SEASONAL WORK TWENTY STUDENTS APPLY FOR STUDENT RELOCATION

About 100 more men are being sought by Ray Tanaka, formerly of the Unit I Ag. Dept. for seasonal work in Cache County, Utah.

Tanaka is recruiting men for beets, peas, tomatoes, beans, onions, potatoes, and fruits.

Interested persons are asked to contact him at the employment office or at his home at 45-8-D.

About 20 students who will graduate from Poston High Schools this June have applied to the National Japanese American Student Relocation Council in Philadelphia for student relocation and several others have indicated their interest, according to Miss Estelee Hinson, Unit I

student relocation counselor.

Additional residents who are interested in relocating to outside colleges are asked to contact the student relocation counselors in their respective units for assistance. Besides Miss Hinson in Unit I, Robert Wells in Unit II, Martha Hayes in Unit III and Kenneth Yamamoto are in a position to assist such persons in choosing a college, applying for admittance and advising about financial aid.

Yamamoto has been sent here by the NJASRC and is working closely with the local counselors in the three units. He was a Sophomore Core teacher here last year.

In Unit I residents are invited to visit the Student Relocation Office at Rec. 31, where a library of probably a thousand college catalogs is available, as well as a bulletin board giving material pertinent to student relocation.

SOCIAL SECURITY BOARD AIDS RELOCATED EVACUEES

Relocated evacuees throughout the country have received aid in overcoming emergency conditions through state and local agencies cooperating with the Social Security Board, according to information received at the center from U. J. Utz, Acting Director of WRA in Washington.

The majority of evacuees have been able to relocate successfully without any outside aid, but in the few cases where help was needed, former center residents found the Social Security Board through its cooperating agencies able to provide prompt assistance in working out many of their problems.

For example, there was the case of a young

lady who became seriously ill immediately upon arrival in a new community. Through a local agency cooperating with the Social Security Board, hospital care was provided, and her job was kept open until she recovered and was able to return to work. In another case, a young man reported for work and was given a physical examination which disclosed a serious condition requiring an immediate operation. Here again, medical care was given, living costs assumed, and other service provided until

POSTON ALIEN JAPANESE GETS AMERICAN CITIZENSHIP IN ARMY

Private Noboru Nakamura, formerly of Blk. 308-8-B, and now of Camp Shelby, Miss., was quite a happy man when he received a certificate from the United States government making him a full-fledged American citizen, according to the Pacific Citizen.

Pvt. Nakamura is one of the very few, if not the first Japanese alien now serving in the armed forces of World War II, to receive his American Ci-

tizenship, the Pacific Citizen states.

He was born in Nagasaki, Japan, 19 years ago and came to this country with his parents at the age of four. Prior to evacuation, he lived in Reedley, California and was moved to Poston from where he volunteered for combat duties with the Japanese American Combat Team. He has a sister who is married to a Nisei officer who is now fighting overseas.

HOSTEL FOR RESETTLERS OPENED IN PHILADELPHIA

Philadelphia, --A hostel for newly arrived resettlers which will comfortably accommodate twenty-five persons has been opened here under the sponsorship of a committee of private citizens in a four-story residence conveniently located at 3228 Chestnut Street, just a few minutes' ride by street car from the center of Philadelphia.

Temporary residents at the hostel will be charged \$1 a day for adults and 50 cents a day for children for room and meals for a maximum period of ten days. Individuals wishing to remain at the hostel after securing work will be charged \$12 weekly.

Resettlers desiring to stay at the hostel on their arrival in Philadelphia should make reservations by writing preferably two weeks in advance to Henry C. Patterson, Relocation Officer, 1105 Stephen Girard Building, 21 South 12 Street, Philadelphia 7, Pa.

The hostel is being jointly sponsored and initially financed by the Philadelphia Federal Council of Churches, the Women's International League for Peace and Freedom, and the Citizens' Cooperating Committee.

Mrs. Saburo Inouye, formerly of the Tule Lake and Jerome Relocation Centers and the Cincinnati Hostel, is the housemother for the new residence.

LIFE MAGAZINE CARRIES GREAT MEADOWS INCIDENT

Life magazine's REPORT for May 1 is entitled "Mr. Yamamoto, New Jersey Town Runs Him Out" and tells of the relocation efforts of George Yamamoto, former Gilan.

Yamamoto was one of the five evacuees who were forced to leave Great Meadows, N.J., because of anti-Japanese sentiment.

The article, by Faith Fair, concludes, "Last week Mr. Yamamoto, who does not lose courage easily, was making another try at picking up the threads of his life. He was working on a vegetable farm in Bucks County, Pa. He was still hoping to send for his wife and his family, and to send his kids to an American school."

COUNSELLORS DIRECTORY PUBLISHED

A directory of counsellors for Japanese Americans has been published by the Committee on Resettlement of Japanese Americans of New York City recently, to direct evacuees to people they can contact in their adopted cities.

The individuals listed in the directory are those who are willing to counsel evacuees who have resettled. Evacuees are urged to arrange for an appointment prior to calling on the counsellors and a letter of introduction to the counsellor will be helpful.

CRAWFORD RETURNS FROM CONFERENCE

James D. Crawford, relocation program officer, returned last Monday from Chicago where he attended the relocation conference held from May 18-22.

A very successful meeting is reported by Mr. Crawford, who also visited many former Postonites, all of whom were very happy in their new job.

Further details of the conference will be published in the Chronicle as soon as they are available.

This is not a new program, nor is it planned exclusively for evacuees. It is part of a larger plan for helping persons in need who have been affected by certain restrictive action on the part of the federal government. Both aliens and citizens may receive such assistance.

Through this program of cooperation between the War Relocation Authority and the Social Security Board, help in emergencies has generally been provided to relocated residents from the centers on the same basis as to other residents of a community.

Further information on the program may be obtained at the Welfare Office or the Relocation Office. Those who have already relocated should write or visit the nearest WRA field office.

"EL CHAP" STAFF TAKES TRIP TO PHOENIX

The 1944 edition of "El Chaparral", the Poston II High School annual, edited by Ickey Miyanaga, made an advancement toward its completion when Miss Katherine Wrenchey, general advisor, Miss Miyanaga, editor, and Sachi Mizuki, associate editor, left for the Phoenix, Arizona Engraving and Lithographing Company plant on a short term leave Saturday morning.

Other staff members include: Robert Kanagawa, business advisor; Dotty Matsumoto, business manager; Kaz Hironaka, art editor; Henry Inagi, head photographer; Gene Nakata, publicity manager; and Mary Kanagawa, senior pictures.

The members of the staff agree that this year's annual will be better and bigger with sixty-four pages featuring class activities and sport highlights.

DUST N' DESERT

Now that spring is here again, the boys will be putting their basketballs away and the familiar cry of "Play Ball" will fill the air. The Coast and Major Leagues have started recently, and Poston will begin its softball League here on May 8.

Reminiscing the last Hardball League, as a fan, player, coach and umpire, the writer would like to pay special tribute to one of the local players. On the mound, he was one of the best pitchers in the league, being the master of both speed and control. I would say from observation that he had the most strike-outs to his credit with the smallest number of free passes issued.

On top of that, regardless of the fact that he was a pitcher--players notorious as weak hitters, he was one of the leading hitters in the league. Also, once on the base he was considered one of the most dangerous base runners, being credited with at least two stolen bases per game.

To top it off, the writer considers him to be one of the best fielding pitchers ever seen, bar none. I believe he played the entire season without a fielding error. I have personally seen him throw out three runners at home plate while the attempted squeeze play was on. That is fielding par excellence in any league.

In spite of the fact that he was playing on the team that could not be termed spectacular or especially hard hitting, his team won the championship

of the Hardball league. Yes--you have probably guessed his name--Pitcher HARRY SAKAMOTO of the MUTINEERS. Undoubtedly, he deserves the title of most valuable player of the league.

While on the subject of baseball, the writer has often wondered why an ALL-STAR team of the Poston Baseball League was never selected for publication. The fan interest in the league was exceptionally high with many of the games turning out from 1,000 to 2,000 fans or practically one-half of the camp's population.

The writer picks the following as the Poston ALL-STAR Team, picked from local players only, and based on their performance throughout the season: c -Jay Nishida -308 Globetrotter; p. Harry Sakamoto--Mutineer; p. Gordy Miyamoto--Transportation; lb Tak Naito--Firemen; 2b, N. Sakai--Firemen; 3b, F. G. POSTON SQUARE GARDEN

LET'S KEEP PSG AMPHITHEATRE NEAT

It wasn't an easy task. It took over a year to construct the beautiful and well-equipped amphitheatre in Unit III and it is taking the toil and sweat of many parents to mold the adobes to make the wall around the audience grounds.

Recently during the movies held there, small children were seen marking the walls and destroying the yet unfinished wall by scraping the adobe squares.

Young people should also take in consideration that they are setting the example and it is asked that they use their chairs instead of the walls to sit on.

Parents are asked to especially educate the younger children on the value of property and its importance to the community as their destruction and marks will hinder the appearance and completion of this amphitheatre.

DIRECTOR DILLON MYER COMMENTS ON MATSUBARA-HONDA CASE

In a recent letter to Duncan Mills, project director, WRA Director Dillon S. Myer comments on the problems raised by the case of Thomas Matsubara and William Honda. Matsubara and Honda were reinstated as Poston residents when they returned here last month after encountering adverse sentiment in Lewes, Sussex County, Delaware.

On the question asked by the two men of whether or not the area had been sufficiently investigated before evacuees were invited to relocate there, Director Myer says that Robert Cronin, Baltimore area supervisor, had visited the Lewes area. While the latter had found no "widespread enthusiasm," about the idea of evacuee workers, he had met nothing resembling "active opposition."

Mr. Myer cites another case in another area, where the evacuees protested that opposition to relocation had been created by the WRA laying too much groundwork beforehand.

"Prior to approving a relocation opportunity to be forwarded to a center," the letter from Mr. Myer declares, "our relocation officers are expected to talk to representative businessmen, other community leaders, and local officials. In this way we try to determine the probable reaction of the community and prepare the way for the arrival of any evacuees. We attempt to assure favorable community sentiment, but naturally we cannot attain unqualified success in all instances. There are sometimes unknown factors which upset the predictions of the relocation officers."

In this case there were two such unpredictable factors. The first was that Roland Marsh, who lead the minority opposition, was an enemy of Charles Mills, the employer of Matsubara and Honda. The second was that Ray Richards, bitterest of WRA critics among newspapermen, had somehow picked up the scent of the story and proceeded to exaggerate the incident. "Richards has frequently written stories which are completely untrue or are unqualified exaggerations," Mr. Myer recalls. "This should be known to the residents of the Colorado River Relocation Center since many of his articles have appeared in the Los Angeles Examiner and have concerned activities of Poston residents."

"The great protest meeting" about which Richards wrote was actually attended by about 70 people, about 61 of whom were farmers. This was hardly a representative group out of a possible 5000 Sussex County farmers, and "not even a sizable portion of 400 to 500 farmers in the Lewes-Rehoboth area."

In any case, the letter emphasizes, "It is unrealistic for evacuees to enter any new community with the expectation of immediate acceptance by everyone."

"Our experience has shown that, even in the East, relocation in rural areas sometimes meets initial opposition from a minority of the farmers. The breaking down process requires a certain amount of patience and effort on the part of the evacuees as well as the relocation officer supervising the district."

TREATMENT WONDERFUL SAYS NISEI LIEUTENANT

Denver, Colo., April 29--First Lt. Isamu Ozamoto, former Denver surgeon who has been attached to the medical corps of the Japanese American combat team at Camp Shelby, Miss., recently described his treatment in the army as "nothing less than wonderful."

Lt. Ozamoto, a graduate of Manual Training High School in Denver and of the University of Colorado Medical School, stopped off here to see his wife and 10-month-old daughter, who live at 2220 Lawrence St.

Describing his experience in the army since he was voluntarily inducted seven and one-half months ago, he declared "it's been swell, perfectly swell --I wouldn't have missed a minute of it."

Lt. Ozamoto said that in his opinion the army policy of placing Japanese Americans in separate units was "a good idea. It operates for the protection of Japanese Americans and it improves esprit de corps."

Referring to the stand of a small minority of Japanese Americans who refuse to be drafted except on the same basis as Caucasians, Lt. Ozamoto declared:

"If I were weak-minded I might agree with their stand. Any Japanese American who resists the draft is stupid--he hurts not only himself but the great majority of his kind who are loyal to the United States."

Lt. Ozamoto said he expected to be sent overseas soon.

"I don't care where I'm sent," he added. "One combat zone is as good as another so far as I'm concerned."

COMMUNITY COUNCIL TO PRESENT WADE HEAD SOUVENIR

To show the community's appreciation of former Project Director W. Wade Head's work here, a huge autograph book, 11x9 inches and consisting of 250 pages is being prepared by the Community Council.

Blank sheets have been distributed to every block in the three units for the residents' signatures. Persons having artistic or literary talent are asked to add drawings or poems to the book, and extra sheets needed for this purpose may be obtained through

the block manager or at the Community Council Office. In this way, it is hoped to make the book as attractive as possible.

When completed, the book will be packaged in a wooden box and will be presented to Mr. Head.

MEN INDUCTED INELIGIBLE FOR GRANTS

At the relocation staff meeting held last Wednesday afternoon, James D. Crawford, relocation program officer, made a partial report on the relocation conference which he attended in Chicago.

Among the new regulations which will go into effect are two affecting nisei servicemen, Mr. Crawford said.

Male residents who are inducted and placed on Enlisted Reserve will not be eligible for leave assistance grants unless they are involved in a family relocation plan.

Visiting servicemen will no longer be charged for subsistence.

NOSSOFF LEAVES FOR ARMY

Accepted for a special assignment with the combat forces of the U.S. Army, Edward Noss-off, Assistant Relocation Program Officer, will leave the project Sunday, for induction in Los Angeles.

BULLDOGS ENTERTAIN BEARS IN DIAMOND TILT

The Bulldogs and Bears pry the lid off of the local high school softball league this morning when they meet on Fld. 30 from 9:00 a.m.

This is the first league game so little is known of either team. Coach Tets Himaka of the Bears will bring a team headed by a strong hurling staff of five pitchers.

Coach Larry Orida hopes to counter-balance the Bears strong hurling with a powerhouse array of hitters.

Following is the tentative line up and batting order.

OPEN TOURNEY STARTS TUESDAY

Although the war's sinister shadow lies deeper than ever across the path of Poston's third softball season, the grand sport carries on. This coming Tuesday Poston's third softball season officially gets underway with a 18 team open tournament.

With many of the outstanding players of last season gone and many new faces dotting the line up of all the teams it will be a case of bad luck, indeed for the team that doesn't get the breaks and flounders right from the start. It can happen to all 18 teams.

highlight of the day will go on when a 16 event track and field meet will be held at the Blackbird Oval located west of Blk. 59.

Prizes will be awarded to all placing participants.

Spectators are reminded to bring their own chairs as there will be no chairs furnished.

The day will be topped off by a movie at the Blk. 21 pool.

Following is the schedule for the day:

Morning Events---Blk. 21
8:30-Opening Ceremonies
8:45-Demonstrations by Girl and Boy Scouts
9:00 to 11:15 -Track meet (Grammar grades)
Evening Events---
6:00 - Track & Field Meet (Block 59)
8:45-Movie (Block 21)

due to lower handicap men in Unit II, the feature matches were closely contested.

John Urabe of II defeated K. Fuminaka of III, 3-0; Yamada of I defeated Kiyoto Sakai of II, 2-1; Nakabayashi of I defeated Sus Hayashi of II, 3-0.

In the opening week all 18 teams swing into action with some teams playing twice. Following is the schedule for the first week of play.

