board has never classified a registrant in III-D yet, whether white, colored, or oriental," Sgt. Porter adds.

HEARINGS BEING HELD AT TULE

Leave clearance hearings are being held at the Tule Lake Center for those who have not previously been denied leave clearance by the National Director of WRA and who now wish to establish their eligibility for relocation, according to a recent announcement made at the segregation center by Project Director, Ray R. Best.

RED CROSS

BY YASUO YOSHIDA, SENIOR

A beneficial organization molded for the purpose of serving and assisting the needy and suffering, is the Red Cross. Wherever duty calls--in a relocation center, in war-torn areas, or in ordinary life--the Red Cross reaches out its hand of mercy and comes to the rescue in its unselfish, reliable, and relentless task of helping humanity.

As Terence says, "I am a man and whatever concerns humanity is of interest to me," so the Red Cross makes whatever concerns humanity its own business and lends a very able hand. Let us review some of the various services of the Red Cross.

Life here in Poston seems dull, but actually there are numerous incidents which illuminate the days. We have witnessed four great fires which brought about damages which affected many of us. Epidemics of Infantile Paralysis and various other diseases have come into our camp, but through the aid of the Red Cross we have come through victorious.

An old German proverb states, "A war leaves a country with three armies: an army of cripples, an army of mourners and an army of thieves." In this day of dangerous weapons many are wounded and left to die out on the front. The Red Cross has aided vigorously in the last and present world war in saving the wounded soldiers. Moreover it has sent aid to refugees in different countries where famine and diseases have struck. This organization recognized by all the warring nations goes forth to give to the needy.

A few years ago, the longest river in the world, the Mississippi River, overflowed its banks and flooded the country for miles around. Many families were driven out of their beloved homes, houses were carried away by the rushing waters and many were left without anything that they could claim their own. Were they to be left thus to die like rats in a trap? No! The Red Cross again with its many branches throughout the United States gathered many necessary articles and contributions and brought them to the thousands who were left homeless and penniless.

One may ask, "Where does all the money and aid come from?"

An individual in contributing to the Red Cross may be helping people throughout the world, for the Red Cross is an international organization.

So let us all get on the bandwagon of contributors and do our share in keeping up the great movement which was brought about by Henri Dunant and whose tradition has been gallantly brought forth by persons like Florence Nightingale, carried on by Clara Barton; the spirit which shows no prejudice to race, creed, or color; the spirit which is one of America's finest; the spirit of serving others.

EASTER SUNRISE SERVICE AT BLK. 5 PARK

The annual Easter take place during the Sunrise Service of the service. A light Unit Christian Church breakfast will be served at the Block 5 park starting immediately after at 6:30 a.m. Baptism the service for all of young people will worshippers.

SEGREGATED UNITS

(Cont. from page 1)

It is further pointed out that a combat team, by including units of infantry, field artillery, engineers and medical personnel, offers a wide range of operation in which to employ various abilities and skills.

"Certain Japanese Americans have been employed as interpreters in the Pacific, but this use has been made with the full realization by the War Department of the risks involved to these individuals."

"The privilege of requesting assignment in a specific branch is a privilege and not an obligation upon the War Department to see that these requests are always granted. It is impossible to comply with every assignment request which a candidate makes upon induction. It is the War Department's policy to assign an individual to the branch of service which he chooses if that is consistent with military needs."

The letter concludes, "I feel that the Japanese American citizens who will now be inducted should accept their assignments, wherever they may be, with the spirit that they are fulfilling an obligation to their country and that largely upon their manners of performance will be judged the loyalty and sincerity of all American citizens of Japanese descent."

K.J. TAKASHIMA RESIGNS CC CHAIRMAN DR. T. NAMIKI SUCCEEDS

James Takashima who has served as Council chairman for more than a year, resigned his post recently due to his plans to leave this center soon. Mr. Takashima succeeded Harvey Iwata as the second council chairman and has given his time and worked diligently for the people of Poston III to make this unit the best community in Poston.

Dr. T. Namiki, councilman from 317, was elected to succeed Jimmy as chairman. G. Horibe was unanimously elected as new vice-chairman.

S. Shirasawa has been chosen by Block 326 residents as their new councilman.

H. Higashi will replace Mr. Takashima as Councilman from block 322.

Honoring Mr. and Mrs. K.J. Takashima who were recently married and in recognition of the work Jimmy has done for the council, the Community Council had a get-together at 318 dining hall, Thursday evening, with I. Kubota as chairman.

Anna Mae Fujino's students entertained with Japanese dances.

Approximately 40 councilmen and guests were present.

BUCCANEERS UPSET 318--14 to 11 SCORE

Buccaneers tied the 318 for the Junior Girls Basketball title when they defeated the 318 sextette 14-11 at the closing game held on court 309 Friday.

V. Takeda paced the winners with 8 points. M. Nakagawa of 318 also scored 8.

FORMER POSTONIENS STAR ON CAL-JAYS

Cleveland's first all-Nisei basketball team, the Cal-Jays, an abbreviation for California Japanese-Americans, gained their first victory in the topflight Municipal "A" league by upsetting the Cleveland Buckeyes, 35-33. Their initial victory was over the all-Negro squad which has been considered one of the finest in local cage circles for many years and a past champ of the league.

Originally formed to show Cleveland sports fans a scrappy squad with good sportsmanship, the Cal-Jays dropped their first four games of the league season, mostly by a scant margin. The story was different, against the Buckeyes however, as they grabbed an early lead against their taller opponents and hung on to it though their opponents came within one point of forging ahead. Two former Los Angeles Golden Bear players, Joe Kadowaki and George Mizuno, led the team, the former with complete control of the defensive backboard, and the latter through his speed and team play. The squad is managed by Yo Kasai and coached by Joe Kadowaki.

George Mizuno and Joe Kadowaki are well remembered by the Poston residents as the two main cogs on the great Golden Bear team while George Tatsuno is equally well remembered as a regular on the championship Oiler team of last year. Min Nitta was a member of the Blk. 21 Blackjacks while Kaz Furusho starred for the "B" Champs of Unit III, the 317 Rams.

BULLDOG AYE, BEE SCORE SMASHING VICTORIES;

BEARS CAPTURE CEE CLASS

Packing punch in every event Coach Yoko Kohatsu's powerful Aye and Bee cinder-men repeated their performance of last week by again taking top honors in the Aye and Bee divisions. The Cec's were less fortunate, raking up only 6 points as compared to 45 2/3 of the Bears and 17 1/3 of the Wildcats.

Taking top honors in 9 out of the 10 events the Bulldog Ayes rolled up a total of 53 points to the Bears 24. In

the Bee division the Bulldogs topped the Bears by a 56 to 26 score.

Although the meet was run under very adverse conditions 14 records nevertheless fell by the wayside. Morinishi of Unit I turned in the outstanding event of the day by getting off a good 5'9 3/4" in the high jump to better his own record of a week ago by 1 3/4 inches. Other outstanding record shattering performances were turned in by Shigemura of Unit I in the Aye broad jump and hop, step.

Shigemura got off a leap of 20'6" in the broad to erase the old mark of 19'4 3/4" while in the triple jump he hit 40' even as compared to last weeks 37'8 1/2" by Nakamura Shinohara who captured the only first place for the Bears in the Aye division shattered the shot put mark by getting off a heave of 39 ft. It bettered the old mark by 2 ft.

OILERS ROUT DELANO, 51-25

With D. Fukushima regaining his old form again to lead the attack from the guard spot, the Bakersfield Oilers ended the season in a blaze of glory as they downed the Delano Dukers 51-25 to capture "AA" crown as well as the medals.

After a rather close first half the Oilers poured it on in the second half to turn the game into a rout.

Fukushima hit the twine for 25 digits to lead the victors while K. Yamaguchi's 10 was high for the losers.

Block 59's Blackhawks, pre-tournament favorites, staged a rough and tumble second-half spurt after trailing from top to outscore the Blue Jays 50-18 in the tourney finals. To the Blackhawks will go the coveted medals donated by the PC2A to the winning teams of respective leagues. The Blackhawks downed Bakersfield in the semi-finals 27-20, while the Blue Jays, fought nip and tuck all the way to the closing moments to nose out the breeze 26-25. Harry Kodama of the victors and Pete Izumi of the losers shared scoring honors with three field goals.

CO-OP IN RE-LOCATION CENTERS

For the past two years the cooperatives in relocation centers have been developing swiftly and efficiently in the face of most extraordinary conditions. Many questions have arisen in the minds of the members everywhere regarding certain aspects of the business enterprises. Today we have a licensed cooperative society owned and controlled by the 6000 members of Poston. The system of control is explained on charts hanging in your canteens. Questions are a healthy indication of membership interest in the cooperative and is prepared to give you honest answers.

In the beginning of the relocation centers WRA was faced with the problem of setting up stores and services for evacuees in one of three ways. (1) Private Business. This meant that one man would be given the right to open business for the residents and sell them goods at a profit. The fact that residents could not get out to shop would have given the individual a virtual monopoly. The private dealer would have been taking a few cents profit from the residents on every dollar they spent at his stores. (2) Government operated stores. Has this plan been adopted, the Government would have charged profits like any good business and such profits would have gone back to the U.S. Treasury. No revolving fund could be built and none of the profits could be used for new equipment or expansion. (3) Cooperative basis. This system offered a means by which people would get goods at cost by the simple process of

DELEGATES TO CO-OP FEDERATION MEET AT AMACHE

Cooperative delegates and superintendents of Business Enterprises from all R. Location Co-ops met in Amache, Colorado, April 3, 4, and 5 to adopt by-laws of the Cooperative Federation of Center Business Enterprises. Representing Poston Co-op will be S. G. Sakamoto, Vice President; S. Amano, Director; and Ben Yabuno, Ass't General Manager.

The agenda included: (1) Possibility of obtaining exemption from Federal and State Unemployment Taxation. (2) Discussion of compensation for periods of unemployment of Co-op workers caused by sickness or accident. Directors feel this should be taken care of by WRA not by business enterprises organization. (3) Consolidation of all insurance carried by center co-ops under the federation. (4) Continuation of New York Office which was to be maintained on an experimental basis until April 30. The Poston Co-Op has found this office a very valuable source of supply and in January merchandise was purchased through the New York Office. In the amount \$6000, which places us second only to Tule Lake in the use of its facilities.

refunding the new profit to them in proportion to how much they had bought. Furthermore, it would be handled by elected representatives of the membership and could meet the tastes and desires of the people. It would be their own.

The co-op idea was adopted and WRA set up certain regulations for the uniform development of cooperatives in all projects according to the best cooperative principles and efficient business policies. Every regulation contained in the WRA Manual section on business enterprises is in no way meant as a restriction but simply to insure that the business of the co-ops will be carried on in the best interest of the residents.

CO-OP AUDIT

JULY TO DEC 1944

Messrs. Henry Tienon and G.C. Hebert of the Northwest Co-op Auditing and Service Association completed an audit of the cooperative operations for the period between July 1 and Dec. 31, 1943. In an oral report to the Board of Directors on April 3 they stated the records of the co-op were in very satisfactory condition.

A full report will be published as soon as received by the Co-op.

NISEI PLACED IN RESERVE LIST FOR ADMINISTRATIVE REASONS

American citizens of Japanese extraction are placed in the Enlisted Reserve Corps upon induction for administrative reasons, to channel shipments and schedule training, the War Department has informed Director Dillon Myer.

It is not contemplated that they will remain in the Enlisted Reserve Corps for any extended period of time.

SEVEN PAROLEES JOIN FAMILIES

Seven parolees arrived in the center from the Santa Fe Detention Station to join their families, three on Friday March 31, and four last Thursday night, according to the Family Welfare Section.

Arriving March 31 were: Chiohichi Kosuga, 42-12-C; Isoji Rai, 13-12-A and Jukichi Yamashi, 330-13-G. April 6: Yoshikazi Tsuchiyama, 328-10-D; Hatsuo Noritake, 36-11-D, Sasuke Shinmoto, 330-13-F and Hachirazemon Hondo, 330-6-C.

REGISTRATION FOR DRAFTING CLASSES

Registration for intermediate drafting class for the Blk. 21 sewing school will be held on Monday, Apr. 10 from 9 to 10 a.m. at Blk. 21, the Community Activities announced. Beginners registration will be held on Friday, Apr. 14 from 9 to 10

Beginners and intermediate registration for the Blk. 59 drafting class will be held at Rec. 59 on Tuesday and Thursday, Apr. 11 and 13, respectively, during the hours of 9 to 10 a.m., it was also announced.

APPOINTED PERSONNEL STORE OPENS

Rainbow Village, the home of the appointed personnel, now has a store and a library.

Established by Community Enterprises, the store (Rainbow Mart) opened on April 7, and will keep the following hours: 9-11:30 a. m. to 1-4:30 p. m. These hours are temporary, pending a permanent set-up which will enable those who work during the day to become customers.

All residents of Poston or visitors may buy unrationed goods, but the sale of rationed goods has been restricted by the Parker OPA board to (1) persons legally holding ration books, and (2) visiting soldiers issued ration points for their furlough period.