Tuesday, May 9
Teh Ages vs. Blackbirds Field 26
Indians vs. Clowns Field 3
Bombers vs. Red Devils Field 31
Breeze vs. Panthers Field 12

WHAT'S IN A

...name is an interesting topic. We can talk a blue streak about that every day of the week and twice on Sundays at high noon in the middle of Broadway. Nicknames are more our meat, so let us begin with a timely one, Camouflage. No doubt, you know her. Inasmuch as it is a "her," the name is self-explanatory. Then there is Daikon, whose gams may not be likened to those owned and operated by la Dietrich or Grable. So far as Nappa's origin is concerned, we are in the dark. Nappa is not green, nor is she edible, now is she a base sticker, as is the nature of most nappas. Then there is a Wabbit and Cawwot. The latter resides in Pennsy. This originated from the pun "Do you know how to catch wabbits? You make a noise like a cawwot." Peach is a paratrooper-to-be in the Everglade state at the moment. His moniker was not born out of its similarity to his complexion. An Issei lady friend of his could not pronounce "Pete." Thus Peach. When you have time and ideas for "What's in a Nickname Department" please come to see us.

C.A. ACKNOWLEDGES \$150 FOR MOTION PICTURE USE

Kenneth Mayeda, Co-ordinator of Community Activities, today revealed that the sum of \$150 was allocated by the council for the purpose of showing special movies in this unit bi-weekly, for a period of six months.

Special movies will be held Monday nights beginning on the 15th of May.

RECENT PAPER CAMPAIGN NETS OVER FIVE TONS

With block 229 submitting the heaviest load of 1,624 pounds, Unit II's waste paper drive last week totaled some 10,409 pounds, it was disclosed by Tommy Yagi, Boy Scout director.

The scout troops which won highest distinctions during the campaign were not as yet revealed.

holes in the morning and the second round in the afternoon. The first flight tee-off is slated for 8:30 a.m.

The opener will continue on successive Sundays, May 14th at Unit I, and the final wind up on the Unit III fairways May 21st.

Some of the favorites vying for the low gross honors are Yamada and Nakabayashi of Unit I; Urabe, Sakai, Hayashi, Taniguchi, and Matsushita, Unit II; Fujisaka and Seki of Unit III.

This grand event was made possible through the efforts and cooperation of the tri-unit golf club headed by Yamada, Urabe, and Fujinaka, of the respective units.

ROYAL NEIGHBORS INSTALLS NEW OFFICERS

The Royal Neighbors club of block 220 held an installation social for their newly elected officers last week.

The new cabinet is headed by president, Susy Taniguchi; vice pre. Mae Shimizu; treasurer, Mitsuko Arima; secretary, Fumi Onitsuka; Sgt. at arms, Mae Hirano; Girls athletic manager, Sada Urabe; Boys athletic manager, Saks Hayashi; social chairman, Kinto Onitsuka and reporter, Alice Shimizu.

BLOCK RESIDENTS VOTE FOR COUNCIL PROPOSAL ON SHIBAI: \$500 LOAN TO BE MADE

At the weekly Community Council meeting held Wednesday, May 3, with Dr. T. Namiki presiding, the result of votes taken for the method of financing the shibai was announced.

Ten blocks approved the council's proposal, four blocks approved the shibai's proposal, and two blocks rejected both.

The council proposal is to loan \$500 to the shibai fund from Unit III trust fund for use by Engeibu in form of revolving fund. The Engeibu will have access to this fund for their monthly running expenses which are not to exceed \$100 in any given month. This loan is to be repaid by selling tickets or charging admissions. The charges will be set at a nominal figure that would adequately cover the running expenses of the Engeibu.

The proposal presented by the shibai committee was the request of \$1000 allocation from trust fund for one year period with the shibai group to help raise the money in event that the Trust Fund needs it.

Since it was the understanding of both the council and shibai committee that the decision made by the blocks will be final, the shibai department expenses will be met according to the council's proposal.

SECOND GROUP TO BE INDUCTED MAY 21, MORE TO GET PHYSICALS

THOUSANDS WITNESS UNDOKAI

Thousands of residents jammed Fields 28 and 59, last Sunday, to witness the first Boys' Day Undokai held in Unit I, sponsored by the Community Activities.

The undokai officially opened with an opening speech by Sekizo Yoshikawa, general undokai chariman, followed by a demonstration by Girl and Boy Scout Troops with Sue Sakamoto and Yutaka Niisato in charge.

Speakers of the day were Duncan Mills, pro-

ject director and Ryohei Onishi, representing the local council.

Track events for the small children were held at Field 28 during the morning hours with prizes given to all participants. Events for the boys of high school age and older were held at Field 59 after 6 p.m., where thousands attended to see many local high school records shattered.

The closing event was held at the Central Swimming Pool at Blk. 21, where a special 10-reel movie was shown by the Entertainment Dept. of the Community Activities.

WRA TO REOPEN LEUPP CENTER

Plans of the War Relocation Authority to reopen the Leupp Center near Winslow, Arizona about May 15 were announced today by Secretary of the Interior Harold L. Ickes.

The Leupp Center is being reopened to take care of those evacuees of Japanese ancestry who have been agitators or troublemakers at the Tule Lake Segregation Center in northern California. It will be operated under administration of Tule Lake Project Director Ray R. Best.

Approximately 100 men, the majority of them American citizens, who were arrested after taking part in a disturbance at the Tule Lake Center last November 4, will be sent to Leupp. Since the November disturbance they have been in a stockade in the Tule Lake center.

PLEASE CALL

The Evacuee Property Office, wishes to contact K. Yamashita, M. Kozasa and J. Fukuzaki of Los Angeles, who had property stored with Mike Doyle.

All of the above mentioned persons' property has been transferred to WRA warehouse and the persons are asked to appear at the Evacuee Property Office to execute forms WRA 155 or 156.

The same applies to Y. Suzuki, who had property stored with Mrs. Heineze, 1039 S. Dewey, Los Angeles.

NEW ADVISOR

Miss Dorothy Shevick, who has been secretary to the Project Director for the past year, has been transferred back to the relocation division as advisor, it has been reported.

BOYS TO BE INDUCTED AT HOSPITAL

May 21 is the date that has been set for the second induction and third mass pre-induction physicals, according to W. Allen Cushman, who is in charge of selective service matters.

As of May 5, 77 persons had been notified to report for their pre-induction examinations at the hospital, while five had received their induction notices.

The latter, who are to be inducted on the project, are: Don Kazuo Doi, 54-13-D; Tautomu Futa, 42-9-B; Katoru Kamechi, 42-3-B; Kasuo Sugimoto, 19-11-A; and Charlie Isao Yagi, 222-12-B.

It is expected that more names will be added to both lists.

NOSSOFF LEAVES

Working in Poston has been a profound experience that he will never forget, Edward Nossoff, assistant relocation program officer, said on his departure last Sunday for the induction into the Army.

"I am glad to get my indefinite, and hope that many more residents will relocate. Any return or relocation is difficult, and people will make better adjustments if they are prepared to go through a difficult period than if they expect something easy or miraculous," Mr. Nossoff added.

UNIT I PAPER DRIVE NETS 22,111 POUNDS OF PAPER BIRTHS

A total of 21,379 pounds of wastepaper and magazines, and 732 pounds of cardboard was collected by Boy and Girl Scouts and Girl Reserves in Unit I during the wastepaper drive held from Apr. 22 to 29, reports the Community Activities. Proceeds from the paper drive will be used for USO purposes in the center.

Boy Scout Troop 100, led by Yutaka Niisato, gathered 6,552 pounds of paper, magazines and cardboard boxes to lead the other troops in the drive.

Girl Scout Troops 1, 2, 3, 4 and Senior, led by Miss Lapinskas, Frances Omori, Kiyoko Tamura, Fumi Oike and Naomi Wood, respective-

C.A. HEADS TO LEAVE

Drs. John Powell and Walter Balderston will leave the second week of May to attend a conference of Chiefs of Community Management and Supervisors of Community Activities, at Denver.

Discussion will center on policies and programs for the coming year.

ly, aided by the Luanans, the Hy-Lites and Girl Reserves, collected, sorted and tied the paper. Boy Scouts Troops 100 and 101, led by Yutaka Niisato and Arthur Kaniye, respectively, weighed and loaded.

Mrs. Sue Sakanoto and Arthur Kaniye were in charge of the Girl and Boy Scouts, respectively during the drive.

DISTRIBUTION OF JAPAN GOODS SET

Distribution of books, games and musical instruments sent to the Japanese nationals here from Japan by the Japanese Red Cross will be distributed on a 2-1-1 basis among Units I, II and III, according to the R.C. representatives meeting held at Unit I Red Cross Office recently.

The method of disposition within the Units will be up to the respective Unit Japanese National Committee, it was decided.

Articles received here are: Japanese books, gohban, shogiban, shakuhashis and mintekis.

How strange it seems

Of life and love,
To still live on.

---Whittier

The above lines from the famous "Snowbound" brings to mind the Hawaiian friend of ours who lately lost her favorite brother on a European battlefield. He was her "life and love". She told us recently it's strange to think that in spite of it all, she still lives. That thought is universal.

...is-my-nature department was swamped the other day. A "Mme. Chiang-kai-shek", they told us, roams our Poston premises. She looks, acts, does, de- tests, and tastes (her taste in clothes, hey) like her namesake. We knew of another Missma. Only they called her "Shina-no-yoru" later on. The local High School is going stark mad over the MOTH who turned into a HIPPOPOT- AMUS. The MOTH her- self, himself, or it- self, whatever the case may be, is un- aware of the MOTH'S real identity. In the event that the Moth should stage another turnabout, we suggest it relocate to some state such as NEW YORK and start a lipstick shop or a moth-proof collar factory.

GIFTS TO BE ON DISPLAY PRIOR TO DISTRIBUTION

According to reports from the local commu- nity council, the Red Cross gifts from Japan such as games, musical instruments, and books will be put on display at the main canteen shortly.

The game boards, of interest to Goh enthu- siasts, were given to the Community Activi- ties division.

The reading matter, consisting primarily of religious literature may be circulated among the various blocks before adoption by the library.

LAST RITES HELD FOR MRS. YOSHIKO YAMAMOTO

Funeral services were held for the late Mrs. Yoshiko Yamamoto at the Poston Two Christian Church last Thursday afternoon.

The deceased, for- merly of Salinas, Cal- ifornia is survived by her husband and chil- dren of block 213.

LAWN MOWERS MADE AVAILABLE BY AG

In the future those wishing to use the lawn mowers may call personally at the Ag- riculture department for private use.

RED CROSS LIFEGUARDS ON EVENING DUTY FROM THIS WEEK; BATHERS CAUTIONED OF MISHAPS

Beginning yesterday the Red Cross lifeguards went on duty in the evening from 6:30 to 9:30 p.m. at the community swimming pool. Guards are stationed at the pool in the afternoons between the hours of 1:00 to 4:30.

HIGH SCHOOL TO PUBLISH LITERARY ANNUAL

The first edition of the Poston II High School's literary an- nual, "El Corriente", will be published by the Quill and Scroll, local chapter of the International Honorary Society for Journalists on May 30th.

Mike Shiratsuki, edi- tor-in-chief, will be assisted by Teruko Shigemoto, assistant; Sadao Ichikawa, busi- ness manager; the Jour- nalism class; and Mr. Robert Wells, faculty counselor.

With "Adolescent Life" as the theme, stories, poems, plays, and everything relat- ing to growing up will be included.

NEW BOOKS ADDED TO NOVEL HUT SHELVES

200 adult fictions, mysteries, and west- erns, and 100 juvenile books were received from the Central Lib- rary, it was disclosed.

Swimmers are remind- ed that after-hour bathing will be at their own risk.

So that there may not be recurrences of an incident of last Thursday night when an inexperienced swimmer stepped into a large hole created by water pressure under the bridge, those who use the pool are requested to observe the signed placed for their own protection.

Lifeguards are Jiggs Oka, Yukio Yamaguchi, Wayne Ishihara, Ben Taone, and Fred Oda.

Persons in need of instructions are wel- come to these daily courses, it was asserted.

PARENTS OF SERVICEMEN CLUB FORMED

Before a group of parents whose sons are serving in the armed forces of America, Mr. Tanaka from Rivers, Arizona explained the system in which the Gila club of this kind is functioning and its activities.

Purpose of this club is for the soldier's parents to get-together and discuss various problems arising. It will also be able to solve problems that cannot be done individually but can be done by groups.

Majority of those attending was in favor of forming this club and K. Umezawa of 322 was chosen as temporary chairman. Dr. Namiki chaired the meeting.

It was believed that a monument for the servicemen similar to the one in Gila will be erected and also a USO may be organized by this group with the supervision of Administrator, Wumino.

NEW CAUCASIAN POLICE CHIEF IN UNIT III

Beginning May 8, Jesse Gregg became the head of Internal Security in Unit III with his office at Ad. A.

However, Albert Shintaku will remain as Chief of Police with its station at 310.

"JUMP BALL" CLAIMED A SUCCESS

Terminating a successful basketball season, the two top teams Phylisiuns and Green Bays put on a "Jump Ball" social last Sat. night at 322 Dining Hall.

Serving on the committee were: Co-Chairman--Aki Kodama and M. Karasawa; Emcee--Tots Ishida; Tickets--Green Bays; Food--Fumi Karamoto; Decoration--Kei Takemoto; Corsage--M. Owashi, Midori Koba.

Phylisiuns and Green Bays wishes to thank all the people and departments who helped in making the social a success.

When we come back from Camp I into Unit III, our eyes catches the beauty of magenta decked petunias in neat rows surrounding the green carpets of lawn around the Ad. buildings with the stars and stripes flying overhead, silhouetted against the cloudless skies and we feel our chests swell with pride that our unit has the neatest and most beautiful gardens in all three units.

CASABA SEASON has passed but many has inquired about sportsmanship team, etc. which we could not print since we did not have our pages for one week so here they are: Reedley "AA", 305 "A" and 308 "B", 309 Zephyrs, and 330 Cardinals were named as best Sportsmanship Team of their respective league.

Highest scorers of "AA" league were Yamagata brothers, Frank and Isao who made 53 and 41 pts. in 4 games played. In "A" league Tom Kajioka and Mush Osato of 305 with 65 pts and 60 pts respectively made the highest scores. "B" league scoring was lead by two 318ers, Todd Aoki and Koze Ohara who scored 58 and 43 pts. respectively in 5 games.

SUYETARO KANDA PASSES AWAY

After a prolong illness, Suyetaro Kanda of 318 passes away Thursday morning, May 4 at 7 a.m. at Unit I hospital.

Native of Hiroshima ken, he was formerly a residents of Reedley.

Funeral service was held on May 9 at 316 Buddhist Temple.

UNIT III GIRLS ALL-STARS COP BOTH GAMES

Unit III girls again proved their superiority over Unit I in basketball as the 1st and 2nd team All-Stars handed the Unit I All-Stars a double lacing by the scores of 37-23 and 33-19 on Crt. 38 Friday night.

For about 14 minutes of the first half the smooth clicking trio of Oyama, Watari and S. Kodama of Unit I had the highly touted Unit III girls hanging by the ropes as they matched them basket for basket.

After a 8-5 first quarter in favor of the Unit III, Unit I with about 2½ minutes to go in the half pulled ed up 12-12 on some beautiful shooting by Oyama and Kodama. That was the closest they got the rest of the evening as 5 points by T. Shimizu and 4 by A. Kodama ended the half at 21-14.

In the second half the Unit III All Stars really brought their vounted scoring punch into play as they rolled up 16 points to Unit I's 7.

Unit III's sharp shooting forwards of A. Kodama, M. Hatada and T. Shimizu swept all scoring honors as they looped in 14, 12 and 11 points respectively. M. Oyama and S. Kodama stood out for the losers with 9 and 8 points each.

M. Koba played her usual bang up game at guard for the victors while N. Nagata and T. Kodama turned in a very creditable back court game for the losers.

Outplaying the Unit

SOFTBALL TOURNNEY OPENS TONIGHT

Poston's third softball season makes its debut tonight when four teams pair off against each other in the opening games of the city wide open tournament.

This being the first open softball tourney held in Unit I, it has drawn a fine field of 18 teams to battle for the coveted honor of city champ.

I girls in every department the Unit III 2nd string All-stars easily trimmed the Unit I 2nd team All-Stars 33 to 19.

From the opening quarter when the invaders held a 7-1 lead they gradually built up the lead to win handily.

Diminutive N. Fujioka led the scorers with 14 digits followed by Kawamoto, Sasaki and Ozaki with 12, 11 and 10 points respectively.

BOYS DAY TRACKFEST HUGE SUCCESS

Bringing together the cinderpath stars of Poston I, the Boys Day Festival was concluded with a gala trackfest held on the Blackbird's Oval.

With many of the former high school stars displaying old winning form in both the track and field events, many of the times and distances were good. M. Kodama led the point makers with a double victory in the 50 & 100 yd. dashes, and anchor on the relay. In the fast times of 5:6, 10:2 and 49: for the relay.

Most outstanding marks posted in the open division of the meet were by Murata in the broad jump with a 21'2 3/4" leap also marking up a 41'2 1/2" jump in the hop stop.

In the Jr. High division R. Sasaki was by far the outstanding performer as he annex-

ed the broadjump at 18'3 1/2" and copped the hop stop at 37'2 1/2".

The highlights of the track events probably was the 440 yd. open relay, in which a tired Bob Watanabe nipped speedy H. Kodama at the tape.

Block 39 with 20 points edged out the 59ers who tallied 16 points, to win the open division crown. The Jr. III crown went to the Teh Ahges of Block 26 with 19, Blk. 53 second racking up 12, closely followed by 27 with 11.

ELEVEN MORE NAMES LISTED FOR THE SECOND INDUCTION

Denver Area Open For Evacuee War Workers

Because the U. S. Foundry in Denver is 25% below schedule to date, 35 evacuee workers are being recruited to fill positions in this critical industry, which prepares carbon steel for six war plants, according to James D. Crawford, relocation program officer. The work will pay 65¢ per hour and time-and-a-half for overtime.

L. A. EVACUEE PROPERTY MAN VISITS CENTER

Elmer Cordes, evacuee property supervisor of Los Angeles, was here recently on a routine call of projects, checking on evacuee property matters and presenting information in regard to the property of evacuees.

Mr. Cordes was one of the original operators with the Federal Reserve Bank at the time of evacuation, according to R. W. Schmitt, evacuee property officer here, and has been doing a very fine job for the Evacuee Property Office.

NEW SECRETARY TO DIRECTOR

Mrs. Lucille Hardcastle, who was formerly employed at Luke Field, Phoenix has taken over the duties as secretary to Project Director Duncan Mills.

Miss Dorothy Stevick, who was secretary, is now relocation advisor.

Four men will arrive in Poston today to interview interested residents. Those accepted will be allowed to enter the Denver area on indefinite leave and will be frozen on their jobs, since the U. S. Foundry is classed as a vital war industry. On their return to Denver, the interviewers will arrange the required housing for the accepted men and their families.

According to the tentative schedule, appointments will be held in Unit I all day today, in Unit II tomorrow morning and in Unit III tomorrow afternoon.

VISITOR FROM MANZANAR

Henry Tsurutani, evacuee attorney at Manzanar, arrived on the project last week-end for a business visit, according to Scott Rowley, project attorney.

PAROLEES RETURN

Seven parolees arrived here last night from Santa Fe, New Mexico, to join their families, according to the Family Welfare Section.

Those arriving were: Gyosuke Iseda, 3-12-C; Kurata Kawanami, 59-6-A; Toichiro Morita, 4-7-D; Masato Tanida, 22-3-C; Tatsuo Watanabe, 22-3-D; Fusaichi Motoike, 226-8-D and Kosaku Uzuhashi, 309-7-C.

Pre-Induction Physical Exam Roll Boosted to 98

Eleven more names have been added to the May 21 induction list, bringing the total to 16, while 21 more have been added to the examination list, making 98 men who will receive their pre-induction physicals. W. Allen Cushman, leave officer, reports.

The prospective inductees are: Kow Ito, 4-2-D; Kazuo Oda, 4-4-A; Thomas Daihachi Mukai, 323-13-B; George Ishida, 14-3-A; Ken Ishikawa, 3-2-B; Henry Tomio Kubo, 46-10-C; Setsuo Rai, 13-12-A; Charles Ichiro Oki, 13-10-A; Elmer Clarence Suski, 42-10-C; Hisao Harry Masuda, 4-4-C; and Arthur Tetsu Sugino, 11-8-B.

GORMAN ADDED TO INTERNAL SECURITY STAFF

E. C. Gorman, formerly of the Heart Mountain internal security section, arrived in Poston on May 1 to become assistant chief of the local section, according to Charles A. Harper, internal security chief.

Mr. Gorman practiced law for several years at Winslow, Arizona, and it is felt that with his experience in law enforcement and criminal law practice, he is especially well-qualified for his duties here.

He will be stationed in Unit I.

At Sachi Amano's, Mr. S. Amano discoursed on his trip. I have learned the following from the talk of the evening: Bob Okazaki has gone to Montana; George Ohi is boarding with T. Kasuga in New York, splitting room expense; housing is available in Chicago from \$20 monthly for one to \$70 monthly for a few rooms; the T. Kosakas' children play Poston in their new abode, viz., this is Camp 1, this is Camp 2; Mary Takahashi and Chizuko Amano share a room, cook their own meals, go to school and fill in extra hours working at a fruit stand; Chikako Amano is working but boarding at the same dormitory-like place, which has a house mother; Mr. Amano says Chicago has signs all over, saying "Help Wanted," and that thousands of evacuees could go into the town and there'd be jobs for them; one can eat funyu, oyako donburi, otsuyu—all these, and all for a price; labor is recompensed at upwards of 50¢ hour; people do not search for better housing because they lose 10 bucks or so with each day they miss of work. A lot of other news was aired which your correspondent does not remember.

Mr. Nossoff says one gal writes she's sore she didn't leave earlier. She stayed to see the last chapter of "Flash Gordon" and it turned out so "crummy" she says she might as well have gone out before.

Mr. Nossoff cites the case of Dr. William Takahashi as showing that the outside will treat you according to your worth. Dr. Takahashi, it seems, while here, was bitter because he felt he could

RED CROSS TO START SAFETY COURSES

In accordance with the great demand for life guards and first aiders, the First Aid Instructors' course and Water Safety Instructors' course will begin Monday, May 22, according to T.K. Shindo, Red Cross publicity chairman.

Walter Anderson, field instructor from the A.R.C. of the Pacific Area Headquarters will instruct both courses.

Persons interested in the courses are asked to contact their Unit Red Cross Office.

ALDER GIVES FIGURES ON COUNSELING TO DATE

Reporting of the progress of the Family Counseling program, Morton J. Adler, said that since April 24, about 100 interviews of families have been conducted in the three camps out of the 120 originally scheduled, by the Family Welfare Section.

Of those interviewed, 60 were interviewed when they consulted the Section on other business. Of the 100, 9 were interested in relocating; 20 were interested but had family problems for which they asked help in making relocation plans, 21 were not interested and for about 50, relocation appeared unfeasible and they did not desire to relocate, according to Mr. Adler.

n't go out, and in here he would not be able to use his special knowledge. Mr. Zimmerman, it seems, worked with him and got this place at Cornell for him. Now we hear news of his being a prospective recipient of the Guggenheim fellowship.

RELOCATION READING ROOM GETS MORE MATERIAL

Material in greater abundance than ever before on Midwest and East are available now in the reading rooms of the three unit relocation office, it was announced this week by Edward Nossoff assistant relocation program officer.

There are state guide books, state and city maps, facts about America pamphlets, field reports on job and housing and newspapers available for the public and they are welcome and invited to come during regular office hours between 8 a.m. and 5 p.m.

Also available are newspaper clippings, agricultural books, newspaper and guides, cost of living data, atlases and WRA instructions and regulations on relocation.

DOMESTIC JOB IN PARKER

A woman between the ages of 20 and 40 is wanted by Mr. and Mrs. W.A. Bush, an operator of public utilities in Parker to take over household duties, according to Ed Nossoff, assistant relocation officer.

They have three children ranging from two months to five years old. The Bush home is considered one of the finest in Parker.

Mrs. Bush, who is 27, was raised by a Japanese family in Winslow, Arizona.

Wages and work days will be arranged to the mutual satisfaction of both parties.

BEGINNER'S JAPANESE TRANSLATION CLASSES

Beginner's Japanese translation classes are being held every Tuesday and Thursday evening at 7 p.m. in Adobe Room 16, the Adult Education Dept. announced

E.V. DURLING

...answered a client's query as to how much faster an antelope runs than a thoroughbred racehorse. The former runs about 59 feet a second. The latter about 54 a second. Our translator claims a human being can run about 19 miles per second. He accounts for it in terms of the earth's speed as it revolves on its axis. He should bet E.V. a stogie on that.

AYE-AYE

...is a nocturnal animal of the lemur family, or Daubentonia madagascariensis. It is also an answer in the affirmative; the eyes have it. It is also an expression of woe or disappointment in some Latin countries. Three eyes in a row, (written ai, ai, ai) might possibly mean "It's love, love, love" quips a sharp scatter-brain in this office.

A MUSHROOM

...grows in our latrine. Call it what you may, fungi, toadstool, mousseron, moisseron. But anyway a mushroom grows in our latrine, just between the outside wall and the shower room in a little crevice.

"SPAWN OF THE NORTH" TO MATSUURA SUCCEEDS MIN BE SHOWN HERE MONDAY HAMADA AT BLOCK 219

The first in a series of special movies will be shown at the Cottonwood Bowl next Monday evening with the film "Spawn of the North" starring Henry Fonda, Dorothy Lamour, and George Raft, it was announced by the Community Activities.

Special movies have been slated bi-weekly through efforts of the C.A. and Council.

With the resignation of Minoru Hamada, long-time manager of Block 219 who left for Ogden this week, Edwin Matsuura now serves in that position, it was reported from the office of John Kubota, central block manager.

No block clerk or secretary has as yet been named, it was stated.

TWENTY FOUR HOUR NOTICE REQUIRED

"Due to equipment and gasoline shortage, the requisition for any maintenance work can not be fulfilled immediately," stated utility maintenance foreman.

"Twenty-four hour notice is necessary and any emergency repair work will be done accordingly," he continued.

In issuing this statement, the "boss" reiterated that residents should refrain from complaining for his "boys" are working their utmost for the community.

All league games will start precisely at 6:30 p.m., it was stressed; or teams shall have to forfeit if complete team is not present within 15 minutes after set time. However, a minimum of 6 players may begin a game.

Teams are to submit results of each game to the 220 Rec Hall.

SENIOR BANQUET IS A HUGE SUCCESS

One of the most loveliest banquets ever to be held in Poston was the Senior Banquet held at Home Economics room, Saturday evening May 6.

Decorated in beautiful spring flowers by Dorothy and Grace Kushino, the delicious menu prepared by the Home Economics class under the supervision of Miss Jaquette were thoroughly enjoyed by all the seniors who attended. Perhaps this is one of the first banquets held which was prepared without any aid from mess halls.

Hideko Hirakawa and Terry Hamaguchi were co-chairmans for this successful affair.

Dancing followed the dinner. Invited guests were Dr. Harris, Director of Education; Dr. Namiki, Chairman of Community Council; Mrs. Ohye, acting president of PTA; Miss Washler, class advisor; Tomoko Uzuhashi, Jr. class president; Henry Yamada, Soph. class president; and Miss Frances Cushman, principal.

NAKAJI WINS POSTON III PINOCHLE TOURNAMENT

Last Sunday, the first pinochle tournament was held in which fourteen contestants participated. Henry Nakaji's high score of 7660 points was the feature of the tournament. Sam Uyeno and Sando Shinmoto were the "dark horses" in placing above several "experts". The unusual tie for fourth place was another feature.

The comparatively low score posted by the "expert authority on pinochle", Mas Hirata of 327, who was the pre-tournament favorite, was a surprise.

After each contestant had played five games with different players, the final total score posted was as follows:

Henry Nakaji.....	7660
Bob Jujimoto.....	7080
Sam Uyeno.....	6920
Kay Hanada.....	6910
Sando Shinmoto.....	6910
Ted Yamada.....	6320
Hideo Higashi.....	6300
Joe Owashi.....	6280
Sandy Sunahara.....	6180
Mas Hirata.....	5900
Tom Tanaka.....	5740
Joe Nakaji.....	4820
Mas Hanada.....	4780
Keisuke Okuma.....	4710

CENTER TO HONOR MOTHERS

A STAR IN OUR WINDOW

Dedicated to Mothers of Evacuee Soldeirs

In our barrack window, there is a shining BLUE star
For our dearly loved one, who has gone away -- very far,
We shall miss him and his usual ways
Like a cloud in front of the sun's golden rays.
Tho' there is an empty space where he used to roam
Changes will not be made -- for it is still his home.

The blue star in the window is a khaki in the field
The khaki is fighting in each and every reel --
Fighting for the boldness of the RED, for the pureness of the WHITE
For the trueness of the BLUE, for all that is right.

What race - what color - what creed -- no one asks
For diligently and courageously he does his tasks --
But yes - tho' of a different race, perhaps and of different color
Still fighting side by side with others. he calls "Brother"

Churches to Hold Special Services

Thousands of residents will join the nation by attending special services to be held tomorrow by all churches of the center in honor of the mothers.

Poston I Christian Church will hold special services Sunday, with two services slated at the school auditorium, one at 9:30 a. m. and the other at 8 p. m. A baptismal service at 2 p. m. will be held at the river where the emersion will take place.

Units II and III Christian Churches will likewise hold special services. At III, a special Mothers' and Fathers' Day program will be held at Blk. 329 with Bertha Starkey, as the main speaker.

A morning worship, with Rev. K. Takeda, will take place in Unit II at 10:15 a. m. with special mothers' program at 8 p. m. in Rec. 222. This is sponsored by the Jr. Christian Youth Fellowship. Refreshments are expected to be served after the service.

All Buddhist temples of the center will conduct special services. In Camp III, a special entertainment is planned for the mothers at Temples 306 and 316 Sunday evening.

Special Mothers' Day service in English and Japanese will be held at the Maryknoll Chapel at Block 45, 9 a. m. Sunday, Father Clement reported.

SALINAS PROPERTY TO BE MOVED

All evacuees who have property stored in the milkhouse on the Nuttall Ranch in Salinas, are urged to contact the Evacuee Property Office immediately to execute forms, as W. A. Sadler of the public relations department of the Salinas Vegetable Exchange, has urgently

requested the removal of all evacuee property from the milkhouse.

CHRONICLE TWO YEARS OLD

Two years ago today, the first issue of the Information Bulletin, a one-page bulletin, now the Poston Chronicle, was issued to the Blk. Mgrs. as a medium of center information for the incoming evacuees.

Since that first day, many changes and improvements have occurred to the center. . . . viz; changing from a two column paper setting type for headlines, establishment of a print shop for center resident jobs, and a better variety of news.

In the months to come, the Chronicle staffs of the three units will endeavor to serve the residents with a better, more newsy and more readable newspaper.

MORE INDUCTEE NAMES IN

Twenty-two men are now scheduled for induction and a total of 118 are listed for pre-induction examinations on May 21 at the hospital, according to W. Allen Cushman, leave officer.