The library is the newest branch of the Poston I Public Library and is located in Bldg. 3. It is open to all the appointed staff on Tuesday and Thursday afternoon from 1 to 5; on Saturday morning from 9 to 12; and every week day evening from 7 to 9.

The present collection includes new adult fiction and non-fiction, and new books will be added from time to time.

PROJECT LEAVES ADVANCED ONE HOUR

Regular departures from the project have been advanced one hour with the change from Pacific to Mountain Wartime.

Evening departures are at 8, morning departures at 4. Tuesday evening departures will begin at 7 o'clock.

AIDS FOR RELOCATEES

Relocates who require assistance in medical care, re-housing, institutional care, re-employment and moving to another should refer these matters to their nearest relocation officer.

He, in cooperation with the local social security board, is in position to handle such problems and is ready to assist relocated evacuees.

RETURN TO WEST COAST EASIER IF RELOCATED SAYS MYER

Director Dillon Myer has issued a statement concerning the effect of relocation on the return of Japanese Americans to the West Coast in which he reiterates "the statement often made by evacuees that return to the West Coast Area would be easier and quicker if they remain in relocation centers."

"No advantage can result from continued

center residence, when such return becomes possible. The advantage of making every possible effort to re-settle now and thus establish a place for Japanese Americans in the life of normal American communities, in terms of the contribution that they can and should make, will in turn make for a more likely acceptance by the people of the West Coast later.

"Refusal to accept a share of the responsibilities and possible hardships of such community life during war time and insistence on remaining in the secluded atmosphere of the centers while there is need and demand for just those skills and services that center residents (Cont on page 2)

WASHINGTON ORDERS INDUCTION OF MEN OVER 26 HALTED

Major General Louis B. Hershey, national selective service director, ordered all draft boards to halt induction of men more than 26 years old "who are making a contribution to essential agricultural, war production or war supporting activities," according to an AP dispatch.

The induction suspension applies to men who reached their 26th birthday on or before Mar. 24, 1944.

The order is to be applied until draft boards are satisfied that the processing of all men under 26 is completed.

In New York, Colonel Arthur V. McDermott, city selective service director, said that it is not required that they be "necessary men" or engaged in activities listed as "essential."

REASON FOR CENSUS TOLD

The purpose of the Block Census taken Sat. April 1 was to make possible preparation of a census roster, or directory of all people living in camp. Because of the rapid changes in population at the relocation centers, WRA has requested census be taken at all centers quarterly, according to Marjorie Collins, head of the Statistics Section.

A mimeographed directory is being prepared to be distributed to each Blk. Mgr. early in May. The preparation will be a mammoth job requiring the services of scores recruited from the schools and offices.

CRYSTAL CITY GROUP LEAVES TOMORROW

Thirty-five persons are scheduled to leave for Crystal City, Texas, to join their husbands and fathers tomorrow Friday according to the Family Welfare.

Three additional families were added to the original list of 11 families whose names appear in the March 28 issue of the Chronicle.

Mrs. Tazu Kamiya 60-1 C who was to leave with the group will not leave since word has been received that her husband is being paroled.

The additions are: Mrs. Nellie Mitani and daughter 10-1 A, Mrs. A. Nishikawa and three sons 59-9 D and Mrs. Namaye Tsuda and daughter 322 1 B.

LOCALE FOR RELOCATION CLASS CHANGED

The Wednesday evening classes on relocation being taught by W. Allen Cushman of the relocation division are being continued in the elementary school office north of the auditorium.

Lectures begin at 7 p.m. and concern such matters as "outside" etiquette and travel advice.

RETURN TO WEST COAST EASIER

(Cont. from page 1) can supply will in the public mind certainly not enhance or improve the status of those who otherwise may be able to return to their homes and property on the West Coast."

Director Myer further assures evacuees "that center residents do not lose their legal residence in the States from which they were evacuated merely because they relocate. If they intend or hope to return to their former homes when military restrictions are lifted they should maintain their voting privileges in those States by complying with the provisions of the State laws governing registration and absentee voting."

CO OP ESTABLISHES DRY CLEANING DEPT.

A Dry Cleaning Department has been established for the residents of Poston by the Community Enterprises and is now open for business according to Charles M. Belitt, store director.

The Co-op has made arrangements for dry cleaning service with a well established firm in Phoenix, reported Mr. Belitt. This service is available to all residents of the center including appointed personnel.

Garments to be sent out to be dry cleaned will be received at the following locations and will be returned in two weeks: Unit I, Blk. 28 Tailor Shop and the dry goods stores in Units II and III.

APPLICATION FOR SEAMANS' PASSPORTS

Effective April 1 the Navy Department adopted a new procedure covering conditions for the acceptance of Nisei into the Merchant Marine according to a wire received by Project Director Duncan Mills from Washington, D.C.

A later wire indicated that merchant seamen may shortly be able to make individual applications to the Commandant of the Coast Guard for their seaman's passports. It is uncertain that this will apply to any except men who have sailed before.

Full details of the procedure are to be released as soon as they are available.

EASTER CHRISTIAN SERVICE HELD

The sunrise was not visible due to clouds, and a drizzle fell, but the Easter Morning Sunrise Service of the Poston Christian Church was held as scheduled at Blk. 5 Park last Sunday morning. Standing on moist sod, the congregation heard the sermon of Rev. S. Kowta, and special music. Twelve persons were baptized.

The evening YP service message was delivered by Rev. Rowland Harker, guest speaker, a missionary who returned from Japan.

A COLUMN

MARGARET THAYER YATES' "...Murder by the Yard" takes place just 2 days before December 7th. Tho' murder stories were not generally on our beaten paths, we picked this book up the other day at our sis-in-law's place, after the book had wormed its way from Pepeekeo, Hawaii, thence to Camp Shelby, and hence, Poston.

Mrs. Yates, wife of Commander R.R. Yates, U.S.N., a native of Riverside, California, included a few authentic characters. They are Hawaiian nisei, of whom she said:

"...Chiyoko was my real maid during our tour of duty in Pearl Harbor, and Roy is her real husband. I put them in, not only because I love them, but because I feel they typify that group of loyal American-born Japanese who are proud of being Americans, who passionately love our democratic way of life, and who are now bearing their terrible burden of proof with such dignity, with so much courage and understanding."

This book does not in any way place the loyal Japanese American in an unflattering light; nor does it insinuate any subversive acts by them at the time of Pearl Harbor. Besides, that question is without doubt, as it stands now.

The "yard" mentioned in the title refers to silk. That is all. As we are only part way thro' we are not giving anything of a book review of it. However reading this book may be a good time killer, if we only had the time, or stuffing it all into our pipe and smoking it waiting for the mess gong to ring.

50 VICTIMS OF BLOCK 227 FOOD POISONING

As a result of a spoiled food item served at evening mess last Sunday night, some 50 persons in blk. 227 were seriously affected, it was reported by Dick Fukunaga, block manager.

Through the efforts of Dr. West and Dr. Boardman of the General Hospital, the victims were given relief and comfort late Sunday night.

The origin of the food poisoning was believed found in some home-canned shrimp preparation.

Manager Fukunaga expressed appreciation to the doctors, hospital staff and the Unit II Police Dept.

Heading the staff is Masashi Tazumi, production manager, and Fuku Yokoyama, editor.

COMMUNITY ACTIVITIES TO SPONSOR QUAD PICNICS

Saturday afternoon will be specially for 3 to 11-year-olds when the C.A. sponsors quad picnics, complete with races and prizes.

ADVANCED FIRST AID CLASSES OPEN APRIL 17

For those who have successfully completed the Standard First Aid courses, advanced classes will be conducted by Miss Tomoko Matsumura of Unit 3, it was announced by the local Red Cross office.

Registration, which will be open until April 15th, is taking place at the Red Cross office in ad 2.

POSTON SQUARE GARDEN AMPHITHEATRE OPENED

The grand opening of the Poston Square Garden Amphitheatre's stage was held at 8 p.m. April 7 with K. Uyeda of Construction as chairman. S. Shirasawa spoke in behalf of the committee. Applause was given to Gerald Wumino, administrator and F. Hayakawa and his assistants who worked night and day for the completion of this outdoor stage and also to the boys now in Tule Lake who have done so much in building its foundation.

The program consisted of Sankyoku Gasso, mandolin band, koto recitals by Mrs. T. Nakashima's students, odoris by Anna Mae Fujino's students and comedy, "Inochi no Sentaku."

The cream colored plaster board built theatre with all the rooms and facilities for a good performances which stands in the center firebreak will be the scene of many programs in the future and will also be the location of regular weekly movies from next week after 323.

EASTER SUNRISE SERVICE HELD

A nearby hill rising from the desert was the beautiful scene of the second Easter Morning Sunrise Service attended by two truck loads of Christian Young people.

Despite the sprinkling weather, the service was held with Rev. Rowland Harker as speaker.

The afternoon saw residents of Unit III gather at 329 mesquite to enjoy a community picnic sponsored by the church.

Games and races were played. Gifts were also given to those who attended.

COUNCIL MARCH TRUST FUND RELEASED

Community Council's statement of the Trust fund for month of March has been released as follows:

Balance on hand, March 1. \$5335.46.

Deposited: Outdated checks--\$11.25; PC3AA Athletic Investment--\$139.45. Total. Deposit--\$150.68. Total fund--\$5486.14.

Disbursements and Allocations: Rental on adding machine \$25; rental on check writer --\$5; PC3AA allocation from \$600 grant--\$65; CA last installment of special movie grant--\$35; gift for chairman Takashima--\$34.54; Post Office loan to meet postal increase--\$55; wage assistance to sanitation worker--\$3; Poston 3 Sewing Dept., appreciation gift to workers--\$100; Poston 3 High School Scholarship pins--\$75. reissuance of outdated checks--\$11.25. Total disbursements and allocations--\$408.79.

Balance on hand, March 31. \$5077.35.

INDUSTRY LOSES VALUABLE MAN

Industry seems to lose its leaders by double. Last month it saw Ben Yamaguchi and Y. Shimizu relocate and this time, M. Harada and Kakunen Tsuruoka.

M. Harada has done excellent work in the operation and progress of the Industry Dep't and today the Mojave Room is the pride of Unit III.

Kakunen Tsuruoka has contributed his accomplished talents in water color paintings in many ways and his realistic painting has lightened many a exhibit in this desert center. His wife, who has been flower making instructor will accompany him.

The impressive hana Matsuri service and Easter Sunrise Service that were planned were interrupted by a change of weather--from a summerlike one to a cold wind and dust and rain.

However, both services were held. The second portion of the hana matsuri which was unable to be performed by Sunday School students will be held at a later date.

The much awaited swimming pool, started early last summer was being filled with water on Sunday. Some of the water-lovers couldn't wait for the opening and donned their swimming suits to plunge into the flowing water.

It will be the most popular spot for young people from now on as hot summer sets in, especially for the boys. Too bad most of the girls don't have lovely figures to display, but daikons will be plentiful. It might be a good idea to have an aquatic meet and bathing beauty contest some of these days.

A friend from Gila tells us she had some strawberry shortcakes. Yum--when will Poston ever enjoy such delicacy?

How about it, Unit I and II girls? Don't you have any team that is strong enough to compete with our girls basketball team? Were not all like Phylisians--we can't all trounce you 50-9.

(C.I.O.). This is the 1st placement of
its kind in St. Louis, & it is believed
to be particularly significant in that
it offers an opportunity for the Unions
to get better acquainted with the eva-
cues. It is hoped that this contact
will pave the way for other openings in
the retail industries & with union groups.

BLK. 32 vs. RED CAPS

The undefeated Blk. 32 sixtette will meet a very formidable opponent tomorrow evening when they cross buckets with the up and coming Red Cap cagerettes on Crt. 22. Game time is slated for 7:00 p.m.

Carrying a victory string of four straight the classy Blk. 32 sixtette will enter the fracas favorites over H. Kodama's aggregation.

The game should be a banging offensive melee as the Blk. 32 forward trio of Oyama, Kodama and Watari have averaged 27½ digits per game while T. Kodama of the Red Caps ranks as the fifth highest scorer in the league. With the aid of her two running mates, E. Momita and R. Kodama the Red Caps forwards should give the none too strong Blk. 32 back court trio of Taz and Amy Nagareda and H. Okita quite an evening.

Attempting to stop the 32 trio will most likely be M. Mitamura, S. Seki and K. Nakamura.

DELANO, JOKERS; GIANTS, SKIPPERS IN SHAUGHNESSY PLAY-OFFS

The third round of the Old Timers Hardball League which has been going on since February came to a close last week.

After two months of hard playing the league found Delano, Skippers, Giants and Jokers as the first four teams thus qualifying for the Shaughnessy play-off.

The play-offs are scheduled for this Sat. with the teams paired in the following way—Delano vs. Jokers, Field 308 and Giants vs. Skippers, Field 219.

The winners will meet in the finale on Sun. Game time Sat. will be 2:00 p.m. while on Sun. it will be half an hour later.