The six added to the previous inductee list are: Tommy Takeshi Tsuchiyama, 54-10-C; Susumu Nitta, 216-12-A; Frank Haruo Maruyama, 316-9-D; Isamu Kinjo, 59-5-A; Toshio Masushige, 42-8-D, and George Washington Inouye, 317-6-A.

WEDNESDAY AFTERNOON

...Mr. Well's 6th period core class at the High School had a very boring and uninteresting speaker. The topic was something about the Poston press its work and its staff. We looked around at the class of some 17 winsome girls, and one boy, exclusive. He was the only male specie, besides the teacher. But it turned out that he was editor in-chief of this week's "El Bullador," the school paper. Also he was one of the chuckers of the 227 Cubs, which is our favorite team, the 215 Zebras swamped the other night.

SGT. BEN KUROKI

...likes his girls looking natural, he told Heart Mt. reporters. Most khaki-clads like their girls just that way--natural in looks and in manners. What's more refreshing than a shiny crowning glory where breezes play havoc, leaving the coils softly blown? Like films of tan mirroring summertime; a doughboy's delight.

TWISTED PICTURE

...captions are the bane of an editor's existence on large newspapers. The below was printed in the "Newspaperman," a journal written solely by working newspapermen:

"A prominent society leader's picture appeared the same day as that of an old battleship. The captions were mixed, and under the lady's picture ran: "Old Battleship Rejuvenated."

REQUIRE CHECKS TO BE ENDORSED AT POSTOFFICE

It was today disclosed by Mas Miyazaki postmaster, that hereafter all money order, government, or traveler's checks must be endorsed at the postoffice in the presence of a postal clerk.

It was discovered that a great number of errors have caused unnecessary delays in business transactions, due to faulty endorsement on the part of the endorser.

Stamps and post cards are currently being sold at the block offices, it was stated.

FIRST AID AND WATER SAFETY COURSE TO START

Posters currently on bulletin boards throughout the unit bear the title, "Enroll Now in First Aid and Water Safety Instructor's Course."

The first class meets on Monday, May 22nd with Walter Anderson, Field Instructor from ARC Pacific Area Headquarters as trainer.

Both courses will require thirty clock-hours of training and upon completion, students will receive an official certificate.

Apply at your local Red Cross Office.

**MOTHER'S
DAY
Tomorrow**

This coming Sunday is the day when all the world pays tribute to the grandest persons in the world our **MOTHERS**. Knowing only to give and ask for nothing, our mother's love is infinite it doesn't change with time, war or peace. It is always there.

Especially our Issei Mothers need more consideration from us. They perhaps have experienced the worst--seeing the metabolism of their dreams--security around the corner and evacuation. Now relocation and starting all over again.

For our mothers who have faced and are going through so much let us resolve this day to do everything possible to make Her happy and perhaps the poem below may help:

While walking a crowd
on ~~the~~ street
other day
I heard a little urchin to a comrade tum and say:
"Say Chimney let me tell youse I'd be happy as a clam
If I only was de fellow dat me Mudder thinks I am
"She tinks I am a wonder an' she krows her little lad
Could never mix wit nuttin dat was ugly,
mean or bad
Oh! Lots of times I sit and tink how nice t' would be gee whiz
If a fellar was de fellar dat his Mudder tinks he is "
My friend be yours a life of toil or unluted joy
You still can learn a lesson from this small unlettered boy
Don't aim to be an earthly Saint with eyes fixed on a star.
JUST TRY TO BE THE FELLOW THAT YOUR MOTHER THINKS YOU ARE.

FAVORITES ADVANCE IN TOURNAMENT

Poston raised the curtain on its third season of wartime baseball Tuesday when 6 teams out of 18 swung into action in the opening game of the Unit I Open Softball Tournament.

Going true to form (as this article went to press) all the favorites advanced in the opening games. Although minus many of the great stars of last season Poston baseball bugs are nevertheless in for some outstanding ball playing if any of the games played thus far can be used as a measuring stick.

SECOND 18 HOLES OF POSTON OPENER TOMORROW

The Unit II linksters who completely dominated the play in the opening 18 holes of the 54 hole Poston Opener will attempt to make it 2 straight on the Unit I Course this Sunday. The final 18 holes will be played on the Unit III fairway the following Sunday.

The first flight will tee-off at 8:30 a.m.

SIGN-UP DEADLINE EXTENDED

Deadline for the coming girls' softball season has been extended until Monday, May 15 according to the W.A.U. Thus far only three teams have registered.

Unless more teams sign up the girls' league will be abandoned.

Entries may be made at Blk. 54-5-A or with Mitzi Nimura or Miko Nakamura.

VALLEY-ANGELS DOWN RAMBLERS 11-6

The Valley Angels, fielding a veteran team, remained as one of the top contenders to cop the annual tourney as they defeated the Rambler nine in their initial game by a 11-6 margin.

M. "Scrunchie" Kaihara, Rambler's man at the hot spot, electrified the crowd with a spectacular circus catch in the Valley's home of the third inning. With one gone, "Soup" Onoda, Angel's

A Clown aggregation headed by the former Duke flash K. Yamaguchi and O. Koga gave indications that they aren't to be taken lightly when they laced the Indians 16-8 in a wild hitting game.

In the other games the Red Devils rallied after two out in the ninth to tie Ikenaga & Co. but went into the consolation round on their own request. The Blackbirds with Morinishi on the hill trimmed Valley "B's" 12-6 while the Breeze nine pounded out 13 hits good for 15 runs to wallop the Panthers 15-9.

In a comedy of errors the Ramblers minus the service of their ace hurler Chick Murakami through relocation proved that they are just another team as they took a 11-6 pasting from a strong Valley 9.

Kaihara racing across the inner garden like a Terry Moore just before a making of a sensational catch on the walks of Sportsman's Park, made a sensational one hand stab and landed right into the muddy waters, but came up with the wet ball for the put out.

Hank Edow led the hitting department with a homer, in the 4th, a double and a single. Peacock Kamatani, Rambler's ace chucker got a circuit clout in the 6th with two on.

MORINISHI HURLS 12-6 VICTORY

Limiting the Valley "B" to 5 hits the Blackbirds scored a 12-6 win in a tournament opener. In the first inning the Blackbirds pushed across 5 runs on three well bunched hits and blanked the valley "B" until the last of the 5th.

W. Hiroto drew a walk and advanced to second on a bingle by Miyawaki followed by Nishimura's double to drive in 2 runs. After retiring the side Morinishi held the Valley boys in line as his team mates scored 4 runs in the 6th to hold a comfortable lead.

T. Kawashima led the hits department rapping out 2 singles and a double and Hiroto getting a 3-4 for the Valley "9".

BOMBARDIERS BOMB BLACKHAWKS

Behind Kamimoto's 4 hit performance the Bombardier's scorched the Blackhawks by a 13-4 margin. Holding the Blackhawks hitless until the sixth, the Bombardiers scored five in the 3rd and seemingly scored at will. Kamimoto's no hitter went to pieces in the sixth as O. Kodama got a sharp bingle and advanced Tajii—who drew a walk to third. H. Kodama followed suite by beating out a hit and scoring Tajii for their big inning. Blasting out 3 hits and scoring three runs in the last of the seventh the Bombardiers had the game fairly well put away.

Fukuda led with Bombardiers with a 4 for 5.

COUNCIL REJECTS REPEAL OF RABBIT-POULTRY REGULATION

PATIENTS IN THE MILITARY AREA MAY APPLY FOR LEAVE CLEARANCE

Hospitalized patients in the evacuated military area who wish to relocate will be encouraged to file for leave clearance if their condition may soon permit discharge, according to instructions from Washington dated March 29.

The patients will be transferred to Tule Lake center if his clearance is denied.

If the clearance is granted the patient will be eligible for a relocation assistance grant and is entitled to transportation in the manner suited to his physical condition from the hospital to the place of reloca-

FOUNDRY SEEKS 100 WORKERS

Employment in eight Denver foundry plants is being offered to 100 evacuee workers, according to four representatives Rex Hall of American Manganese Steel, William McConnell of the War Production Board labor section, H.M. Sutter of the U.S. Engineer Corps and Harley Asari of U.S. Foundries, who arrived in Poston last Thursday afternoon for the purpose of interviewing interested residents.

Speaking for the group, Mr. Sutter reported that the labor condition in the Denver foundries industry is extremely critical and that workers are

CACHE FARMS WORKERS SOUGHT

John Phelps, a representative of the War Food Administration which is sponsoring the employment of 300 in the Cache River Valley of Utah is now here to complete contracts and to arrange for transportation. He will be here until May 20.

All applications for this work must be filed with respective unit employment offices not later than May 17.

The contracts will run through November 15. Transportation to Utah and return will be paid by the government. Board and room will cost \$8.90 weekly and based on records of last year workers should earn from \$30 to \$50 per week according to Mr. Phelps.

A train will leave here May 20 for Smithfield, Utah, where the government operates a mobile tent camp where housing, feeding, sanitary, medical and dental facilities will be provided.

Seven Blocks Sends Petition

Petitions from seven blocks in Unit 1 was received by the Community Council requesting the repeal of the Rabbit and Poultry Regulation that was adopted by the council and approved by Project Director Mills last month.

At the recent council meeting, the matter was given a serious consideration, but the reasons stated in the petitions signed by block residents, were not justifiable nor the number of signatures was insufficient to affect the repeal.

Blocks sending in petitions were: 4, 5, 12, 16, 36, 44 and 45.

Section II of the Rabbit and Poultry Regulation was revised by eliminating the provision for punishment by both fine and imprisonment. The regulation now states that the convicted "shall be punished by imprisonment in the project jail for a period not to exceed 90 days or in lieu thereof, by a fine of not more than \$300."

This regulation will be enforced on May 25.

Dmitri Kessel, photographer for Life magazine and Bernice Kosulich, special writer for the Arizona Daily Star (Tucson) were visitors in Poston last Friday. They took pictures of agriculture projects.

HANDICRAFT EXHIBIT SCHEDULED FOR MAY 20-21 AT AUDITORIUM

A gala exhibition of Poston-made products, many from scraps and waste materials, will be shown at the high school auditorium on Saturday and Sunday, May 20 and 21, the Community Activities announced yesterday.

The exhibition is sponsored by the Community Activities who will be the exhibitors in conjunction with the Education Dept. of Unit I. On exhibit will be various articles, from knitting to petrified stone samples and shodo, it was reported.

On Saturday, the first day, the doors will be open from 2 to 9 p.m. while on Sunday, the residents may see the exhibit from 10 a.m. to 9 p.m.

urgently needed in steel casting, grey iron casting and brass foundries.

The work is hard, but not heavy, and the starting wage is 65¢ per hour plus time-and-a-half for overtime over 40 hours, with good likelihood of much overtime work and subsequent promotion. About 75 Japanese are now employed in these plants, and are highly spoken of by their employers who in many cases have shown preference for Japanese over other workers, Mr. Sutter declared.

On their return to Denver, the interviewers will find definite housing for the men, who will be aided in finding homes and sending for their families, after they have oriented themselves to the work.

Centerites who are interested in this employment opportunity are requested to contact the unit relocation offices in II and III and the Block 27 employment office in I.

MISS LESLIE NEW RELOCATION INTERVIEWER

Miss Myrtle Leslie, formerly connected with the Family Society of Rochester, N.Y., in Rochester, New York, is the third relocation interviewer added to the relocation division in connection with the family counseling program, James D. Crawford announces.

She will be stationed in Unit III. Previously appointed as relocation interviewers are Mrs. Harriet Morgan Powell in Unit I, and Herbert W. Carter, former agent cashier in the fiscal section, in Unit II.

Material gathered in these interviews will be sent to the relocation office of the area in which the family is interested. As far as possible, families who wish to relocate will be contacted first.

ENLISTS

"The coming year will be an important one. It is my hope that the people will take the present opportunities and relocate and that return to California movement becomes a bona fide realism. I regret that I will not be able to remain in Poston to assist the residents in relocation."

This statement was issued by Charles Olds, former Unit II Relocation advisor who left for Fort McArthur, California for army induction on Monday, May 15th.

Mr. Olds will enlist at the Japanese Language School in Ann Arbor, Michigan and expects to complete his training at Camp Savage, Minn.

ALL-STARS BARELY WINS

Unit III All-Stars received their first scare as they met their toughest opponent of the season, Unit I All-Stars in a return game last Wednesday evening at Court 305.

Unit I girls started out fast with Shin Kodama making the opening basket. It was a scoring duel between Kodama sisters--Aki of Unit III and Shin of Unit I--as baskets were made and matched throughout the game.

With one minute to go, Unit I had a chance to tie or win the game but over-anxiousness gave the ball away to Unit III and ended the game 25-24. Half time score was 13-11.

Unit I girls were noticeable in their smooth clicking forward trio. S. Kodama, H. Watari, and M. Oyama. Both teams displayed good defense which kept the score below 30.

Kodama sisters took scoring honors with 13 points each followed closely by T. Shimizu with 10 points.

In the first game between Unit I and III second teams, the Unit III girls did better by trouncing the Unit I sextette 33-16. A. Sasaki lead the scorers with 15 points followed by K. Kawamoto's 10 points and S. Ozaki's 8 points. N. Fujioka scored 9 points for the losers.

RED DEVILS WIN CLOSE MATCH

Staging a ninth inning rally, the Red Devils threw the Panthers into the consolation matches as they eked out a 10-9 win.

The Panthers scoring runs in almost every inning, lead 6-2 up till the bottom of the 6th when the Red Devils bunched up 4 hits and scored 4 times to tie up the game. In the top of the ninth, the Panthers scored three as Hane led off with a sharp single and advanced to 2nd as Iwanaga flyed out. S. O-moto kept the rally hot with a two bagger and scored on a sacrifice. H. Iwanaga drew a walk and scored on an infield error. A grounder by Matsui relieved the side.

Tsuchiyan, started the rally off as he got on base on an error. Kuniura pushed him to second with a single. Pinch hitter Yamacka slapped out another hit to load the bases with W. Obata clicking for a double to drive in 3 runs and tie the score 9 all. The next two batters retired as they grounded out. Hori with a 2-3 count clouted a 2 bagger and scoring W. Obata for the winning run.

T. Koike led the hitters with a 4-5 and Kuniura and Hori pacing the Red Devils with 2-4.

O.C. RALLY TO DOWN BLUE JAYS 9-4

In a game of veterans vs. rookies, the O.C. aggregation, one of the top notch favorites, came close to being pushed into the consolation bracket by the young Blue Jays as they had to come from behind to win 9-4.

The game was much closer than the score indicates as the Blue Jays held a 4-1 lead going into the fourth inning.

O. C. picked up a tally in the opening canto when lead-off man Orida dropped a texas leaguer into center and moved around on a error on three consecutive fly outs.

The Blue Jays tied it up in the 3rd on a walk and a brace of singles and then went ahead in the fourth when they tallied 3 times on the same number of hits.

The lead was short lived however as O.C. brought their big guns into play in their half of the fourth for 5 hits and 5 runs to go ahead 6-4.

Adding a trio of tallies on a quartet of hits O.C. sewed the game up in the 7th.

Y. Ezaki the winning hurler chucked 8 hit ball during his 8 inning tenure on the hill. Orida took over the last inning and allowed a lone bingle. Musashi of the losers went the route while being tapped for 11 assorted blows.

K. Sakamoto guarding the hot spot for the winners turned in a very creditable game, handling 8 fielding chances without a flaw.

L. Orida with a trio of singles and two tallies in five trips took batting honors for the winners while Blue Jay hurler Musashi rapped out a brace of singles to lead the losers.

AG. NEWS

Harvesting of green snap beans for center consumption at Section 34 started on May 12, W. C. Sharp, supervisor of agriculture, said.

Cabbage harvest began in Units I and II this week. Approximately 1000 crates are expected from Unit I, while Unit II anticipates about 40,000 pounds.