For the finale on Sun. if a Unit I team survives the semi-finals the game will be

held in Unit I while on the other hand if the Jokers and Skippers survive it will be held at Unit III.

NOTICE

Old timers wishing to have a team in the next round of the Old Timers League are reminded to sign up at the Community Activity offices in their respective units by the end of this week.

DELANO SCORES VICTORY OVER SKIPPERS

With the newly organized league underway, the Delano Dukes duly managed to out-score the 6 Skippers in unfavorable weather conditions by a 26-13 score. With Kenny Yamaguchi and Noby Itami garnering ten and seven points respectively through the hoop, Delano managed to pull away after the Skippers had come within a single digit with the score standing at 10-9 up to intermission time.

PHYSICAL TO BE GIVEN TO 157

The army medical team from Phoenix is scheduled to examine 157 young men of draftable age tomorrow at the Poston General Hospital in Poston's second pre-induction physical to be held here, according to James D. Crawford, local selective service representative.

With the examination of approximately 228 men last month, a total of 385 will have been examined by the medical team.

RESETTLEMENT:

IDENTIFICATIONS NEEDED BY UNDER AGE ALIEN RESETTLERS

Aliens leaving the center, especially those under age and unaccompanied by parents, are urged by Edwin G. Arnold, chief of relocation division, to carry some certificate or proof of age and non-citizenship status as it will be difficult to obtain a work permit.

Mr. Arnold stated that very few resettlers carry birth certificates or certified copies of such certificates when they are resettling. Where it is not possible, it is recommended that they bring with them other acceptable proof of age

CRAWFORD ATTENDS CONFAB

James D. Crawford, chief of relocation division, left yesterday to attend the relocation officers conference to be held in Chicago.

Ed Nossorf will be acting relocation officer during his absence.

ALLOWANCE:

DEPENDENTS OF INDUCTEES ELIGIBLE FOR ALLOTMENTS

Dependents of inducted Nisei will be eligible for dependency allotments, even though they reside in reloca-

tion centers, according to a new WRA ruling, provided "that all other elements of dependency are present.

Wives and children of servicemen are listed as Class A dependents and may receive allotments from the Office of Dependency Benefits, War Department, without regard to dependency. Only proof of marital or parental relationship is required, and no deductions for subsistence will be made.

However, WRA subsistence deductions will be made from the allotments of Class B dependents, which include parents, grandparents, brothers and sisters. The amount to be allotted will be based upon the degree of dependency, and the War department will be the final agency in determining the extent of dependency.

NO VISITING

No visitors will be allowed at the Poston General Hospital tomorrow, Sunday, as an Army medical team will conduct physical examinations, reports O. L. Prather, hospital administrator.

and place of birth such as the following:

- (1) a baptismal record;
- (2) a biblical record;
- (3) a formal document of such age or formality that the likelihood of falsification of date and place of birth would be negligible.

NEW REGULATION:

EXPATRIATES TO BE DRAFTED

Applications for expatriation filed by Japanese Americans subsequent to the date that the Military Intelligence Service determined that they will be acceptable for military service in the United States Army will be disregarded by Selective Service, according to a new regulation issued by Maj. Gen. Lewis B. Hershey, national selective service director.

Such registrants shall be inducted if physically qualified and not otherwise deferred.

This nullifies the previous ruling which

stated that applicants for expatriation subsequent to January 20, the date on which nisei draft was reinstated would be considered draft evaders.

30 SEASONAL WORKERS WANTED FOR IDAHO

Its contract approved by the War Food Administration, the Franklin Sugar Company in Preston, Idaho is recruiting 30 seasonal workers for producing and harvesting beets, potatoes, peas and hay on a 3000 acre farm, according to the relocation office.

BUDDHISTS TO HOLD HANA-MATSURI TODAY

Duncan Mills, project director and Takatori Nimura, YBA president will be among the speakers at the Hana Matsuri Ceremony to be held at the school auditorium this afternoon.

A very impressive ceremony will be held at 2 p.m. with Eizo Etow as chairman. Rev. Ryuei Masuoka will deliver the main sermon for the ceremony.

Festivities featuring various entertainments performed by Sunday School students will be presented. The YBA will be represented by Mr. Nimura's naniwabushi and other talents including Ayako Tanaka, Ken Yoshida, Takeo Iso-be, Tom Tanamachi and Satomi Okani.

Residents are welcome to attend the celebration in honor of Lord Buddha's birth.

FAMILY WELFARE HOLDS DISCUSSION COURSE

THE 442ND

Infantry, the All-Japanese American Combat Team went into action in practice maneuvers, calisthenics, manning big guns, and other military tactics in "Go For Broke" this week on the Poston screens.

THE FILM

produced by WRA and narrated by John Baker Chief of Office of Reports in Washington D. C. showed the Toms, Dicks, and Harrys who volunteered from the camps and campuses many months ago undergoing extensive combat training, and they were every bit Uncle Sam's American soldier.

"GO FOR BROKE"

the Team's theme song should've appropriately been used for background music thro' our boys' bayonet practices, bridge building, digging fox-holes, crawling thro' bush and briar, scaling walls and giving their all from reveille to taps.

before the hearing board there last February.

"The center there is very much like Poston or any other relocation center," he stated, "except for the sentiment perhaps"

However, the people there are going about their daily doings, attending the movies which are few and far between, or shopping at the super canteens, or doing handiwork, producing something out of nothing.

More and more of the residents will no doubt be leaving that center for relocation it was believed, judging from the hearings held regularly.

Those leaving Tule were first directed to re-enter a relocation center prior to actual outside relocation, he told us. This is probably due to lack of relocation facilities and procedures in that center.

Mr. Nakai stated that he was contemplating leaving for the outside soon.

\$300 ALLOCATED FOR SPECIAL MOVIE

Unit III Community Council approved the allocation of three hundred dollars to rent special movies for the next six month period as requested by Harry Kuranaga, entertainment head at the weekly meeting on Wednesday morning. Dr. Namiki presided.

With fifty dollars to spend monthly, the special movies will be a better material with sound.

Discussion on thousand dollar request for continuation of shibai group was held. Each council man will take this matter up with the block residents for further discussion at next meeting.

K. Eguchi's resignation from his position as member of Police Commission was accepted. His successor will be named at the next meeting.

NO SWIMMING ALLOWED AFTER 5 P.M.

Due to the incomple- tion of the swimming pool, the human fishes are asked to disconti- nue swimming after 5 p.m.

This was made neces- sary as the lumber a- round the pool is being used as fire wood to keep the swim- mers warm. This ma- terial is still needed to complete the pool.

Small childrens with- out escorts are asked to refrain from going into the water as life- guards are not station- ed yet.

Perhaps the best in all centers, this large plunge has not yet been officially opened.

PHYLESIUNS DEFEAT REEDLEY, 43-37

Making the highest score to be made by any girl in Poston this season, Teruko Shimizu of Reedley scored 26 pts. through good feeding by her team mates, Aiko Sasa- ki and Bessie Oda.

Despite her good performance, the Reed- ley sextette lost to the powerful Phylesiuns 43-37 at the 318 court Monday evening in a post league game.

The game was nip and tuck up to half with the score dead-locked at 18-18.

Reedley pulled away 6 points in the third quarter, but the lead was short-lived as acute height disad- vantage of Reedley guards enabled the towering Phylesiun forwards to shoot from all spots un- guarded to win.

Midori Koba of Phyle- siuns, Haruye Koga and Kiyonakamura of Reedley stood out on defensive.

Aki Kodama scored 23 points followed close- ly by Leggie Hatada's 21 points.

DUST 'N' DESERT

Unit III is already feeling the serious- ness of the cut down on the ambulance ser- vice to the hospital.

Seriousness of ill- ness, births, and ac- cidents know no hours. It doesn't take holi- days on Saturday af- ternoons and Sundays, or rest from midnight to 8 a.m.

In case of night emergencies, even a small baby cannot have an escort of anyone, even his mother, be- cause of the lack of ambulance drivers to take them home.

It is an experienced fact that it takes a good two hours after an emergency call is made and an ambulance comes after the patient to get him to Unit I hospital. In these long two hours, it be- comes a matter of life or death.

The distance between Unit I and III is far when it comes to these junkyard-bound ambu- lances. It is urgent and necessary that 24 hour ambulance service be maintained in Unit 3.

K. HAZAMA SUCCEUMBS

Death reached out its cold hand Monday and for the second time in a month removed a re- sident of Block 328.

Katsusaburo Hazama, 59, passed away Monday afternoon, at the Unit I hospital after a prolonged illness.

Formerly of Montebel- lo, California, he was a native of Fukuoka Ken.

Survivors are his wife, four daughters and a son.

A wake service will be held Friday night. Funeral is set for Sat- urday morning. Both ser- vices will be held at 322.

GIRLS SPORTS

The B.U.G.'s kept their slim chances for the championship alive by pulling the prize upset of the season in downing the heretofore undefeated Blk. 32 six-tette 31-27.

With the B.U.G. forward line of Deguchi, Osaki and Kariya constantly slipping through the weak defense of Blk. 32, the B.U.G.'s scored first and were never headed thereafter.

Deguchi of the winners and Oyama of Blk. 32 led their respective teams with 12 and 11 points each.

UNITS I, II AND III SWIMMING POOLS OPEN TODAY

"Come on in, the water's fine." Anyway, it will be on Saturday, April 15, when the inter-camp swimming pools are officially scheduled to open.

The Unit II and III pools are equipped with diving boards, which were obtained through the Red Cross at a cost of \$53 each.

Although the hours which the life guards will be on duty are uncertain, at the present time, they plan to be on watch from 2 to 5 p.m. on week days and 7 to 9 in the evenings. On week ends guards plan to be on watch from 1 to 5 p.m. Official hours will be posted later at the respective pools.

The public is reminded more than ever this year due to man-power shortage, that the only time the life guards will be on duty is when the flag is up. Persons swimming when the flag is down will be doing so at their own

risk stated Mr. Takahashi of the Red Cross and Captain Shimada of the life guards.

YARDBIRDS ROUT GLOBETROTTERS, 41-20

In a rough and tumble game which resembled a football game at times, the Yardbirds scored the first 10 points and with this fulcrum they moved on to their 3rd consecutive Bums League victory 41-20.

S. Eddow and T. Kanagawa of the victors singed the netting for 10 and 9 points respectively to cop scoring honors. B. Noguchi contributed 6 to lead the losers.

HORI PACES BOMBERS TO 34-33 VICTORY

A Bomber aggregation, sparked by the accurate shooting eye of Frank Hori, working the pivot post, pulled one out of the fire in the last thirty seconds in a five minute overtime period to edge out a 34-33 victory over Delano's Dukes.

Only three points separated the two teams with the lead changing hands at least five times throughout the game. What looked like a certain Duke victory suddenly erupted into thin air when T. Oshiyama sank one from five foot out with less than thirty seconds remaining to put the game on ice.

F. Hori and N. Itami dominated the scoring honors with 14 and 12 points respectively, in a Bums League game on Crt. 22.

points respectively, the Beavers from Blk. 22 sank the Blk. 11 Skippers by a 21-13 score Thurs. evening

PRESS AND CHURCH COMBAT DISCRIMINATION

Chicago, Ill.--(Special)--The power of the press and of the church in combating instances of discrimination was strongly shown in two editorial statements published in the Pekin (Ill.) Daily Times recently. These two editorials, quoted in full below, tell an interesting story of the moral backing which resettlers are receiving in one Illinois community. On March 13, The Pekin Daily Times carried the following editorial at the top of its front page:

THE EDITOR'S LETTER

by McNaughton

"This happened in Peoria.

"Happened last month.

"Two young men got jobs in Peoria chain grocery stores.

"They were good workers.

"In fact, they were superior workers.

"Both store managers were happy to get such good help.

"Both were citizens of the United States.

"In fact, even as Paul was "born a Roman" so these two young men were born in the United States as citizens of the United States of America.

"But their parentage was foreign.

"Their parents were born in a country now at war with us.

"Mind you, these boys are NOT alien enemies (meaning citizens of a nation at war with us) as are some citizens of Pekin whose loyalty to America is never questioned.

"Nor are these boys who were born in an enemy country and later were naturalized.

"They are American born.

"They got these Peoria jobs.

"But three Peoria women got their heads together and decided to get these boys fired.

"Using various names, they began calling the managers of their Peoria food stores on the telephone.

"Each time, they told the manager that unless he fired the youth, they would quit trading at the store.

"Then another name and another threat.

"Then they went over the managers' heads to their superiors.

"The boys were fired.

"It is fair to you to tell you that the boys were of Japanese ancestry.

"If I'm informed correctly, they are Christians.

"Most amazing thing about the whole business is that the three women who got them fired call themselves Christians!"

The same paper, under date of March 19, carried the following letter from a reader:

"Dear Mr. McNaughton: Noting "This happened in Peoria" in The Editor's Letter, Pekin Daily Times, Monday, March 13:

"This matter was brought to the attention of the Peoria Ministerial association. A letter of protest (not a demand) was sent to the St. Louis office of the stores involved. They investigated promptly and reinstated the two Japanese discharged.

"Thus the tempest in a teapot, kicked up by a few self-appointed overzealous busy-bodies,

BIOGRAPHER
AVERS MOST
NISEI LOYAL

Chicago, Ill.--(Special)--Carl Sandburg, poet and Lincoln Biographer, in his Sunday column for the Chicago Daily Times last week averred that the majority of the Japanese Americans have been and will be loyal to the United States.

"The Nisei," he said, "...American-born Japanese whose tongues are more facile in the American than in the Japanese language, who have been pressed mainly in American culture molds, whose thought control has been predominantly American, they prize the battle wounds taken by Nisei in Italian fighting. They say 'We have sunk 25 Japanese ships in two days.' They say, 'What's buzzin' cousin?' or 'What's knittin, kitten?' and they can make like any native born telling what mainzy deates is and how to cook it."

Sandburg said he had read from a missionary's letter that Nisei who returned to Japan for schooling were often called "120 percent Americans, because they made the 100 percent Caucasian Americans seem mild!...The lot of the Nisei in Japan was not wholly a happy one. Their relatives and friends were bewildered and annoyed by these strange young people who looked like Japanese but acted like Americans."

Declaring "there may be treacherous Japanese waiting under cover" Sandburg said, "but it may count in favor of the Nisei that so far there seem to be no cases of treason or espionage or sabotage"

is stilled and all is serene on the home front.

WAR FUND DRIVE UNIT I BLOCK MANAGERS REJECT PASSES UOTA COUNCIL'S RECOMMENDATION

A total of \$2,187.80 was contributed by the Unit I residents in the Red Cross War Fund drive which ended on March 31, surpassing the quota of \$1,927 by \$260.80, the Unit I Red Cross chapter reported.

Although the drive was not completed among the appointed personnel members, 1,895 persons became members of the Red Cross by donating one dollar or more out of (Cont. on page 2)

The Block Managers of Unit I endorsed the principle of having Block Managers' election, a recommendation submitted by the Community Council after reviewing the details. However, the recommendation of the council concerning some changes were rejected at the conference room last Thursday.

The managers believe that the recent enactment of change in the Block Managers system is an infringement of

their rights and even though the Council may not have intended it as such, this is the first step toward the managers losing their independent status.

At the meeting it was proposed that a Block Managers' election be held on the third Monday of January with the term to be for one year.

A recommendation by the Council to elect managers every six months was termed "inadvisable" by the Managers as the strength of the Managers system would weaken by constant changes.

As many of the managers were re-elected in the last week of March, they felt that there was no imperative need to hold an election at such early date as April 24. It was believed that this enactment was the result of managerial difficulties in one block in camp.

POSTON RESIDENTS ENTITLED TO VACATION LEAVE WITH PAY

Another step toward fulfilling the policy of WRA to maintain evacuee employment standards and conditions comparable with Civil Service employment has been taken with the announcement of employment leave benefits.

Philip J. Cassilly, Personnel Officer, announced today that all regularly assigned full and part time workers will be entitled to one day of vacation leave for each calendar month of work, and fifteen days of sick leave for each work year.

Workers may accumulate vacation leave not to exceed twelve days. Any earned leave in excess of twelve days must be forfeited.

Plans are being made to make revisions to timekeeping methods and procedures that will be necessary to assure the maintenance of accurate records.

The new benefits will be available to Poston workers at an early date, which is dependent upon receipt of

forms from the Washington Office of WRA, and establishment of the local files.

WADE HEAD VISITED CENTER LAST WEEK

"I just got homesick for Poston and came back to see everybody." So said W. Wade Head, former project director of Poston and now general superintendent of the Papago Indian Reservation at Selis, Arizona, on his visit here last week.

"The results of the work that the people of Poston have done are becoming very noticeable," Mr. Head added. "The homes are more and more attractive, and I'm sure the improvement will continue."

Community Council officials, including Messrs. Okamoto, Kawasaki and Yahiro of Unit I, Sakamoto of II and Nakaji of III, greeted Mr. Head at a luncheon on Friday at Mess 32

TRANSPORTATION OF PROPERTY MADE EASIER

Evacuees who relocate may have their household goods transported from a project to the point of relocation at government expense, under the new regulations on property transportation. The new plan provides for the transportation of all household goods, regardless of weight.

The procedure for transportation of equipment is primarily intended to aid in family relocation and will therefore be limited to equipment needed to effect a family size relocation plan.

CLASH IN TITLE GO
TOMORROW NIGHT**

In what is termed a natural the Blk. 32 sextette engages the Dble 4ettes for the W.A.U. championship tomorrow night on Crt. 38 from 7:00 p.m.

With two games left on the schedule a win for the 32 girls will practically sew up the championship for them as their two remaining opponents should cause them little worry. On the other hand however a win for the 4ettes means the championship for them as it is their last game on the schedule.

Opening line-ups will probably find the powerful forward wall of Kodama, Oyama and Watari and the back court trio of Nagareda sisters, Amy and Taz and Okita for Blk. 32. For the Dble 4ettes the line-up is tentative yet due to the loss through relocation.

**BLK. 32 CAGERETTES SET
NEW SCORING HIGH
FOR SEASON**

Dumping the game out badly outplayed Red Cap sextette, Blk. 32 kept in the running for the title and made next week's game against the Dble 4ettes for the title a natural.

With the forward line of Kodama, Watari and Oyama clicking in precise fashion, the Red Caps were never in the game as the 32 sextette set a new scoring mark for the season with 52 digits.

However the new scoring mark was over-sha-

HUNDREDS OF POSTON CHILDREN IMMUNIZED

Parents of school children have done very well in securing the immunization of their children, and hundreds of children have been issued the certificates of immunity from the Poston Public Health Department, according to Miss Eima Rood, assistant medical social worker.

Parents who have relocated in other parts of the country reports that Poston Immunity certificates have made it possible for their children to enter outside schools without delay and that the certificates are accepted immediately by the school authorities.

Poston still has considerable number of children especially in the teen age group who have not yet completed their immunity treatments. A survey of the immunity status of every school child is now being made and this will be placed in the hands of the Education Department and will be given to each classroom teacher as a guide in her educational program.

Certificates of immunity will be provided as rapidly as each child completes all treatments required.

Miss Rood states that if Poston could send every child away with complete protection against the three major diseases—diphtheria, smallpox and typhoid—it would be a fine start for the child in a new school.

TWO PAROLEES ARRIVE HERE

Released on parole from Santa Fe, Karoku Akutagawa, 4-3-B and Torazo Tanamachi 37-11-C, joined their families here last Wednesday night, the Family Welfare section reports.

MIS ACCEPTING CANDIDATES

Commandant Rasmussen of the Military Intelligence School at Camp Savage, Minn. has sent a wire to Project Director Mills announcing that "This headquarters is selecting physically and linguistically qualified Americans of Japanese ancestry for additional classes."

All possible candidates at the Colorado River Relocation Center are requested to write immediately to Captain Paul Rusch, director of personnel, Camp Savage, Minn.

IMMUNIZATION TREATMENT SCHEDULES

Immunization treatment schedules for diphtheria, typhoid fever and whooping cough for the children of Poston has been released as follows by Miss Eima Rood, assistant medical social worker:

Diphtheria—Mondays, 1:30 p.m.; typhoid—Thursdays, 1:30 p.m.; and whooping cough—Tuesdays, 1:30 p.m. Immunizations will be given by appointments only.

DENNY

...is a cute little fella who lives in the barrack next to ours. Denny has been talking for quite sometime now, say, about a year. One day he said something which he was not supposed to say. So his mother reprimanded him. So Denny thought it over and hesitated about staging another recurrence. But one day a joe named Henry was bull-sessioning with fellow el toros, and he said the word. "See," said Denny to his mother, "Henry said it!"

ALICE KUBOTA BECOMES
BRIDE OF GEORGE NAGANO

At simple rites performed in Detroit on March 25th, Alice Kubota exchanged marriage vows with George Nagano, it was learned here today.

George Nagano was block manager supervisor prior to relocation while Miss Kubota was staff member of the leave office.

Both are formerly of Salinas, California.

TWENTY-SEVEN AND ONE QUARTER INCH NINE
POUND WHOPPER CAUGHT NEAR HERE

Carrying something carefully in his arms in a wet gunny sack, Mr. Ikuzo Nakamura, 211-1 B excitedly called the block secretary. Just another fish, she thought, our mistake, her error!

Probably the fishermen won't believe this but the beautiful carp measured 27 and 1/4 inches. But being only a male fish, it's

weight was only 9 lbs.

Here's where chronic fish-mongers groan, but the pisces was caught, not at the river, not at the lake, not at the slough, not in the swimming pool, but a stone's throw away from the bridge near the chicken house in one of the shallowest places along the stream.

DUST N' DESERT

The menacing crickets are again making their appearance around the apartments. Since woolens and rayons are their favorite food, it may be a good time to pack away your winter clothes and check on others.

Flies and bugs are also an increasing menace. Sanitation Department has lots on its hands to counteract these germ carrying enemies without ample supplies of sprays, etc.

After a long period of not funny comedies, we will be treated to better ones again for a while. On schedule are "Winter Time" with Sonja Henie, "Proudly We Hail" with Claudette Colbert, Veronica Lake and Paulette Goddard, "Five Graves to Cairo", etc.

Unit III will also enjoy better special movies from now on, as three hundred dollars were allocated for this purpose.

Many of us are craving to see non-militaristic Japanese movies which are in custody but which would provide good entertainment for the Issei.

Weddings are getting scarce here and in its place the shadow of death is creeping in. Already in Unit III, there have been three deaths this month. We have to prepare ourselves for these tragedies as many Issei are passing the age of 60.

Sadness pierces our hearts to think that some of our parents will have to pass into eternity in a desert like this instead of their home in California which they built with sweat and tears. Let's go to church!

BY Edith Fukaya

Hello, everybody!

The name of this column was suggested by Kenny Hirose, last week, and now heads this column, which will be devoted to the topic of resettlement of evacuees.

Relocation, which was declared a WRA policy way back in '42, has been in existence as the main WRA policy over a year now. Before fall, 1942, resettlement was possible, but only after a great deal of red tape had been gone through, and if the individual had a job awaiting him.

In Aug., 1942, Philip Glick, Chief Counsel, WRA, in an address here, said WRA centers are only stopping places on the way to relocation. In Nov., Dillon Myer, in an address here, said clearance procedure would be expedited in the future, and indicated that relocation would from then on be the major WRA policy.

In spring, '43, after the Feb. and March registration, a procedure instruction from Wash. was received, with which clearance could be expedited. Outside field offices, set up because need for expansion from field investigation of harvest time, '42, was realized, were set up in Chicago, Kansas City, Cleveland, New York, as area offices having other district offices in their conjunction. In May, '43, 128 left on indefinite leave, the highest rate ever to be attained here.

The relocation program has undergone many developments since its beginning.

EVACUEES FIND LITTLE DISCRIMINATION IN CLEVELAND

In a recent poll of evacuees who have relocated in Cleveland, nearly 75 per cent reported that they had experienced no racial discrimination since coming to the city, and 84 per cent said that discrimination was much less in the Cleveland area than it had been in California. These percentages are based on a representative sampling of both Issei and Nisei living in the city and on a tabulation of replies contained in 75 questionnaires.

Asked whether they had experienced any racial discrimination in finding employment, 75 per cent replied in the negative, and 53.2% also said that they had encountered no difficulty or racial prejudice in finding places to live.

Forty-five per cent of those replying to the questionnaire felt that their jobs were permanent and offered post-war security.

To find out how evacuees in Cleveland were entering into the life of the community and to what extent they were becoming acquainted outside their own group, they were asked to indicate how many friends they had made with other racial groups since coming to the city.

Twenty-nine per cent claimed they had made better than 50 friends; 42 per cent said they had made between 10 and 50 new acquaintances among other racial groups; 17 per cent claimed less than 10 new friends and 12 per cent said they had made no friends.

Asked how they had made such friends, the evacuees answered as follows in order of frequency of answer: (1) Church, school, YMCA and YWCA; (2) Co-workers at place of employment; (3) Business contacts; (4) Clubs. Suggestions as to how to increase friendships fell into three categories: More inter-racial social affairs and clubs; more Church, club and YM and YW activities; more athletic programs.

Most frequently given answer as to why more persons had not left or were not leaving Relocation Centers was fear of not being able to support their families. Other reasons included housing worries; fear of community non-acceptance; fear that the draft would take the wage earners and concern over language handicaps.

NISEI GETS TWO ENEMY TANKS; DECORATED HIM

Two tanks painted on the helmet of an Infantryman of the 100th (Japanese American) Battalion, serving with the Fifth Army on the Italian front, records a one-man mission against the German Army.

The Japanese American, taking with him one of the famous bazooka rocket launchers, departed towards the enemy lines on a solo infiltration task in the Cassino area, and was able to crawl within effective range of two German

tanks. After he dispatched the first tank with a well-aimed shot, he became slightly excited and forgot to pull the pins from two projectiles he fired at the second target. But he quickly steadied himself and shot off the third rocket properly, getting his second.