Grain threshing is expected to begin by the end of this month in the center. The Ag. Dept. expects over 500,000 pounds of grain this year.

One thousand four hundred heads of hogs are being raised at the hog farm south of Unit I. About 40 hogs are being slaughtered weekly at the slaughter house for camp use.

968 Cases Here Now Completed

Because it is expected that future leave clearance cases will be of a more complicated nature involving more legal questions, than the ones previously handled, leave clearance matters have been transferred to the legal division under Scott Rowley, project attorney.

Fred Okamoto, who has been in charge since last December under the supervision of James D. Crawford, relocation program officer, will continue in this position until his departure from the project next week. Transferred with him from the relocation division to Room 27 in the Ad. Bldg are three secretaries, Amy Noto, Kay Nakamura and Ada Uyeda.

As far as the procedure of scheduling and transmitting is concerned, no major changes are contemplated, Okamoto said. The work is about half done with 968 cases already heard and transmitted to Washington, and 600 to 700 cases remaining on hand. These incomplete files include both those persons placed on the stoplist by Washington and those who have applied for expatriation or repatriation.

The work ahead will be difficult, Okamoto continued, because

CUSHMAN ON TOUR OF CITIES

W. Allen Cushman, leave officer, left Tuesday night for California on a six-week trip, the latter part of which will include three weeks in the Cleveland district and one week in Detroit.

Prior to visiting the middle-eastern cities, Mr. Cushman will return to Poston on May 29 and will remain here for three days, during which residents who have personal relocation problems concerning that area may contact him.

In his absence, the Wednesday night class on etiquette and travel hints which he has been conducting, will be discontinued until future notice.

Also, in the future the Community Management division will handle selective service matters, and evacuee freight will be taken care of by the evacuee property section, Mr. Cushman announces. He has been in charge of both responsibilities until the present date.

LUCKY JORDAN

"Lucky Jordan", a Paramount picture starring Alan Ladd, Helen Walker and Mabel Paige will be shown to the public next week.

Alan ladd is again the tough but appealing guy who tries to "fix" his draft card but is inducted in the Army. He goes A.W. O. L., runs into a Fifth Column spy ring and aids in their capture.

No movie will be held on Friday, May 26, the Movie Dept. disclosed.

TULE LAKE

(Cont. From Page 1) group of Jerome (160) and Rohwer (200) will join Granada (140) segees and reach their destination on May 21.

OVERSEAS MAIL

(Cont. From Page 1) ceed 15 in., and the length and girth combined should not be more than 36 in.

The War Department advises that hard candies, fruit cake, cookies and the like, be enclosed in inner boxes of tin or cardboard, and that soft candies should not be sent.

It is emphasized that fragile articles require tight packaging, so that they will not rattle. There should be enough cushioning material for the item to withstand great shock. Double heavy corrugated cardboard or heavy wrapping paper is suggested for use around the cushioning, with heavy cord tying the whole. Goods should not be declared fragile unless they are.

The public is also asked to make certain that mail to servicemen overseas bears the correct amount of postage. Mr. Johnson reports, because of the loss of time and work entailed in collecting deficient postage. The return address must be clearly written, should it be necessary for any reason to return the mail to the sender.

CLEARANCE TRANSFERRED

(Cont. From Page 1) hearing board members who are familiar with both procedure and Japanese psychology are few and because of the scarcity of qualified secretaries and interpreters. This will probably necessitate a decrease in the volume of cases scheduled for one time. To accomodate those who wish to relocate, the leave clearance office is willing, as nearly as possible, to schedule hearings as they request.

In order to clarify the misconception on the part of evacuees that the leave clearance office is responsible for their being placed on the stoplist, Okamoto declared that Washington is the sole authority for such placement. The purpose of the clearance office is to clear such individuals.

Heretofore, persons having problems regarding their application for leave clearance have contacted Mr. Crawford or Mr. Okamoto. Hereafter, such persons are asked to make appointment with Mr. Rowley at the local office.

A COLUMN

Hand outstretched--
Level aim,
Fingers poised--
An endless game;
A loud "Ouch!"
Reprimand.
Johnny shot
A rubber band.
---Cad

In this case it was Yoshiyuki, of brimful energy and mischief who sometimes sits in front of us at Sunday School. He was shooting rubber bands the other day. Being a SS teacher we had to make him stop. So we shot one. Yoshiyuki, for all his 7 years, knew a crack shot when he met one. So he gave us all his rubbers with our promise to shoot the supervisor who walked up and down the aisles like a cop on his beat, next Sunday. As much as we dread next Sunday, we guess we shall have to attend, with our fingers crossed and our toes gnarled.

VISITORS WHO

...come into Poston tell us that on the outside they can spot a Poston or Gila girl right off the bat because of the color of her skin. But we say nix on the "anaemic" type. What's lovelier to look at than a healthy golden tan, the pride of summertime?

DOWN SOUTH

...near Camp Shelby, the boys told us that a young Poston Mrs. in her first days of residence there sported a parasol to keep the sun away. After they told her that only the "Kuro-chans" went around with such riggings, she promptly discarded said parasol for the rest of her days.

D. FUKUNAGA RESIGNS POST

With the resignation of Dick Ichiro Fukunaga as manager of block 227, Isamu Isomoto, block clerk, was named as successor.

Isomoto, a well-known figure in activities of the younger set and athletic circles, has the distinction of being the youngest block manager in the unit.

BLAZE DAMAGES BACHELORS ABODE

A blaze which razed the entire outer wall of apartment 4-B, bachelor quarters in block 227, aroused the Unit residents around 4 o'clock last Monday afternoon.

The fire which originated from a lighted cigarette tossed into the rubbish box was quickly brought under control.

OBSERVE MOTHER'S DAY IN UNIQUE FORMS SUNDAY

With "Mother's Day" as inspiration for many parties and affairs, mothers throughout the unit were feted by various groups over the weekend.

GINNY SIMMS

SENDS WIRE

Ginny Simms, popular star of screen and radio who was to have been a guest speaker at the Poston II High School Commencement Exercises, this week sent from New York the following wire to Mr. Robert Wells, senior advisor:

"Dear Mr. Wells:

Your telegram of May 24th has just been brought to my attention. I regret I will not be able to accept your most gracious invitation.

Please extend my sincere wishes for success and happiness to the graduating class of Poston II High School.

Thanks again for your invitation, and

Best o' everything

TO MEET THURSDAYS

The regular Friday night Drawing Classes under Gus Nakagawa and Harry Yoshizumi will meet on Thursdays.

Girl Scouts were active in blocks 219 and 222 when they made merry with the block mothers in their respective kitchen socials.

209 girls held a tea for their mothers.

Girls of 215, 221, and 213 were cooks, kitchen helps, waitresses, and dishwashers Sunday when they took the places of the mothers who work in the dining halls.

Other blocks honoring the mothers were 214, 211, 226, 227, 229, 207 and 208.

TO

AND

FROM

On indefinite leaves Tuesday were Mr. and Mrs. Mantoku Nakashima, daughters Louise, Lois and Grace, and son Frank, Payette, Idaho; Jim Ariki, Denver; Tobias Imoto, George Shoji, Fred Yasukawa, North East, Penna.

Short-termers were Oichi Hashimoto and Midori Fukuda, Denver, Colorado.

Visitors returning were Robert Aki Yamamoto, Chicago; Rokutaro Yamamoto, Amache.

COYOTE TRAPS LAID AT POULTRY FARM

Recently, coyotes of various types have been menacing the poultry farm and quite a few chickens have been missing. S. Terao, poultry division head, warned the residents not to prowl around the poultry farm during nights as coyote traps have been set at various places. This division will not be responsible for any injuries sustained from these traps.

Also a report of the arrival of 3,500 month old white leghorn pullets at the poultry farm was released.

FIRST AID CLASSES STARTS

Register immediately for First Aid, swimming, or life guard classes which are scheduled to begin May 22 and end on June 3rd at Red Cross Office.

Swimming and life guard courses will be given during day time while first aid classes will be held during evening hours.

An instructor from San Francisco is expected here to give the training.

"JAMAZONO" SOCIAL A HIT

Close to two hundred young people enjoyed the gay "Jamazono" social held by the Young Buddhist at 322 Dining Hall last Saturday night, May 13. Tom Tanaka served as master of ceremonies.

Presidents of the block YBA are as follows: 305--Masaru Saita, 306--Noboru Mitsuoka, 307--Harry Kurana, 308--Frank Fujimoto, 309--George Yada, 316--Masaru Okino, 317--Tom Sakata, 318--Ki-yoshi Kawamoto, 325--Hisako Kamikawa, 326--327--Miyoko Katano, 330--Ben Honda,

TERAO NEW POULTRY HEAD AT UNIT III

Shinichiro Terao replaced Masao Okamura as new poultry head of Unit III.

Vacancy left by Toru Ikeda's resignation as Block Manager of Blk. 307 was filled by Minoru Arikawa. Toru has served as 307's block manager ever since his arrival here. His resignation leaves Jay Nishida, now a supervisor, the lone Blk. Manager staff who has served from the very beginning.

Hisao Yebisu was named councilman from 316, succeeding Minoru Yamada who has left for Idaho.

Another new councilman, Kiyuji Aizumi replaced K. Iguchi from Block 329.

MOTHERS FETED AT PARTIES

Phylisiuns, the most active girls club in this unit, honored their mothers at a successful Mother's Day party at 324, Sunday evening.

Games, with prizes entertainment, and refreshments were enjoyed by all who attended.

Serving on the committee were: Foo Karamoto, General chairman; Midori Koba, entertainment; Meggie Hatada, refreshment.

Besides the party, the Phylisiuns are doing a good deed for the mothers by taking over the waitress job at 324 mess for 3 wks.

DEBS ALSO HONOR

Sigma Debs, 318 girls club, also honored their mothers at a highly successful party on Friday evening at 318 mess hall.

Beautiful corsages were given to the mothers and they were entertained with games and programs of songs and odoris.

Teruko Shimizu served as general chair-

TAKEICHI MIYATA RELOCATES IN EAST

Takeichi Miyata of 307, long time supervisor of Unit III Community Enterprise, has relocated to New York last Tuesday evening. He was accompanied by his wife and daughter, Teruko.

Y. Fukutome of 308 will temporarily serve as supervisor of Unit III.

PIANO RECITAL WELL ATTENDED

Nearly one hundred people enjoyed an evening of good piano music last Friday evening at 306 Rec. Hall when Rosie Takahashi presented her sixteen pupils.

Those who participated in the program were: Aiko Tsuchiyama, Yoko Kawasaki, Margaret and Dorothy Takahashi, Teruko Nakamura, Masako Kawamoto, Betty Ota, Naomi Nishida, Kikuko Kawasaki, Satoko Yamashita, Clara Amin, Grace Hiratsuka, Chizuko Fukutome, Sachiko Saito, Shizuko Ozaki, Mariko Kawaguchi.

Fire Alarm Boxes Completed in Units II, III

Completion of the fire reporting telephone system at Units II and III has been announced by Arthur M. Chisholm, chief telephone foreman, who also advises that in Unit I another week will be necessary before installation is finished.

Project residents are reminded that the fire phones are for emergency purposes only and cannot be connected to other phones or used for any other purpose and should be left alone until needed.

The reminder is issued because numerous cases have been reported of children and possibly others lifting these phone receivers and hanging up when the operator has answered. Often the improper replacement of the receiver has caused a permanent signal on the board. This has necessitated the operator's plugging out that particular line, putting one or more boxes out of service until a repairman can be sent to clear the trouble.

"SPRING FEVER" ON MAY 27

The much awaited senior play "Spring Fever" will open its curtains on May 27, one week later than scheduled at the new partly constructed school auditorium.

Directed by Mr. Olsen, the following pupils of Parker Valley High will take part:

Dei Ozawa--Howard Brent, Kiyo Ishida--Ed Burns, Walter Fujimoto--Vic Lewis, Edyth Hirase--Lou Harren, Sachi Harada--Mrs. Sprangler, Emily Kuwada--Ann Purcell, Grace Kushino--Vivian George, James Tajiri--Jerry Purcell, Shigeko Ogata--Phoebe Purcell, Alice Ozaki--Mande Corey, Bill Vetter--Prof. Virgil Bean, Akira Takeshita--Dr. Dixon.

Tickets are available at high school office (adobe) or from any senior student at 25¢.

Don't miss this hilarious comedy!

316 MESS HALL BEATIFIED

Perhaps 316 is now the most beautiful mess as it received a coat of white and pale blue paint to dispel the barn-like atmosphere. The crepe paper decorations stands out lovelier than ever on the pale blue background.

The paint was donated by Nozawa, ex-chef through saving of milk coupons. The painting was done by 316 "AA" and "A" softball team.

308-330 TEAMS TIE 4-4

Before this seasons largest turnout of spectators, the crucial games in "AA" softball league between 308-330 were played last Tuesday at Yankee Stadium.

The exciting contest ended in 4-4 deadlock after playing one extra inning. The game was featured by good pitching, fielding and batting, with the score see-sawing back and forth, neither team holding special advantage.

308 took the initiative, commanding a 3 run lead by scoring in the early innings. 330 came out strong to tie the score 3-3 by scoring during the middle stage of the game. Then in the 6th inning Fukumura put 309 team ahead, 4-3 by hitting a home run. 330 came back in the last inning with determination to put on a big rally to fill the bases. However, they managed to score just one run to tie the game. Another inning was played with neither side scoring.

Batteries: H. Morikawa, T. Morikawa--308. W. Fujimoto, T. Segawa--330.

INDUCTION OF MEN BETWEEN 26 - 37 IN CENTERS PROBABLE

Further Gasoline Curtailment Seen

Further cut in gasoline allotment for project vehicles is likely, in compliance with the presidential order urging all government agencies to reduce their gas allotments 40%. Moris Burge, member of the local gasoline rationing board said, since the present allotment does not meet the required out.

Rationing on the project will be handled by the local boards as it is on the outside. Mileage and need of each car are checked and allotments are made accordingly.

Emergency allotments have been granted several departments. Adjustments, if needed, will be considered by the board on the basis of need. All requests should be made to Leslie Miller, secretary of the board.

TWO REFUSED IN INDUCTION SUNDAY

Pre-induction physical examinations were given to 135 men, while 22 men were sworn into the Enlisted Reserve Corps last Sunday at the project hospital, according to James D. Crawford, selective service representative.

There were 138 called for examination, including Dr. David French, community analyst, making three who failed to appear.

Out of 33 scheduled for induction, seven were cancelled, two were deferred for further examination, and

Salinas, Sacramento Boards Send Wires

In answer to inquiries from James D. Crawford, selective service representative, the Salinas, Watsonville and Sacramento boards have indicated that physically qualified nisei men in the 27-37 age bracket will be duly processed and inducted if they are now residing in relocation centers.

Salinas local board #120 has wired: "This board contemplates processing for induc-

SEASONAL MEN LEAVE

Leaving Saturday night for Cache River Valley, Utah on seasonal employment were 87 men, out of 300 wanted by Ray Tanaka, recruiter, and John Phelps of the War Food Administration.

The contracts extend to November 15, and the work will be mainly in sugar beets, it was said.

NO CLEARANCE NEEDED FOR MINORS

Effective May 17, 1944, no evacuee shall be required to file application for leave clearance until he reaches the age of 18, James D. Crawford, relocation program officer, announces.

Persons under 18 be granted leave in the same manner as persons under 17 are

tion and inducting all Japanese American registrants physically qualified in age group 26 through 37 presently residing in relocation centers. This is in conformity with our state headquarters bulletin number 180 of April 27th."

K.H. Leitch, California state director of selective service, answers for the Watsonville board: "The status of Japanese American citizens is the same as registrants of other races in age groups mentioned according to local board memorandum 115 as amended on May 15, 1944."

T.L. Conrad, chairman of Sacramento board #120 has replied: "We advise that our procedure with them will be no different than with any other registrant. Provisions of local board memorandum 115 will apply."

If relocated, men 26-29 in essential work, and men 30-38 in important work, may apply for deferment, while anyone over 30 may request reconsideration of his classification according to board memorandum 115.

granted leave under the present procedures. Present procedures will remain in effect for persons becoming 17 prior to May 19, 1944.

MOVIE MONEY

The local Council allocated \$300 to the C.A. for special movie purposes in Unit I.

SEASONAL WORK IN IDAHO

B. O. McCulloch, representing the War Food Administration of the Dept. of Agriculture arrived at Boston, Monday, May 15, to interview people who wish to go out for seasonal farm work in the Magic Valley, in South Central Idaho; Twin Falls, Filer, Burley, Rupert and Hazelton districts.

War Food Administration Labor Camps are located in each of the above places. All camps have shower baths, laundry rooms, city water, electricity, nurse and medical accommodations. Well planned and operated kitchens and mess halls; supervised and operated by experienced Japanese cooks and kitchen help.

Principal crops are early and late potatoes, sugar beets, onions, beans, hay and grain.

The Magic Valley is noted for its good soil, fine farms and heavy yields in all crops. Rates of pay by the hour and by the month, and all piece

work are very satisfactory. There is plenty of work for everybody. Many farmers have good houses for their help with fuel, water, electricity furnished free to the workers who prefer to do their own housekeeping. Periods of employment vary from about 6 weeks to 6 months. Transportation there and back will be furnished by War Food Administration.

Interested persons are asked to see Mr. McCulloch at once at Employment and Leave Office Block 27, Unit I, Employment and Leave Office Unit II and Employment and Leave Office Unit III.

Y.B.A. TO GIVE BENEFIT SHOW

"Sweet Rosie O'Grady", starring Betty Grable, Robert Young, and Adolphe Menjou in technicolor and "Iron Major", with Pat O'Brien, Ruth Warrick and Robert Ryan, will be shown by the Y.B.A. in a benefit show at the school auditorium this Friday and Saturday nights.

Also on the tab are short subjects. Residents are urged to get their tickets early as only a limited number of general admission tickets are available.

PROPERTY MAN DUE HERE

Earl Browne, Field Representative of the San Francisco Evacuee Property Office, representing the Coast Area of Northern California, will be here June 6, and will probably stay until June 8, R. W. Schmitt, Evacuee Property Officer stated.

He will be glad to see any evacuee who may have property problems in that area, which is the Salinas, Watsonville, San Francisco, and San Jose areas.

EDITOR LEAVES FOR EAST

Masao Iwatate, editor of the Chronicle Japanese section for the last year, left the center last Tuesday evening for Philadelphia on relocation.

Mr. Iwatate was formerly from Oceanside, where he was employed as a school teacher.

SCOUTS HONOR MOTHERS

Mothers of the Unit I Girl Scouts were honored at a very successful program held at the school auditorium on May 14. Sue Sakamoto, chairman of the Girl Scout leaders, reported.

Each troop presented special talents which included skits, musical numbers, dances and amusing pantomimes.

After the program, refreshments were served to the mothers.

JOB OPEN IN ANN ARBOR

George Kurata, former resident, will arrive on the project within the next few weeks to recruit men to work in the 400-acre peach orchard which he is managing in Ann Arbor, Michigan.

Housing will be furnished for the men accepted and their families. There will be all-year-around employment, with orchard work in summer and box factory work in winter. "Good pay" is also promised.

Residents are asked to consider this opportunity, because in this area there are many farming prospects with a good market for produce.

WANTED: Six men for hog farm, thirty men or women for vegetable farm. Inquire at Ag. Dept. Bk. 37.

WANTED: Clerk-stenographer at Industry Dept. Bk. 35-B-A.

JUDGES FOR FISH CONTEST ANNOUNCED

Judges for the fishing contest now on, sponsored by the Boston Co-op Enterprises, Inc. from the three units have been released as follows:

Unit I-Kinji Ikeda, game warden; Ajiro Takahashi, Red Cross; Sekizo Yoshikawa, C.A.; Toshio Kitamura, Chronicle and Toshio Nakabayashi, Co-op.

Unit II-Kinjo Okawashi, game warden; Ichiji Motoki, Red Cross; Kenneth Maeda, C.A.; Shozen Yasui, Chronicle and Toshio Heyamoto, Co-op.

Unit III-Kingo Ouchi, game warden; Ben Tsutomu, Red Cross; Masami Honda, C.A.; Haruichi Hanemoto, Chronicle and Nobuo Otani, Co-op.

What

A COLUMN

(When thoughts stray home--back home--we ironically pick up school logs and annuals to dwell in the sunshine of those days. We came across the little story, printed below, in our Salinas Union High School literary annual, the "Bridge." 1942.):

"Johnnie wasn't smiling as he hurried along the foresaken street on the morning of Dec. 8, which was out of the ordinary because Johnnie had all his life worn a perpetual smile.

"But at 14 one feels more like crying than smiling when one has seen disaster strike one's home. Johnnie had watched Honolulu go up in flames. Turning the corner to his street he bumped headlong into his life-long friend and playmate, Mitsuo.

"Oh Johnnie," Mitsuo cried, hurrying up to him.

"Don't speak to me, yellow Jap!" roared Johnnie. Then his fist shot out and the Japanese boy lay quietly stretched out on the ground. Johnnie pitched him aside and raced for home.

"As he rushed into the house, banging the door behind him, his mother called:

"Johnnie, did you see Mitsuo? He wanted to tell you how proud he was and yet how sad. His brother was shot down yesterday defending Pearl Harbor."

Dear Editor:

We would like to make a suggestion to the Director of Boys' Athletics regarding unnecessary razzing on the part of spectators during league softball games.

Fans can root as much as they want for their own team. How-

HIGH SCHOOL HONOR SOCIETY NAMES NEW MEMBERS

The Poston II High School chapter of the National Honor Society announced that additional names have been elected to membership by faculty council.

GOTA - FUJITA WEDDING

Yeiko Gota said her nuptial vows with Tad-ao Fujita on the evening of May 16th at the candlelit altar of the Buddhist Church with Rev. Iwanaga conducting the rites.

A reception followed for friends and relatives.

The bride is the daughter of Mr. Ichiro Gota, and the late Mrs. Gota, formerly of Monterey.

The bridegroom was a resident of Watsonville, currently of block 220.

NEW MOTOR POOL RECOMMENDED

The Poston II Planning Board sought the approval of head dispatcher Les Miller, for the transfer of the Unit II Motor Pool to Blk. 218, a five-acre land plot two blocks north of the present location.

The new locale is more spacious and convenient, it was stated. The Agricultural Dept. has consented to apportion that section of land for the purpose.

ever when they start jeering the opposing pitcher, that is going too far. Not only does it show poor sportsmanship on their part and their team, but they are subject to that uncomplimentary term of "dirty."

Could not some rule similar to that of a technical in basketball be devised and given to teams whose rooters abuse the privilege of rooting?

Softball Mgs.

In order to be elected to membership in accordance to the constitution of the chapter students must have attained a B plus average in scholarship and the same standing in leadership, service, and character.

With Kouichi Tanaka as president, Miyoko Hironaka, vice-president, and Makiko Yamamoto, secretary, the other charter members are Michiyo Arase, Ted Kato, Marilyn Miyake, Sachiye Mizuki, Aileen Oita, Dorothy Sakasagawa, and Tomiko Shiba.

New members include: Dan Inouye, Mary Kono, Mary Kanagawa, Dorothy Matsumoto, George Oki, Itsuko Miyanaga, Joseph Ogawa, Marie Suto, Yoshimi Kobara, Alfred Terao, Fujie Fukutomi, Kenji Harada, Theodora Obana, Kazuo Hironaka, Orden Ichinaga, Mitsuo Ikeda, Henry Iyemura, Virginia Yanagisako, Frances Yoshida, and Betty Oku.

Probationary members are Doris Sakasagawa, Harumi Morimune, Ford Yanagisako, Ted Akahori, Taeko Hamamoto, Toshie Ichikawa, and Miho Takizawa.

These persons will be inducted before the close of school.

LOS ANGELES MAN TO SPEAK HERE

Rev. Edward Caldwell will be the guest speaker for the three day special Young People's Christian Conference which will be held from Friday, May 26 to Sunday, May 28 inclusive.

Rev. Caldwell is a graduate of Princeton Theological Seminary and he was for four years one of the pastors in the Calvary Presbyterian Church in San Francisco. He is now the pastor of a Presbyterian Church in Los Angeles. A youthful man, he is noted as a good speaker.

Everyone is cordially invited to these services.

NUPTIAL VOWS EXCHANGED

George Makoto Santo of 316 claimed Alice Itsuye Inouye as his bride at a lovely wedding ceremony held at 316 Buddhist Church last Thursday evening. Rev. Z. Kawasaki officiated the ceremony.

Given away by her brother, Masayuki, the bride was attired in a lovely white shadowed sheer gown with a finger-tip veil flowing from a sweetheart halo crown. A bouquet of orchids completed her accessories. Gowned in a shadowed blue sheer, Miss Edith Takahashi was maid of honor, while the bride's sister Masako was bridesmaid in a rose-colored dress. Two flower girls, Ayako Inouye and Sachiko Santo, were attired in pink.

Jimmy Hatakeda served as best man with Masaru Okino was the usher.

Reception followed at 316 dining hall. Baishakunin for the couple were Rev. and Mrs. R. Masuoka and Mr. and Mrs. K. Shigetomi, both of Unit I.

KOTO CONCERT SLATED IN 310

Lovers of good oriental melodies of koto music will have a chance to hear one of the finest when Keiko Kikusome, well-known koto expert from Manzanar, will be featured in the koto concert to be held at 310 Mess Hall next Tuesday evening from 8 p.m.

This lovely instructor is formerly of Terminal Island and is visiting here with Mr. and Mrs. T. Nakashima.

The program will also consist of popular koto pieces by Mrs. T. Nakashima and her pupils, Miyeko Tsuchiyama, Hisako Sekishiro, Koyomi Yamanaka, Miyoko Katano, Emiko Kodama, Sanaye and Yoko Kagawa. Shakuhachi and violin will accompany some of the numbers.

HATADA CLINCH GAME FOR 323

The highly favored 323 team defeated 316 team by the score of 9-8 Tuesday evening at 316 diamond. The feature of the game was the fact that 316 scored 8 runs on two scattered hits. This was made possible by the record number of free passes issued: 11 by the 323 pitchers. With the score, 8-7 in favor of 316, in the very last inning. Min Hataka uncorked one on his famous hits which he is noted for, a 300 ft. line drive into left center for a home-run with one on. This was a climax in the game for 323.

TUES. GAMES

In the "AA" League, 308 plays 322 at 322, while 316 meets 330 at 316. 330 defeated 328, 6-5, last Thursday, May 18.

In the "A" League, 318 will have it out with 305 on the latter's homeground.

If any of you have not strolled around the administration buildings, you're missing something. The fragile paper-like pink hollyhocks, exquisite white flower clusters (don't know the names) all kinds of colored petunias and snapdragons won't be blooming forever as hot summer is setting in so don't miss seeing the beautiful scene of lovely flowers.

Parents and teachers are having headaches now because of too many movies. It is said that some of the students are sleeping in classes because of it and they are neglecting studies. Whether it is the movies or the weather's fault we do not know. The Entertainment Department is doing its best to provide entertainment during the summer nights in hope that young people will have something to see instead of mischievously fooling around. Their efforts are to be commended but some compromise will most likely have to be made to please the parents regarding the late movie nights of their kids. Perhaps the solution will come by itself soon since summer vacation is just around the corner.

GIRLS.....softball games are scheduled to begin sometime this week. Four teams, namely, 306, 308, 318, and Roku III will take part. Contrary to boys, the interest in this sport is very low. Whether you are good or not, come on girls, let's have some fun by playing ball! Games will be scheduled so they won't interfere with watching the boys' games.

VALLEY'S RALLY FALLS SHORT; O.C. WINS 7-6

Bringing together two of the strongest teams in the quarter finals by some quirk of drawing the O.C. aggregation after going ahead 7-3 in the eighth barely nipped a Valley rally to win 7-6.

Getting beautiful support from the outfield, Ezaki had a 4-hitter going into the ninth when he weakened, Orida coming into relief and quelching the fire when Miyata was thrown out at the plate on a sensational play from the outfield for what would have been the tying run.

Valley drew first blood when they scored twice on the strangest play seen this season. After Onoda walked, Chikahisa dropped a little Texas leaguer in short center. Center fielder Furuta in attempting to make a shoe string catch missed, the ball hitting his foot and ricocheting into left field to allow the fleet footed Chikahisa to come all the way home.

Coming back in their half of the second O.C. put together two hits by Furuta and Nitta behind T. Ezaki's walk to go ahead 3-2.

Valley tied it at 3 all in the third when Miyata and Nakazono put together a pair of singles with an error sandwiched in between.

Adding another in the fourth, O.C. scored what proved to be the winning run in the eighth when they rallied for 3 tallies on a pair of hits, a walk and 4 errors.

Leading the 6 hit attack on Lefty Hanaoka was H. Nitta with

SEMI-FINAL GAMES THIS WEEK

O.C., RIVERSIDE AND BLACKBIRDS, CLOWNS GAMES

TOP SKED

Concluding two weeks of play the Unit I softball tourney swings into the semi-final games this week. In the championship bracket the Blackbirds, Clowns, O.C. and Riverside remain while in the consolation side it will be between the Ramblers, Red Devils, Blackhawks and Indians.

Highlight of the second round of play was the 5 hit masterpiece hurling by Kay Kokubun as he shut out the Bombardiers 18-0.

Incidentally the Blackbirds took quite a body blow when 5 of their first string players relocated this week. The Blackbirds meet the Clowns on Thursday at Field 12. K. Yamaguchi who has

been able to bottle the birds everytime he has appeared against them this season will undoubtedly take the mound against T. Morinishi.

In the other games the Blackhawks with R. Uchimiya in the driver's seat go up against the Indians, Tuesday on diamond 30.

On Wed. the rambling Ramblers cross bats with the Red Devils on Field 12. Kamatani will take the hill for the Ramblers against manager H. Eddow's "meal ticket" M. Kunimura.

On Friday the heavy hitting O.C. nine will attempt to solve the offerings of K. Ikenaga in what should be the outstanding game of the week.

two singles and a double. J. Ohta and H. Nakazono each garnered two hits out of the 7 allowed by Ezaki and Orida.

CLOWNS WALLOP FLATFOOTS 17-6

Blasting three Flatfoot hurlers out of the box for 13 solid hits, the rampaging Clowns won the right to meet the Blackbirds in the semi-finals as they easily walloped the Policemen 17-6.

Ken Yamaguchi, working behind the plate for the Clowns, and doing relief work on the hill, got a perfect clip at the plate with a 4 for 4.

CLIPPER NIPS VIGILANTE 3-5

Wacky Wakayama of 219 Clippers hurled a four hitter to defeat the 227 Vigilantes 3-5 in the Unit II single Aye opener last Tuesday Eve.

The Clipper touched the opposing chucker Joe Kiyohara for 7 safeties resulting in 5 runs in the nine inning contest.

They clustered 2 hits in the first inning for 2 runs and tallied thrice on timely hitting by S. Matsui and T. Hatanaka in the fifth.

The Vigilantes scored a run in the second, third and in the eighth.

Batting honor was shared by Wakayama, Matsui, and Tsuda of 219 with 2 blows apiece.

Vigilantes four hits split by F. Hirayama, S. Kajihara, F. Nanamura and J. Kiyohara.