Comrades in the Japanese American Battalion painted the tanks on the helmet of the "one-man tank destroyer outfit" in celebration of the dead.

TULE TO HOLD PRE-INDUCTION EXAMINATIONS

Alturas county Selective Service headquarters announced that a selective service examining team will visit Tule Lake Center, project officials disclosed.

Seventy-three men who are residents of the center will be notified to appear for pre-induction examinations on May 2 and 3. It was said that the exams will be given at the project hospital.

CENTER-WIDE WASTE PAPER DRIVE TO START THIS SATURDAY

For the benefit of the USO, the Community Activities Department has volunteered to hold a camp-wide waste paper salvage campaign beginning Saturday, April 22, in which the community's co-operation is urgently requested. It is hoped to conduct a similar drive every three months.

The Boy Scouts, Girl Scouts and Women's Club will be active in collecting, sorting and loading the waste pa-

per, which residents should take to their block manager's Offices at least one day before "pick up day."

Collections will begin in Units I and III on April 22, and in Unit II on April 29, and will proceed at the rate of one quad a

DOMESTIC JOB FOR APPOINTED STAFF OKED

New WRA employment regulations to go into effect May 1 affecting work opportunities within the center have been issued by the Washington office, according to Philip J. Cassilly, Personnel Officer.

The basic policy for providing employment continues to be through relocation outside the centers. Evacuees are largely responsible for providing services to the community within the center by the cooperative efforts of the evacuees and the appointive staff.

After May 1, 1944, evacuee residents, as private employees, shall perform domestic or other personal services for the appointed staff or for other evacuees only through Business Enterprises. Persons failing to abide by the regulations governing this type of employment shall be subject to disciplinary action.

Work efficiency and hours of work for project employment shall continue to consist of an 8 hour day and 44 hour week with the same efficiency standards which prevail in ordinary employment.

JUDICIAL COMMISSION SENTENCE GAMBLERS AT COURT FRIDAY

Three cases were arraigned before the Judicial Commissions of the three units, who met en banc in the Unit I City Hall conference room last Friday morning.

Separate gambling charges were brought against two groups, the first involving four men and one woman, the second involving six men.

In the first case, one man was excused from attending and his arraignment was set for April 17, while the remainder pleaded guilty and were tried

by the inter-camp Commission. Suspended 30-day sentences were given the three men, and the woman was given a sentence of either 55 days in jail or \$55 fine, with either 30 days or \$30 suspended.

Five of the six men in the second gambling case were also tried by the Commission and given suspended 30-day sentences, while the other, who was also

Stanley Harris, National director of inter-racial scouting and A. J. Roberts, executive of Arrowhead Area Council will be here Apr. 20 and 21 to confer with leaders.

NO DEDUCTIONS FOR CLASS "B" DEPENDENTS

The Chronicle for April 15 stated that WRA subsistence deductions would be made from the allotments of Class B dependents, which include parents, grandparents, brothers and sisters.

This is incorrect. No WRA deductions will be made from either the Class A or B dependency allotments.

POSTONIAN ON HONOR ROLL

Eighteen members of the Simpson College student body were included on the Honor Roll for the first semester of the current year, according to John L. Horsley, director.

ARTHUR SUGINO, son of K. Sugino, 11-8-B, Poston, Arizona, was one of three men to be included on this list. Mr. Sugino is a freshman and has now enlisted in the Army and is awaiting his call to service.

NISEI BOYS COMMENDED

Chicago, Ill. (Special)—Five nisei employed by the Metals Refining Company of Hammond, Indiana, were singled out for special commendation recently when that company was given the Army-Navy "E" award banner. The award, "For Distinguished Service," to the war effort was presented to the company on Saturday, April 1, by Capt. Frederick J. Bell, USN, at the Masonic Temple in Hammond, Indiana, and THE HAMMOND TIMES as well as the CHICAGO HERALD-AMERICAN carried photographs of Capt. Bell personally congratulating the following nisei boys who are employed in the plant: Yoshinori Shintani, Chitose Kitaguchi, Yutaka S. Mori, Johnny S. Yamamoto, and Joe T. Miyamoto.

The Metals Refining Company has openings for additional men as yard laborers at 78¢ per hour, assistant furnace operators at 90¢ per hour, and furnace operators at 92¢ to 95¢ per hour. Men who are now employed in the company report general favorable conditions. Interested applicants may write to the Chicago district office for further details.

MUSIC DEPT. TO PRESENT RECITAL

The Second Annual Students Recital will be presented by the Unit I Music Dept. this Sunday, Apr. 23, at the School auditorium, according to the department.

The recital will commence at 1:30 p.m. and the public is cordially invited.

GAMBLERS SENTENCED

(Cont. from page 1) implicated in the first case, was ordered to either spend 30 days in jail or pay a \$30 fine, with either 20 days or \$20 suspended.

All ten persons were placed on six month's probation.

In the third case, a man was charged with assault and battery. Pleading not guilty, he asked for a jury trial, which was set for April 26.

A fourth scheduled case, a young man charged with disturbing the peace, was postponed for 30 days and will be arraigned on May 15.

The case of the four boys, charged with disturbing the peace, who were to have been tried Friday was dismissed on grounds of insufficient evidence.

TAMPERING WITH FIRE ALARM BOXES BANNED

Because one fire alarm boxes in Unit I are not yet in working order, Arthur M. Chisholm, telephone maintenance foreman, asks that residents refrain from tampering with them.

Several instances have been reported of persons setting off the alarms. This has hindered the progress of telephone installation and repair by making it necessary for a maintenance worker to interrupt other work in order to come and turn the alarm off.

BIRTH

To MR. & MRS. HIROSHI NAKASHIMA, Blk. 36-2 D, formerly of Los Angeles, a girl, Apr. 13.

TOYS MADE FOR EDUCATIONAL PURPOSE

Toys, masks, and etc. will be made by the Toy Dept. for recreational or educational purposes, stated Jitsuo Kurushima, head of the department.

AG. NEWS

Two thousand month-old chicks arrived for the Unit I poultry farm last Tuesday.

Harvesting of 30,000 lbs. of cabbage, 12,000 lbs. of table beets and 15,000 lbs. of lettuce was completed last week for center consumption.

Thirty hogs are being slaughtered weekly by the department for center use, according to W.C. Sharp, supervisor of Agricultural Dept.

Barley grown on section 27 looks promising for the first crop, Mr. Sharp reports. He is expected to leave for Phoenix soon to look for a grain harvester.

Ryozo Hirata has replaced Masaji Mtsumaga as nursery foreman who left for Nebraska recently.

D (21, 26, 27, 28, 38, 39); April 27—Sec. E (Ad. School, Rainbow Village, Green Village, MP camp, Blk. 34); April 28—Sec. F (35, 36, 45, 46, 53, 54), and April 29—Sec. G (37, 42, 43, 44, 59, 60).

Schedules for Units II and III may be found published in their respective Chronicle pages.

HIGH JUMP AND DASHES
FEATURE CONFERENCE
MEET

DELANO WINS PLAY-OFF;

URA, YANO HURL 14-4 VICTORY

THREE HOME RUNS FEATURE CONTEST

The local track and field picture brightens this coming Saturday with the P. H. S.A.L. conference finals to be held at Unit III attracting all the outstanding high school cindermen in Poston.

A full program of events topped by the high jump in which Teru Morinishi of Unit I will attempt to clear 6 feet or better will be presented to the Poston track enthusiast. Also expected to share the limelight with the high jump are the A, B and C dashes where many close races are expected.

Morinishi who cleared 5'11 7/8" in the Unit I trials last Saturday should easily better his official record of 5'9 1/2" provided the take off is in good condition and old man weather is in a jovial mood.

Heading the list of dash men is Bob Watanabe of Unit I who rightly deserves the monicker of "Hal Davis of Poston" with his speed. Watanabe is favored to cop both the B 50 and 100 yd. dashes.

Expected to press him to the tape are Kinjo, Nagaro and Ogura of Unit I and Nishi of Unit III.

In the A century Yoshida and Nakamura, both of Unit I are expected to wage a nip and tuck race with the winner hitting the tape in a new record. In the furlong Hori of Unit I should hit the tape around 23.3 or better.

The closest race on schedule should be the C 50 where Aoki of Unit III, Imoto and Kiyohara of Unit II and Maeda of Unit I are all capable of breasting the tape around 5.7.

BREEZE SWAMP MARAUDERS

In what turned out to be a one-sided game

In the final game of the Old Timers Shaughnessy play-off Delano blasted two Giant pitchers for a total of 11 hits and a 14-4 victory to avenge the only defeat plastered on them during the regular season.

With G. Ura hurling airtight ball, Delano assumed a 5-0 lead in the first five frames before the Giants were able to dent home plate with a single tally.

Delano accumulated three runs in the fourth inning on three hits. First man up, Yoshino

the fast breaking Breeze swamped the Marauders, 32-11. Getting off after a slow first quarter which ended 8-3 the Breeze held a comfortable lead at half time 16-3. Marauders failed to score during the 2nd and 3rd quarters but rang up 8 points in the last quarter only to have the Breeze match them as the final whistle blew.

M. Oda led the scoring column with 14 and H. Nagai topped the losers with 4.

INDIANS SCALP
BLACK LEGIONS

The Indian quintet had another scalp under their hat as they set back the Black Legion 39-21 on the Indians court. Paced by H. Baba the Indians were never pressed and held a good lead all through the game.

H. Baba and J. Uyeda were high for the Indians with Nagaro taking scoring honors for the Legion Five with 10 digits.

poled a drive into right for a circuit blow. Ura skied out but Takaki singled, Igaue grounded out and then Takemoto followed with another circuit for three runs.

Furuta scored the Giants first tally on a weak dribbler through the right side of the diamond, followed by a walk and a fielder's choice.

Delano added another in the seventh on Ochiai's double and a error. The Giants rallied to make the score 6-4 in their half of the seventh on Shigemi's life on a error, a homer into center by Kakita, a fly out, a single by Oyama and a triple by Furuta. Furuta's drive appeared to be headed for a homer until it hit a car parked in right field.

Mas Yano hurled superb relief ball the last two innings, allowing a lone bingle by Hashimoto in the eighth.

Delano kept at bay by Furuta, who relieved Shigemi in the sixth, broke loose in the last inning, 12 men going to the plate for four hits and eight runs.

T. Ochiai of the winners swept batting honors with a brace of singles and doubles in 6 trips. Kakita and Furuta paced the losers with 2 for 5.

MUDHENS RALLY TO
STOP BREEZE

Coach Noby Kinjo's proteges, the Mudhens who possess what undoubtedly is the only girl to coach a boys team in camp, swept to their third straight league victory by a 29-22 score.

Morinishi from the center spot took scoring honors for the Mudhens with 12.

UNIT III SWIMMING POOL IS NOT OFFICIALLY OPENED TO THE PUBLIC

Contrary to the report in sports page of April 15th issue, the Unit III Swimming pool is not officially opened to the public, it was stated by Gerald Wumino, Administrator.

Anyone going to swim before its official opening will be doing so under their own risk. The pool is still incomplete-- painting and making the water free from disease, etc., are still to be done.

This large plunge, together with the wading pool and amphitheatre, are under the control of Poston Square Garden Executive Committee and not under the Red Cross as stated previously.

FORMATION OF BLOCK YBA UNDERWAY

To stimulate more interest in religion and activities within a block, the Poston 3 YBA has started forming block YBA's beginning from Block 305.

This new system has been adopted to replace the weekly YBA Nites. It will also be instrumental in developing leadership as each block will have its own cabinet. It will enable blocks to hold inter-block socials and other events.

All Busseis are asked to give their fullest cooperation when the club-forming committee calls the meeting at their respective blocks.

Approximately 500 young people are paid members of the Poston III YBA.

IN APPRECIATION

We wish to take this means to express our sincere appreciation to our friends for the kindness extended to us during our recent bereavement.

OYAMA SUCCEEDS HAMADA AS POLICE CHIEF

Police Department of Unit III lost three valuable men from its force when they left for Nevada, April 16, on seasonal work.

The three men who left were George Hamada, Charlie Abe and Roy Hosaka.

Dick Oyama will succeed George Hamada as chief of police, while Jim Kawamoto will be the new baggage inspector in place of Charlie Abe.

TWO HUNDRED FIFTY ATTEND STEWARD IROKAI

324 Dining Hall was a setting of a grand "Irokai" get-together for approximately 200 mess hall workers last Friday evening, April 14. H. Yoshimine chaired the first portion of the program. C. E. Snelson and J. V. Burdick spoke few words of appreciation to the mess employees. I. Kubota of Poston Food Committee also spoke.

Chow mein dinner was enjoyed by 250 people who attended this affair. K. Kimura of 326 served as chairman of second portion of the program which consisted of classical Japanese dancing by Anna Mae Fujino's students.

Honored guests were mess hall workers, several appointed personnel, councilmen, block managers and department heads.

SOFTBALL LEAGUE SCHEDULED

From a very observing friend who has relocated in the capitol city came a letter which in part read--

"I think the people here are nice, in fact, more nice than the people in Poston. It impressed me greatly because it seems that the camp life had made the people rude and impolite without knowing it."

This was not the first time that a relocatee had felt this way as many letters from outside friends indicate. While we are confined in this camp, we cannot realize our failing manners and rudeness which comes from "can't be helped because it's camp" attitude.

We are getting too used to our impoliteness on all occasions. For instance, the boys and girls no longer show good etiquette and older persons do not get the proper respect from the younger ones and vice versa. Especially in a large gathering, shoving and pushing has become habitual and none has any regard for small children, aged or women anymore.

For these who are relocating in the near future and for those who will remain in this center, won't it be a good idea if we look after our manners and conduct a little more? It may save embarrassing moments and will be better for everyone.

ball will be next on schedule for the girls sport, according to Meggie Hatada, Girls Athletic Supervisor.

Emphasis will be placed on inter-camp games

KYO NAKA PASSES AWAY

Funeral services for Kyo Naka, Block 326, who passed away on Tuesday morning, April 11 was held at 316 Buddhist Church, Monday morning. The deceased is survived by one son, Hajime of 326. Formerly of Reedley California, and of Los Angeles, he passed away after a prolonged illness.

LOST: 25 feet of microphone cable with chromium plated plugs on each end between Blk. 318 and Poston Sc. Garden. Finder, please return to Community Activities Office, 309 Rec. Hall.

DUST N' DESERT

The menacing crickets are again making their appearance around the apartments. Since woolens and rayons are their favorite food, it may be a good time to pack away your winter clothes and check on others.

Flies and bugs are also an increasing menace. Sanitation Department has lots on its hands to counteract these germ carrying enemies without ample supplies of sprays, etc.

After a long period of not funny comedies, we will be treated to better ones again for a while. On schedule are "Winter Time" with Sonja Henie, "Proudly We Hail" with Claudette Colbert, Veronica Lake and Paulette Goddard, "Five Graves to Cairo", etc.

Unit III will also enjoy better special movies from now on, as three hundred dollars were allocated for this purpose.

Many of us are craving to see non-militaristic Japanese movies which are in custody but which would provide good entertainment for the Issei.

Weddings are getting scarce here and in its place the shadow of death is creeping in. Already in Unit III, there have been three deaths this month. We have to prepare ourselves for these tragedies as many Issei are passing the age of 60.

Sadness pierces our hearts to think that some of our parents will have to pass into eternity in a desert like this instead of their home in California which they built with sweat and tears. Let's go to church!

By Edith Fukaya

Hello, everybody!

The name of this column was suggested by Kenny Hirose, last week, and now heads this column, which will be devoted to the topic of resettlement of evacuees.

Relocation, which was declared a WRA policy way back in '42, has been in existence as the main WRA policy over a year now. Before fall, 1942, resettlement was possible, but only after a great deal of red tape had been gone through, and if the individual had a job awaiting him.

In Aug., 1942, Philip Glick, Chief Counsel, WRA, in an address here, said WRA centers are only stopping places on the way to relocation. In Nov., Dillon Myer, in an address here, said clearance procedure would be expedited in the future, and indicated that relocation would from then on be the major WRA policy.

In spring, '43, after the Feb. and March registration, a procedure instruction from Wash. was received, with which clearance could be expedited. Outside field offices, set up because need for expansion from field investigation of harvest time, '42, was realized, were set up in Chicago, Kansas City, Cleveland, New York, as area offices having other district offices in their conjunction. In May, '43, 128 left on indefinite leave, the highest rate ever to be attained here.

The relocation program has undergone many developments since its beginning.

EVACUEES FIND LITTLE DISCRIMINATION IN CLEVELAND

In a recent poll of evacuees who have relocated in Cleveland, nearly 75 per cent reported that they had experienced no racial discrimination since coming to the city, and 84 per cent said that discrimination was much less in the Cleveland area than it had been in California. These percentages are based on a representative sampling of both Issei and Nisei living in the city and on a tabulation of replies contained in 75 questionnaires.

Asked whether they had experienced any racial discrimination in finding employment, 75 per cent replied in the negative, and 53.2% also said that they had encountered no difficulty or racial prejudice in finding places to live.

Forty-five per cent of those replying to the questionnaire felt that their jobs were permanent and offered post-war security.

To find out how evacuees in Cleveland were entering into the life of the community and to what extent they were becoming acquainted outside their own group, they were asked to indicate how many friends they had made with other racial groups since coming to the city.

Twenty-nine per cent claimed they had made better than 50 friends; 42 per cent said they had made between 10 and 50 new acquaintances among other racial groups; 17 per cent claimed less than 10 new friends and 12 per cent said they had made no friends.

Asked how they had made such friends, the evacuees answered as follows in order of frequency of answer: (1) Church, school, YMCA and YWCA; (2) Co-workers at place of employment; (3) Business contacts; (4) Clubs. Suggestions as to how to increase friendships fell into three categories: More inter-racial social affairs and clubs; more Church, club and YM and YW activities; more athletic programs.

Most frequently given answer as to why more persons had not left or were not leaving Relocation Centers was fear of not being able to support their families. Other reasons included housing worries; fear of community non-acceptance; fear that the draft would take the wage earners and concern over language handicaps.

NISEI GETS TWO ENEMY TANKS; DECORATED HIM

Two tanks painted on the helmet of an Infantryman of the 100th (Japanese American) Battalion, serving with the Fifth Army on the Italian front, records a one-man mission against the German Army.

The Japanese American, taking with him one of the famous bazooka rocket launchers, departed towards the enemy lines on a solo infiltration task in the Cassino area, and was able to crawl within effective range of two German

tanks. After he dispatched the first tank with a well-aimed shot, he became slightly excited and forgot to pull the pins from two projectiles he fired at the second target. But he quickly steadied himself and shot off the third rocket properly, getting his second.

Comrades in the Japanese American Battalion painted the tanks on the helmet of the "one-man tank destroyer outfit" in celebration of the dead.

RABBIT-POULTRY REGULATION

A new law, the Rabbit and Poultry Regulation adopted by the Community Council was approved

COUNCIL ADOPTS PROCEDURE FOR MEMORIALS

Local or city councils will be the sponsors of all future memorial services to be held for deceased Nisei soldiers according to a procedure adopted by the Community Council recently.

The following procedure was adopted: (1) City Council or Local Council to be sponsor. (2) Floral wreaths to be accepted only from the administration, each unit council and family of the deceased. (3) Memorial addresses (choji) administration, military police and city council; (chobun) unit councils. (4) Address of thanks by the Chairman, representing the family of the deceased and sponsor. (5) Service shall be in any religious denomination and the locale of the service shall be left to the discretion of the sponsor. (6) Any type of garb to be worn by those attending the service

SURVEY REVEALS RESIDENTS INTEND TO REMAIN IN CENTER

In the recent survey conducted by the Community Council to determine whether the evacuees wish to remain in the center, to relocate or to repatriate or expatriate, 2229 persons out of 3000 questionnaires answered stated they wish to remain in the center. 697 intends to relo-

cate and 74 were undecided.

Seventy percent answered the relocation question with 430 for and 1696 against relocation this year. 1263 persons said that \$100 was not enough assistance for relocation while 328 said yes. Approximately 54 persons replied. Of the 35.9 percent responding, 868 said they wish an assistance of \$1000 while 163 said \$500.

Seventy-three percent answered the repatriation and expatriation question. 216 were for and 1986 against but the opinion on the question has changed considerably within the last few months.

All evacuee property formerly stored in the basement at 108 South Los Angeles Street, Los Angeles, were removed to WRA warehouse, according to words received by R.W. Schmitt, property officer.

Evacuees who had goods stored at the basement are asked to appear at the Evacuee Property Office and execute forms covering such property. J. Kubota and George Kubota were among the evacuees who had property in the place.

GAMBLER GETS JURY TRIAL

Excused from appearing before the Judicial Commission last Friday morning, one man was called for arraignment on charges of gambling last Monday.

Pleading not guilty, he asked for trial by jury, and his case was set for Wednesday, April 26.

Four others in the same case pleaded guilty last Friday and were sentenced by the Commission.

PAPER DRIVE

The full co-operation of the residents is asked as the center wide waste paper drive sponsored by the Community Activities starts today.

By Edith Fukaye

From the Kansas City WRA Office comes a release of which I give the following synopsis: An example of successful readjustment is the instance of Mr. and Mrs. Tomiki Noda and 22-yr. old son Keyichi, who arrived from Jerome Center, last July, who are now employed by Dr. Abraham Sophian, Kansas City physician. Mrs. Noda assists with domestic work; the men have heavier duties. They say, in a letter received by the Kansas City WRA Office "our employer and his friends have taken a great liking for us and we have not suffered a single unfortunate or embarrassing incident since arriving here almost a year ago." The letter also says: "To those still remaining in the centers I would strongly recommend relocation; especially those who are physically fit and have a proper attitude toward the current general conditions of a country which is at war."

To the WRA Omaha staff went, week of Apr. 2--8, J.H. Shelson, late of the Des Moines ordinance plant, to be assistant relocation office.

WRA Kansas City area headquarters recently announced appointment of Wm. K. Holland as Assistant Relocation Supervisor for the states of Nebraska, Iowa, Kansas, Missouri, and part of South Dakota.

Facts about New York City are given in a 16-page pamphlet, several hundred copies of which have been just received by the local relocation office.

As far as is known, employment recently of Yuri Kato, late of Rchwer, as stenographer in the offices of United Retail, Wholesale and

TWENTY FARMS INVOLVED IN PROPERTY SUITS

San Diego,--Preparation of escheatment proceedings against Japanese-owned properties in San Diego County was under way last week after conferences between Dist. Atty. Thomas Whelan and Everett Mattoon, Deputy State Attorney General, according to the Los Angeles Times.

When filed in Superior Court, the proceedings will allege that the property involved--20 farms valued at almost \$200,000--was acquired fraudulently, in violation of the Alien Land Laws, Whelan said.

If it can be proved that alien Japanese fraudulently placed title of the land in the name of other persons eligible to own property, the land would revert back to the State, he explained.

MRS. POWELL ADDED TO RELOCATION STAFF

Mrs. Harriet M. Powell, wife of Dr. John Powell, has added to the relocation division as relocation interviewer, it is reported.

She will be stationed at the Block 27 employment office, which is under the supervision of John B. Hunter, relocation advisor.

Mrs. Powell was formerly connected with the family welfare section as counselor.

VISITING SERVICEMEN

Camp Savage, Minn.: Pfc. K. Matsumoto and Pfc. T. Nakagawa.

Dept. Store Employees Association, a CIO union affiliate, at St. Louis, is first instance to go on record anywhere in America since evacuation that a Japanese American has been employed in a union headquarters office, says the WRA Kansas City Office.

WHITING WAR PLANT OPENS TO NISEI

Another of the great war plants in the northern Indiana industrial area was opened to nisei without prior Provost Marshal clearance recently when the Federated Metals Division of the American Smelting and Refining Company, 12230 Indianapolis Boulevard, Whiting, Indiana, was approved by the Army.

Henry C. Cullop, superintendent of the plant, and Sam Thomas, president of the C.I.O. union in the plant give strong assurance of a ready welcome for Japanese American and help in arranging housing will be given by the plant management.

Whiting is adjacent to Chicago so that workers in that area will have access to all the facilities of the big city.

The plant manufactures brass ingots primarily for military use. Wage rates are good, starting at 78¢ per hour with considerable overtime at time and one-half. While the base pay is 78¢ per hour, individual workers may be started at higher wage rates, depending upon the exact job that is assigned to them. Chances of advancement are excellent.

Applications for employment in this plant will be handled by the Chicago district office of the War Relocation Authority.

SHIRT EXCHANGED AT PRE-INDUCTION EXAM

Will the person who exchanged shirts at the pre-induction examination last Sunday at the hospital please call at the receptionist desk for his shirt.

MISS TAKAHASHI REPLACES MISS BUTLER GOES YOSHIDA, LEAVE OFFICER TO WASHINGTON

Roy Yoshida, who has been employed in the relocation division for the past year as assistant leave officer, left Wednesday evening for Philadelphia, via Des Moines, Chicago, Cleveland, New York and Washington, D.C.

In departing, he expressed his gratitude for the co-operation he has received from the community. His successor is his former secretary, Miss Edith Takahashi, to whom, he hoped, the same consideration would be given.

FUNERAL HELD FOR SANFORD SATO

Funeral services for Sanford A. Sato, active YBA leader and farmer of Mesa, Arizona was held at the Mesa Buddhist Church last Saturday, Apr. 15, according to the Arizona Republic.

Mr. Sato passed away Apr. 12 at the Phoenix hospital after a month's illness. The Rev. Julius Goldwater of Los Angeles and the Rev. K. Hirohata of Mesa officiated at the funeral.

He was born in Los Angeles and attended El Centro High School where he excelled in scholastic honors, especially in debating and oratory, the Republic states.