NISEI MAY MAKE APPLICATION FOR RE-ESTABLISHMENT LOANS

Ex-Policeman Violates Leave Regulation

Pleading guilty to the charge of violating a WRA leave regulation, Yukinobu Tao, former policeman, was sentenced to three months in Yuma County Jail at a special hearing last Saturday morning.

Previously charged with disturbing the peace, Tao was found to be in Gila River relocation center without proper leave papers, and was brought back to Poston for arraignment and trial.

Sitting as judges in the case were Duncan Mills, project director; Moris Burge, deputy project director; Scott Rowley, project attorney, and Charles A. Harper, internal security officer. Also present at the trial were Dick Nishimoto, police commissioner; Elmer Yamamoto, acting city attorney who interpreted, and James Yahiro, city clerk, who acted as advisor to the defendant.

In passing the sentence, Mr. Mills said, "The leave regulations of the WRA have been evolved after much labor and much thought (cont. on page 2)

CORRECTION

Charles Ichiro Oki, 13-10-A, failed to report for induction last Sunday, instead of Itaro Nishi, as stated in the Chronicle.

Mr. Nishi, was one of the three who did not appear for pre-physical exam.

Funds Available To Open Small Shops

All citizens, including Japanese-Americans, may make applications for loans from the Reconstruction Finance Corporation to establish or re-establish small businesses.

The RFC will accept applications from any small business enterprise, whether it is a corporation, partnership or individual. Included in this category are retail stores, dry cleaning plants, garages and the like. Newspapers, liquor, manufacturing or dispensing establishments are not eligible, however.

Security will be arranged with each accepted applicant. Loans will mature in five years and will be amortized on a monthly basis. No loans will be made for the purchase of farm real estate.

Applications can be made direct to any RFC representative or bank, as the RFC is authorized to make loans to any business in cooperation with local banks. Relocated evacuees should contact their district relocation officer first, since he will be able to call on the RFC agency representative in his area and provide him with a rather complete background of the WRA's relocation policy before specific requests are acted upon.

THOUSANDS JAM EXHIBIT

Over 11,000 persons jammed the unit I Auditorium last Saturday and Sunday to see the two-day handicraft exhibit sponsored by the Community Activities, according to Sekizo Yoshikawa of the C.A.

Saturday's attendance from Unit I was estimated to be 4,000 while 6,000 attended Sunday. One thousand from Units II and III attended during the two days.

On exhibit were various articles made by Adult Education classes, many of which were made by discarded articles. Of special interest were a toy train made by the Toy and Model Dept. and a wedding gown by the Blk. 21 sewing school.

The C.A. wishes to express appreciation to all persons who contributed to the exhibit.

FOOD COMMITTEE ESTABLISHED

For the purpose of bringing about closer co-operation between the subsistence and agricultural departments of the three units, an Agriculture and Food Co-ordinating Committee has been established by the Community Council.

Chairman of the new committee is K. Otsuka, vice chairman, K. Yoshimune and secretary, S. Sugimura.

Members are K. Otsuka, T. Matsumoto, S. Kobayashi and H. Kadowaki, I; J. Terakawa, J. Hayashida, II; and K. Yoshimune and K. Mimura, III.

GOLD PINS AWARDED TEACHERS

Over 100 gold pins were given to the teachers of pre-school through to high school and school officials by the P.T.A., last Wednesday night, May 17, at the school auditorium.

The gold pins, symbolizing Poston with a desert scene with cactus and setting sun in the background with a letter "P", were given to the teachers and officials in recognition of their work on the project and to identify them as members of the Poston school faculty.

John Girdler, high school principal, who was introduced for the first time since his arrival in the center, was one of the main speakers of the eve-

PARTY GIVEN NELSON

Len Nelson, assistant project director, was given a farewell dinner by members of the Unit I council and block managers at mess 32, Wednesday night, May 17.

Nelson is leaving the project on May 28 to accept a position with the Office of Indian Affairs in Chicago.

Masters of ceremonies for the evening were Councilman M. Okamoto of Blk. 30 and Y. Kawasaki, while Dick Nishimoto, representing the block managers, and Masayoshi Nagai, representing the local council, were speakers.

The highlight of the dinner was a poem dedicated to Mr. Nelson by Clifton Snelson, project steward.

DR. BOARDMAN ON VISIT

Dr. Donnell W. Boardman, acting principal medical officer, left last week for a short visit in New York City.

Dr. John F. West is acting medical director in his absence.

ning. Other speakers were Miss Retha Breeze, elementary school principal and A.L. Harris, director of education.

The latter part of the evening was devoted to entertainment with refreshments being served.

NO MORE RUSH ORDERS FOR PRINTING

Rush orders in job printing, such as tickets, dance programs, wedding announcements, etc, will no longer be accepted by the Poston Print Shop, according to Pauline Bates Brown reports officer.

At least four days must be allowed by the time the order is given and the time the finished work can be had, Mrs. Brown stated.

EX-POLICEMAN

(Cont. From Page 1) for the protection of national security, on one hand, and on the other, for those evacuees who can meet the criteria established for leave clearance. The regulations are not perfect. The people who administer them are fallible. Some injustices may occur. The same statement may be made of any law and of any court. It does not excuse any individual for flouting openly the regulations. In this case I believe that this offense is one of the most serious which could be committed against the regulation and against the evacuees as a whole, whether inside the center or relocated outside the center. I cannot condone such an offense, least of all on the part of one who has occupied a responsible position in the center and who knows very well the seriousness of it."

Tao was remanded to the custody of Mr. Harper.

GRANTS DENIED TO ERC MEMBER IO MAKE QUILL AND SCROLL

A memorandum received by the local Selective Service Advisory Board from Relocation Program Officer, James D. Crawford revealed a following teletype dated May 17 from Dillon S. Myer:

"Members of Enlisted Reserve Corps are ineligible to receive leave assistance grants if they relocate without being part of a family relocation plan."

UTILITY MOVES TO GARAGE

The Utility section of Unit II under the Division of Operations Wednesday transferred their office to warehouse number 211 (the Garage building.) It was announced by Kenji Uyeno, Administrator.

The Utility Division supervised by Sid Shiratsuki is responsible for electricity, sewage disposal, water pump, rubbish disposal, refrigeration, and coolers.

SOFTBALL GOES ONE ROUND

In view of the number of blocks finding difficulty in filling their rosters, the softball league will go only one round, according to William Wakayama, men's athletic director.

The American and National "B" champions will play 2 out of 3 games play-off at the end of the round for awards.

For teams wishing to play longer, it was asserted, the Recreation Department will organize another league.

The Poston II High School's local chapter of the International Honorary Society for High School Journalists, announced the names of persons who passed the grade requirements for membership of the Quill and Scroll.

Out of the 20 who were recommended the following people were elected: Aileen Oita, Teruko Shigemoto, Mary Nomi, Kouichi Tanaka, Itsuko Miyayama, Dotty Matsumoto, George Oki, Kazuo Hironaka, Sachi Mizuki, and Isao Kiyohara.

Installation service will be held on May 25.

WAKAYAMA NAMED 219 MANAGER

Fusajiro Wakayama, a prominent resident of block 219 has been named as the new successor to Edwin Matsuura as block manager.

Mr. Matsuura revealed his intention of relocating to Cleveland, Ohio.

Assisting Mr. Wakayama is secretary Sally Oshita.

PARKER VALLEY HIGH SCHOOL ACCREDITED BY STATE

The students and teachers of Parker Valley High School are the happiest and proudest in Poston as their school has received accreditation from the State Accrediting Committee of Arizona.

Miss Frances Cushman, principal of Poston 3 schools and whose untiring efforts brought forth this accreditation, stated "The students and faculty are very grateful to the residents of this unit for constructing the school buildings which made it possible to meet the standards of a good school in every respect."

The name Parker Valley High was adopted by the students recently when the accrediting committee suggested the school be named. Credentials were then submitted to the accrediting committee. After two visits to the school and reviewing of the credentials, etc., the Arizona State Accrediting Committee informed Miss Cushman that it has approved the school for state accreditation.

Parker Valley High is the first school in Poston to be thus recognized.

COUNCIL VISITS

DIET KITCHEN

On Thursday, May 18, the Unit III Stewards Department conducted a tour for the Poston City Councilmen through the special diet kitchen and ~~atag Unit III is the only function which proudly possesses this type of diet kitchen.~~ Its advantages and the value of having this kitchen was explained by Mr. Snelson.

Three visitors from Gila, namely Mr. Oishi, Mr. Suyeda, and Mr. Fujishige who are in charge of mess halls there were included in the group. They have come here to check on family style of serving meals and various other things.

K. FUJINAKA WINS OPEN GOLF TOURNEY

The Poston Open Golf Tournament came to a successful close last Sunday at the Poston III Golf course after 3 successive Sundays play at three units.

K. Fujinaka of Unit III illustrated his supremacy over the field by posting a low score of 212 for 54 holes, 15 strokes ahead of his nearest competitor, just 2 over par. His very steady game as shown by his record, was the feature of the tournament.

The results of golf score winners were as follows:

Score	Player
212	1st-K. Fujinaka
227	2nd-K. Sakai
228	3rd-G. Seki
230	4th-J. Urabe
232	5th-H. Murakami

In a Net Score Field J. Takemoto, a beginner with only 2 or 3 months and consequently with 21 handicap improved surprisingly fast to net 195 winning first place in this division.

Nakaji, likewise a high handicap man, after a poor start at Unit II, finished strong at Unit III to win 2nd place.

Results of this division were as follows:

195	1st-J. Takemoto
203	2nd-H. Nakaji
207	3rd-T. Mine
208	4th-J. Takashima
209	5th-I. Nishioka
210	6th-U. Yamane
211	7th-D. Yoshimine
211	7th-D. Ono

ARMY CALLS MEN

Shortage of Workers Hits Center Employment

Because the rapid decrease in center population, due to relocation, nisei draft and seasonal work, has caused a severe shortage of evacuee workers, the employment office has asked the help of the Community Council in alleviating the situation, H. Onishi of the CC reports.

A special meeting was called on Tuesday, May 25, to discuss the problem and its possible solutions. Each unit sent one representative from each department, and a sub-labor committee was organized, which will report to the main labor committee on its findings.

The main labor committee consists of 11 men from the three units who will make the final decision as to what is the most feasible solution.

This morning department representatives will meet with personnel officer, P.J. Cassilly.

YWCA WORKER VISITS CENTER

Mrs. William Chambers, member of the National Board of the YWCA, and member in charge of the YWCA work with relocation projects, is on a visit here to promote "Y" planning and activity here.

She has been here all week, and will leave Monday morning.

Group to Leave Center Monday for Fort Douglas

Telegrams notifying 10 Postonians to report for active duty in the U.S. Army arrived last Wednesday afternoon, according to James D. Crawford, selective service representative.

The boys are expected to leave the project this Monday morning for Fort Douglas, Utah, where they will be processed and sent to an Army camp for their basic training.

Meanwhile, about 26 more men have been called for pre-induction exams and inductions when the Army Medical Team arrives from Phoenix, Sgt. R.

L. Porter of the Phoenix board reports.

The date of the next exam is as yet uncertain.

There is no foundation to the rumor that the third examination was the last one for this year, Mr. Crawford said. Since the pre-induction exams started, 1,000 have taken their physicals.

Those called are: George Matsubara, Takashi Ezaki, Hideo Shigekawa, Tom Aochi, Chester Okimoto, Jimmy Etsu Ogawa, George Miyada, Sumio Nishi, Norman S. Okamoto, and Roy Masaaki Ida.

TO THE RESIDENTS OF POSTON:

In recent months I have been called upon to bid godspeed to many of my good friends who were leaving the center to relocate. Now it is time to say goodbye to those of you who remain, for tomorrow I am relocating. My "leave clearance" has been granted, my reservations made, and tomorrow I leave Poston for Chicago to re-enter the Indian Service. As all of you know, in 1942 the Indian Service loaned me to this project. They are now transferring me back.

We have spent two unforgettable years together at Poston, and here in the desert heat have been forged the bonds of strong friendships. But the dusty days of intake, the stoveless days of the first winter, and other pioneering ventures are but memories, and the gates of the center can swing outward for almost anyone who wants to relocate.

Mrs. Nelson and I want to voice our appreciation for the many kindnesses extended us by the residents of Poston. We shall not forget them.

And now, until we meet again some day "outside"---

"Bombay Clipper," a Universal feature picture starring Wm. Garagan and Irene Hervey, will be shown at Blk. 59 and central pool this Sat. and Sun. nights respectively, according to the C.A.

Other special movies will be included.

The selection was determined by the following process:

The Senior Council was asked to recommend a basis for choice. It was recommended that scholarship be basic, with service, leadership, character, and speaking ability.

The faculty accepted the recommendation with the exception of public speaking ability which was not considered.

The six highest ranking senior students who were selected by a decimal system were given a 3-2-1 rating in leadership, service, and character by the faculty members who felt competent to grade. These ratings were added to their scholarship ratings and multiplied by 3.

308 YANKEES SUFFER FIRST DEFEAT FROM 322

Playing before the season's record crowd at Sportsman Park last Sunday evening, the underdog 322 softball team came from behind to hand the heretofore invincible 308 Yankees their first defeat in "AA" league competition.

The Yankees scored 2 runs in the second inning on two successive triples by N. Nakamura and Gordy Miyamoto. 322 came back with heads up offense and scored 4 runs in their half of the same inning on 2 free passes, 2 errors and 2 fielders choices. Four runs were scored against the strong 308 defense without a single hit being made.

In the third inning the Yankees added a run to their credit on a hit, walk and a sacrifice fly. Thereafter, neither team scored, with both pitchers working effectively and both defense playing errorless ball.

Aside from the two successive triples in the second inning, A. Takeshita pitched superbly, being especially effective in the clutches. Another feature of the game was that the Yankees lost despite the fact that they outhit the winners 6 hits to 2.

PANTHERS EDGE

MUSTANGS 1-0

Roy Namba's superb two hit hurling combined with the air tight infielding, the Sacramento Panthers from block 229 defeated 220 Mustangs, 1-0 in the Single Aye twilight tilt last Tuesday.

The pre-dope indicating a slugfest, the contest turned out to be a pitchers duel between R. Namba and K. Taniguchi, the latter matching Namba's two hit performance by limiting the Panthers to five bingles.

The winning tally was scored in the lucky seventh after two down.

Lead-off man Kay Matsueda opened the inning with a pop-up to third. Mits Yamada followed by reaching first on Taniguchi's only pass of the game and advanced to second on a wild pitch but failed to reach third on Paul Kuwabara's grounder to third for the second out. Then came the timely blow by clean-up man Jim Namba. With the count 2 and 3, he slashed a screaming liner to center for a triple as Ben Shimizu dropped an attempted shoe-string catch, allowing Yamada to cross the plate with the lone winning tally. Taniguchi forced George Yamada to ground out to short for the third out but the damage was inflicted as the Mustangs failed to solve the change-of-pace offerings of Namba.

M. Yamada, J. Namba, R. Namba, P. Matsuo and H. Matsuo were credited with one safety each. Jit Haya-shi and K. Taniguchi collected a hit for the loser.

HAWKS WIN ON NINTH
INNINGS RALLY

A three run burst in the ninth, enabled the Blackhawks to a 8-5 victory over the Indians and the right to meet the winner of the Rambler-Red Devil game for the consolation championship to be played sometime next week.

Eichi Kuramoto held the Indians hitless for four and one third innings when T. Shibata broke the ice with a single through short. The Indians came back in the fatal sixth for four runs and on the same amount of errors on two hits to come within a single run with the Blackhawks leading 5-4. R. Uchi-miya relieved Kuramoto in the 6th with one down, yielding four scattered hits with the Indians scoring once in the final stanza. J. Kawasaki going the route for the Indians, was blasted for ten safeties with Nakajii of the winners getting three for four.