UNIT III TAKES TRIPLE HEADER FROM UNIT I

318-JUNIORS--EAGLETTES

In the inter-camp tilt held Monday evening at court 305, the 318 Junior team, champions of their league easily took the visiting Block 38 Eaglettes, 31-10.

Playing the best game of the season, Tok Aoki's sextette outplayed the Eaglettes with Michiye Nakagawa and Mako Ishida potting the net with 13 and 9 points respectively. Nobuko Yamamoto scored 4 points for the losers.

318 VS. DOUBLE 4ETTES

Despite the good defensive combination of Shizue Tanaka, Noby Nagata and Michiko Tateishi of the visiting Double 4ettes, the smooth working Reedley sextette led by Teruko Shimizu and Aiko Sasaki's 13 and 12 points performance won an easy game Monday evening at court 318.

Reedley's guard, H. Koga and K. Nakamura also played a grand game in holding down the Unit I aggression to 2 points until the final quarter when K. Kawano became hot in her shots to score 8 points for Double 4ettes, top team of Unit I.

The final score was 29-10.

306-330--POSTONETTES

Postonettes came closest to the Unit III team by losing their game 28-23 to 306-330 sextette last Monday evening at ct. 330.

However, the game itself was not close as 306 enjoyed a comfortable lead throughout the game.

Kiku Kawamoto took scoring honors with 16 points, followed closely by Akiko Yamada of Postonettes's 12 pts.

BLK. 32 TOP DBLE 4ETTES 27-20

The Dble 4ettes with only one more victory needed to cinch their first W.A.U. basketball crown saw their hopes vanish into thin air in the last three minutes after pulling up to within three points.

With last Wednesday's victory and only two opponents left on their sked the Blk. 32 sextette look as shoo ins for the 1944 Girl's league championship.

The Dble 4ettes with Michiko "Empire State" Tateishi leading the attack put on a surprising strong battle for three quarters to have the Blk. 32 sextette hanging by the rope.

Behind 23-14 in the fourth quarter the Dble 4ettes rallied briefly on 2 field goals by Nagata and one by Miyamoto but the smooth working 32 forwards pulled the game out of the fire on two consecutive baskets by Oyama and one by Kodama.

Oyama of the winners tanked 14 markers to Tateishi's 10 to cop scoring honors of the evening.

BULLDOGS "A", "B" HEAVY FAVORITES IN TRACKFEST TODAY

P.H.S.A.L. CONFERENCE FINALS THIS MORNING

In the final "Big" track and field meet of the season at Unit III this morning the Bulldogs rule as solid choices to cop the aye and bee crowns.

With a well balanced squad of 44 men the Bulldogs are expected to walk away with the aye and bee crown and come in no worse than second in the cee division. If a few of the Bulldog cees can cop a few unexpected blue ribbons along the line chances are the Bulldogs will sweep all three divisions.

Provided the track is in top condition and given a break in the weather no less than 12 records are **QUAD III OVERCOME QUAD II 35-47 IN YBA MATCH**

The tournament favorite Quad III aggregation led by high-scoring Wacky Wakayama with 18 swish-bucketing points, tripped the scrappy Quad II quintet 35-47 in the YBA Hana Matsuri play-off last Tuesday night on court 214.

The huge casaba fans witnessed the grappling tussle amidst the twirling dust storm, resembling the desert warfare as the Rommel-like Quad II's desperate struggle against the winning 8th resulted in the ejection of the entire starting five from the game on four personals before the final whistle.

The loser gained their only lead of 5-0 in the first quarter as they scored the initial 5 markers. But this was cut short as the aggressive Quad III with their heavy replacement overwhelmed the opponent to take a half-time lead of 23-29 and their eventual drive to victory.

Tats Tazumi paced the losers with 11 points

expected to fall.

The highlight of the day being the high jump where Morinishi will attempt to clear 6 ft. or better.

Other records that appear to be a bit wobbly are the mile, broad and hop, step, 440, 100 and the 880.

In the mile Sakai and Nomura of the Bulldogs and Nagata of the Bears are expected to lower the record by a good half a minute while in the broad and hop, step Shigemura of the Bulldogs may hit 21 ft. and 41 ft. in the respective events.

In the 440 Hori should better his old mark of 60 while Nakamura or Yoshida should ramble the century in a new time. Yoshida may repeat again in the half mile.

The bee division should find Watanabe erasing his old mark of 38'3 1/2" in the triple jump. In the 330 Nagano of Unit I and Segawa of Unit III are expected to hit under 42 for a new record.

Cee division records expected to topple are the broad jump and shot. In the former Maeda of Unit I and in the latter Sakurai also of Unit I are the expectant new record holders.

QUAD I EDGE II 30-32

Ringing the basket for 22 markers, hawk-eyed Sue Etow paced the Quad I sextette to a nipping 30-32 victory over the Quad II girls in the semi-final Hana Matsuri tournament last Monday night.

Trailing at half time 7-20, the loser, invigorated by the sideline remarks suddenly unleashed their offensive tactics to score 23 points to the winner 12 in the second half, but the time element cut short their

1780 LISTED ON STOP LIST AS OF APR. 21

As of April 21, a total of 1,780 residents had been on the project stoplist; 1,454 leave clearance files had been returned to Washington, including an incomplete 538 belonging to segregants, Gripsholm exchangees, and Crystal City transfers; and 487 clearances and 27 denials had been received here, the relocation division reported.

There remain 865 files on the project, including those cases which (Cont. on page 2)

COMMUNITY COUNCILMEN GIVEN OATH BY DIRECTOR MILLS

Project Director Duncan Mills administered the oath to 19 members of the newly-elected Community Council members last week in Unit I. Six of the 19 councilmen are new, the others being re-elected to the post.

Following are the Councilmen who will serve for the next six months:

Councilmen for Unit I (9 members) are: Thomas Masuda, Minoru Okamoto, Yukitaro Kawasaki, Sadao Sasaki, Ryohei Onishi, re-elected; Sakuji Yamada,

Hideo Amano, Masayoshi Nagai, Yoshio Masaki, -new.

Councilmen for Unit II (5 members) are: Setsugo Sakamoto, Kiroku Takizawa, Kingo Okawauchi, John Terakawa, -re-elected; Ryusuke Tazumi, -new.

Councilmen for Unit III (5 members) are: Dr. Takashi Namiki, Masao Otani, George Hori, Henry Nakaji, -re-elected; Itaru Kubota, -new.

Appointment of the following city officials was approved at the meeting of Thursday, April 20: city manager, Minoru Okamoto; city clerk, James S. Yahiro; acting city attorney, Elmer Yamamoto and city treasurer, Yukitaro Kawasaki.

PROCEDURE SET UP TO CLEAR NISEI FOR MERCHANT MARINES

The U.S. Coast Guard has completed procedures for clearing United States citizens of Japanese ancestry for shipping out of Atlantic ports as Merchant Marines, Dillon S. Myer stated in a teletype to Project Director Duncan Mills.

Application blanks for clearance will be mailed to the project as soon as they can be produced, the wire stated. Evacuees wishing to apply are urged to wait for the procedure and blanks to arrive, but if they are in a hurry, they may write directly to the Commandant of the U.S. Coast Guard, Washington, D.C. for information.

Neither the Coast Guard nor War Shipping Administration will consider inexperienced

persons under 26 years of age for maritime employment.

MASUDA ELECTED CHAIRMAN OF THE COMMUNITY COUNCIL

Thomas Masuda, currently on a trip on the outside, was unanimously elected chairman of the Poston Community Council, with the title of Mayor, at the initial meeting of the newly-elected Communi-

ty Council, April 17. Itaru Kubota, Unit III was unanimously elected vice-chairman, and will take charge of meetings until the return of Mr. Masuda. Mr. Masuda is expected to return in (Cont. on page 2)

SEASONAL LEAVES REVISED

Leave regulations governing the employment of evacuee workers in seasonal farm work have been revised in order to make seasonal evacuee labor an integral part of the nation's farm labor program. Under the new regulations (Handbook Re-

lease 60.3.1) private contracts between evacuees and farm employers are eliminated and all future contracts for seasonal evacuee workers must be made with the War Administration or other government agency handling farm labor procurement.

Employers seeking evacuee farm labor will make requests through the federal agency concerned which in turn will contract with evacuees for work on the farms. Seasonal (Cont. on page 2)

 Sgt. Roy Takai of the United States Army, who has V-mailed this column from time to time had this to say in his most recent epistle:

"Have again moved from among the bamboo groves, banana trees, etc. to the hills--no, bashas are no longer our home. Tents that leak like sieves when it rains have replaced them.

"Bath ceremonies which were held in a gallon oil can cut in half are no longer in existence. The only washing water is gotten from an old muck hole--the water black as a negro's pigment and smells something awful.

"Aside from working 12-14 hours a day and patiently waiting for the enemy to attack, nothing unusual happens here. Air raids are rather common now. We've had some 3 or 4 air raids during one day. Bombs have landed here and there, but outside of killing a few natives, little damage has been done. Yes, I am knocking on wood, they say it only takes one!!

BULLDOGS CAPTURE P.H.S.A.L. CONFERENCE FINALS; RECORDS FALL

Crammed with just about all the top spike stars in Poston, the first P.H.S.A.L. Conference finals were held Saturday morning on the Unit III Oval.

As was expected the Bulldog eye and bee squads walked away with their respective classes as did the Bears in the cee division.

The Bulldog eyes powerhouse squad rolled up a total of 81 points to the Bears 28 while in the bee division the Bulldogs took the lions share with 61½ to the Bears 43½ and Wildcats 9. The host team easily took the cee division with 50½ to the Wildcat's 23½ and Bulldog's 18.

The over all total gave the Bulldogs 159½ to the Bear's 122 and Wildcat's 33½.

With the victory the Bulldogs took possession of a beautiful 12 inch trophy.

Bob Watanabe of the Bulldogs took individual honors with blue ribbons in the 50, 100, hop, step besides running anchor on the winning relay team.

Although the track was fairly soft 9 new marks were posted—4 in the eye and 5 in the bee.

In the high jump where the largest crowd gathered, Teru Morinishi after easily clearing 5'9" attempted 5'11" and cleared it on his second jump only to hit the bar on the way down.

In addition to the 9 new records, two major upsets were recorded. The outstanding upset

coming in the 440 where Nishida of the Bulldogs getting off to a fast start kept the lead all the way to the tape in the record breaking time of 58.3. Hori, the favorite tired badly in the stretch. The other upset was posted by Takeshita of the host team in the broad where he nosed out the favorite, Shigemura by 2 inches with a leap of 19'11½".

In addition to the 440 new marks were posted in the following events:

Aye Class--
 Mile run—Nomura (I); 5:51 (Old time—6:35.1)
 Hop, step and jump—Shigemura (I); 40'7½" (Old mark—40')
 12 lb. shot—Shinohara (III); 39'10½" (Old mark—39')

Bee Class--
 50 yd. dash—Watanabe (I); 5.4 (Old time—5.5)
 100 yd. dash—Watanabe (I); 10.3 (Old time 10.4)
 330 yd. dash—Nagaro (I); 41.5 (Old time—42.)
 High jump—Ozawa (III); 5'5½" (Old mark—5'5")
 Hop, step and Jump—Watanabe (I)—38'6½" (Old mark 38'3½")

GIRLS SOFTBALL NOTICE

The W.A.U. has stated that classes for the coming girls softball season will be divided in the following way—Aye league may be made up of high school girls and out of school girls while bee will be limited to high school girls only.

Girls are reminded to sign up at the WAU office located in Blk. 54-5-A by April 30th.

SUS. HAYASHI—JAMES ABE COPS LINK TOURNEY

Sus. Hayashi won the Poston II 36 holes championship flight match tourney last Sunday when he defeated veteran John Urabe in the finals, 6 up and 4 to go.

Hayashi's remarkable victory in the tourney was sweep-staking as he virtually breezed thru the qualifying rounds and his eventual victory over pre-favorite Urabe.

James Abe defeated Tom Kazaoka, 4 up and 3 to go in the finals to cop the "A" flight tourney.

In the 18 holes defeated eight championship play off, Jim Taniguchi defeated Kiyoto Sakai and George Hirano bested Max Kozen in the "A" flight playoff.

The finalists in each flight were awarded gold and silver golf ball charm.

CHIYEKO YAMAMOTO TIE SUE ETOW WITH 22 PTS.

The heavy favorite Quadd III sextet mercifully overwhelmed the hapless Quad IV girls, 25-55, last Thursday eve in the Hana Matsuri tournament.

The Stalwart combination forwards of Chiyeko Yamamoto and Dora Nishimura went on a scoring spree as they garnered 22 and 17 points respectively for the winners.

Louise Nakashima led the losers with 15 markers.

The winning sextet retained the right to vie for the festival crown against the Quad I cagers this Sunday.

RELOCATION CAN SERVE FAMILIES

In connection with the new family counseling program, Edward Nossoff, acting relocation program officer, announced last week that the relocation division is now in a position to give additional service to families about relocation.

The co-operation of community leaders has been enlisted in the new program, which will include all members that can be contacted by the staff. Residents may come to the unit offices for advice concerning not only their future relocation plans, but other necessary services such as hospitalization and other welfare services, which will be referred to the proper authorities.

SEVEN CALLED FOR INDUCTION

Seven boys have received notices ordering them to report for induction in Phoenix on Monday, May 1, W. Allen Cushman, acting selective service representative, reports.

The following six will go to Phoenix and will be returned to the center after being assigned to the Enlisted Reserve: Umon Nakaniishi, 12-12-D; Etsuo Jimmy Ogawa, 4-11-A; Takashi Ezaki, 12-12-A; Hideo Fujii, 15-8-B; Henry Hiromitsu Inagi, 211-10-B; Tetsu Henry Nakabayashi, 3-12-A; and Minoru Fujisaki, 305-12-B. The seventh person, Howard Hiroshi Okano of Unit III, was a recent transfer to Crystal City, Texas.

RESTRICTIONS RELAXED FOR FAMILIES OF TO-BE-INDUCTEES

In order to assist evacuees about to enter military service who are anxious to relocate their families outside the centers before induction, the current restrictions on restricted areas on the Western Plains Area have been relaxed, according to a release received April 21 from the WRA Denver Office.

With Mrs. Harriet Powell already added to the staff, T. Tanaka, former manager of the Blk. 27 employment office and more recently, business manager of the hospital, is the latest addition to the relocation division's new family counseling program.

Commenting on the results of the recent survey which showed that about 25% of the community is interested in relocation, Nossoff said that at the same time that the relocation division will attempt to aid them, it will try to interest more residents in relocation, "because in the final analysis, that is the only concrete and sound solution to their problems here."

The restricted areas are: Northern Utah, Northern Colorado, East Oregon and part of Idaho.

WRA Denver Office will give favorable consideration to the request of any evacuee who has passed his pre-induction physical to relocate in the restricted district, if he or his wife has immediate relatives with whom the wife intends to reside after her husband's entrance into military service.

Prior approval will be required from the appropriate relocation office on each individual case. Families relocating on this basis are not expected to return to the center when the husband enters military service, it is stated.

CAB COMPANY MAN LEAVES

Robert C. Freedman of the Sun Cab Company in Baltimore, Md., left this week after interviewing about 50.

Employment opportunities as auto mechanics and helpers were offered by Freedman, not only for the duration but after the war.

SPAIN DELEGATE TO COME

In a few weeks another visit will be made to the Colorado River relocation center by a Spanish Delegate.

In order to assure the presentation of the petitions and complaints of the Japanese nationals residing in the Center, and at the same time simplify the procedure, I would greatly appreciate it if such petitions and complaints could be prepared in advance in writing and in quadruplicate.

Thanking you for your attention to this matter, I remain,

Counsel of Spain

EDITORIAL:

RELOCATION HINDRANCE

Last week, five Japanese American farm laborers, just arrived from the Gila River Relocation Center, were driven out of Great Meadows, New Jersey, by the threat of mob violence.

This occurred as a result of aroused public resentment which culminated in an emotional mass meeting of those who protested Edward Kowalik's hiring of these evacuees. Since these evacuees had been investigated and their loyalty to this country ascertained, the incident must be interpreted as an expression of instigated race discrimination.

It is not in regard to this incident at Great Meadows alone that we are concerned but with the future developments which will come as a result of how people react to this incident. Already, this "incident" has developed into an organized move to get anti-Japanese legislation passed in New Jersey. Furthermore, the Governor has indicated his position by stating that he doesn't blame the people in his state for not wanting the evacuees.

We believe strongly that there are certain alarming aspects in the case which warrant the serious attention of all groups and organizations for whom a fair, sensible and enlightened treatment of racial minorities is a matter of basic conviction and policy. Because the events that have taken place in Great Meadows are disturbingly reminiscent of the shameful race riots which occurred last year in Detroit, Beaumont and elsewhere we feel that the type of hysterical, prejudiced temper holding sway in Great Meadows must be discouraged whenever it takes or begins to take hold in any community. The very fact that Dies and the reactionary Republicans in California have been using the evacuee problem as a political football is enough to indicate that this problem is of national importance.

On the eve of invasion of the Nazi fortress of Europe, unity of the people behind our Commander-in-Chief is doubly important. This means among other things that all available manpower should be utilized to produce food and ammunition for successful prosecution of the war. The War Relocation Authority is an integral part of this victory program. Following the wholesale evacuation of the Japanese Americans from the West Coast military area into inland relocation centers, the W.R.A. took the progressive measure of segregating those evacuees who are to be held in custody for the duration of the war. The other Japanese Americans, after clearance by authorized Government agencies are now being relocated to the mid-west and east. The resettlement program of the W.R.A. will make available manpower where it is greatly needed; also, it would integrate this minority group, along with all minority groups, into the total war effort, thereby strengthening national unity.

Any action, therefore, directed against the W.R.A. relocation policy is action not against Japanese Americans alone, but an attack on our entire national program. This is the point we must bear in mind when considering the problem of the evacuees. We cannot allow the defeatists, the anti-war, the anti-democratic forces to utilize the evacuees and the Govern-

N.J. CLERGYMEN DEPLORE FORCED DEPARTURES

According to a teletype received, the New York Herald Tribune in its April 22 paper, ran a story which said 200 New Jersey clergymen, at the 87th Newark Annual Conference of the Methodist Church, unanimously passed a resolution April 21 deploring the action of Warren County farmers who, a week before, forced the departure of five Japanese evacuees, assigned to work on a Great Meadow farm.

The ministers also, the release stated, heartily endorsed the efforts of WRA to resettle evacuees of Japanese ancestry.

家族ウエルフェア部

二名の部員を追加

居住者将来の計画に就き相談

ミルズ所長の発表に依りては家族ウエルフェア部は近く二名の部員を追加し、ボストン居住者将来の計画に就き相談に就くこととなつた。この仕事はウエルフェア部の仕事の一部として従来に移転日本行及び家族問題など、同様にこの部に於て取扱はれることとなるが、今回の増員に依つて同部を利用出来る機会が一層多くなつた訳である。この相談会の目的は次の二途に分れて居る。即ち第一に家族の再住に参考となる資料を提供し、第二に家族は再居住に際してどのような障害に直面するかを知らんとするにあり、この相談会を利用するしむは全く各人の任意であるが、家族の中堅となる人々、再住問題で視察に出発せんとする人、或は視察の帰りに帰つた人などに優先的に相談に慮することになつてゐる。

要之今回のウエルフェア部の増員は居住局に於て居住者特に家族大多數の意向即ち将来とも新住所に留まらんとするか、或は又再住の意思を

有してゐるかどうかを知り再住を希望する人々にはW.F.F.は積極的な援助を施へんとする目的を有するものなることとミルズ所長は強調してゐる。

NAKASAKI HELD FOR EVADING PHYSICAL

William Harumi Nakasaki of 6-9-D, who was the only person to refuse to appear for his examination in the second pre-induction mass physicals on April 16, was taken to Phoenix early this week by FBI agents, the office of Internal Security reports.

FORMER RESIDENT TO GET GUGGENHEIM FELLOWSHIP

Dr. William N. Takahashi, formerly plant pathology instructor at U.C., and now on leave to Cornell University will receive a Guggenheim Fellowship, according to an announcement issued by the Guggenheim Foundation, states the Pacific Citizen.

Dr. Takahashi who was formerly with the Boston Agricultural Dept. as a research man prior to his instructorship to Cornell, will receive his fellowship for work in the biological sciences.

He is the second Nisei to be given such a fellowship, the first going to Isamu Noguchi, a noted sculptor and another former Poston resident.

ANTI-LAND PETITION OUT

Eugene W. Biscailuz, sheriff of Los Angeles county was the first California voter to sign a petition to permanently bar Japanese aliens from owning or acquiring land in California, states the L.A. Times.

The petition will require 178,000 signatures before a measure can be placed on the November ballot. The

GAS TO BE RATIONED HERE

Gas will be rationed here starting May 1 to insure compliance with the request of the President that all government agencies cut down on the use of gas, according to Leslie Miller, Motor Pool Supervisor, Unit I.

Gas ration tickets have been issued, each ticket being good for five gallons of gasoline when signed by the

driver and filled in with the property number of the car or truck. Gas station attendants have been instructed to take a ticket for each five gallons of gasoline they issue, and to have the driver of the car or truck sign both the ration tickets and the daily gas sheet. No tickets will be required for tractors or stationary engines.

Mr. Miller says that this is an effort to save tires.

CIVIL SERVICE EXAMS WILL BE HELD ON MAY 6

Next examination for U.S. Civil Service positions for stenographers, typists and clerks has been scheduled for Sat., May 6, at 1:30 p.m. at Adobe 24 in Camp I according to Edward Nossoff, Acting Relocation Officer and Member-in-Charge, Board of U.S. Civil Service Examiners.

Individuals above 16 years, regardless of whether they are on the stop-list or not, are eligible to take the examination.

To qualify, applicants must be able to type at least 35 words a minute and take

shorthand at 80 words a minute, and are required to furnish their own typewriters, pens and pencils. If they are unable to furnish typewriters for the examination, they should notify the Relocation Office by Friday, May 5.

Applications must be received by the Relocation Office by Fri., May 5.

NAKAJIMA LEAVES FOR NEW YORK CITY

Leaving Tuesday night for New York on the invitation of Mrs. Mary Hayes, New York relocation officer, is Ichiro Nakajima relocation co-ordination assistant.

Nakajima has recently been in charge of personnel, information and procurement and "has done as much as any one individual to build up the efficiency of the relocation division," according to Edward Nossoff, acting relocation program officer.

Japanese Exclusion Association is the sponsor of the petition and is endorsed by the Native Sons of the Golden West.

The proposed amendment is to "close loopholes in the present alien land law, which permits Japanese aliens to own or acquire land through subterfuge and collusion".

Correction: In my column of Apr. 18, I said, "In May, 1943, 128 left on indefinite leave, the highest rate..." Here's the correction: In May, 1943, 128 left in one week on indefinite leave...."

On seasonal leaves; Under the new regulations (Handbook Release 60.3.1) private contracts are eliminated and all future contracts for seasonal evacuee workers must be made with the War Food Administration or other government agency handling farm labor procurement. Evacuees seeking evacuee farm labor will make requests through the federal agency concerned which in turn will contract with evacuees for work on the farm.

Harold S. Fistere transferred to New York from Cleveland, in March, to supervise relocation in area of which formerly Robert M. Cullum was supervisor.

Among the nine freshmen the pledging of which to men's social clubs which take the place of fraternities on Muskingum College campus, was announced April 20, by Albert W. Baisler, acting dean of men, was Itsumi Oita, son of Mr. and Mrs. H. Oita, Blk. 231, Poston, who joined the Alban Club, according to release received.

Release of April 20 from Rochester, New York, says Minko Yanozato, late of Poston, has been transferred and promoted to the newly opened WRA office in Rochester as secretary to Relocation Officer Claude C. Cornwall. While here, she worked more than a year as a secretary in the Law Dept., Poston I.

TWO CASES TRIED

Two cases, previously arraigned before the inter-unit Judicial Commission, were tried by the Commission on Wednesday morning, April 25. Defendants in both cases waived jury trials which they had requested.

The first case, in which a man was charged with assault and battery, was ordered continued until May 2 so that an additional witness may be subpoenaed for testimony.

In the second case, the defendant changed his plea of not guilty to guilty to the charge of gambling. He was sentenced to 30 days in the project jail, suspended, and was placed on six-month's probation, during which he must report weekly to the Internal Security section.

**BLK. 32 COP TITLE;
DUMP EAGLETTES 25-19**

Bringing to a close the 2nd successful season of basketball under the sponsorship of the W.A.U., the Blk. 32 sextette defeated the Eaglettes 25-19 to sew up the crown.

The Blk. 32 girls concluded their 9 game sked with 8 victories and one defeat. The lone defeat was administered by the B.U.G's.

With Sadakane and T. Kitasaki leading the Eaglettes attack, they held the highly touted 32 girls to a 11-9 half.

However in the second half the all-star forward line of Kodama, Watari and Oyama found the range to slowly but surely pull away.

Scoring champion M. Oyama amassed a total of 16 digits to top Sadakane's 10 for the losers to cop scoring honors of the evening.

The tourney is sponsored by the P.C.A.A.

**MUDHENS EDGE RED DEVILS
IN OVERTIME**

In an overtime thriller a well oiled Mudhens quintet defeated the favored Red Devils by a scant 34-30 margin.

A low scoring first quarter made way for a strictly offensive evening with the Red Devils paced by Noto leading at half 18-14. With not more than 3 points separating them all during the 3rd and 4th quarters the final whistle found the score tied 30 all.

The Mudhens received the tip off and scored with less than a minute gone on a fast breaking setup for Nishida. A little over-anxious, Red Devils lost possession of the ball on a pass with Morinishi taking it in and sewing up the game.

Yamasaki and Morinishi divided scoring honors for the Mudhens with 12 digits each. Noto led the Red Devils marking up 13 points.