YAMAGUCHI HALTS BIRDS,
CLOWNS REACH FINALS, 7-6

Putting together two big innings to score all their runs, the Clowns on the strength of a spectacular 2-hit relief chore by K. Yamaguchi reached the finals by edging the Blackbirds 7-6.

After the Clowns had gone ahead 2-0 in the opening canto the birds came back to tally twice in their half and then drove Koga to cover with a 3 run attack before a man was out in the second.

Yamaguchi took over and after yielding a high texas league double to Morinishi that brought in the last tally, he settled down allowing only one hit the rest of the route.

FORMER POSTONION
CARRIES NEW TRIER
TITLE HOPES

Working his way through high school with a part-time domestic job doesn't prevent Henry Aihara, seventeen year old resettler from Poston, from starring in high school track events. The CHICAGO DAILY NEWS for May 12, 1944, devotes a column and a half to a picture and story of Henry's high jumping and broad jumping for New Trier High School in Winnetka, Illinois. The story carries the headline, "Ambition of Japanese boy gives New Trier Title Hope." Henry works as a school boy for Walter T. Fisher, Chicago attorney whose home is in Hubbard Woods, a section of Winnetka. In part, the newspaper account said: "It was hard severing ties with his family, leaving them in the camp in Arizona, the kid admitted. It's hard now, working, keeping up with his studies and trying to find a little time for relaxation and exercise in track.

"It's been worth it," he said. "I'll finish in June."

"Anyway you figure it, Henry Aihara, the frail-looking quiet Japanese boy who moved with his family from his home in Garden Grove, Calif., to the camp in Arizona, and thence, alone, to Winnetka to pursue his education, is a major item in New Trier's title plans.

"He suddenly came in to his own in the Oak Park Relays, winning the event with a mark of 22 feet 1 inch. He followed up this success with victories in the Wheaton and Proviso Relays, and lately has been hitting near 23 feet in practice." chi sent back 14 of the 26 men to face him in the eight innings via the kayo route.

W.R.A. FUTURE DISCUSSED AT MANAGEMENT CONFERENCE

Solicitor Glick Clarifies 4-C Classification

Clarification of selective service classification IV-C has been received here from Philip M. Glick, W.R.A. solicitor, by Scott Rowley, project attorney.

Mr. Glick quotes SS regulation 622.43 which provides: "(a) In Class IV-C shall be placed any registrant... (3) who because he is an alien or because of his ancestry is, under procedure prescribed by the Director of Selective Service, found by the land or naval forces to be unacceptable for training and service or by the Director of Selective Service to be unacceptable for work of national importance under civilian direction."

Citizens of Japanese ancestry were formerly classified IV-C under this particular regulation.

There is no distinction made between persons in IV-C and IV-C-H so far as reclassification is concerned, according to National Selective Service Headquarters, Mr. Glick

adds. If the Army finds them acceptable for service, the respective draft boards are notified accordingly and persons are reclassified I-A or I-A-H, as the case may be.

More Security for Resettled Families Planned at Denver

The future of the W.R.A. and of the families in the centers was discussed at the Community Management and Community Activities meetings held in Denver recently, according to Dr. John Powell who attended the meeting with Dr. Walter Balderston.

Progress in enlisting the aid of other government agencies to increase the security of resettled families, possibilities of group relocation, and ways of improving the security of families in the project also were discussed.

Dr. Powell said there was general agreement that the residents of the projects should be assisted in taking the responsibility for planning their own future in this country. He emphasized that the

POOL CLOSED

The swimming pool at Camp II was closed recently to the swimmers of the unit until further notice, it was announced.

BOY FATALLY INJURED SATURDAY

Robert Johnson, 4, second son of Mr. and Mrs. James J. Johnson, was fatally injured when he fell from a sawhorse in Rainbow Village on Saturday afternoon.

At a coroner's inquest held Sunday morning, the cause of death was determined

to be accidental. The report of Dr. Agnes V. Bartlett, project physician, indicated that death was due to "asphyxia, due to compression of the spinal cord by dislocation of the neck vertebra."

The burial will take place in Globe, Arizona, their former home.

IMPROVEMENT FOR WELFARE SECTION SEEN

Methods of improving the work and taking on new duties were outlined at the conference of family welfare heads held in Washington early this month, according to Miss Lou Butler, who attended the confab. How to help families make future plans were also discussed.

NAKAMURA WEDS IN WISCONSIN

Madison, (Special)--Mr. and Mrs. Colburn Nakamura, formerly of Madison, whose wedding was an event of April 25 in Chicago, are now making their home at the Dearborn Plaza there.

Mrs. Nakamura, a registered nurse, was Miss Toshiko Eto before her marriage, and served on the staff of the Madison General Hospital. She relocated to Wisconsin from the Manzanar Relocation Project.

Her husband, who was a hair stylist at Baron Bros., is now similarly employed in Chicago. He is from the Colorado River Project in Poston, Arizona.

WRA FUTURE

(cont. from page 1) government would not relax its efforts in behalf of evacuated families, whether in the centers or outside. Attention was given to ways in which WRA could help families make plans for their own future, and begin taking the future back into their own hands.

Dr. Arthur Harris, Miss Lou Butler, Dr. Balderston, and Dr. Powell have taken part in several discussion meetings since their return, discussing the results of the Education, Welfare, Activities and Community Services meetings.

SOCIAL WORKERS FAVOR RETURN OF EVACUEES

Restoration of full civil rights under the Constitution to American citizens of Japanese ancestry "at the earliest possible date" was urged in a resolution adopted yesterday by the Los Angeles County chapter, American Association of Social Workers, according to an announcement by Miss Ellen T. Marshall, chairman, the L.A. Times stated.

RED CROSS MAN HERE

Walter E. Anderson, of the Pacific Area Office of the American Red Cross, is now here training persons to be instructors in Water Safety and First Aid, according to Dr. John Powell, head of the Community Management Section.

DEAD CATS FOUND IN CANAL

Bodies of dead cats have been found in the irrigation canals in Unit I recently, several in a sack and others apparently thrown in to drown, it was reported.

Since the rotting carcasses of the cats will pollute the water in which Unit I and II swimmers bathe, the residents are asked not to discard the felines by throwing them in the canals.

DR. FRENCH ON ANNUAL LEAVE

Dr. David French, community analyst, and Mrs. French, left last Tuesday for California on annual leave.

They are expected to return to the project the latter part of the month.

Charles Beltt and Ralph Currie, of the Business Enterprise section, are also away from Poston for a few days.

LIFEGUARDS NEEDED

Three qualified lifeguards are wanted by the Poston I Red Cross. Interested persons are asked to inquire at Pool 45 between 2 to 4 p.m., or between 7 to 9 p.m. at Lifeguard Headquarters, 36-14B, during May 27 to 31, inclusive.

FARM WORK

Five or six reliable men for various kinds of seasonal farm work in Colorado are wanted immediately.

Continuous work is promised until December and wages are \$4 per day plus board and room. An elderly man or woman is also needed to cook.

Interested residents are asked to contact Kido at 30-8-D, after 5 p.m.

ONE OF

...the nicest gestures on Mother's Day a few Sundays ago was by the Girl Scouts of block 222 under Michi Oka who went to the Poston General Hospital and presented a bouquet of flowers and vases with get-well cards to all the mothers in the wards. We are certain that each recipient saw in the Scouts the countenance of angels.

GARROT HARVESTING

...time, it is, in camp 2. Visions of palatable dishes float through the brains of pre-war housewives who stroll by the patches. They are back in their tidy red-and-white kitchens looking over carrot a la king, carrot en casserole, carrot creme, carrot pudding in half shells, carrot a la mangle, carrot a la mode, sauted carrot tops a la chef d'ambassador, et al.

SGT. BEN KUROKI

CADET NURSES

...have the best-looking uniforms among all other uniformed women, according to a number of servicemen. Next to the Army nurses, of course. We think the Navy nurse has the neatest-looking hat, although recent surveys showed that women joined the Navy because they had the snappiest looking hats.

SLAUGHTERHOUSE WORKERS' WAGE INCREASE DENIED

At the latest meeting of the Poston II Community Council, Chairman S. Sakamoto reported that according to Makford Sakaguchi of the Industry Department, all equipment of said department use had been purchased through his (Sakaguchi's) personal fund.

TWO WEDDINGS SOLEMNIZED

Wedding bells rang for two popular couples this week when Wayne Ishihara exchanged marriage vows with Hulie Kaneno; and Yukio Kubota took Michiko Inmaru as his bride.

Mrs. Ishihara formerly of block 208 is from Folsom, California, while the benedict is a San Franciscan.

Mrs. Kubota, lately of Watsonville, California, and her husband a Salinasite, reside in block 209.

K. ENDO NEW AG.

CHAIRMAN

Upon resignation of former councilman, Frank Hibino, K. Endo was appointed as Unit II Agriculture Committee Chairman.

Endo recently succeeded Hibino as block 211 council representative.

Mr. Sakaguchi expressed desire to purchase all the equipment provided 30 per cent deduction is made for depreciation.

This would mean that approximately \$90 will be paid out from the Council Trust Fund.

There is to be, however, an understanding that the Unit II Industry section would be permitted to use all equipment necessary until such time as Mr. Sakaguchi leaves the project.

Mr. K. Takizawa reported that up to date Unit II was 4 1/2 short in regards to the school teacher shortage. According to Dr. Harris, evacuee teachers are not being counted on in the future because of the relocation program.

Following a conference with Mr. Sharp, Mr. Sakamoto revealed that the wage increase recommendation of the slaughter house workers had been denied. Mr. Sharp explained that since it was a government order, nothing could be done about the matter.

However, it was assured Mr. Sakamoto that Mr. Sharp would take the responsibility of notifying the workers that wages cannot be raised.

DATE PALMS TRANSPLANTED

Through the efforts of the Unit Administrator Gerald Wumino, Unit 111 was able to secure approximately twenty eight date palms from the Indian Reservation Office.

Intensive digging of the palms, some ranging over twenty five feet in height is being done daily at Dilver City near Parker, Arizona by Administrator Wumino, Blk. Mgr. Supervisor Jay Nishida and landscape gardeners.

Several of the palms already have been transplanted to the entrance of the Poston Square Garden giving the picturesque atmosphere of Spanish Mission grounds.

Also at the main entrance of Unit III, palms have been planted on both sides.

Planting of the palms at the newly constructed Parker Valley High School is contemplated.

292 INDEFINITES UP TO DATE

292 people have left this Unit on indefinites to states in the east in five months of this year. February and March had the most leaves with 74 and 77 respectively. This month saw 63 people relocating themselves, some including family relocations.

Seasonal leaves up to May 20 have been given 85 people. Most of these boys are working in the fields in Idaho. May had the most seasonal leaves with 68 people departing. With canneries and other seasonal works opening, it is expected that many girls will be leaving on seasonals this year.

"AA" STANDING AFTER FIRST ROUND

Concluding the first successful round of the "AA" Softball League, 308 and 330 tied for first place with 3 wins, 1 loss, and 1 tie. The crowd that gathers to watch these "AA" games shows the popularity of this sport in Unit 111.

The second round is now under way minus a few good players through relocation.

Following are the standings after one round of play:

Team	Won	Lost	Tied
308	3	1	1
330	3	1	1
322	2	1	2
307	2	2	1
328	1	3	1
316	1	4	0

The standing of "A" League cannot be released at this time because some teams have failed to hand in their score sheets to the Rec. Hall, 309. However, 318, 308, and 323 are leading with one defeat each.

DEPARTURES

DUST AND DESERT

The palm trees that now grace the Poston Square Garden Amphitheatre add greater distinction to the grounds. The huge palms swaying in the summer skies brought such comments as "gee, it looks like California now".

Whether this theatre was meant to look like a certain mission in Santa Barbara or not, the palm trees added made us realize the resemblance of this building to our amphitheatre, (according to a picture in a postcard).

Speaking of beauty, the lone water lily blossoming out in 318 Paradise Garden is something serene to see. When you feel all mixed up come and relax your mind.

Two more weeks and the school kids will be singing "Happy summer vacation". This brings a thought that the swimming pool ought to close its vacation and open for summer recreational purpose. However, the swimming pool cannot complete itself-it will need another push of volunteers to complete it--this time to really finish--safe from germs and all... so let's cooperate when cooperation is asked.

It's end of May but fortunately the weather is treating us better this year.

May was the month packed with activities. Boy's softball came in full swing, girls started, couple of shibais, music hours, movies, countless socials school events, parties, etc. No wonder it's so hard to keep the yawns from slipping through.

RIVERSIDE, CLOWNS: RAMBLERS BLACKHAWKS IN TOURNEY FINALS

RAMBLERS, BLACKHAWKS
CLASH WEDNESDAY

The rambling Ramblers who dropped the first game of the tourney to Valley, but since have won the quarter final and semi-final games meet the steady playing Blackhawks for the consolation championship tomorrow night on Field 12. Game time is slated for 6:30 p.m.

The Blackhawks who likewise after dropping their opening game won two straight will field a very formidable line up that combines both pitching and batting strength.

Opening on the hill will be star-boarders Kuramoto or Uchimiya.

The heavy barrage will be laid down by S.Horibe, Kodama bros. and N.Okuma, all of whom are capable of breaking up the ball game anytime.

Taking the mound for the Ramblers will be P.Kamatani who has been improving with every outing. After dropping the opener on erratic support Kamatani has allowed only a total of 7 hits in the last two games.

Providing the offensive will be the heavy hitting trio of Misawa, Murata and Kamatani along with the "come through kid" Charlie Yoshimura who play right field, short stop, pitcher and second base respectively.

Following is the probable line-up:

RIVERSIDE, CLOWNS GAME
TOSS-UP

Poston baseball bugs of Unit I will be treated to a "pitching natural" come this Thursday when the finalists in the championship bracket, the Riverside Tigers and the Clowns clash on Fld. 12.

Bringing together two of the outstanding pitchers in Unit I in Kiyoshi Ikenaga of the Tigers and Kenny Yamaguchi of the Clowns the game should be a peach of a pitching duel.

Ikenaga & Co., long shots in the tourney, by some constant hammering reached the semi-final by hurling the Breeze and Giants 21-14, 11-2 and then rudely upset the dope bucket last Friday by edging the strong O.C. nine 12-11 on Leo Tanaka's towering homer in the ninth inning.

The Clowns led by the strike out artist K. Yamaguchi reached the final by routing the Indians, Police and Blackbirds by the scores of 16-8, 17-6 and 7-6.

With both pitchers rated about even, the hitting favors Riverside. The Tigers really brought their heavy artillery into play in the O.C. fracas when they smashed the combined offerings of Y. Ezaki and L. Orida for 16 assorted blows. First sacker T. Ochiai who had 3 doubles and a triple in the O.C. game, center-fielder L. Tanaka and third base man T. Gotori are expected to solve Yamaguchi's dazzling rise and drops for the Tigers scoring punching.

TANAKA'S HOMER IN
9TH RUINS O.C.

Leo Tanaka's homer with the bases empty in the Tigers half of the ninth game Riverside an 12-11 victory and the right to meet the Clowns in the tourney final.

The favorite O.C. nine went into a quick 4-1 lead in the opening canto but the plucky Tigers with the aid of some heavy hitting by Ochiai went ahead 8-7 in the 5th. Adding 3 more in the 7th the Tigers went ahead 11-8 but O.C. came back with 3 in their half to tie at 11 all and set the stage for Tanaka's game winning homer.

First sacker Ochiai led the winners attack with 4 hits in 6 trips while Furuta garnered 3 of the losers 10 hits.

Clowns Ikemiya, Yamaguchi, Nakamura and Nishijima.

Following is the tentative line-up and batting order:
