GIRL CANNERY WORKERS SOUGHT

About 110 girls are wanted immediately for seasonal work by three canning companies of northern Utah, according to Corlies Carter, assistant relocation program officer.

Fifty contracts are open with the Eddington Canning Company in Springville, Utah, while the Utah Canning and Varney Canning companies are each asking for 30 girls.

Eddington offers a 55¢ per hour minimum wage and piece work, and promises housing at the plant for 50¢ a week per person, board for \$1.25 a day. Girls on this contract are scheduled to leave sometime this week with the company furnishing transportation.

Utah Canning's wages are 55¢ per hour; or for piece work, 12¢ for a 16 quart pan, while peeling and coring tomato for juice is 4¢ a pan. Girls will live at the Roy Labor Camp which charges \$1.10 per day for meals, and 25¢ a week for housing.

MAD DOG FOUND IN UNIT I STRAYS WILL BE DESTROYED

Because one dog in Unit I was found to have rabies yesterday, it was destroyed, and Project Director Duncan Mills immediately issued a notice asking dog owners to report ownership to their block managers and to keep their pets checked on leash or indoors. All strays are to be destroyed.

A check at the hospital disclosed that although members of the family owning the

dog were receiving treatment for rabies as a precautionary measure, no one had been reported bitten.

It has been arranged for J. W. Caldwell, veterinarian, to bring the necessary serum and equipment to immunize all dogs against rabies on his next regular trip here.

All cats should be watched closely, it was added, since they, as well as dogs, may transmit hydrophobia.

Work at Varney Canning will be from September 5 to October 15 at a cannery located five miles from Ogden. Piece work pays 11¢ for a 16 quart pan, and 12¢ for an 18 quart pan. The hourly wage is 47½¢ per hour. Workers may work as long hours as they desire, but the minimum day is eight hours. Food will be from 90¢ to \$1.10 a day, and room charge will be 25¢ a week.

Girls who are interested are asked to apply immediately at the unit employment offices.

CARTER HANDLE DRAFT PROBLEMS

To give more aid to persons concerned with selective service problems, the Selective Service division recently opened a new office in the Unit I administration building at room 27.

Headed by Herbert J. Carter, this office hopes to give specialized attention to the problems which were previously handled by James D. Crawford, relocation program officer.

ARMSTRONG OF MISSOURI WRITES

In answer to a letter to O.K. Armstrong of the Missouri House of Representatives for his defence of Dr. Fred Y. Fujikawa who might have otherwise been barred from practice in the Missouri State Institutions because of his Japanese ancestry, the Women's Club of Boston received a reply, dated July 31, which read in various parts:

"I have been overwhelmed at the interest it has created all over the country. I

am glad it has given some encouragement to those...who believe in inter-racial cooperation.

"From the beginning I have felt that there should be a better way to deal with loyal citizens of Japanese ancestry.

"The United States Relocation Service has been kind enough to make favorable comments upon my speech, and I only hope that sometime soon...I may visit some of the relocation centers..."

JOHN DILLINGER RIDES AGAIN?

Leaving a note signed "John Dillinger," thieves stole \$9.08 from the Block 36 library on the night of Aug. 29, Head Librarian Haruko Mayemura reported yesterday.

The culprits, thought to be juveniles who probably entered via the adjoining Y.C. office, spilled glue over the tables and caused other general damage.

Investigation of the case by police is still pending.

POLLUTED COLORADO WATER IS BELIEVED CAUSE OF INFECTION

A greater concentration of pollution in the Colorado River during the recent hot weather is the probable cause for the very serious sinus and eye infections among the school children, which are causing concern in the education department and worry on the part of the parents. This is the opinion of Miss Elma Rood of the public health department.

It is possible in swimming to contract infections of eyes, ears, throat and nose. In some cases, children will be absent from school for long periods, unless every precaution is taken to prevent these infections.

Parents are warned so that they may act wisely in guiding the recreation of their children, Miss Rood said.

BIRTH

To Mr. and Mrs. Robert Mukogawa, 14-9-C, formerly of Los Angeles, a girl, Aug. 28.

HANAOKA NOW IN ARMY

After approximately a month in the Enlisted Reserve Corps, Walter Hiroshi Hanaoka, formerly of this center, Block 53-4-A, reported for active duty in the United States Army on Aug. 28 from Milwaukee, Wis., where he relocated in June, 1943.

TOLEDO READS ABOUT POSTON

Poston's recent send-off for 75 boys answering active duty call was mentioned in the Toledo (Ohio) Blade by Chub de Wolfe in his column "Among the Folks" on Aug. 28.

The occasion rated mention because of the em-ceeding of Scott Rowley, project attorney, who was formerly with the law firm of Rowley and Rowley in Toledo.

AG NEWS

Dr. J. W. Caldwell, veterinarian from Riverside, is here on regular visit.

Satoru Okabe is the new farm supervisor replacing Yoshiyo Shimomaye who recently relocated to Denver, Colo. The new assisting replacing Mr. Okabe is Frank K. Otsuka.

"TOP MAN" IS COMING FILM

Movie schedule for next week will be as follows: Blk. 4 on Monday; Pool 44 on Tuesday; Unit II on Wednesday, and Unit III on Thursday. The picture for the week will be "Top Man," with Donald O'Connor and Peggy Ryan.

SPECIAL MOVIES

Special movies will be presented to Unit I residents, Saturday, September 2, at the central swimming pool. The program will be composed of six recreational and educational motion pictures: "More Life In Living," "Before the Alarm," "Life Begins Again," "Historic Death Valley," "Botany Clothes the Nation," and a cartoon.

A total of nine reels will be shown, in this show, which is sponsored by the entertainment division of the community activities section.

EPITAPH...

Here, richly, with ridiculous display,

The Politician's corpse was laid away.

While all of his acquaintance sneered and slanged,

I wept: for I had longed to see him hanged.

---H. Belloc

Perhaps the author has expressed an universal sentiment on the subject of Politicians. Don't you think it's a direct, honest, and a refreshing bit of poetry? And a fitting "tribute" to some of the game's worst!

REQUISITION...

...Camp I Council, in a written statement, requested purchase of horses and wagons for the evacuees' recreational purposes! Estimated cost--\$3000! This proposal has received an endorsement of everyone--can you picture yourself leisurely "maneuvering" a couple of plow horses down to the Colorado River? Makes us mutter: "happy days are gone again."

LOGIC...

...We cornered a lady angler the other day and demanded an answer rather belligerently-- "Do you mean to stand there and glibly tell us that you grab a live minnow and stick a hook thru him to catch another fish? Do you ever go to church?"

The lady smiled; and said: "The bass is a treacherous species of Pisces family. We sacrifice only one fish to eliminate the threat and secure safety for the hundreds of other small fish. Can you see light now?" unquote!

We didn't see anything but the poor little fish with a hook in its back, but

SCHOOL TO COMMENCE SEPT. 11; REGISTRATION DATES SLATED

Regular classes in Poston Two school will begin Monday, September 11, instead of Monday, September 4, as previously announced. The latter opening date has been decided upon in

order that everything will be more nearly complete and ready for use. The new administration building for Poston Two school is expected to be ready for occupancy on Sept. 1. The school offices will be moved from Block 210 to the new quarters on that date. It is expected that the school library will be ready within a few days after the opening of school.

Final registration for the new school year will be conducted on the following dates:

- Seniors-Mon., Sept. 4
 - Juniors-Tues., Sept. 5
 - Sophomores-Wed. Sept. 6
 - Freshmen-Thurs. Sept. 7
 - Seventh & Eighth Grades--Friday, Sept. 8--
- (also new nursery and kindergarten children)

Students and parents are asked to report on the days indicated between the hours of 8 a.m. and 12 noon. Nursery and kindergarten children should be registered in the various Nursery school units in the quads. All elementary school children of grades one to six will report on the first day of school, Monday, Sept. 11. They will not need to register in advance.

TO AND FROM

Leaving last Wednesday on short term to Salt Lake City was Tom Higashioka.

Last Thursday's short term leaves, to Hollywood, Calif. were Kingo Okawauchi and Kosaku Uyeno. To Payette, Idaho, Tadao Hirozawa.

Last Thursday's indefinite leaves to St. Louis, Mo. were Kinto and Fumiko Onitsuka and Satsumi Ishida.

SUEHIRO-ISOMOTO TROTH REVEALED

The engagement of Satoko Suehiro of 226, to Isamu Isomoto of 227 was revealed last Mon. evening by her parents, Mr. and Mrs. Chosuke Suehiro, at the bride-elect's home.

Miss Suehiro is formerly of Woodlake, Calif., and Mr. Isomoto is formerly of Hawthorne, Calif.

Baishakunins are Mr. and Mrs. Asaburo Kurokawa and Mr. and Mrs. Yasuichi Kanagawa.

MEDICAL CLINIC HOURS CHANGED

At its regular weekly meeting, the Local Council reported on the clinic hours as was decided at the Medical Staff meeting held August 12. The Camp II Medical Clinic hours will be on Mondays, Wednesdays, Fridays, and Saturdays from 9 a.m. to 11:30 a.m.

On Thursdays, there will be no clinic hours, so if patients need to be cared for, they may go to Camp III for their medical attention. Definite care for these patients will be announced by Ruth Crawford, Public Health Supervisor. The reason for this schedule is so that the Camp II doctor may assist in the surgery on Thursday mornings.

NEW BEAUTICIAN

Mrs. George Ninomiya of 211 has received her beauty operator's license, and is now head beautician of the Unit II Beauty Shoppe.

who are we to argue with a woman, anyway?

AMACHE WINS THREE STRAIGHT

Winning their third straight game, Amache clipped the 308-5 Yankees, 4 to 3, Tuesday evening at Yankee Stadium.

Getting a break in the first inning, Amache pulled across two runs on a bingo to second by Y. Cno which the second baseman missed, going deep into center scoring Nishijima, who got on a hit into left before him and Cno scored not far behind.

Yankees got their chance again in the fourth with men on second and third and H. Nakamura hit a short one into left on which L. Nishijima came tracking after making a "shoe string catch" to end the inning and the threat.

Amache then came back in the fifth to score two runs when one came in on a hit into center and the other came in when Watanabe was caught between first and second, thereby giving Hoshizu the chance to score.

The Yankees finally came through in the sixth when K. Fujimoto hit a hot one to second, who fumbled it, letting K. Yamaguchi score from second.

The ninth inning saw the Yankees trying to bring in their needed runs and barely missing their goal by scoring only two runs.

With one out, and one on, T. Sakata hit a beautiful three bagger deep into left, scoring A. Fujimoto to start what looked like a rally. Then T. Sakata came on a fielder's choice to score the second run, but Amache pulled themselves out to make three outs to end the ball game in their favor.

REV. NAGANO VISITING HERE

Rev. Paul Nagano, former beloved pastor of Unit III, is here from Minneapolis, Minn.

He made this unexpected visit with his wife here because of the serious illness of his father-in-law.

He gave an inspiring sermon before the Christian group Wednesday evening. Also featured that evening was a musical number by the popular trio--Rev. Paul Nagano, John Miyabe, and Lloyd Wake.

Rev. Nagano is expected to leave for Minneapolis next Tuesday where he will resume his church work.

Also scheduled to leave that date is Christian leader, John Miyabe who has been vacationing and teaching here the past month. He will go to Ashbury College to continue his studies.

TATSUKO MUKAI TO WED

Tatsuko Mukai, 318 left Tuesday evening, for Fort Custard, Mich. where she will wed Pvt. Larry Katayama.

The bride-elect was employed at 318 mess while the groom-to-be has been training at Camp Savage.

They were engaged, July 31 at Rev. and Mrs. N. Tsunoda's home.

Baishakunin for the couple are Mr. and Mrs. K. Yamakoshi.

FOR SALE: Two fan type and one blower type coolers. Interested party, please contact Council Office, 310-8-D.

Batteries for Amache were: Smoky Kimura p. Tom Toke, c. Yankees; T. Morikawa p., M. Miyamoto c. Both switching positions in the 6th.

NO BOTTLES.. NO SODAS....

All kinds of bottles taken out of canteen seem to lose their way back and are missing by hundreds from Unit 3 canteens. This is the reason for the small amount of soda, Canada Dry, Ginger Ale, etc. now being sold at our stores.

It is emphatically stressed, that unless these bottles are returned, there will be no more carbonated drinks as the company will not sell any without the return of the bottles.

Look around your apartment and please bring every empty bottle to the canteen.

ROKU 3 VS. AMACHE

In the second, of the scheduled five games, the Amache All-stars K.O.'d the Roku 3 nine, 10-1.

Playing Monday, at the Yankee Stadium, the Amache team started their butchering in the first inning.

First to score was Hoshizu, who came in from third, on a hit by Nishijima.

Following closely behind was Watanabe, who crossed the plate on a bunt by Y. Ono, on which the throw to first was wild.

Two more crossed the plate, one on a hit into center, making four tallies for Amache All-stars.

Amache, holding Roku 3 scoreless, scored two more runs in the second.

Almost pulling across three runs in this inning, one was stopped at home plate, the other running before him tallying on the catcher's fumbling of the ball. In this mix-up at home plate the Roku 3 catcher, S. Sakamoto, was injured, with D. Inouye replacing.

Amache still threatened with loaded bases but the Roku 3 pitcher pulled himself out of the hole with two K.O.'s.

The third inning brought still more runs for Amache, two on a line-drive into left by Tad Ono.

Through the efforts of three Roku 3 pitchers, J. Sakamoto, J. Shimohara, and M. Miyamoto, Amache was held scoreless for the next five innings, with B. Umokubo of Amache doing the same against Roku 3.

In the ninth inning, Amache scored their last run when Kawamura, who reached first on walk, scored when Lefty Nishijima hit a sharp double into left field.

Dumping the Asahi nine 10-8, the league-leading Eagle aggregation remained undefeated and undisputed champions of the "B" league.aced by Endo, toeing the slab for the victors, the Eagles managed to eke out a narrow victory in the final game of the season.

Leading 10-8 in the final stanza, Endo stopped any scoring threat, by retiring the Asahi batters in order.

Miyoda, of the Eagles, and Mr. Koba, of the Asahi nine, each clouted a round-tripper for their team, the former with none on, and the latter with two aboard.

Higashi, going the full route for the losers, was hampered for 11 blows and K'd three while Endo allowed but four bingles and K'd eleven.

Abe, of the Eagles, led the hitters with 3 hits out of 5 trips to the plate, followed by Kitasaki and Miyoda with two apiece.

Roku 3, still not out of the ball game, came back in the ninth to break up Umokubo's shutout, when N. Nakamura knocked off a hit into center and scamp-ered to third on a fielder's error. Then K. Fujimoto grounded to the shortstops, who fumbled it, bringing in Nakamura, for Roku 3's lone tally across the platter.

AMACHE IN INITIAL LOSE

Losing their first game since their arrival to Boston, Amache was defeated by the 325 Rookies, 5-4.

Amache again, as in previous tilts, started off the scoring, in the second inning, when Yo Ono and Shimazu crossed the plate both on a two-bagger by Omoto.

Then in the third, 325 pulled across one run, when Sakata scored from third, on a fielding error by the centerfielder.

The fifth winning brought one run apiece for both sides making the score at the end of the fifth, 3-2, in favor of Amache.

In the seventh, 325 tied up the ball game, when Sakata came into second on an error, and Hashimoto coming from first, also on an error, with Sakata striking paydirt.

The eighth inning brought another run for 325, putting them out in the lead.

Amache's try in the ninth to top the score failed, ending the ball game.

Batteries: Nob Sakai, Shig Hashimoto; Shiro, Umokubo, T. Ono.

SWIMMING CLASSES FOR GIRLS

Deadline for registration in the girls' swimming class is set for Sept. 9th, according to Mitsi Nimura, head of the G.A.U. All girls interested, limited to high school age and above, should enroll at the G.A. office, in the Rec. 32, or at the G.A.U. office at 54-5-A.

If the water is not clean by the deadline date, then classes will commence the following week, and if the water is still uncleaned by then, then swimmers may come at their own risk.

DATES SET FOR NEXT PHYSICALS AND INDUCTION

About 25 boys will report for their pre-induction physical examinations next Monday, September 11, at Phoenix, according to Herbert W. Carter, who is now in charge of selective service matters. Induction calls are slated for Monday, September 18.

The names of those scheduled to report on the two dates will be published as soon as they are available.

USO CHAIRMAN TO BE CHOSEN

Selection of a Unit I USO chairman will be made when advisory board members meet with block representatives in the near future, it was decided at last week's meeting with Unit I parents of boys in the service.

TAMPERING WITH POLLUTION WARNINGS IS PROTESTED

Signs for community benefit, Pressman reminds many farm houses, the possibilities of human pollution cannot be overlooked, and animal pollution is known to exist, Dr. Pressman warned. As more concrete proof of the pollution of the water, tests have been made each week since the first week in June, which show that the water is polluted, and that it does not meet the minimum requirements for bathing areas adopted by the Joint Committee on Bathing Places of the Conference of State Sanitary Engineers and the Engineering Section of the American Public Health Association.

Signs which were posted at all swimming pools of Units 1 and 2, August 21, warning of the pollution of the canal water, have already been removed, just as similar signs which were posted for protection of Poston residents have been removed each time they have been posted by the health department, according to Dr. A. Pressman, principal medical officer here. All signs posted hereafter should be allowed to remain in place until removed by the health department.

Since the canal flows through the entire Parker Valley and near

COMBINING ADJACENT MESS HALLS CONSIDERED AT MANPOWER MEETING

At its regular Friday meeting on September 1, the Manpower Commission considered a request from the Project Director that a recommendation be submitted with reference to the combining of adjacent mess halls where the total meals served were equal to or less than the capacity of one mess hall.

FOUR CHARGED WITH ASSAULT

At a preliminary hearing held last Saturday morning, charges and complaints were filed against four evacuee residents of Poston by the WRA.

Charged with assault and battery and with acts inimical to the operation of the WRA project, the four defendants, Frank Koga, Yoneo Nakashima, Jun-ichi Yamasaki and Victor Tanaka, pleaded not guilty before Project Director Duncan Mills.

The trial is to be held this morning.

In his memo to the Commission, Mr. Duncan Mills pointed out the critical shortage of manpower in essential activities and the need for conservation of workers in order to prevent a breakdown in project operation. Two sample combinations were cited which would result in savings of 17 to 20 workers, respectively. The proposal is to be presented to the residents of the local units for approval or alternate suggestions.

In addition, the following recommendations were made to the Project Director: (1) that the manpower shortage existing in the slaughter house be met by re-assignment of workers within the division.

(2) that unit administrators and block manager supervisors be requested to recruit workers for the subsistence and Parker warehouse crews.

Finally, a report was requested to determine why the fish culture project had not been discontinued in accordance with recommendation of the Commission.

REMINDER

Tampering with the fire telephones is reported by the fire department of Unit 1. As these phones culminate with the fire station, it is futile to try to speak to other offices through these phones, residents are reminded.

PARKER VALLEY HIGH SCHOOL AUD. DEDICATED WITH AN IMPRESSIVE CEREMONY

A short and impressive dedication ceremony for the new Parker Valley High was held Wednesday night, August 30.

For many people it was the first time the inside of the auditorium was viewed, and a beautiful sight it was too.

The program, being emceed by Gerald Humino, was opened by the flag salute and the playing of the Star-Spangled Banner recorded by the Parker valley High School orchestra. It was led by the Girls Scouts under the leadership of Lorraine Kuwada.

A vocal solo by Mrs. John Girdler was followed by the introduction of C.A. Popkins who thanked all those who worked on the auditorium. Immediately following, he presented the keys to Frances Cushman principal, who told in short about the people who made the building possible.

Word of appreciation from the student body was given by Richard Karasawa who thanked all the workers and vowed that appreciation will be shown in the form of good program for all.

The dedicatory address was given by project director Duncan Mills, who emphasized the meaning of this building and the work behind it.

Closing the dedication was a piano solo by Elaine Hibi.

FALL PLANTING UNDERWAY

The Agriculture Department of Unit III, headed by Kaudy Mimura has the fall planting of vegetables well underway.

In accordance with the W.R.A. planting schedule for 1944-45 fiscal period, four acres each of wingless beans and cucumbers and 15 acres of mung bean have been planted in Section II.

Five and one-half acres of daikon are being planted.

Also three acres of egg plant have been planted in the camp area.

308 DEFEATS 322 IN JR. LEAGUE

In a nip and tuck game, 308 defeated 322 in a Junior League game 11-10 Thursday evening.

Playing on the 309 field 322 nearly took the ball game when in the 7th and 9th inning they scored six runs in a spree which put them in a 10-9 lead.

In the last of the seventh, 308 came back to score two runs both on a three-bagger by M. Araki, thereby taking the ball game for 308.

JAPANESE SHOULD BE PERMITTED RETURN TO WEST COAST SAYS SANTA ANA REGISTER EDITORIAL

Attorney-General Biddle says it is up to the Army whether the American Japanese are permitted to return to the West Coast. It seems stretching the case a good ways to give the Army this authority. Especially is this true since we are driving the Japanese Navy to cover.

As a matter of fact we should never have moved away the Japanese from their homes and their work. It was un-American, unconstitutional and un-Christian. Real Democracy, Christianity and Americanism means that people must live a dangerous life. They must have faith in other people and be willing to take risks. We should have been willing to take the risk that possibly a few Japanese might have caused a disturbance.

But since we have made a serious mistake, the sooner we correct it the better. There is no excuse whatever now for keeping the Japanese in detention camps. They are entitled to the same protection by the government as every other citizen no matter what color or race.--

Editorial, Santa Ana Register, Aug. 22

NEW CHILDREN'S BOOKS OBTAINED

Fifty-two books have been received recently by the libraries of Unit I, according to Miss Haruko Mayerura, head librarian.

Six adult non-fiction books and 36 children's books ranging from nursery school age to the fifth grade were received August 24 by the Block 21 library, and 10 copies of Japanese books were recently donated to the Japanese Library at Block 36 by Block 30.

The six adult non-fiction books added to the shelves of the library are: "Fundamentals of Photography," by Paul E. Boucher, Ph. D.; "Motor Vehicles and Engines," by Fraser and Jones; "Physics," by Hausman and Slack; "The Carpentry Book," by Charles H. Hayward; "Mechanical Drawing," by C. C. Leeds and "Diesel Engines," by B. J. Von Sengart.

LOTS OF ONIONS FOR THIS WEEK

From the agriculture department comes the weekly harvest report, giving an estimate on the onion output for the week Sept. 4-9, as follows: Sept. 4--8,500 lbs; Sept. 5--6,500 lbs, and Sept. 7--6,500 lbs.

MORE PAROLEES FROM SANTA FE

Arriving last Thursday night from Santa Fe, N.M., to join their families here were the following parolees: Hashimoto, Koziuchi, 45-11-D; Hayase, Ryuzo, 17-8-D; Nakamura, Hiroichi, 14-9-A; and Tawa, Sumegoro, 30-6-A.

EDUCATION NEWS

From the Education Dept. comes the report that Miss Martha Jaquette, the Home Economics head of the three camps, is back after attending the State Home Economics Conference held at Prescott last week.

After two years of teaching shop at Camp I, Bob Montgomery will be leaving to teach shop at Camp III.

YBA GRATEFUL FOR OBOON SUCCESS

Thanks are extended by the Unit I YBA to all persons and organizations who aided in the Oboon Festival held August 27.

About 600 persons attended the devotional services held in the morning at the school auditorium, it is reported. Incense offerings were made by persons representing those deceased since the last Oboon, and a sermon was delivered by Rev. Yoshio Iwanaga of Unit II.

The bon odori took place in the evening, with about 500 dancers, both boys and girls, who were clad in colorful kimonos.

PRIVATEES ARE ON FIRST FURLOUGH FROM SNELLING

In the center on their first furlough are Privates Tamao Eno, Choichi Matsubara, Chester Okimoto, Hideo Shigenawa and George Miyada of Ft. Snelling, Minn., who were among the first to be called for active duty from Boston.

First assigned to Camp Shelby, Miss., the boys were recently transferred to the Military Intelligence school.

RECRUITER JOE

In order to recruit workers for south central Idaho districts, the War Food Administration in Burley, Ida., will send a representative to Boston as soon as possible, according to a wire dated September 1.

...Esther Nanamura isn't here anymore, we have hardly anything left to our "Bem", but for the last time, we hope, we're changing it to just "B n' M". Esther relocated to Minneapolis, Minn. last week.

ICE

...is one thing which has no flavor and yet it tastes good and refreshing.....everyone eats ice and never gets tired of it. It's good to have a chunk of ice in your mouth when you're hot and perspiring. There really isn't anything like it, especially on these hot afternoons we have here in Poston.

COULD YOU LIKE....

to be awakened at 1:30 in the morning by a false alarm? That's just what happened to our firemen. Anyway, we're glad to know that they were on the alert! After all, practice isn't bad at all, is it, Firemen?

IT'S A GREAT

...relief to some of us to know that school isn't going to start until next Monday, yet to some of us it's a heartbreak because for the past week, we've had our hearts set on going back to school to show off our new clothes...yes, that's what attracts the girls' attention, as well as the boys', the first couple of days of school. The big windows are a big help, aren't they, boys?

ENGAGEMENT ANNOUNCED

BETROTHAL REVEALED

Mr. and Mrs. Taisuke Yasukouchi announced the engagement of their daughter, Michiko, to Masanobu Miyasaki last Tuesday evening at the bride-elect's home.

Miss Yasukouchi, a former resident of San Diego, is currently of block 37. Mr. Miyasaki, formerly of Salinas, resides in block 213.

Baishakunins were Mr. and Mrs. Suematsu Murata of Camp I, Mr. and Mrs. Kingo Nagaishi, also of Camp I, Mr. and Mrs. Shikazo Harada and Mr. and Mrs. Tonai Matsuoka, both of Camp II.

CLASSES TO START

The Adult Education's Art and Craft division under Roy Takahashi who will voluntarily instruct this course, will commence Friday Sept. 8, at Block 210-9-A.

Four courses in wood-carving to be given are:

1. Bird Carving
2. Inlay work
3. House Furniture
4. Miscellaneous Carving.

Bird carving course will be held in the morning, from 9 to 11, afternoon 2 to 4, and in the evenings from 7 to 9 on Fridays. The other three courses are to be held only in the evenings.

Registration was held on Tuesday, Aug. 29 and Wednesday, Aug. 30 at block offices. All those who registered are asked not to fail to come on Sept. 8 as this first class meeting is important.

Miss Yoshizaki is formerly of Sanger, Calif.

Mich., which reads in part, "Wayne University has enrolled a number of students from the Poston High School, and without citing specific cases, may I say that we have been well pleased with the work which they have accomplished. At some future time, I should like to send you a summary of the work accomplished by the Japanese American students here at Wayne."

Unit Two residents may recall that Kouichi Tanaka and Dan Incuye were admitted to Wayne University early in the summer and that Roy Hayashi and Alfred Terao have since made applications for admission there.

YASUI SUCCUMBS

Frank Yasui, 39, a resident of 229 and formerly of Florin, Calif., passed away last Tuesday evening at the Poston General Hospital.

He is survived by his wife, Kazue, a daughter, Marian, and two sons, Raymond and Henry. He and his family transferred from Gila to Poston on July 6, 1944.

AMACHE BEATS UNIT I TWICE, LOSES TO III

The Amache nine twice defeated the so-called Delano All-stars, 4-1 and 5-4, on Friday and Sunday evenings, before an estimated crowd of 2,500 ardent ball fans, although outhit of both cases, 4-3 and 7-4. The All-stars were bolstered by a few Camp II players.

J. Hoshizu walked, then stole second. A sacrifice advanced him to third, and a squeeze play se brought in the runner, for Amache's initial tally in the first stanza.

A single by Kawamura scored Kitagawa in the second, to make the score 2-0, in favor of Amache.

A fly by Ioka into left field was dropped to score G. Watanabe and M. Nishijima, for two more runs in the third frame for Amache.

The end of the ninth rolled around with no runs scored since the third, for either team. With two gone, it looked as though "Lefty" would be credited with a shut-out. The undaunted All-stars proved otherwise, however, when Tsuda climbed atop the initial bag, advancing to second on a fielder's choice. Then L. Nishijima connected solidly to plaster a sharp single between short and third, to tally Tsuda, marring a possible whitewashing. Noby Itami flew out to center and all other possible threats.

Partsider Noby Itami, twirling the distance, held Amache to three scattered bingles, but walks, sacrifices and errors in the first three innings proved his downfall. "Lefty" Nishijima, former resident of Poston, did equally well for the victors, being touched for only four bingles in nine innings.

SAVE PAPER FOR
UNIT I DRIVE

The latter tilt brought Amache three tallies in the top of the first, when T. Ono tripled into the left-field garden, driving in two runs, and then scoring on a fly into deep center.

W. Wakayama singled with two mates aboard, driving one into home, making the score 3-1, at the end of the initial inning.

The All-stars knotted up the score in the fifth frame. Hirozawa stole second after being passed, and tallies on T. Tsuda's single into right, Tsuda rounding the bases to third on a miscue, and sliding safely home on K. Yamaguchi's slow-roller to first.

In the next inning Delano clasped the lead, when T. Hiroyama singled L. Nishijima into paydirts.

With the score standing at 4-3 in the eighth, the All-stars leading, Amache rallied to score twice, as Watanabe crossed home on Y. Ono's ground ball to the keystone sack, and Nishijima tallying when Shimazu grounded out to the catcher.

A last inning attempt to regain the lead went to naught, as S. Hayashi was thrown out when attempting to steal third, with two outs.

Batteries for the game were B. Shiro pitching and T. Ono catching for Amache, and W. Wakayama pitching and T. Hiroyama catching for the hosts.

Officiating the games were Danny Fukushima, calling balls and strikes, Ray Furuta at first, and Shig Eddow at third.

Playing Saturday afternoon at the Yankoo Stadium, the Camp III All-stars defeated Amache, in a see-saw battle. The final score was 13-11.

First to score was S. Watanabe, who with one out hit a hot grounder on the third-base line for a double and an error by the left-fielder brought him all the way around.

In the second, Amache scored again when they pulled three runs across the plate.

Camp III then broke back in the second to also score three runs, two on errors.

Camp III now trailing 4-3 at the end of the second, came across with two runs, both on a three-bagger by F. Morikawa into deep center.

With Amache trailing by one run in the fifth inning, they scored two runs to pull them out into the lead once again.

Camp III then came back to pull a hit, when M. Miyamoto hit a looping home-run into deep center, and one more run scoring on a triple by F. Tanaka.

At the first of the ninth, with Amache on the short end of a 11-6 score, they broke loose to score five runs, to tie up the score.

B. Inouye broke up the game in the final frame, when he smashed a home run over deep center with one on, to win the ball game for Camp III.

Batteries:

Camp III-T. Morikawa, S. Hatakeda, B. Inouye
Amache-B. B. Umokubo, S. Kimura, T. Ono

POSTON, ARIZONA

THURSDAY, SEPT. 7, 1944

EQUIPMENT FOR SCHOOLS HERE

Complete laboratory equipment for chemistry and physics classes has been received during the summer according to Dr. Arthur L. Harris, director of education.

With complete equipment for science, home economics and shop courses, the Poston secondary schools are now as well equipped as any school in Arizona, Dr. Harris said.

However, in spite of an adequate supply of equipment, a shortage of teachers still exists.

The elementary school is in need of nine teachers, while the high school needs instructors in the following courses: science (1), home economics (1), commercial (1), art (1), mathematics (2), and woodshop (2).

Through the efforts of Civil Service and other channels, the Education department will continue to recruit teachers.

PAPER COLLECTION NEXT WEEK

Paper collections for this month will take place from September 11-16 in Unit I, according to Kenneth Yoshioka, community activities co-ordinator who is managing the drive with Frank and George Yoshida.

Because Girl Scouts, G.A.U. and YWCA girls are scheduled to call on the blocks to tie and sort papers before pick-up day, the cooperation of the residents is asked in delivering paper to their block offices a few days before collection.

The schedule for the collection will be as

PFC. MADOKORO KILLED, S/SGT. YOKOYAMA WOUNDED IN ITALY

The wires from Adj. Gen. J.A. Ulio came again on Tuesday.

The first informed Mrs. Rui Yokoyama, 326-14-E, mother of S/Sgt. Satoshi T. Yokoyama, that her son had been slightly wounded on August 23 in Italy.

The second was for Mrs. Natsu Madokoro of 213-13-G, informing her with regret that her son Pfc. Harry F. Madokoro had been killed in action in Italy on August 25.

Pfc. Madokoro, 32, volunteered from the center in June, 1943, and was assigned from Ft. Douglas, Utah to active duty with the 442nd Combat Team, with which he subsequently went overseas.

His pre-evacuation home was in Watsonville, Calif., where he attended Watsonville High School. Before coming to Poston he was employed by the F. H. Spiegel Vegetable Farms in San Juan Bautista.

He leaves only his mother.

separate department of Community Enterprises, George Sakamoto of the operations committee reports.

A Phoenix photographer has been contracted to come to the center once a month to the three units on three consecutive days.

In Unit I, a temporary studio has been set up at Rec. 32. Appointments may be made at the C.E. office.

In Units II and III, residents may receive appointment slips from any main canteen sales-clerk who will know the location of the unit studios.

Pictures must be paid for in advance at the time of placing the order. Regular size prints are \$3.75 for 6; \$5.50 per doz., additional, 30¢ each.

IT'S STILL THE SAME OLD STORY,
WITH A POSTON MORAL:

FIRE PHONES FOR FIRE ONLY

Once upon a time there was a boy who had a job keeping watch over sheep. This boy also had what he thought was a great sense of humor. According to the story, he found it very amusing to run excitedly into the village from the pastures, shouting, "Wolf! Wolf!" And since, in those days, a wolf still meant a creature with four legs who went around slaughtering sheep, the men of the village promptly rushed to the fields armed with weapons to kill the beast. But they found the sheep grazing peacefully, and when they turned to the boy for an explanation, he hooted, "Fooled ya, didn't I?" and he laughed and laughed.

It seems this happened several times.

One day, though, a wolf did come and start killing the sheep. And the boy, meaning it this time, ran into the village screaming, "Wolf!" But the men of the village weren't having any. "Go peddle your papers someplace else," they said. Alas, poor sheep.

This story is retold because some residents seem to have forgotten it. We are referring to the other night in Unit I when we heard the fire engine siren sounding. The next morning we learned that it had been a false alarm. And last week in Unit II, there was another one.

Maybe these alarms result from residents wanting to make phone calls who don't know that the fire telephones end only at the fire station. Although we thought the fire department had been pretty thorough about making that clear.

One of these days there may be a genuine fire. And frantically, someone is going to turn in an alarm. But if these false alarms keep up, the firemen are going to be pretty skeptical about any alarm. And if they shrug their shoulders then, saying, "Probably another one," and pretend not to hear, or take their own sweet time about coming, would you blame them?

ENGLISH CLASSES BEING OFFERED

Currently being conducted by the adult education department are the following classes in advanced English.

Study of the Reader's Digest, Mondays and Wednesdays, 7 p.m., at Adobe 26, taught by Vera Whitcomb.

Conversation and pronunciation, Tuesdays, 7 p.m., at Adobe 21, taught by Naomi Woods.

English grammar, Thursdays, 7 p.m., at Adobe 21, taught by Mary Wiseman.

Persons desiring more details about the above courses are directed to consult the adult education office at Rec. 36-C.

LIBRARY NOTES

Bob Hope's I Never Left Home is among four new books recently acquired by the Poston I library.

The others are: Cluny Brown by Margaret Sharp, author of The Nutmeg Tree; Pastoral by Nevil Shute, author of Pied Piper; and Basic History of the United States by Charles A. and Mary R. Beard.

ON SEASONAL

Twenty girls left for northern Utah last Monday afternoon to work for the Utah Canning Company, the relocation office reports.

WANTED

WANTED: 3 secretaries, 10 camp store clerks, M or F; see Unit I C.E.

FIVE ADDED TO TEACHING STAFF

Five new members have been added to the supervisory and administrative staff for the coming school year, Dr. Arthur L. Harris, director of education, announces.

They are: Alfred Flosser, who will supervise vocational training of the three Poston secondary schools. Under his supervision will be the industrial arts program, adult vocational classes, and the vocational learnerships (apprenticeships).

Arthur Fisher, who will teach both high school and adult vocational auto mechanics. He is formerly of West Texas where he ran an auto repair establishment.

Eleanor Dougherty, who has been taking summer courses at Montana State Teacher's College, has returned to supervise the nursery and kindergarten program.

Jerome T. Light will be assistant of junior and senior high schools in Poston III with Miss Frances Cushman, principal.

Ruben Sundgren will be the new assistant to John Girdler, principal of the junior and senior high schools in Poston I.

OF JAP - YANKS

The August 25 issue of YANK, the army weekly, carries a story called "The Battle of Belvedere" which tells how the 100th Infantry-442nd Combat Team combine convinced the Germans in the Tuscany town that they ought to surrender.

Photographs accompany the three-page story.

Riding The Rail

by Edith Fukayo

After I thought my column had slowly faded into obscurity, I have been instructed to start writing it again...So I shall. Well, nothing like wading right in, so here goes...

I think the most interesting news these days is seasonal cannery work for girls. This is, I regret to say, the only type of leave your reporter can say she knows the aspects of from first-hand experience. I hear that the approximately 80 girls from Boston who have gone on seasonal cannery work so far this year have not fared so well. There was so little work, they did just about everything plus cannery work. They worked in offices and homes, and in fields, so they could struggle along until the tomatoes came along. But their woes seem soon to go, for the tomato crop promises to be abundant, and now their sorrows will be lessened and their hands will be full.

Last year, when I went out I was so poky with the old piece-work side of it, I transferred to a belt where the pay was better and we took the rot out of the fruits as they came along on a belt.

Of course one of the advantages of seasonal leaves is the shopping one can get done while on it.

Coming home, it was funny, how we started out in country where galoshes and heavy overcoats were appropriate, and then how we shed our outer garments as we came south.

I suppose people have a right to ask why I don't relocate. All I shall say now is maybe I shall. Maybe.

CUNEO PRINTERS SEEK 25 ISSEI

TWO JOIN GREAT LAKES AREA WRA

Appointment of two new members to the Great Lakes area WRA staff has been announced by Robert M. Cullum, supervisor of the Great Lakes area.

They are Earl B. Ingham, former head of business enterprises at Minidoka, as Cleveland district relocation officer and Virgil Payne, late director of the Heart Mountain social welfare section, as Great Lakes area assistant supervisor.

Mr. Ingham will work under Fred. W. Ross, senior officer in charge of the Cleveland district. He succeeds W. Spafford Myers, who left WRA to return to private business.

The burdens of supervising the Ohio, Michigan, West Virginia, Kentucky, Western-New York and Pennsylvania area will be shared by Miss Payne, who will be in charge of administrative detail in the absence of Mr. Cullum.

REFINERY JOBS IN ROCHESTER

"Rochester Special" is what Claude Cornwall, Rochester (N.Y.) relocation officer, calls this employment offer from the Rochester Smelting and Refining Company.

From 10 to 20 men are wanted for unskilled labor, with wages starting at 70¢ per hour for a 40-hour week with time and half for overtime. The work is not heavy, the offer says, consisting mainly of moving materials from cars to the plant, and from one operation to another.

For further details, residents are asked to call at their unit employment offices.

PRIOR CLEARANCE IS NOT NECESSARY, SAYS OFFER Employment to 25 Issei men and women without any prior clearance is now offered by John F. Cunco Co., manufacturers of technical and school books in Chicago.

This company was not able until recently to hire Issei because of the nature of its contracts, although it has satisfactorily employed Nisei for more than a year and has 30 on the staff at present who earn from 85¢ to 90¢ an hour.

The Issei men and women could do light clean work. Wages for men are 62½¢ hour for the first seven weeks, and 67¢ an hour after the seventh week. Men may work as much as 20 hours overtime per week at time and a half.

Women will be paid 50¢ an hour the first three weeks, and 55¢ an hour after the third week. After the third month, this will increase to 60¢ an hour.

For further information, either Midori Sugita, John F. Cunco Company, 465 West Cermak Road, Chicago or the Chicago WRA office should be contacted.

POPULATION IN CENTERS, 79,484

Population in the nine WRA centers as of August 18, 1944 was 79,484, according to a WRA Statistics Section release which placed Tule Lake at the top of the list with 18,698 residents.

Among the relocation centers, Poston was first with 11,401 residents, which is 6,541 less than in August, 1942, the peak month.

The other centers stood as follows: Gila River, 9,887; Mt. Mountain, 8,726; Minidoka, 6,899; Rohwer, 6,626; Granada, 5,900; Topaz, 5,899 and Manzanar, 5,448.

SIX NEW LAYING HOUSES ADDED TO CAMP II POULTRY FARM

The Camp II poultry farm is now being enlarged with six new laying houses to accommodate the increasing number of laying hens. Approximately 7500 chickens are on the farm now, of which 3200 are already laying, and the remainder being young pullets.

During the past year, from August 1943 through August 1944, 24,390 dozen eggs have been delivered to the reefer. On Sept. 1, 1944, 615 chickens were delivered to the Camp II Mess Halls.

Anyone who is interested in working on this poultry farm, male or female, please contact the Unit II Employment office.

WITH SWEET MUSIC

...in the air, a huge crowd clamored into the Girl Scout Club Room where a bazaar was in session.

WE SAW

...cute little purses made out of tablecloth, colorful beads made out of macaroni and beans, cute lapel pins, paint splattered waste paper baskets, cunning stuffed animals, clever needle and woodwork.

WE CERTAINLY

...had to rush to get at the hot dogs and snokos because they were sold in a flash, it seemed.

IMAGINE

...yourself with a snoko in one hand and a hot dog in the other. Well, that's what we saw there...only they were little boys and girls, eating and at the same time, stretching their necks to see what was in the booths. Makes us think of the times when we were that age, remember?

LOLLYPOPS,

...better known as stick candies, were one of the most attract-ed food concessions. Shoving and pushing didn't do us any good, for by the time we got up there, there were no more left.

AS SOON AS

...we got home, we sat down and rested. Although it was hot and tiresome, we enjoyed every minute of it.

DUE CREDIT

...goes to the Girl Scouts and their troop leaders for the fine work they did to make this bazaar a success!

SCOUT BAZAAR HUGE SUCCESS

A booming success was the result of the Camp II Girl Scout bazaar which was held last Friday.

With the Scout colors yellow and green for the decoration, and one booth with red, white, and blue with a "V" for victory on the back, the girls sold needlework, stencil work, stuffed animals, necklaces, woodwork, and Children's wearing apparel. Hot dogs and snokos were also sold.

800 persons attended the bazaar.

MESSAGES TO JAPAN REPORTED

DESERT

The 310 offices are minus many of their female employees; half of them left for cannery work in Ogden, Utah. Unit III girls chose Utah Cannery as their destination as it was where most of them worked the previous year...the Leave and Employment office is just about cleaned out with all the long-timed employed girls leaving the headaches to the greens--C.A.A. office will have practically an all-male staff, and out office has been hit too..... peace and quiet perhaps but loneliness without those girls is topping that...may they find their job as rosy as the tomatoes....

The unsung heroes of the ball games between Amache-Poston were the umpires.....Umpiring throughout the five or six games in the burning them right is a job well done and needs recognition...the good sportsmanship of the participating teams helped out a lot...and orchids go to Porky Maruyama, Mr. Fujimoto, Mutt Mitsuoka and Kaudy Mimura.

AMACHE-POSTON BASEBALL TOURNEY
END: AMACHE WINS 3, LOSES 3

The Amache Poston III hardball tournament came to a successful close last Sunday afternoon after a six game series at Yankee Stadium.

The Amache boys started out with a bang by defeating Firemen, Roku III and 308 Yankees but were defeated by 325 Rookies and Unit III All Stars twice. In a game with Camp I All Stars, the Amache boys triumphed both times.

The boys left early Monday morning for their home in Granada.

The accounts of the last game here are as follows:

the time but it's often enough...or are we the impatient ones??

Amache playing against the Camp III All Stars for the second time, lost again on a hearbreaker in the last inning 9-8.

Camp III brought home the bacon first in this game when in the second they scored two runs.

Amache in the third came back to score three runs, with bases loaded one try for home was stopped. The second try by G. Watanabe worked for the first Amache run. Following close behind were two more runs, both coming in on hits.

Holding Camp III down to only two runs, Amache scored again in the fourth.

With Camp III now clamping down, they scored three in the fifth and two in the seventh while Amache still held its seven runs.

The score at the first of the ninth--7 up, Amache pulled in one run to make it eight with Camp III doing the same.

With the score now 8 up the tenth brought the winning run in for Camp III when T. Sakata scored from 3rd on a hit by S. Hatakeda. Batteries: Camp III--S. Hatakeda, p.; B. Inuye, c. Amache--L. Nishijima, p.; Ioka, c.

PFC. KUWADA IS HURT IN FRANCE

It was no surprise to Mrs. Teru F. Kuwada of 308-12-D, when she received a wire from Adj. Gen. J.A. Ulio on Thursday, informing her that her 23-year old son Pfc. Nobukazu William Kuwada was "slightly injured" in action in France on August 15.

Last Saturday a letter had come from Bill himself, telling her that he had been wounded in southern France and that he was at present in a hospital in Italy.

Bill was among the first volunteers from Poston who left in May, 1943, and was assigned to the 442nd Combat Team at Camp Shelby, Miss.

His brother Frank recently received his active duty orders and is now undergoing basic training at Camp Blanding, Fla.

Bill also has a father, another brother and six sisters. One sister is married and another has relocated to Chicago.

Before evacuation, Pfc. Kuwada lived with his family in Morgan Hill, Calif., where he graduated from Live Oak High School. He was in the time-keeping department here before his enlistment.

NEGRO AND JAPANESE SOLDIERS ACTIVE IN CAPTURE OF PISA

Negro and Japanese troops participated in the spectacular American Fifth Army advance across the Arno River from Florence and the capture of Pisa, according to a September 2 AP dispatch in the Arizona Republic.

AMMUNITION JOBS NEAR SALT LAKE OFFERED TO NISEI MEN

Civil Service appointments at the Tooele Ordnance Depot, 37 miles from Salt Lake City, are being offered to interested evacuees by the U. S. Army. The job offer is limited to Nisei men who will take their families with them, although Issei members of the family are welcome.

The work consists of handling ammunition ranging from 30-caliber bullets to 4-ton bombs, but is not hazardous because all the ammunition, with the exception of rifle cartridges, have no detonators or fuses.

Wages start at 77¢ per hour and may eventually go as high as 90¢, depending on ability and length of time employed. This is for a basic 40-hour week with time-and-a-half for overtime. Workers are eligible for all

FIVE SENTENCED

Found not guilty of assault, but pleading guilty to misdemeanor charges, Yosoo Nakashima was sentenced to 30 days at Yuma Jail, while Frank Koga, Jun-ichi Yamasaki and Victor Tanaka were given 30-day suspended sentences in a decision rendered yesterday morning by Project Director Duncan Mills.

In another case, a Camp I resident was found guilty of assault and was sentenced to 90 days at Yuma jail with 60 days suspended.

Civil Service rights, including 26 days per year of vacation leave. Appointments are for the duration and six months thereafter.

Complete housing with furniture is available from \$28-\$38 a month. All schooling for children will be satisfactorily arranged, and community sentiment has been found good by the Army and the WRA.

Draft deferments will be requested for all men 26 or over who have dependents. It is reported that the Ordnance Depot has a very excellent working relationship with the local draft board in obtaining such deferments.

Provost Marshall General Clearance is required, but a streamlined arrangement has been made with that office, by which clearance is expected very soon after application.

Interested residents should make application at their unit employment offices.

ON FLORIN FIRE

Indications have been received that an earlier WRA release, which stated that no damage to evacuee property resulted from a fire at Florin, Calif., on June 21, may be incorrect, reported M.M. Foster of the Washington WRA in a teletype dated Sept. 7.

Thorough investigation of damaged caused by the fire is being conducted by the WRA because of conflicting reports.

PATIENTS WILL KNIT, CROCHET

Knitting, crocheting, and embroidery work will be done for members of the community by the occupational therapy group in the hospital, Miss Ruth N. Crawford, assistant chief nurse, reports.

Materials and patterns should be taken to Miss Crawford who will arrange to have the work done and returned, properly sterilized.

For this service, a contribution will be accepted, which will be added to the Christmas Seal sale funds. The funds are to be used for purchasing additional occupational therapy equipment for the patients.

"TENDER COMRADE" WILL BE SHOWN

Ginger Rogers stars in next week's movie, "Tender Comrade", in which Robert Ryan and Ruth Hussey have supporting roles.

The following schedule has been announced by the movie department: Pool 21, Monday; Block 59, Tuesday; Unit II, Wednesday, and Unit III, Thursday.

V-LETTERS MAY BE IN JAPANESE

From National Red Cross headquarters, the local office has received the information that V-mail letters may be written in Japanese.

"We have cleared the matter of V-mail letters written in Japanese with the Post Office," the letter reads, "and were advised that no complications would result if individuals in the U.S. wished to use this method of communication to servicemen."

BIRTH

To Mr. and Mrs. Roy T. Wanifuchi, 14-2-A, formerly of Los Angeles, a girl, Sept. 4.

SGT. YONEDA BELIEVED FIRST JAPANESE VFW OF WORLD WAR II

Described by his union as "a long time fighter against Japanese imperialism and fascism of any kind," Sgt. Karl G. Yoneda, 38, formerly of San Francisco, is the first Japanese American soldier of this war to be elected to the Veterans of Foreign Wars, the VFW has been informed.

Sgt. Yoneda, who volunteered for military service from the relocation center at Manzanar, Calif., is now fighting in Burma according to letters received by his wife Mrs. Elaine Yoneda. He is a member of local 110 of the International Longshoremen's and Warehousemen's Union and former vice-president of the Alaska Cannery Workers' local 5, both CIO. The sergeant

was elected to Howard A. Sperry Post 3570, San Francisco, of the VFW while overseas. Officers of the post, which is made up entirely of union men, told the WRA they believe he is the first Japanese American VFW of World War II.

Morris Watson, editor of the ILWU Dispatch, in describing Sgt. Yoneda's fight against fascism and Japanese imperialism supplied two instances. On one occasion Yoneda was on the picket line when longshoremen and Chinese picketed shipments of scrap and oil to Japan, and in 1936 he helped to organize a labor committee which refused to load ships carrying supplies to Japan.

When Japanese aliens and Japanese Americans were evacuated from the West Coast in 1942, Yoneda, his wife and their son, Tom Mooney Yoneda, were moved from San Francisco to the WRA relocation center at Manzanar, Calif. Mrs. Yoneda and Tom returned from the center to San Francisco last year.

C. E. JOBS OPEN

The Community Enterprise office is in need of two office secretaries and a cashier for the evacuee pay pay check cashing department, according to Masashi Hayakawa of the C.E.

Interested persons are asked to apply at the C.E. office.

SATURDAY NIGHT MOVIES USTED

Special recreational and educational movies will be shown by the entertainment division of Community Activities at eight o'clock tonight at the Central Swimming Pool, Unit I. These pictures are obtained for showing here by money allocated by the local council.

The program will include the following pictures: "For America We Live," "America's Favorite," "Yosemite, Jewel of the Sierra," "Brazil's Fishing School," and a cartoon. A total of eight reels will be run.

NEW TOFU PLANT REPLACES RUINS

Reconstruction work on the tofu factory is going forward, announces C.E. Snelson, chief steward.

Because the plant was destroyed by fire earlier this year (June 17, 1944), tofu production had been discontinued in Unit I.

Under the supervision of Henry Miwa, tofu foreman, the old building will be torn down and a new tofu factory will be constructed at the former site.

WANTED

WANTED: Will pay cash for good car, either '41 or '42 model. Contact Eleanor M. Dougherty, 34-10-G.

BIRTH

To Mr. and Mrs. Noboru Fred Katsumata, 323-13-C, formerly of San Diego, Calif., a girl, Sept. 5.

YW CLUBS HEAR MARTHA KUSHIDA

About 25 girls from four YWCA clubs, the Reencips, Luanans, Hy-Lites and Tri-V's met last week to hear Martha Kushida, former Hy-Lite, who recently returned from New York to do work with the Student Relocation Council here.

KOBAYASHI FAMILY FROM POSTON HOLDS REUNION IN WASHINGTON

Washington, D.C., August 30--For the first time in a year the entire Kobayashi family of thirteen members who formerly lived at the Colorado River Relocation Center was gathered together in a family reunion which took place near here on a recent week-end.

The family assembled at a poultry farm at nearby Olney, Md., where Mr. and Mrs. Sachiro Kobayashi, formerly of Santa Ana, Calif., are now living with their son Bill, his wife, the former Betty Kikuchi, and their 11 month old son Bill, Jr. Both Mr. Kobayashi Sr. and Bill are employed on the farm.

Other members of the family at the reunion included another son Fred, who left his instructorship in physical education at the University of Maryland two months ago to take basic training for Army Intelligence, and his wife, the former Barbara Matsui. Fred has been stationed at Ft. McClellan, Ala., and stopped to visit his parents before going to Camp Savage. His wife, who was also employed at the University as a secretary in the Department of Home Economics, will

NITTA, FORMER DAL-AGGIE FOOTBALL CAPTAIN, AT OCS

Sgt. Mitsuo Nitta, 24, son of Mr. and Mrs. Shosuke Nitta, 21-2-B, has been appointed to Officers Candidate School at Ft. Benning, Ga., according to Dr. Walter Balderston of Community Activities.

Mits, as he is known to his friends, has been recently stationed at Camp Shelby, Miss., as instructor. He received his army call in February, 1942 and went to Camp Rob-

inson, Ark., for his basic training and remained there as instructor. In July, 1943, he was assigned to Camp Fannin, Tex., as instructor, from there was transferred to Camp Shelby.

Formerly of Santa Ana, Sgt. Nitta is the youngest of three brothers. His brother Hitoshi resides at 21-1-B, while his other brother Min is now in Cleveland. All three are now married, Mits having recently taken for his bride the former Toki Kumai of Los Angeles.

After graduating from Santa Ana High School, Mits attended the University of California School of Agriculture at Davis, Calif. Before his graduation in December, 1941, he was captain of the Cal Aggie football team.

CANNERY JOBS

To recruit women and girls for work at the Eddington cannery in Springville, Utah, Brownie Yoshioka, company representative, arrived in the center earlier this week.

Interested residents are asked to inquire at their unit employment offices.

REV. KOBAYASHI TO BE SPEAKER

Rev. William Kobayashi will be guest speaker tomorrow night at the Y.P. Worship Service at the Christian church of Unit I, it has been reported.

The speaker has recently been appointed by the Free Methodist church to take charge of the Y.P. work at Glendale and is expected to leave for his new field with his family sometime next week.

The place of the service is the school assembly hall.

COUNCIL NOTES

Two new members were elected to the Unit I community council, it was disclosed today by James Yahiro, city clerk. They are James Suzuki and Tzunezo Tanaka.

A special committee of six to discuss the closing of the Unit I noodle factory was appointed by Minoru Okamoto, council chairman at the last regular Wednesday meeting.

POSTON III

DUST

'N

DESERT

....School has finally started.....
 ..with the ringing of the ole' school bell at 8:20 Monday morning the school officially opened for the students of Poston III.

School this year should be better in many respects. For instance, the new auditorium building will permit better assemblies, dances, etc.... The new equipment that arrived in many classes should help in making this school year a better one.

..One of the much talked about things at school is the teachers. From what we hear, there are quite a few additions to the teaching staff.

In high school this year, they are "featuring" seventy minute periods. The reason for this is--the periods are made long so all the class work and home work can be done in class. This way the student does not have to do any school work at home... How this plan will turn out, time will tell...

..Well, the beginning of school will mean different things to different students. To some it will mean a new horizon and more things to learn. To others it will just mean less sleep and "waste time".... Whatever it means, school is still school.

..With the termination of the old movie contract in mid-September the new schedule bills some swell pictures... Here's few choices from the list--Miracle of Morgan's Creek, Jane Eyre, Lifeboat, and Four Jills in a Jeep --plus old but good "Suez." (Tyron).

CANTEENS TO BE CLOSED, REPORT

With the exception of one grocery and a dry goods store in each of the units, all canteens are to be closed as a result of the manpower shortage. This decision was reached by the C.E. Board of Trustees in a meeting held last Tuesday, according to George Sakamoto of the operations committee.

The exact date of termination will be determined by a special committee which has been selected from among members of the Board of Trustees. They will also designate the stores which will be closed, and make a report on those which will be allowed to remain open for business.

INOCULATION OF DOGS THIS WEEK

In order to prevent rabies, all dogs are to be inoculated this week according to the following schedule:

Unit I, Wed., Sept. 13, 1:00 p.m., at the school assembly hall.

Unit II, Thurs., Sept. 14, 1:00 p.m., at the police station.

Unit III, Fri., Sept. 15, 1:00 p.m., at Poston Square Garden.

There will be no charge for the serum, Miss Elma Rood of public health reports.

Owners are asked to bring their pets on short leash. After inoculation, each will receive an official certificate of inoculation bearing the dog's tag number.

Dogs having no tag and no certificate of inoculation are to be turned over to the dog catcher.

21 GET ACTIVE DUTY CALL WILL LEAVE THIS FRIDAY

Twenty-one more youths have been called for active duty and will leave the center Friday, September 15, for Ft. Douglas, Utah. Meanwhile, yesterday morning, 25 were scheduled to report to Phoenix for their pre-induction physical examinations and were to have returned this morning.

Induction is also scheduled for the latter part of this month, and names on this list will be published as soon as they are released by James D. Crawford, relocation program officer.

Names preceded by asterisks indicate "not on project."

PFC. THOS. HIGA TO SPEAK HERE

Pfc. Thomas Higa, wounded veteran of the Italian campaign, will arrive in Poston the latter part of this month, Project Director Duncan Mills has been informed.

Higa, under the sponsorship of the JACL National headquarters at Salt Lake City, is currently on a lecture tour in the Japanese language.

The main purpose of his tour is to inform Issei parents, relatives and friends of Nisei soldiers overseas about the life that soldiers lead, what they are thinking, their relationship with other units of the armed forces, and facts pertaining to the numerous rumors which have been worrying these back home.

MESS HALL COMMITTEE SELECTED

Two representatives will be selected from each block to form a special committee which will handle discussion on the question of combining adjacent mess halls, it was decided by the Unit I council at its last regular meeting.

The representatives are to bring before

The names of those called for active duty are listed below.

Unit I: George R. Bingo, 12-7-D; George Rukawa, 3-8-A; Joe Hashimoto, 60-8-A; Masato Kaihara, 43-3-D; James K. Kasai, 46-2-B; *Isao Kikuchi, 32-5-D; Sunao R. Kobayashi, 60-8-D; *Masayoshi R. Unit II: Charlie S. Fujiki, 214-1-C; Mike Kado, 216-8-D; Jimmy K. Kawakami, 229-12-C; Kenji R. Matsueda, 229-3-D; *Hiroyuki Nakaji, 222-13-D.

Unit III: Hiro Egu-ohi, 308-9-D; *Leo S. Hashiguchi, 322-5-D.

Following are the names of those who were scheduled to re- (cont. on city page)

the committee views and opinions on the subject from their respective block residents.

The recommendation on combining was submitted to the Manpower Commission by Director Mills as a possible means of relieving the acute manpower shortage.

MEDICAL WAC VISITS MOTHER

Being a WAC is hard work, but fun.

That's the opinion of 21-year-old WAC Pvt. Frances Vetter, stationed at Camp Crowder, Mo., who visited her mother here at 323-14-F last week.

Frances lived in the center until July, 1943, when she was allowed to return to California. She enlisted in the Army from Los Angeles last December.

After basic training at Des Moines, Ia., Pvt. Vetter was assigned to Camp Crowder as a general X-Ray technician. In Poston III she worked with the dental survey staff.

A graduate of San Diego high school, she has one brother who now lives in Chicago.

VOCATION SCHOOL PLAN DISCLOSED

Alfred T. Ploeser, new vocational training supervisor for Poston schools, discloses that four types of vocational training are to be offered in the program this year.

They are (1) junior and senior high school shop program, practical arts woodshop, (2) vocational school program, auto shop, (3) learner or apprentice program and (4) adult vocational training program.

Mr. Ploeser states that he will be very glad to see any persons who are interested in studying under any one of these programs.

Formerly principal of the Bayshore Long Island Aviation School, Mr. Ploeser comes to the center from Long Island, New York. He was also engineering officer instructing in engineering at the Merchant Academy, Kings Point, N.Y., until he was released for inactive duty to work with WRA.

OVERSEAS XMAS MAIL REMINDER

Residents are once more reminded that Christmas mailing to boys overseas should be done between Sept. 15 and Oct. 15, if the packages are expected to arrive on time at their destination.

Regulations on the size and packing of parcels have been published several times in the Chronicle and may be easily obtained at the post office. The person mailing packages should be able to enumerate the contents if he is asked to do so by the postal clerk.

All packages should be very carefully wrapped and tied, as they sometimes break apart enroute and are consequently stalled at Army post offices, or never reach their destination.

YWCA CLUBS INSTALL CABINETS

Four YWCA organizations of Unit I held installation of officers Friday night in the hospital dining room.

The program included: reading by Laura Hammond, R.N., recognition speech by Mrs. Walter Balderston, in which the advisory board of the YWCA, the Reenoips, the Tri-V's, the new members of the Luanans and Hy-Lites were recognized; singing of Follow the Glean; closing prayer by Ad Cheney; refreshments; distribution of YWCA membership cards.

DOGS AND CATS GET INOCULATION

In order to prevent the cats and dogs owned by center residents from getting hydrophobia, an inoculation will be held for all cats and dogs against this dreaded disease. This program will be carried on at the Unit II Police Dept. on Sept. 14 at 1 p.m.

Notices will be sent out to all block managers regarding this inoculation, it was stated by Duncan Mills Project Director.

Kenji Uyeno, Unit II Administrator, requests the utmost cooperation of all residents in disposing of stray cats and dogs.

RESIDENTS RECEIVE TAX RETURN FORM

Residents are now receiving estimated income tax return forms, which must be filled in on or before September 15. Amendment of your last estimated income tax return may be made at this time if your income is greater than you expected. Assistance will be given at the Unit II Legal Division.

EXPERIENCE AT CALIFORNIA'S CAMP RADFORD CONFERENCE AS TOLD BY ONE DELEGATE-----

Fortunate were the four girls who were able to have the first privilege of returning to the state we love despite its discriminations and ignorant politicians - - California--without an emergency case...They attended the Annual Christian Conference held in the high mountains of San Bernardino, Calif.

Interviewing one of the representatives from Poston III, Hisaye Watari, she related the following account of her trip to dear ole' California...The pictures they took at Camp Radford are displayed at the Christian church office for everyone to see.

Leaving here on August 26, four in all (another representative from Unit III was Mrs. Tei Trokey), they reached the huge San Bernadino station the following morning..... after being derailed at Cadiz for 6 hrs. The click of their heels against the side walks in front of stores with Caucasians moving back and forth beside them, cars swishing through in the streets was an refreshing experience.

On the same day, the group was taken up to Camp Radford, which has an elevation of seven to eight thousand feet. A beautiful and neat camp resort with towering redwoods surrounding it--a swimming pool too, but it was too cold, for that and the disastrous Southern California forest fire was raging near by. Others who were there claimed it was hot but to the Poston delegates it was really a cool and re-

Mrs. K. Imai 309, Mrs. K. Mimura 309, Mrs. M. Nakadate, 327, Mrs. I. Kubota 308, and Mrs. C. Iwasaki 308 have been appointed by the Community Council to serve on the Health Education Committee as requested by E. Rood, Public Health Nurse.

Their work will be to help plan the Nurses Aide drive and future community programs.

Sept. 28 has been tentatively set as the date to put on a dramatic skit on nurse aide work. It will be held at the High School auditorium.

SPECIAL MOVIE FUND REPORT

The special movie Fund Disbursement Report was submitted by Harry Kuranaga, Entertainment head, to the Council as follows:

8/8 Balance	\$7.16
8/11-5th alloc.	\$50.00
8/23 Rec'd from Unit II-50% of 2 program	37.54
Total Fund during August	94.70
Disbursements	77.27
8/31 Balance	17.43

As there is opposition among the residents against the special movies and the Trust Fund has been depleted, the special movies can no longer be financed by the Council.

refreshing atmosphere. In fact, it was very cold during the night and being a Postonians, they brought only one blanket but the group shared their blankets with them. (Continued)

Tuesday, at 310 Mess Hall with the Unit 3 Manpower Commission, Councilmen, Block Managers, and seven representatives from each block a unanimous opposal to the combining or closing of the mess halls was voiced.

The following are some of the major reasons against the combining of Mess Halls:

1. Economically-Kitchen equipment, utensils, coolers, pipes and other major equipment will deteriorate greatly when not in use. Much of the kitchen equipment, utensils, coolers, pipes and other equipment were purchased by the block residents.

2. Block harmony will be broken because going to eat in another block would mean breaking up of a family unit. Residents of one particular block are like one big family.

3. On adverse condition, great hardship will be felt especially by a family having a sick person or young children.

4. Manpower--Type of workers in mess halls are not adaptable for other type of work. As survey will show.

As all the blocks opposed, it was suggested that Manpower Commission and the Executive Board look into this vital matter.

This newly formed Committee of Manpower Commission and Executive Board is to make the recommendation to the Over-All Manpower Commission in Unit I.

H. A. Yoshimine sided over the meeting and the members of the Executive Board sat in as observers.

POSTON PAIR BATTERY MATES

"Minoru Nitta, a Japanese Softball pitcher who came to Cleveland this year from Poston, Ariz., last night missed turning a perfect mound performance when he issued a base on balls in the sixth inning as his Cleveland Steel team defeated the Ohio Tools, 3-0, in a Lakewood Class A League contest at Lakewood Elk's Field." Thus read an excerpt of a clipping from a recent issue of a Cleveland newspaper.

Formerly residing in Blk. 21-2-B, Min., as he was called by his friends, was noted for his great hurling for the Orange County nine, the year before last, having as battery mate, brother Hitoshi Nitta, also of 21-2-B. His pre-war home was Santa Ana.

Backstopping chores for the Cleveland Steel team falls on another well-known former Poston athlete, George Tatsuno, formerly of 14-7-D. Tatsuno was quite a ball player here in Poston, but the game in which he won recognition was basketball. As a guard, he aided the Bakersfield Oilers in the successful bid for the coveted "AA" crown, two years ago.

SEMI-PROS & 171st INF. BN., SEP., RAINED OUT

The game Sunday afternoon between the Hattiesburg semi-pros and the 171st Infantry Battalion, Separate, team was called because of rain at the beginning of the fourth inning with the soldiers leading 5-to-4.

Although cut short the game was one of the most exciting this season at Kamper Park.

The 171st Infantry Battalion, Separate, composed of Japanese Americans from California and Hawaii, is a scrappy outfit and despite the wet diamond showed plenty of speed. Tec 5 Jarret Kanno, the pitcher, looked impressive on the mound, and had as able receiver in S/Sgt. Tsukasa Wataya, Pvt. Hiroshi Yamamoto, left fielder, and Pvt. George Hinaga, shortstop, tied for batting honors, each getting a single and a double in three times at bat.

All of the locals got a hit in the third inning except Rawls, Edmondson and Dameron. Sheperd's double was the hardest hit blow and drive in a run. Pat Simms continued his hitting streak, driving in two runs with a line drive single, and Holcomv drove in the other run with a single.

Manager Muss Freeman announced that a return engagement will

while Canal is scheduled to have theirs on the following Monday.

KEO NAKAMA IN TRIPLE WIN FOR OHIO STATE

Chicago, Ill.--(Special)--Sport pages of Chicago newspapers recently have headlined the triumphs of Keo Nakama, Hawaiian-born star of the National A.S.U. swimming and diving championship meet at Great Lakes, just north of Chicago. Nakama by winning three middle distance events, the 400 meter free style, 800 meter free style, and the 1500 meter free style, was far out in the lead as the individual star of the meet. He represented his college, Ohio State University. In two of his events, the 1500 and 400 meter races, he set A.A.U. records, leading his nearest competitor in the 1500 meter event by 18 seconds at the finish line. Something of Nakama's background is given in his own words, as quoted in the CHICAGO DAILY NEWS on August 26:

"We lived on an island away from Honolulu. I played barefoot football and baseball and basketball and swam only for fun, like all kids. Then I found out our high school was going to send a swimming team to Honolulu. I wanted the trip, so I went out for it and made it.

"I won the 500-yard race and set a record so they decided I should concentrate on swimming. I made several trips to the mainland (this country) and Australia and even South America. I met a lot of boys from Ohio State and I liked them so that's where I went. And I've had a wonderful time."

he played with the 171st Infantry Battalion, Separate, at a later date.

THREE INSPECT ORDNANCE DEPOT

To investigate opportunities at the Ordnance Depot at Tropic, Utah, and in order to be able to give a completely unbiased account to the residents and the administration, three men from Poston left yesterday morning, September 15, for the Ordnance Depot.

The three are: Miki Hayano, Unit I, Eddie Iwamoto, Unit II, and Gerald Wumino, Unit III. They are expected back Sunday night.

BOY KILLED PLAYING WAR

Richard Nakamura, 8, son of Mr. and Mrs. Ralph Nakamura of Cleveland, Ohio, was accidentally shot on September 10, according to Robert M. Cullum, Cleveland area relocation supervisor.

The boy was shot fatally by a 6-year-old boy companion as they were "playing war" with a revolver at the latter's house.

He was taken in an unconscious condition to the hospital and died less than an hour later.

The Nakamura family relocated to Cleveland in August, 1943, from Gila.

45 JAPANESE-AMERICANS FROM CENTERS KILLED IN ITALY

Forty five American soldiers of Japanese ancestry with next-of-kin living in relocation centers have been killed in action in Italy, WRA Director Dillon S. Myer reported to Secretary of Interior Ickes on Sept. 7, according to an AP item in the Phoenix Co-

S/SGT. HIROSHI FUJITA OF II IS AMONG FIRST TO REACH PISA

Included among the members of a reconnaissance patrol of the 442nd Combat Team who are believed to have been the first Allied troops to reach the historic city of Pisa, was S/Sgt. Hiroshi H. Fujita from Poston, according to a War Department release dated Sept. 10.

SEND-OFF THIS FRIDAY

Send-off for the 19 boys leaving the center this Friday for Ft. Douglas, Utah on active duty call, will take place at Block 4 stage beginning promptly at 6:45 p.m., it has been announced.

Dr. John W. Powell, assistant project director who has just returned from Washington, D.C., and the Middle West, will be the featured speaker. Project Director Duncan Mills and a member of the Community Council will also speak. Master of ceremonies for the occasion will be George Takaoka of the Unit III legal division.

The program will end at 7:30 in order to give the boys time to exchange good byes with their friends and relatives, before the bus leaves at 8 o'clock.

Minoru Imamura, 26-S-D, has been added to the list of those called for active duty on Sept. 15.

zette, Sept. 8.

Other casualty telegrams received in the centers have told of 92 wounded and two missing, Myer's report added.

There have been six Postonians killed in action in Italy and 15 have been reported wounded, one in France.

Many times the number needed volunteered for the patrol and finally 12 were selected, S/Sgt. Fujita among them.

Officered by a naturalized Canadian and an American of French extraction and aided by partisan guides, the 12-man Japanese-American patrol penetrated six miles into enemy territory and eventually reached the outskirts of Pisa. It was able to return to its regimental command post without firing a single shot.

FUJITA WAS ONCE DISCHARGED

S/Sgt. Hiroshi Fujita volunteered from Fresno, Calif., in June, 1940. In March, 1941 he was honorably discharged because of his ancestry and put on Reserve. Evacuated to Poston with his parents and sister, he worked for a short time in the Unit II drama department until he left for Denver, Colo., on seasonal.

Recalled by the Army in February, 1943, he was assigned to Camp Shelby with the Combat Team.

He is 24, and a 1938 graduate of Clovis Union high. His parents, Mr. and Mrs. Segataro Fujita, now reside at 222 14-D, while his sister Tomoyo is in Washington, D.C., as a Civil Service employee. Prior to evacuation, the family operated a vineyard in Fresno.

RECRUITER FROM IF IT ISN'T ONE NITTA... IDAHO IS DUE

To recruit workers for the southern Idaho district, B.O. McCulloch, WFA representative from Burley, Ida., will spend several days here this week.

He will recruit workers for potato picking and sugar beet harvesting. According to James D. Crawford, relocation chief, high wages are possible because the work will be mostly on a piece basis.

Interested persons should check with the relocation office.

MESS HALL PROPOSAL IS FURTHER MOOTED

To discuss the question of combining adjacent mess halls as a means of relieving the manpower shortage, a committee composed of two representatives from each block met at a special session last Saturday, according to Torihiko Matsumoto, councilman.

Because the opinions submitted were many and varied, a committee of nine, composed of a delegate from each of the nine quads, was formed to discuss them. It was noted that the majority of the opinions submitted opposed the action recommended by Director Mills and preferred to keep each mess hall operating with a minimum number of workers.

MOVIES AGAIN THIS SATURDAY

Ten reels of educational and recreational movies will be shown Saturday evening at the Central Swimming Pool, the entertainment division of Community Activities reports.

Some of the titles listed are "Passport to Health," "Bushland Revels," "Our Neighbors Down the Road," "Orchid," "Know Your Football," and a cartoon.

The three Nitta brothers seem to be making news these days.

First it was Sgt. Mits Nitta who went and got himself appointed to Officers Candidate School. Then it was Min Nitta who made the sport pages of Cleveland newspapers by doing some fancy pitching.

Now it's Hitoshi, the eldest of the three, who is in the engineering department here. Hitoshi is just back from Camp Radford, Calif., near San Bernardino, where he was invited to attend the Methodist conference held from Sept. 2-9.

He reports that the majority of the group of almost 400 who came from southern Los Angeles and Orange counties for the conference indicated that they were in favor of

RELOCATING MINORS MUST HAVE EXAM

Complete medical examinations must be had by all persons 18 or younger who are relocating, except when such persons are being accompanied by parents, according to Corlies Carter, assistant relocation program officer.

Arrangements for these examinations will be made by the family welfare section or the relocation division, so that the minor may go to the hospital on Tuesday for X-Ray and return on Friday for the complete examination. The report is completed by Saturday, finishing the entire process of examination in less than one week.

During all his stay at Camp Radford, he never encountered any uncomfortable situation because of his ancestry, he adds.

Four others from Poston also obtained special permission to go to Camp Radford. They are Yoshiko Fujimoto and Natsuko Izumi of Unit I, Mrs. Tel Trokey and Hisaye Watari of Unit III, who returned to the center late last week.

SOME PROPERTY MAY GO EXPRESS

Commercial equipment belonging to evacuees and weighing not more than 500 pounds may be shipped express rather than freight, a recent Washington revision of regulations provides.

Such property must come under the following conditions: (1) if the items are difficult to send safely by freight, or (2) if the Project Director or relocation officer certifies that express shipment is necessary in the interest of the relocation program.

It was further pointed out that the 500 pounds of equipment provided for by this ruling will be included in the maximum 5000 pounds of commercial property shipped for an evacuee by the government upon justification of need.

YBA DANCE WILL HONOR DRAFTEES

Honoring 12 boys from Unit I who will leave Friday for active duty, a dance will be sponsored by the YBA Thursday night at the Unit I elementary school assembly hall.

Tickets, which may be obtained at the YBA office, will be sold for 25¢ a couple or stag. Proceeds will be turned over to the

Ah, the south, the south, the bee-yu-ti-ful South. Echoes of relocation opportunities down there come floating up to us in the form of a letter from the Savannah office of the WRA. See your country first, and remember that the south is a big portion of the States.

Former printer here, Noby Yamakoshi, wrote to the Chronicle staff, and said that Chicago is not like Poston--you can go to see a movie anytime you wish, and also not like Poston, may he remind us, there is an admission fee anywhere from 60¢ to \$1.00 per person.

Jobs are plentiful, says he, but some are very far, and Chicago is so large that some workers take from half to three quarters of an hour to get to their work and home. Noby is at present working at a civil service job in a print shop, a bigger place than the Poston print shop, located below the WRA office.

One of the girls who visited Camp Radford in California said that at first many of the young people at that conference seemed sort of reserved; after the four of them talked to the group about evacuation, however, all were very friendly, and they had a very nice time.

The day after the girls talked on evacuation, some others at the conference offered to send gum, as we can buy none at the canteens, they had heard, and also wanted addresses, so letters could be exchanged. And it was like that until the end of the conference.

Mr. Nossuff once suggested that camp may be a good example of a cul-de-sac. Meaning a dead end.

EDITORIAL:

SCHOOL AND THE POST-WAR PERIOD

The post-war period will present problems and conditions more complex to American citizens than the pre-war period. The school age youth of today cannot win the war, but it will be called upon to prepare the reconstruction after the war. The quality of personal, social problems, ideals and values will determine the outcome of man's effort to make our war aims into realities.

Education as a process of growth can be made to mold the minds of the youth for certain goals--promote personal worth, social responsibility, intelligent citizenship. In order to perpetuate true democracy in which all persons individually and collectively will assume active responsibility in an intelligent manner to promote public welfare, it is essential that each individual be equipped with knowledge, understanding and appreciation which will lead to the attainment of social relations.

The philosophy of democracy and the philosophy of true education are interdependent and contribute to each other. Democracy allows more freedom to education; education in democracy is an instrument for developing free men whose ideals of freedom obligate them to work for the welfare of all. The purposes of education are human in origin. We must teach in order to dissolve the spirit of hate against any race or any people. The school must teach to develop the courage and stability that will enable the students to help others.

The school can strive for the goals and techniques accomplished by the faculty, the pupils and the parents. A specific job of the school in peacetime is to seek the fullest development of each child irrespective of race and creed, to foster to maximum of social intelligence, to teach essential techniques inherent in the democratic way of life, to educate for faith in education, democracy and people.

The curriculum as the heart of the school is the most important aspect of the elementary and secondary school. A public school curriculum cannot remain static in a dynamic society. The general public expects the school to provide children with the training requisite for successful participation in the present social, political and economic order. --N. Kaig

HIGH SCHOOL HOLDS FIRST ASSEMBLY

The first assembly for the new school year, which was held last Monday morning, was called to order by Isao Kiyohara, student body president. Following a salute to the flag, the students sang "America," led by Viola Kerber. Words of welcome to the students were given by President Kiyohara, Dallas C. McLaren, principal, and John Kubota, president of the P.T.A.

Introduction of the new Junior and Senior high school teachers followed. They are Jean Weatherford, Barbara Van Slyke, Frederic Kitchum, Lewis Lutz, and Minnie Condy Smith, who was teaching in Camp III after she returned from a visit to her mother.

Then yell leaders, Setsuko Kawashira, Fusako Imoto, and Elwood Ito led the students in a few yells for the faculty.

WELLS MOVES TO RELOCATION

Robert C. Wells, who was a teacher in Unit II secondary schools during the past year, has been named the new leave officer here, according to James D. Crawford, relocation officer. He began Monday, and is replacing Allen Cushman, who left several weeks ago.

His office is in the Unit 1 relocation building.

Mr. Wells was, prior to coming to Poston, athletic director of the public schools of Zion, Ill. He attended Northwestern University, graduating in 1941.

The Camp will be divided into two parts, and the blocks south of the 219 fire break will be collected on Thursday, and on Friday the blocks to the north.

It was asked by the Scouts to keep magazines separate from the newspapers. They also stated that the Boy Scouts will collect the papers at the block manager's office of each block.

Cooperation from all the residents will be greatly appreciated by the girl scouts, so if you have any old papers or magazines, turn them in to your block manager's office.

DESERT

(Continued from last issue)

This conference was attended by 400 high school and college boys and girls, largely from Southern California district. The Poston girls divided, each one bunking in with different groups of girls (10 in one cabin with a counselor).

The attitude of the people toward them was very cordial and nice except for a counted few who had reasons. One evening when one of the girls was about to doze off, her group started a discussion on racial hatred thinking she was asleep. One girl who had two brothers fighting in South Pacific who wasn't friendly toward them made a statement: "How can I help hating the Japs when they are killing our fathers, brothers and sweethearts?" and she expressed bitterness toward the Japanese.

The counselor tried to explain to her that it was all in a war and the Japanese Americans here were not to blame and racial intolerance is not Christian but her bitterness continued until the following evening when the four Poston girls participated in the panel discussion concerning the "Japanese problem in America". . . . When Tei Trokey told the group of the number of boys volunteering from the centers and of many who have died on the Italian front and many being called for active duty, the whole attitude of the group changed--it just showed in their faces. For the first time they were enlightened to the fact that the Japanese Americans were in the

FIREMEN DEFEAT
ASAHI 10-2

Playing in dust-swept 308 field, the 306 Asahis bowed to the Firemen, 10-2 in a league game Sunday morning.

With the Firemen holding 306 scoreless for the first five innings, they pulled across their runs beginning in the first, when J. Niino came in from second on a stolen base.

306 scored their first tally in sixth inning when Ohashi came around on a hit by Mitsuoka. They scored once more in the ninth.

In the seventh, the galloping Firemen knocked across four tallies.

In the eighth they brought around three more runs.

same shoes with them and even worse... that their brothers and sweethearts were also fighting for the same cause. Also the rest of the girls presented the true facts of camp life, relocation, segregation and all they could cover on the Japanese problem and it brought great results in opening the eyes of young Christians that racial prejudice is unwanted and Japanese were human too. Some understood it fully but admitted that the parents have been putting into their heads that "Japs" are dangerous and treacherous... They were advised to tell their parents the facts.

To these young and understanding Christian youths--we continue our faith and trust in fairness and equality and eventual return to our homes.

CHOSEN PTA HEAD

Mrs. Charles Iwasaki, the only woman block manager of this unit will have another heavy responsibility on her shoulders as the president of PTA.

The new cabinet members who were chosen at the general election last Friday evening at Mess 324 are as follows:

1st vice pres.--Mrs. G. Hamada 327; 2nd vice pres.--Martha Hayes; 3rd vice pres.--Dr. Takeda 329; recording sec.--Mrs. T. Wadamoto 306; corresponding sec.--Margaret Arakawa 330; treasurer--Mrs. G. Wumino 305; Mother's Lunch room chairman--Mrs. Kurihara 308; decoration committee chairman--Mrs. A. Shintaku 318; program chairman--Grace Hosaka 322; publicity chairman--Mrs. Shiozaki 309; hospitality committee chairman--Mrs. I. Kubota 308; assistant Mrs. (Dr.) Takeda 329; Women's Club Chairman--Roku I--Mrs. Amino 306, Roku II--Mrs. H. Nakashima 326, Roku III--Mrs. H. Yoshimine 322.

CORRECTION...

In the Amache-Poston Tourney Statement of Accounting, the number of tickets sold at Blk. mgrs. office should have read 189 tickets instead of 186.

SECURITY OFFICE OPEN SUNDAYS

In order to handle gate passes and other duties of the internal security section, the Unit I internal security office will remain open every Sunday, beginning Sept. 16, from 8:00 a.m. to 5:00 p.m., James Leberthon, internal security chief, reports.

Persons wishing to contact the office after hours may phone Mr. Leberthon, 109, or Mr. Gregg, 233-R-1.

FRIENDS LEARN OF DEATH IN ACTION OF S/SGT. K. MASUDA

S/Sgt. Kazuo Masuda, son of Mr. and Mrs. G. Masuda, 49-11-D, Gila, formerly of Orange County, has been reported killed in action, friends here have learned.

The GI newspaper Stars and Stripes wrote of an exploit of the former Talbert (Calif.) soldier, just before his death:

MATSUMOTO, NEW POLICE CHIEF

Kazuma Matsumoto of Block 35, member of the Judicial Commission and Executive Board, was appointed chief of Unit I police on Wednesday. His appointment was recommended by the city council and approved by Project Director Duncan Mills. He will be under James Leberthon, new chief of internal security.

The council also approved the appointment of six police commissioners, who will cooperate with Mr. Matsumoto in re-organizing the Unit I police force. They are: Sho-

FIVE RESIDENTS OF POSTON FILE EXCLUSION TEST CASE

Five new Japanese test cases have been filed in Los Angeles Federal District Court, the Open Forum, Civil Liberties Union bulletin, reported today. All have been filed by residents of Poston.

They are: Elmer Yamamoto of the Unit I legal division who cites in his suit that he desires to return to Los Angeles for the purpose of resuming his law practice.

Tadayuki Todah, who was born in Japan but became a naturalized American citizen after serving in the U. S. Ar-

my during World War I. Formerly proprietor and manager of the City Hall Grill, opposite the City Hall of Los Angeles, Mr. Todah has been chef of Mess Hall 32 since his arrival in Poston.

Kiyoshi Shigekawa, who was a member of the Board of Directors of the A.F. of L. Seine and Fisherman's Union of Terminal Island. At the time of the German invasion of Poland, he instigated the movement which resulted in the Union offering its services and facilities to the government of the United States. He and his family were evacuated from Anaheim, Calif. where he was engaged in the fishing and citrus growing business. In Poston he was the first Unit I police chief and until recently was connected with the community analysis section.

Yoshio Ekimoto, who had a valuable farm at Lancaster, and wants to return to resume his farming. It was through his work that the Unit I USO service originated. He is employed in the block supervisor's office.

Mary Duco, who was born at Terminal Island, Calif., and desires to return to California for the purpose of living and working there. A resident of Block 36, Mrs. Duco now works in the procurement office.

Representing the five are several attorneys, including many ACLU counsels.

"A one-man mortar team made the positions of several Nazis in northern Italy confusin' but definitely not amusin'.

"It was worked by Staff Sgt. Kazuo Masuda da, Santa Ana, Calif. The Nazis were entrenched on a hill. Sgt. Masuda dashed up a slope, filled an extra helmet with dirt and buried the mortar barrel in it. He squatted beside this 'emplacement' and wrapped his stubby legs around the tube. He had no sight or tripod, so he calculated the range in his head.

"The Nazis poured shell after shell at him, but the one-man mortar team kept at it until they withdrew in confusion."

zo Sasuga, 2; Shiro Ito, 12; Tanio Shibata, 30; Tsumoru Tanaka, 28; Hiroji Kakita, 35 and Masami Abe, 43.

As his first duty, Chief Matsumoto has issued a call for 30 policeman. Interested men are asked to contact the Unit I police station, Blk. 28.

OKIDA GOES TO SAVAGE

Terry Okida, 20, son of Mr. and Mrs. Ryosaku Okida, 6-1-B, left Monday to report for special training at Camp Savage, Minn.

Formerly of El Centro, Calif., he is a graduate of El Centro high school where he was active in athletics. In Poston he was a member of the well-known Valley "AA" basketball and softball teams.

Terry applied for Savage sometime in June and was accepted on July 15.

DR. POWELL REPORTS ON TRIP

After an absence of eight weeks, most of which were spent in Washington helping to expedite leave clearance reviews, Dr. John W. Powell, associate project director, returned to the project last week.

On the return trip, he said, he made a special study of the problem of home placement for high school students in the relocation areas. During his leave, Dr. Powell went to Cleveland, Chicago, Milwaukee, Madison, Minneapolis, St. Paul, and other cities. He saw about 50 resettlers from Poston, some who have been in their present cities longer than they were in Poston.

He reported that resettlers in Chicago, including Thomas Masuda, former mayor here, and Kenji Nakane, who was with the adult education department here, seemed to feel that Chicago was not a healthy location for young single Nisei at present.

The resettlers committee in Chicago which helped new arrivals to get adjusted, is now beginning to participate in the work of groups interested in the problems of all minorities. The Madison and Milwaukee

SEASONAL WORK AT IDAHO FARM

Bert O. McCulloch, WPA representative, is now recruiting men farm workers for Cassia County Farm Labor Sponsoring Association, Burley, Idaho.

Seasonal offers are now at all unit relocation offices for 150 workers for this area. The work will be harvesting potatoes and sugar beets and other farm crops.

For particulars, interested persons are asked to inquire at their unit relocation offices.

relocation advisory committees are also making a broad appeal in behalf of all young people resettling in that area with emphasis on the Nisei problem but without thinking of the Nisei as the only young people with problems.

He noted as an encouraging fact that the Nisei as they get adjusted help other Nisei, a sign that the Nisei are growing up.

Dr. Powell attended a meeting of the local committee in St. Paul at the request of the Chicago area supervisor and discussed problems of placement of minors with the relocation people of Cleveland and other cities.

WHAT IS "THE MIRACLE"

Betty Hutton and Eddie Bracken help to bring about the "Miracle of Morgan's Creek" which is scheduled to show at Poston's outdoor theatres next week.

It will show Monday at Block 4, Tuesday at Blk. 44, Wednesday in Unit II and Thursday in Unit III. Diana Lynn and William Demarest are involved in the unorthodox proceedings too, which "Wonderman" Preston Sturges directed.

ESCHEAT ACTION FILED AGAINST POSTON FAMILY

First action against Japanese alleged to own lands in Orange County in violation of the alien land law was filed in Santa Ana Superior Court on Sept. 2 as the State moved to deprive the Japanese of the land.

The action, filed by the District Attorney's office, involves the families of Shosuke and Taka Nitta, 21-2-B, and several other individuals.

The State contends Mr. and Mrs. Nitta are Japan-born and ineligible to hold California lands, but that they acquired title to 55 acres through other parties and transferred title to their sons when the sons became of age. The Court is requested to declare the titles invalid on grounds they were perpetrated to evade land law provisions.

Mr. and Mrs. Nitta and their eldest son Hitoshi are at Poston, and Minoru, the second son, is in Cleveland, according to the District Attorney's office, which has been working on the case with the Attorney General's office. It was not added that their youngest son Mitsuo is a staff sergeant in the army who was recently appointed to Officers Candidate School at Ft. Benning, Ga.

The other defendants, Hideo Matsukane and Mr. and Mrs. Ernest K. Yamada are in Box Elder County, Utah, and Denver, Colo., respectively.

BIRTHS

To Mr. and Mrs. Richard S. Nakai, 16-14-C, formerly of Salinas, Calif., a boy, Sept. 12.

To Mr. and Mrs. Jim Fujita, 308 5-C, formerly of Arroyo Grande, Calif., a boy, Sept. 12.

DOGS HAVE FIRST SHOT

Poston I has a very orderly dog population, Miss Elma Rood of the public health department reports.

The dogs, 51 of them, reported Wednesday with their owners for inoculation before a large and admiring audience of children. Dr. Caldwell, veterinarian, administered the inoculations while the owners held their dogs.

The second shot will be given on Wednesday, Sept. 27, the dog owners will then receive their certificate of protection against rabies. At that time Dr. Caldwell will speak to the elementary school children about Arizona state regulations on dogs.

YP SERVICE TIME CHANGED

It has been announced by the Unit I Christian Church that the time of the Young People's evening worship service has been changed from 9:00 to 8:30.

Yoshiya Tsujimoto will be the speaker this coming Sunday, and his topic will be "Missions Calling Nisei Youth."

MODEL PLANES

The supply center for the model airplane builders of Poston has been temporarily opened under the supervision of Yoshiya Tsujimoto at Block 53-4-B, where supplies are now available at reasonable and non-profiting prices to the dealer.

Among other supplies, model builders can buy glue, dope and balsa wood. Orders for goods not at the center will be taken by Mr. Tsujimoto upon request. The shop will be open on Mondays and Wednesdays from 3 to 5 p.m., and all morning Saturdays from 9 for the benefit of model builders of Units II and III.

OCHIKUBO HEARING CONTINUED UNTIL ARMY STATES POLICY

Hearing on the petition of Dr. George Ochikubo, dentist, to return to the Pacific Coast area, was ordered continued until September 25 by Federal Judge Pearson M. Hall because an Army hearing board is already "considering" the case, the Los Angeles Examiner reported last Tuesday.

INDIAN SERVICE TUBERCULOSIS IS EXPERT HERE

Dr. A. J. Wheeler, head of the Phoenix Indian Sanatorium, and tuberculosis specialist of the Indian Service, arrived Wednesday for a three-day stay here to review the cases of tuberculosis in the hospital and to consult with the medical staff concerning these patients.

Each case is reviewed individually and the patient interviewed and advised as to the progress of his disease.

WILL SELL YARN

Anticipating winter wants, Community Enterprises announces that five brands of knitting yarn will soon go on sale at all dry-goods counters.

They are: sport yarn, 100% virgin wool, all colors, 2 oz. ball; knitting worsted, 100% virgin wool, all colors, 3 3/4 lz. skeins; Saxony Zepher, 100% virgin wool, all colors, 1 oz. ball; Mystic Velnette, all colors, 2 oz. skeins, and Princess Germantown worsted, 100% virgin wool.

WANTED

WANTED TO BUY: Good piano, now in storage on coast. See Dr. A. L. Harris.

WORKERS WANTED: 2 apprentice butchers, 3 office girls, 2 cashiers. Inquire at C.E. office.

Ochikubo, who has been at Topaz, arrived in Los Angeles on a military pass in connection with a petition to enjoin Major General Charles Bonesteel, commanding general of the Western Defense Command, from further "excluding" him from the Coast area, the story said.

He was accompanied by Saburo Kido, of Salt Lake City, national JACL president, who was formally admitted to practice in Federal Court by Judge Hall before the proceedings began. Kido formerly resided in Poston II.

Judge Hall pointed out that military authorities had already approved the re-entry of several American Japanese of proven loyalty, and said there would be no object in hearing arguments on a temporary injunction when the Army had already considered evidence in Ochikubo's case.

Should the military not rule by September 25, Judge Hall had indicated that he will hear the case on its merits, the Examiner added.

VISITING SERVICEMEN

Pvt. George Fujimoto arrived here during the week from Camp Blanding, Fla., to visit his parents at 3-4-C, before reporting to Ft. Snelling on Sept. 23.

Other recent soldier visitors here were Pvt. Tadao Yamada, Blk. 15, Tennessee; Pvt. Taro Nomoto, Blk. 15, Texas, and Sgt. Shirada, Blk. 31, Camp Pinedale, Cal.

NOTICE

The shoe repair office, which was formerly located near Blk. 28, has moved to Warehouse No. 12, Community Enterprises announce.

BRIEFLY

by "B'nM"

(George Oki, former Postonite, writes to us from Tulsa, Okla., where he is attending the University.

Tulsa sure is a nice place. It isn't too hot but a little sultry. You should see the quarter of a million dollar houses or should I call them mansions, which covers just about a whole block or two. There's about a dozen Nisei here, about half a dozen boys and half a dozen girls.

I guess I'm going to be the only Nisei going to the university except for one other Nisei working for his Master's Degree. One other Nisei with half a semester to go was inducted into the Army on Sept. 15 and he's in the reserve now, but he expects to go quite soon.

The U. of Oklahoma (at Norman) accepts Niseis and out-of-state tuition fee is only \$55 and if you are a resident of the state you get off a lot cheaper. It's a very good school.

(George's letter, and other letters we receive from the "outside, will appear from time to time in this column. As you all know, George relocated in July of this year.

APPRECIATION

"Due to the abruptly advanced date of leave which commanded me, I was unable to see individually, my many Poston friends before my departure. Therefore, thru this publication I wish to extend my heartiest wishes to you all for a successful future that lies somewhere ahead of each one of you - also to say 'So long for awhile' gratefully and with sadness of leaving,
Mike Shiratsuki"

TATS SUEHIRO RECEIVED AIR MAN'S IDENTIFICATION CARD

For two years, Tats Suehiro, had been trying in vain to secure his Air Man's Identification Card, which was denied to Niseis after Pearl Harbor. In a recent visit to the Kansas City W.R.A. Office, he reported that in May of this year he finally secured this card of which he is very proud. He also possesses a Student Pilot's Certificate which he obtained in July, 1941, and a mechanic's license, which he received in 1938.

SCHEDULE CHANGED FOR WOOD CARVING

The Wood Carving course instructed by Mrs. Kerber, an art teacher of the Poston II High School, will be held on Wednesday evenings from 7 o'clock instead of Thursday, as previously announced. It will be held in block 210-barrack 9.

If possible, each person should bring his own tools and materials.

Until further notice, the furniture making course will not be held as the tools are not ready for use.

Notices will be out in the near future about this course.

TO**AND FROM**

On short-term leave to Preston, Idaho, last Friday, was Torakichi Ichikawa. To Highland Park, Ill., Jitsuyo and Yosoichi Kanagawa. On trial indefinite to Highland Park, Ill., was Joan Kanagawa.

Tuesday's indefinite leaves were: Lillian Ito, Denver, Colo., To Minneapolis, Minn., Michi Oka and Alice Watanabe. Janet and Matsu Yoshioka, St. Louis, Mo., Bonny and mother, Toshiye Shigemasa to Ann Arbor, Mich. To Milwaukee, Wisc., were Kiyoka and Frances Iwasa; Toshiko Etow; and Patricia Hashimoto. To Cleveland, Ohio; Bob Takeguchi.

BUDDHIST SERVICE

The Buddhist Church service for this Sunday will be according to the following schedule:

"A" group - Kiyoko Imoto will be the chairman, Rev. Fuji-

mura will deliver a sermon.

"B" group - Tadashi Kubota will be the chairman, and Isamu Isomoto will be the speaker.

"I hope that someday I can get into the Army Air Force," said Tats.

He lives with his wife, 10-months-old son, and mother-in-law in a Lawrence apartment. He is a former resident of Blk. 227, and worked as an electrician here.

TAX INFORMATION

Persons receiving \$100 a year or more from sources not subject to withholding tax (such as rent or dividend) must file estimated declarations if the total amount of their income, if married, is \$2,500 a year or \$500 a year if single. More detailed information will be given at the Unit II Legal office.

FRANCES CUSHMAN ACCEPTS NEW POSITION; RESIGNS HERE

TO A BRIGHTER FUTURE...

At a special student body assembly held Monday in the new Parker Valley High auditorium, Miss Frances Cushman, principal, announced her intention of leaving Parker Valley High to become superintendent of Phoenix Indian Schools in Phoenix. She is believed to be the first woman to hold the position.

Only after much consideration had she finally decided to accept the new position, she said.

Within the time she has been with Poston schools, she has done much to make them something to be proud of. Many times she has gone out of her way to help the students and to help our school become a better one. Also she will be remembered for her successful efforts to have Poston III high school the first to be accredited.

Her absence will be a loss not only to students but to all who have come in contact with her. However, we wish her the best in her new position.

September 7 - Visitors: Marian, Alice, Katherine and Pvt. Power Sogo. Lillian Kaihatsu to Chicago Ill.

September 8 - Short terms: Yei Shimozone 318 Frank Matsushima 316 to Gila.

September 13 - Short term: Toyoji Sadame, Harumi Kamakawa 325 to Phoenix.

September 14 - Indefinite: Kaz Furusho 317 to Cleveland, Ohio.

September 15 - Pvt. Jimmy Urata 329 to Fort Snelling Minn.

PAPER DRIVE FROM SEPT. 13 to 18

Contribute your old newspapers, magazines, catalogues and anything that is paper to the Poston wide paper drive now underway.

Block manager's office, school office and C. A. Office has been designated as salvage depots.

This drive is being held for a good cause since the money raised from this will go to organizations building up youth such as Boy and Girl Scouts.

Let's do better this time and bring all the waste paper that is in the way at your apartments.

The drive will close on September 18.

TELL PROGRESS OF FAMILY INTERVIEWING

Figures released today by the Welfare Section reveal that a large number of families are taking the opportunity offered to discuss problems of future planning.

For the past several months over 70% of the families invited to discuss their plans did so. In Camp I all residents in Block 3, 35, and 36 have already been given this opportunity, and invitations have just been sent to Blocks 13, 14 and 45. In Camp II the initial interviewing has been completed in Blocks 207, 208, 221, 222, 226 and 229, with Block 209 families being interviewed next. Blocks 305, 329, 330 have been completed in Camp III with interviewing still in progress in Block 323.

In the five weeks period ending August 26, 39% of the 164 families interviewed

NINETEEN MORE REPORTING FOR ACTIVE DUTY GIVEN SEND-OFF

Nineteen boys, who received orders to report to Ft. Douglas, Utah, for active duty, were seen off by residents of Poston from Block 4 stage last Friday evening.

Roll call was read by George Takaoka, master of ceremonies, and was followed by the flag salute and singing of the national anthem.

Duncan Mills, project director, spoke briefly, after which Rei Omori sang "G.I. Jive". Minoru Okamoto then spoke on behalf of the Community Council.

The principal speaker was Dr. John Powell, whose talk concluded, "It is mankind's business that we go to war...you are not a child but a man on man's business, and our hearts to with you."

The nineteen who left are: Pvts. George Bingo, George Fukawa, expressed interest in relocation but needed further assistance and planning to carry out their plans. Over 50% (cont. on Poston, 1 page)

Joe Hashimoto, Masato Kaihara, James Kasai, Isao Kikuchi, Sunao Kobayashi, Masayoshi Matsui, Tommy Miyata, Toshikazu Nakahara, Togié Ogata, Tetsuo Ota, Rinso Sakemi, Shigeru Wakamiya, Charlie Fujiki, Mike Kado, Jimmy Kawakami, Hirc Eguchi and Minoru Imamura.

DRAFT MEN TO ARRIVE

Scheduled to arrive in Poston tomorrow are Hugh Palmer, secretary of the Yuma County selective service board; Robert L. Porter, Warrent Officer of the U.S. Army, representing state headquarters of Phoenix, and T/S Dewitt Saunders, representing the transportation section of the selective service system.

Their purpose will be to confer with Herbert Carter, head of selective service in Unit I, and James D. Crawford, relocation program officer, on the new selective service procedures. This will include the problems and methods of handling induction of men into the armed forces.

MANPOWER COMMISSION SUBMITS MESS WORKER QUOTA TO MILLS

Compromise on a proposal for quotas on mess hall workers in the three units was reached by the Manpower Commission at its meeting last Friday.

The proposal, which was submitted to Director Mills for approval, was due to the opposition which met the plan for closing and combining mess halls.

Mess hall quotas listed according to block population were as follows:

For Block Population Of:	Male	Female
100-109	7	13
110-119	7	14
120-129	8	14
130-139	8	15
140-149	8	16
150-159	8	17
160-179	8	18
180-199	8	19
200-219	9	19
220 or over	9	20

Dieticians are not included.

INDUCTION SET FOR SEPT. 28

Induction, which was originally set for Monday, Sept. 18, has been rescheduled for Thursday, Sept. 28.

Names on this list will be published as soon as they are made available to the Chronicle.

NEW TEACHERS FOR FALL TERM

Schools in Poston I officially opened for the fall term on Monday, September 11, with six new teachers each in the high school and elementary school divisions.

Among the following high school newcomers, some have taught during the summer school session: Arthur Fisher, Margaret Fisher, Norman Kaig, Theus Kolthoff, Evelyn Steinmeyer and Reuben Sundgren. There are yet three vacancies to be filled in the science, woodshop and art departments. The teaching staff now numbers 33, seven of whom are evacuee instructors.

Elementary division additions are Ruth Sundgren, Manila Smith, Winifred Acock, FARA-tisha Merritt, Grace Bromell and Virginia Lee Hess, making a total of 18 appointed and 8 evacuee teachers.

Pre-school and kindergarten classes are handled by a staff of 20.

PROOFS HERE

Proofs of the portrait photos taken two weeks ago in each of the three Units have been received recently by the Community Enterprise section. It has been reported.

PARENTS TOLD IMPORTANCE OF HAVING CHILDREN VACCINATED

Miss Elma Rood of Public Health reminds parents of the importance of making sure that their children have been immunized against diphtheria, smallpox and typhoid fever.

Children under three should be protected against whooping cough.

ROBERT TAYLOR FROM GEORGIA

Robert Jay Taylor, relocation officer from Savannah, Ga., will be here for about two weeks, having arrived last Wednesday, according to Corlies Carter, assistant relocation program officer. He will be available in unit offices to give information to people interested in the southeast section of the United States.

Mr. Taylor worked for the Farm Security Administration nine years, and is therefore able to give expert information and advice on farming, according to Mr. Carter.

the proofs have already been delivered to those who had their pictures taken. In Unit I the proofs can now be seen at the studio in Rec. Hall 32.

93 DOGS ARE TREATED

A total of 93 canine residents of this city received their first injection against rabies from Dr. J. W. Caldwell, veterinarian, during his three-day schedule here last week.

Fifty-eight of the dogs were from Unit I, 30 from II and five from III.

APPRECIATION

Mr. and Mrs. Inosuke Fukawa, 3-8-A, wish to thank the community for the send-off given their son, Pvt. George Fukawa.

while children who were vaccinated for smallpox more than seven years ago should be re-vaccinated, Miss Rood says.

Immunity treatments are given by appointment in all the unit medical clinics. When the series is completed, a certificate is given to parents, who are asked to preserve it since some schools systems now require a certificate of immunity before a child may enter school. The certificate will be signed by Dr. A. Pressman, chief medical officer, and will be accepted by any school system.

If a child is in need of immunity treatment, the parent is asked to call at the clinic to make an appointment and receive instructions.

PASADENA MEETS FIRST EVACUEE

The first person of Japanese ancestry to return to the Pasadena area since evacuation reached there last Tuesday noon and was met by a welcoming committee of Pasadena junior college Christian Association students and officials of the Friends of the American Way; the Pasadena Star News reported.

The person was Esther Takai, former Venice, Calif., high school student who came from the Granada Center to attend Pasadena Junior College this fall, with special permission from Maj. Gen. Bonasteel of the Western Defense Command.

According to Hugh Anderson, treasurer of the Friends of the American Way, that organization instituted the move to obtain Miss Takai's return. Mr. Anderson was with Poston Community Enterprises until illness caused his resignation.

RESTAURANT AND BOARDING HOUSE IN BOSTON FOR SALE

A small Japanese restaurant and boarding house business in the heart of the city of Boston, which has been operated 26 years by herself and her husband, is being offered for sale by Mrs. Tora Oura, according to a letter received September 11 by the relocation division here.

Mrs. Oura asks \$2000 cash for the business and the furnishings of the house, which has

NEW RELOCATION OFFICE OPENS AT SAVANNAH

From the newly set up relocation office in Savannah, Ga., a summary of relocation opportunities in the southern area has been sent to the relocation office here.

C. B. Price, acting relocation officer, states that they are now ready to begin filling some of the job offers which were surveyed during the previous month.

The season is just at the stage when a few workers are needed urgently. If needs can be filled now, farming opportunities are expected to be particularly abundant in the district.

Many plantations and large tracts of land near there are ideal for truck farming, the article states. About 100 miles away, there is the Maryfield Plantation, owned and operated by Japanese families.

The soil is light, sandy loam, and there is a year-round growing season. Irrigation is used in many places, and there is opportunity for more extended use.

At present job offers include: One foreman and family; eight farm families; two service station attendants.

four floors, and 12 rooms, and is close to shopping centers, schools, colleges and hospitals. It is also on direct transportation from three or four lines and out of downtown Boston, in an unrestricted housing area. Restaurant and living quarters are in the same building.

Sumiko Oura, daughter of the owner, who wrote the letter, states that there is an inexpensive housing need to be met in that area because a small group of Nisei are already there, and many areas are restricted in and around Boston.

PICKLE MAKERS WANT FAMILIES

H.W. Madison Company, located at Medina, Ohio, makers of mayonnaise, pickles, salad dressing and mustard, is interested in getting 15 families with a view of employing two from each family, according to John Hunter, relocation officer here.

Conditions relating to pay, housing, education, and community acceptance are highly favorable, it is reported. Persons interested should go to the relocation office for detailed information.

PROGRESS OF INTERVIEWING

(cont. from front page) of this group were waiting to join relocated family members when circumstances are favorable.

Over 40% of the remaining 102 families not interested in relocating expressed their interest for returning only to the evacuated area, while the remainder are either planning to go to Japan or have no plans for the future when residence in the Center is no longer possible.

442nd PRAISED FOR MONTH OF SERVICE

Col. C.W. Pence, commanding officer of the 442nd Combat Team, recently praised the officers and men of his command for their accomplishments during their baptism of fire on the Fifth Army Front in Italy.

In a memorandum to the Japanese American soldiers, then fighting with the 34th "Red Bull" Division, Col. Pence noted that they had been of material assistance in driving the enemy back more than 50 miles during some of the bitterest fighting since Cassino.

He said that the unit had never taken a backward step in almost a month of continuous service in the Fifth Army front lines, the War Dept. release said.

POSTON FAMILY HOSTEL GUESTS

Seven of the sixty-eight persons in residence at the Philadelphia Hostel during July and August were members of the Shingo Shimomura family from Poston.

Mr. Shimomura, his wife, and five school age children came to Philadelphia to join two daughters employed there. The family stayed at the hostel for 12 days and then settled in an eight room farm house near Riverton, New Jersey, about twenty miles from Philadelphia, according to Victor Goertzel, hostel director.

HOGS RECEIVED

A shipment of 124 hogs was received Saturday by the Unit I agriculture department, it is reported.

William C. Sharpe, department head, who left for Los Angeles about two weeks ago to purchase the hogs, is due to return soon.

PANTHERS TIE ZEROS

In a closely contested hard-ball game on the 226 field last Monday night, the 229 Panther nine battled the 226 aggregation to a 2-2 tie in a five inning game.

The Zeros drew first blood as they cashed in a tally in the second inning on a couple of Panther miscues. However, in their half of the third, the 229ers retaliated with a slashing double by George Ogawa, followed by a single by John Namba and a sacrifice by Ford Yanagisako which accounted for two Panther runs.

But the Zeros were not to be denied. In the fourth inning, with two men on, Teruo Sonoda came through with a timely hit to knot the score at two all.

The game was called at the end of the fifth inning due to the darkness.

The batteries were: P. Matsuo and George Ogawa for the Panthers, T. Sonoda and T. Kojima for the Zeros.

These boys, as the others who have already left, have only memories of their families, friends, and Poston to take with them. They've known Poston to be a camp amid sage brush and mesquits, but now, it means more than that. It means the fun they've had, despite the hot, cold, rainy, and dusty days encountered here. All the big and little things they had here, will linger within their memories forever.

TRANSLATION CLASS TO GET NEW BOOKS

Translation classes are held every Monday evening from 7 to 9 p.m. at the high school adobe building.

Starting soon, these classes will be using the highly recognized text book, Naganuma Hyojun Nihongo Tokuhon which comes in all different grades. In this way, the students may learn and advance quickly. These books are ordered for you by this department.

There are three grades in this translation course; grade I is to be held in room 22 and is instructed by Matsuji Kozeni; grade II is held in room 24, and is instructed by Kin Kadoike; grade III is held in room 21 and is instructed by John Kubota.

Anyone who is interested in learning this language is welcome to attend this course.

DUST 'N DESERT

The high school has been "in the being" for two weeks now. Yes, the students, have gone through two of the many weeks to come. On the other hand, the elementary school has just started last Thursday.

Although the school is getting off to a good start, it will be a tough break for the students when Miss Cushman transfers in early October.

Sorely missed from the last years teaching is the cheerful personality of Miss Myrtle Barley.

Across our barrack in 2-D we hear the pounding away of hammers and sawing away of wood--- yes, the USO is getting their much needed plaster board and it's now becoming a cozy and beautiful room for the visiting servicemen. Much credit goes to the efforts of Mr. K. Umezawa, chairman of this unit.

The flashing of the lightning, revealing the picturesque outline of the clouds against the darkened sky last movie night competed with the picture in its attraction. However, "Tender Comrade" must have penetrated through the hearts of many who has brothers, sons or sweethearts in the service for what they may have to face anytime.

Complaints of "no thing to do" "the camps dead," "why doesn't someone do something about it, etc. are heard all over camp. Yet when the recreational nights such as run F^orall is put on with energetic Betty as director, only few turn out. If we had a quarter of the pep

NEW TEACHING STAFF NAMED

The new school year has brought new school teacher.

Starting off with the high school, the following teachers have been added to the Parker Valley High faculty "line-up."

First we have Alice Friske who is teaching arts and crafts, another addition is Helen Ellis teaching public speaking and English. Next we have Fredrick Ketchum who is teaching Agriculture, Robert Montgomery, a former Unit I teacher who is teaching the course in Auto Mechanics.

Teaching typing and shorthand is Ana Ziverman, and teaching fore and English is Jeanette Linfield.

Finishing up the new additions is Raymond Rien, a mathematics teacher and Jerome Light, the vice-principle.

Over in the elementary division, we find the following new teachers added to the staff: Irene Hassard, Ruth White and Betty Akeroyd, who worked as a recreational directors during the summer.

Also added to the staff are some new evacuee teachers. They are Yoshiko Tsunohara, Faye Kajioka, Shizue Harada, and Sachiko Matsui.

Hiro Eguchi, 308 was the lone departee from this unit last Friday evening to answer the call of Uncle Sam.

Leo Hashiguchi who also received his call is at present on the outside and probably will report from there.

Hiro was feted by the USO with a grand send-off party prior to his leave from Unit III.

Hereafter the send-off program will be held in Unit I and banquets will be held in each unit.

Masami Honda was appointed by the Council to assist K. Umezawa in send-off preparation of USO to the active duty boys.

Temporarily heading Poston Community Enterprises is E.H. Runcorn, auditor-supervisor, who arrived here a week ago. He replaces Charles M. Beltt who is now supervisor of Center Business Enterprises headquarters in New York.

Mr. Runcorn states that he will be available to any members or groups for discussion of questions on the operation of Poston Enterprises, which is second in size among center co-operatives.

EX COUNCILMAN PFC. MURAKAMI IS WOUNDED

Word has been received that Pfc. Yuki to N. Murakami, son of Mrs. Sano Murakami, formerly of 44-5-B, was wounded in action in Italy on August 31.

Pfc. Murakami reported for active duty from Poston in August, 1943 at Ft. Douglas, Utah, and was assigned to duty with the 442nd Combat Team.

Formerly of Irvine, Calif., where he was a farmer, Pfc. Murakami was the first councilman elected from Block 44. A graduate of Tustin Union high school, he was in the engineering department here before he was called.

He has three brothers and two sisters, all former residents of Poston. His mother and sisters left in May of this year for Delta, Colo., to join the boys of the family who had relocated there previously. One of the brothers is also believed to be in the Army.

REPORT ON TOOELE AMMUNITION DEPOT Hayano Is One of Three Who Made Inspection Tour

Work, housing and other particulars of the civil service jobs offered to married Nisei men at Tooele Ordnance Depot were described recently by Miki Hayano of Unit 1, one of the three men who returned Sunday from a trip to investigate conditions at the plant. Gerald Wumino of III and Eddie Iwamoto of II were the two who accompanied Mr. Hayano.

COLLECT OVER 7 TONS PAPER

About 15,000 pounds of waste paper were collected during the paper drive held by the USO in Unit 1 from September 11-16.

Block 16 led by contributing 1,076 pounds, mostly corrugated paper, and Block 19 was second, donating 766 pounds.

Contributions of the remaining blocks were as follows: 12-595 lbs.; 60-595 lbs.; 44-592 lbs.; 31-580 lbs.; 38-557 lbs.; 53-555 lbs.; 35-544 lbs.; 36-534 lbs.; 17-523 lbs.; 32-490 lbs.; 45-450 lbs.; 5-445 lbs.; 27-438 lbs.; 13-435 lbs.; 39-427 lbs.; 21-387 lbs.; 42-387 lbs.; 43-387 lbs.; 4-360 lbs.; 54-354 lbs.; 26-336 lbs.; 15-323 lbs.; 37-303 lbs.; 11-302 lbs.; 2-279 lbs.; 3-234 lbs.; 18-233 lbs.; 30-224 lbs.; 34-207 lbs.; 28-175 lbs.; 6-165 lbs.; 46-115 lbs.; 14-110 lbs.; 59-95 lbs.; 22-80 lbs.; Rainbow Village-31 lbs.

TWO ASSISTANT CHIEFS CHOSEN

Henry Minoru Ono of Block 11, former police captain, and Keijiro Uyeno of Block 27, councilman, have been appointed assistants to Kazuma Matsumoto, new chief of police.

The work consists in unloading ammunition from railroad freight cars onto vans or trucks, and storing the ammunition in large igloos, Mr. Hayano said.

The basic pay is about 70¢ per hour for a 48-hour week, with time-and-a-half pay for over 40 hours. Wages range from \$82-\$96 per week, depending on ability and length of time employed. Employees are frozen on the job until six months after the war is ended, unless an availability certificate can be obtained from the PFCO. Fifteen days annual sick leave and 26 days annual leave, both with pay, are allowed.

LABOR SHORTAGE WILL DELAY AUGUST PAYROLL

Payroll and clothing allowance vouchers for the month of August will be indefinitely delayed because there are no workers in the Budget and Accounts unit, J.W. Shepard, finance officer, reports.

It will be necessary that workers be found to audit time cards and type payrolls so that the vouchers can be completed, Mr. Shepard said. Interested persons are asked to apply immediately at the fiscal department.

NEW ADULT CLASSES FORMED IN UNIT I

Formation of several new evening classes in shorthand, typewriting, and beginner's English, has been announced by the Adult Education section.

Shorthand classes will be for beginners, advanced students, and those who need a complete review of the subject. Typewriting classes will be for beginning and advanced students. The English classes will be for beginners and those whose knowledge of the language is very limited.

Registration for these courses is scheduled for Monday, Sept. 15, from 7:00-8:00 p.m., at the following rooms in the elementary school adobes:

Adv. shorthand--Rm. 30; beg. shorthand--Rm. 27; typewriting--Rm. 24; beg. English I--Rm. 17; beg. English II--Rm. 26.

The first class sessions will be held on Wednesday, Sept. 27.

Classes in farming and mathematics will be formed if there is sufficient demand for these subjects, it is added. The mathematics course would be a review of all high school mathematics. Residents interested in either course are asked to leave their names with D. Conlin, supervisor, at the Education office, Block 31.

centers will be given more service than previously possible when many persons already established in the city were being assisted in securing second, third or fourth jobs. The U.S. Employment Service has experienced little difficulty in placing the many people who have already availed themselves of its services and assures the Chicago WRA that they can adequately handle all re-employment cases who apply directly to the Employment Service rather than to WRA, Mr. Booth said.

Study of Chicago office records shows that over 1700 companies have requested referral of resettlers for employment. This excludes domestic offers and the many other concerns which have employed resettlers through direct application of individuals or through referral by the U. S. Employment Service or by private agencies.

WAR DEPARTMENT RELEASE TELLS OF SOLDIER WHO DIED URGING THAT OTHERS BE TREATED FIRST

WITH THE FIFTH ARMY, ITALY--In a dark first aid station of the Fifth Army front in Italy one night recently, lay a casualty of the Japanese American 442nd Regimental Combat Team.

His outfit at the time was fighting with the 84th "Red Bull" Division. He had been hit while leading an assault on Hill 140, dubbed "Little Cassino" by the men because of fierce German resistance reminiscent of their stand further south.

In the darkness, the medics were calling for the most seriously wounded for treatment. Coming to him, a first aid man asked how he was.

"I'm all right," was his reply. "The others need more help than I."

The medic went on to another patient.

Asked again how he was feeling, the Japanese American, a corporal in a cannon company, answered, "I'm feeling fine. Treat the others first."

As a result of his repeated assurance, the soldier, whose home before his family had been evacuated, was Los Angeles, Calif., was among the last to be treated.

Both of his legs had been blown off by a direct hit from a German 88. Evacuated, he died the next night.

Local Prices to Be Checked by OPA

Prices at the center canteens are to be checked periodically by two persons who were recently appointed to the OPA Price Panel by H.W. Riebling of the District OPA office in Phoenix on his visit here this week.

The appointees, additions to the Parker rationing board, are Mrs. Phil Cassilly and Mrs. John Hunter. They will turn local prices in to the Parker board, where they will be compared with current ceiling prices.

CORRECTION

Weekly wages at the Tooele Ordnance Depot are not, as stated in the Sept. 21 issue of the Chronicle, \$82.06 per week, but are about \$40 week. This can go up to about \$50 week. Also basic pay is 77¢ hour, not 70¢ hour.

In connection with the Tooele Ordnance plant offer, Captain Kinney of the Tooele Ordnance Depot, and Ted Lewis of the Salt Lake City WRA, will be in Poston the latter part of next week.

OVER 30,000 LEAVE CENTER

More than 400 evacuees go out on indefinite leave each week, according to WRA Director Dillon S. Myer.

The total number of relocated persons as of September 8 was 30,572, which left 60,100 remaining in the eight relocation centers.

In addition, about 5,233 are now on seasonal leave.

PVT. JOU OKITSU BRAVES HEAVY FIRE to SUMMON AID for WOUNDED BUDDIES

Hero is from Poston

Private Jou Okitsu from Poston, who is fighting with the 442nd Combat Team in Italy, recently made his way more than a half mile through heavy artillery, machine gun and sniper fire to get aid for 15 wounded buddies, according to a War Department release.

Okitsu, formerly of Los Angeles, is a messenger in a rifle company with the 442nd, which participated in the 34th "Red Bull" Division's drive toward Leghorn.

In the vicinity of Suvereto, Italy, the enemy occupied a high hill commanding the flat ground over which the Japanese Americans were advancing. German heavy artillery, mortar, and small arms fire sprayed them continually, pinning down one company of rifleman on the right flank. Okitsu's company was emplaced about 900 yards from the enemy on a small knoll on the left flank. The supporting company, occupying an open area some 2000 yards from the German position, was being plastered by concentrated artillery and mortar fire.

In the initial barrage, 15 men of the supporting company were injured. These casualties managed to work their way to Okitsu's company under the covering fire of the forward company. He aided the wounded men in finding cover and making them comfortable as possible. (Cont. on Poston I page)

Dogs Will Receive Second Injection

The second injection of rabies vaccine will be given to dogs by the project veterinarian on his next visit here, according to O. A. Dennis, project sanitarian.

All dog owners are asked to bring their dogs to their unit vaccination stations, according to the following schedule: Unit I, Wed., Sept. 27, 1 p.m., at the elementary school auditorium; Unit II, Thurs., Sept. 28, 1 p.m., at the police station; Unit III, Fri., Sept. 29, 1 p.m., at Poston Square Garden.

Dogs which have not yet received their first injection should also be brought to the stations, where they will be given a larger amount of vaccine than the dogs receiving their second injections.

Certificates will be given the owners of all dogs vaccinated to show that their dogs are protected against rabies for a period of one year.

Brimming with praise for the work the Friends of the American Way (Pasadena, Calif.) are doing to make possible the return of Japanese to California, Gertrude Yoshida, 27-10-B, returned here last week after spending almost a month in Pasadena on personal business.

Besides admiration, Gertrude also brought back two definite offers of employment. One, Mrs. McClellan of 734 South Oakland, Pasadena, would like to have a Japanese school-girl of junior college standard as soon as possible. Mrs. McClellan has two small child-

FRENCH RETURNS FROM MEETING

Dr. David French, community analyst, returned to the project Monday night from a Denver (Colo.) conference of WRA project community analysts and Washington representatives held from September 7-13.

The problems of each project were discussed as well as the future of the people of Japanese extraction in America, Dr. French said.

"SUEZ" FOR NEXT WEEK

Tyrone Power and Annabella work to build a canal in next week's film offering "Suez".

It will be at Blk. 21 (near the lovely pool) on Monday; at Blk. 59 (near beautiful Lake Fergie) on Tuesday; in dear old Unit II on Wednesday and in sweet old Unit III on Thursday.

ren, and offers room, board and weekly allowances. Interested girls are asked to write to her privately, so that the proper arrangements can be made.

Two, there is an opening at the YWCA office at UCLA for a Japanese girl who can do secretarial work.

All other persons interested in returning to California are asked to write to Mrs. Margaret Moritz, member of the Friends, % 305 Kensington Place, Pasadena, 3. The organization is more than willing to help all those who wish to relocate in California, especially the Pasadena area, Gertrude said.

There are said to be more offers of housing and jobs than there can be found Japanese who are willing to accept them.

All the work of the Friends of the American Way is done on a purely voluntary basis, through contributed time and money. Among their number are Mr. and Mrs. Hugh Anderson who formerly worked in Poston.

RELOCATION HAS PICNIC

At the picnic held last Saturday evening by the project relocation office, those present played baseball, croquet, sang songs around a campfire, "killed themselves sick" on roasted weenies and drank punch.

"No one was lost," it was stated.

ON BALTIMORE, MD.... it is the seventh largest city in the country and the largest in Maryland; it has a metropolitan population of more than a million. Temperature averages 58.8 degrees, and ranges from 34 in January to 80 degrees in July. Rainfall is about 40 inches per year.

Living costs are moderate, according to our source of information. Rent ranges from about \$5 week for a single unfurnished room, to about \$50 for furnished apartment of three or four rooms, per month.

Food should be budgeted for about \$10 week for a person taking all meals out. Food cost for a family of four including two children is about \$54 month.

Contact with their battalion headquarters as well as the nearest aid station was lost when enemy shells out the communication lines between the front lines and the rear positions.

On learning of the predicament, Okitsu undertook to summon the necessary aid. He refused the offer of others to go with him.

Okitsu was a truck gardener in Los Angeles before entering the Army, March 18, 1941. He was honorably discharged later because of his ancestry and was recalled after being evacuated to Poston with his parents and sister. He recently sent his sister the Purple Heart which he was awarded.

EDUCATION:

951 ENROLLED IN HIGH SCHOOL

Enrollment in the Poston I senior and junior high schools has reached 951, with the senior high division registering 509 students and the junior high following closely with 442.

This tabulation does not include many students out on seasonal leave, who are due to return soon.

The elementary classes enrolled 713 students at the beginning of the school year and pre-school and kindergarten children number 211.

Dr. Harris, director of education, has announced that he hopes to have the high school moved to the new buildings and to nearby recreation halls sometime in October.

Students enrolled in auto mechanics classes in Camp II are now coming to Camp I to take instruction in vocational training from Arthur Fisher, vocational training instructor.

INTRODUCING...

...yours truly as your guest columnist--(or rather, an imitation of one)--for the day. Ye ole scribe has chosen the tag "drip" for himself for he is no less a "drip" in any language. Now if you fellow readers would kindly "grin and bear it," I will make my feeble attempt to finish this column.

They are Ryuji Yokoyama (most valuable), fireball chucker of the champion Agriculture Department, and Tommy Yagi (most inspirational), peppy catcher of the Community Activities. So, hats off to these boys who are certainly worthy of their awards.

INCIDENTLY...

...young and able Ryuji Yokoyama chalked up quite an impressive record with his fireballs via the windmill, including a 5 inning no-hit no-run game against the Maintenance Nine in a post-season tilt.

FLASH...

...the once classy 214 casaba court is finally being cleared of the tall weeds which did their best to replace those absent ball hawks who once preyed within its four corners. Let's hope, rabid basket-ball fans, that we will all see repetition of the thrillers we have thus far witnessed in the past years on that court in Camp Two.

REDBIRDS TAME PANTHERS 7-1

Playing heads-up ball, the 208 Cardinals easily subdued the 229 Panthers Sunday morning to the tune of 7-1 in a hard-ball game on the former's home grounds. Taking advantage of several costly Panther errors and walks, the Redbirds tallied 7 times with only 5 hits.

With Y. Iwasa on the hill for the Cards, the 229 batsmen were limited to only 3 hits and 1 run which came in the last inning.

Registration for night classes will be opened next Tuesday... Let's make use of these courses and feed our minds with something worthwhile instead of filling it with other people's business. We all need to train our minds to think as many have neglected it since evacuation with Poston weather to help it... But now it's getting cooler--let's brush up on our shorthand, English, etc... we'll never regret--and we're never too old to learn... Many girls have expressed the desire to learn drafting in the evenings... This may be a swell chance to get a bunch of girls and form such a class...

After the Sunday night performance of Camp III Shibai, complimentary words were flying around about a certain actress for her superb performance in the play. Unfortunately, we didn't see it, but from what we heard she has made great improvement and will equal any actress on the stage of Japan... Now, let us measure your head, Yoshiko... but we do extend our orchids for a swell performance and may you continue to thrill the lonely hearts of Issei and satisfy their hunger for "something" of their "old" country.

We smell a shake-up in the Ad. Building soon... yes, we smell the fresh paint, too but it seems like its leaders are going to do what the secretaries are doing---relocate.

Poston is enjoying quite a cool weather now, after the rain... Sweaters are making their appearance these mornings... soon stove

AMACHE SENDS APPRECIATION

Following is the letter received by Administrator Gerald Wumino from Taka Aratani of Amache community Activities dated September 11:

Dear Mr. Wumino.

On behalf of the Amache baseball team, we wish to thank you and your many assistants for making it possible for us to play a series of baseball games in your center. If it were not for your kind invitation, these boys would have returned a most dejected group.

They also wish to thank you for the kind reception they received from the residents of the Poston Center.

We hope that we may be of service to you in the future.

Please extend our sincere appreciation and best regards to your many assistants.

Yours very truly,
Amache C. A.

REGISTER FOR NIGHT CLASSES

Once again, the Adult Education Department is presenting to all residents of Poston 3 another opportunity to further education in the form of evening classes.

Everyone is asked to take this chance of learning and register Tuesday, September 26 from 7:00 to 8:00 p. m. according to the following schedule.

Shorthand--beginners and intermediate at Room 20; Typing at the office; English--beginners at Room 14, English--Intermediate at Room 9; Home Making at Room 3.

Request for other courses will be welcomed, and classes will be formed for a minimum group of ten students wherever possible.

317 BOILER BRINGS ALARM

A fire engine siren shrieked in mid-morning, Tuesday, to bring a crowd of curious people to 317 men's latrine where the boiler had backfired and brought out smoke and sparks.

However, no damage was done to the boiler or the building--except the dirty work for the boiler crew to clean up.

To be commended was the Unit III Fire Department for its alertness and promptness in arriving at the scene of possible disaster.

Kitchen Worker Quota Approved

The Manpower Commission recommendation on kitchen worker quotas, made Friday, Sept. 15, and published in the Sept. 19 issue of the Chronicle, has been approved by Duncan Mills, project director, and will go into immediate effect, according to the Manpower Commission.

The employment office is arranging to interview workers who are being released from block kitchens in order to find proper placement for them.

Shortages now exist in the hospital kitchen, subsistence warehouses, Parker warehouse, project offices, tractor division, and in the agricultural division.

Local Fire Prevention Week Proclaimed by Director Mills

Fire Prevention Week has been proclaimed by our President to call to the attention of the people the tremendous losses of life and property which are being caused by uncontrolled fires.

The appalling fact is that 7,500 persons in the United States are burned to death each year by fires originating in the home. Most of these so killed are women and helpless children. Every day \$1,000,000 worth of property goes up in smoke in the United States, much of it the result of carelessness or lack of knowledge of the principles of fire prevention.

We in Poston are particularly vulnerable. Our wooden structures dried by several years of desert heat are highly susceptible to fire. Carelessness on the part of one resident of the center could easily endanger the lives of many persons.

Therefore I direct that, for the common good of all, every person shall, during the week of October 8-14, and thereafter, pay particular attention to fire prevention by refraining from acts of carelessness and informing himself as to proper procedure in case of fire.

Project Director

TWO NURSE CADETS VISIT HERE

Two Nisei Cadet Nurses, Yoshie Kurokawa and Clara Nakatani, who are here on visit, will leave tonight for Chicago after a visit of 12 days. Both have been in the Cadet Nurse Corps eight months, working at Mother Cabrini Memorial Hospital in Chicago.

Yoshie Kurokawa, 21, was born in Del Mar, Calif. She graduated Vista Unified high school in 1942. While here she lived at 28-10-C and worked as a nurse-aide until September, 1943, when she relocated.

Her mother, Mrs. Yai Kurokawa, is in the center, while her brother, Pvt. Kiyoharu Kurokawa is stationed at Camp Blanding, Fla.

Clara Nakatani, 19, born in Montebello, Calif., attended Roosevelt high in Los Angeles. While living at 46-4-B she graduated from Poston I high school in 1943. She worked as dietitian at the hospital and relocated in June, 1943.

Her mother, Mrs. Taka Nakatani and sister Masako are on the project. Another sister, Aiko, has relocated.

Dillon S. Myer, WRA director, and other Washington WRA officials are also expected to be present at the meeting, it was stated. Mr. Mills is expected to return about the first of October, and Mr. Carter is expected to be back earlier.

HOSPITAL SKIT IN ENCORE

A repeat performance of the skit "One Day in Poston Hospital" will be given by the hospital staff, at 8 p.m., Tuesday, Sept. 26, at Poston Square Garden, Unit III.

The dramatization shows what goes on "behind the scenes," and includes episodes in the emergency room, nursery, wards and operating room. It features particularly the skillful work being carried on by the nurse aides of Poston.

The cast will be assisted by the staff of Community Activities with the public address system and music.

Everyone is cordially invited.

PIC SCHEDULE ANNOUNCED

The new schedule for taking portrait photos at the various studios in each unit has been released by Community Enterprises.

Pictures will be taken on Oct. 15 in Unit I; Oct. 14 in Unit II; Oct. 13 in Unit III. Appointments will be taken at the C.E. office in Unit I, and at the main canteens in Units II and III.

APPRECIATION

Mr. and Mrs. Gensuke Masuda and family, 49-11-D, Rivers, Ariz., wish to express sincere appreciation to their many friends here for the kind words of sympathy received on the recent loss of their son and brother, S/Sgt. Kazuo Masuda.

The son of Mr. and Mrs. M. Itami of 13-5-B, Shyo is formerly of Delano, Calif., where he graduated from Delano Union High School in 1942.

Besides his parents, his brother Noby and sister Yoshiko still reside in the center.

He was employed here in the cost accounting department and applied for MIS training on August 8, 1944.

GIRL BABIES OUTNUMBER BOYS

From the looks of the birth data records which have been released by the community hospital record library, the manpower shortage may be just as bad two decades from now as it is today.

The records, which were made available to the public through Dr. A. S. Pressman's consent, reveal that there was a total of 249 babies born in the one-year period from September, 1943 to August, 1944. Out of this total, 118 were male and the others female, putting the privileged sex ahead by 13.

ADULT ENGLISH TO BE TAUGHT

New beginning English classes are being formed by Adult Education.

These classes will meet on Monday and Wednesday evenings at 26 of the Elementary School adobe buildings.

Misses Rutisha Ness and Manila Smith will teach the classes, in which English conversation will be emphasized. All residents are invited to attend.

ENGAGEMENT TOLD

Last Tuesday evening, George Tanimura announced the engagement of his sister, Alice, to Ben Sato at the bride-elect's home.

Miss Tanimura is formerly of Salinas, Calif., and currently resides in 219. Mr. Sato resides in Amache, Colo., and was former resident of Woodland, Calif.

Baishakunins for the couple are Takuzo Oshita of 219, and Mr. and Mrs. Masato Nakamura of 214.

FINAL INOCULATION

The second and final inoculation of dogs against hydrophobia will be made this Thurs., Sept. 28, at 1:00 p.m. at the Police Dept.

WEDDING SOLEMNIZED

Wedding bells rang for Masaye Yamauchi and George Tanimura, both of 219, as they exchanged nuptial vows at the candlelighted altar of the Buddhist Church Thursday evening with Rev. Bunya Fujimura reading the marriage lines.

The bride was attired in a grey dress with black accessories and a gardenia corsage. She was attended by Alice Tanimura, in a gold dress with black accessories. Pfc Charles Tanimura, the groom's brother, acted as best man. A surprise vocal solo was rendered to the bride by Yoshiye Yamane. The wedding march was played by Mrs. Chizu Iwanaga.

Reception for friends and relatives followed at the 219 Dining Hall. The hall was decorated in pink and white with a huge horseshoe fixed behind the couple, inscribed with their names, Masaye and George.

Mrs. Tanimura is formerly of Watsonville, Calif., and Mr. Tanimura is from Salinas, Calif.

Baishakunins for the couple were Rev. and Mrs. Yoshio Iwanaga and Mr. Ryusuke Tazumi.

State Department Clarifies Citizenship Renunciation Statute

In answer to three questions from the Spanish Embassy, on the recently enacted Federal Statute which provides for the loss of U.S. citizenship by persons making formal renunciation of such citizenship while in the U.S., the State Department has issued the following memorandum:

"The Spanish Embassy asks to be advised whether or not the statute covers all Nisei who assert loyalty to the Emperor of Japan and their desire to renounce American citizenship no matter in what camp they are located, or whether it is restricted to residents of the Tule Lake segregation center. The statute is gen- (Cont. on Unit I page)

Issei Eligible for Tooele Ordnance Jobs

Any Issei who is a family man, and is cleared by Provost Marshal General's office will be accepted for employment by the Tooele Ordnance Depot, according to a teletype dated Sept. 22, received by the relocation office from Salt Lake City.

Aliens will be expected to complete PMGO form No. 301 rather than the Citizen-S PSQ Form 58, according to the teletype. However, aliens will not have to answer affirmatively or negatively question No. 21 which is: "Is alien willing to tear arms for the United States." This question should simply be checked and if other factors are satisfactory the evacuee will in all probability be accepted.

SGT. NOBORU TOGIOKA, AWARDED PURPLE HEART FOR WOUNDS, GETS SILVER STAR

Sgt. Noboru Togioka, 24, of the 442nd Regimental Combat Team was awarded a Silver Star for gallantry in action, while convalescing in an army base hospital in Italy, the Milwaukee Journal reported on Sept. 22. Sgt. Togioka's parents, Mr. and Mrs. Kango Togioka, reside here at 309-2-D.

The citation said that Sgt. Togioka had kept communication lines between battalion and regimental headquarters open during a heavy concentration of fire. On his own initiative, he took his repair kit and made his way along the telephone lines in the midst of terrific barrages. He patrolled the lines for more

BLOCK 14 MAN IS BURGLARY VICTIM

Taking a loot of \$300 in cash, clothing and small articles, a burglar broke into the apartment of Y. Segawa, 14-14-D, last Saturday night, according to James LeBerthon, chief of internal security.

The thief performed his crime while Segawa and a roommate were attending the shibai at Block 4, between 9:00-10:30 p.m. The security office is investigating the case.

LETTER TO THE PEOPLE:

CO-OP IS PROPERLY RUN WITH MORE THAN 5,000 MEMBERS; RUNCORN IS ONLY ADVISOR

Dear Co-op Members:

I should like to correct the erroneous impression that I or any other government official can be the boss of the Poston Cooperative Enterprises, Inc. The Enterprises in Poston, as in most of the other centers, are the property of the members. These members--nearly 5,000 of them--joined for only one dollar here, but because of the monopoly condition and the limited cash wages with food and shelter provided by Uncle Sam, the actual ownership of the members is now almost \$150,000.

This large sum is the property of less than 5,000 members. Most of it is invested in goods and equipment in the numerous stores and shops. What shall happen to this investment depends upon the intelligent participation of the members. They elect a board of directors to determine broad general policies; then the board chooses a general manager to run the business for the consumer members. He is the head of the Poston Cooperative Enterprises, Inc.

As a traveling supervisor for the WRA, it is my duty to give you advice but without the earnest cooperation of YOU members, neither the board of directors and the general manager, nor I can do a very good job for YOU. My best suggestion is: Get interested in your cooperative business!

Sincerely yours,
/s/ E.M. Runcorn,
Auditor-Supervisor

HT. MOUNTAIN FAMILIES SIGN UP FOR TOOELE

Two days before a War Department announcement revealing that the Army is recruiting qualified male evacuees from the eight relocation centers for employment in Army ordnance depots at Tooele, Utah and Sioux, Nebraska, Project Director Guy Robinson reported that 11 Heart Mountain families had already signed up to work at Tooele.

HOSPITAL NOTES:

Dr. Harry L. Franklin, eye specialist from Phoenix, was in Poston this week on an overnight stay to perform an eye operation.

Leaving the center Saturday evening was Dr. A. Pressman who was called to Washington D.C. on detail for three or four weeks.

RECORDS ABOUT JAPANESE AMERICAN SOLDIERS HERE

Two record transcriptions containing excerpts, from national network radio programs, about the loyalty and fighting qualities of Japanese American soldiers are now available for use in the center, according to Pauline Bates Brown, reports officer.

One record is part of a March of Time broadcast, Aug. 17, in which the commanding officer of the 100th Battalion describes the combat performance of his Japanese American countrymen. The second is the transcription of a Vox Pop broadcast, Aug. 22, during which a Caucasian officer who fought with Nisei in Burma praises them as soldiers and protests discrimination against them or other loyal Japanese Americans.

Groups wishing to make use of these transcriptions in their meetings are asked to contact the Records Office, Ad. 3, Rm. 39.

Ord, both in California, and Ft. Leavenworth, Kan. Both in high school, and at Camp Crowder, Mo., which was his next station, he was known for his ability in basketball. From Crowder he was sent to Shelby, and in February, 1944, he went overseas.

He has four brothers, two of whom have relocated to Milwaukee; and two married sisters, one relocated, and a younger sister here in camp.

BLOCK TWO SEWING CLASS REGISTRATION CHANGED

There was no registration yesterday at Blk. 2 Sewing School for the special beginner's drafting and sewing class, as was previously announced.

The time has been changed to Sunday, Oct. 1, to enable girls who work during the week to register. The classes are to be held Saturdays and Sundays at Blk. 2 Rec. Hall from 1:00-4:00 p.m.

nationals, to retain Japanese citizenship alone. The application will not be restricted to such citizens in any particular center.

"The Spanish Embassy also inquires under what conditions declarations of renunciation are to be accepted. Each case will receive separate consideration and an assertion of loyalty of the Emperor and of the desire to renounce United States citizenship will not be approved as a renunciation of citizenship without reference to the reasons for the assertion and to all of the facts in the particular case. No renunciation of citizenship will be effective until it is made in writing and approved by the Attorney General.

"The Spanish Embassy also inquires whether such American citizens are to be immediately considered as Japanese alien enemies under the protection of the Embassy. American citizenship will not be lost and the individual, if a dual national, will not become a Japanese alien enemy under the protection of the Embassy until each individual case the renunciation is approved...

"The statute contemplates discrimination on its application to avoid loss of citizenship by citizens whose motivation is the avoidance of Selective Service or other legal obligation.

JAPANESE AMERICANS RETURN TO COAST ON TEST PLAN, APPROVED

The infiltration of Japanese Americans forbidden the Coast Defense Areas since 1942, back to the Pacific Coast under an Army approved program for "screened" individuals was disclosed in Seattle, Wash., Sept. 20, by the Rev. V.G. Murphy, chairman of the Evacuation Service vice Counsel, the Phoenix Gazette reported last Wed.

At a meeting attended by Sheriff Harlan C. Callahan, Rev. Mr. Murphy described the plan as the Army's "infiltration" program to "ease the Japanese-Americans back to the Pacific Coast to test community sentiment."

The system is like case being worked in Seattle, Portland, San Francisco, and Los Angeles, Mr. Murphy said, and added that one Japanese-American girl had been allowed to return to junior college at Pasadena, Calif.

The first known Japanese-American to return to Seattle under the exemption from the 1942 evacuation act, which is still in force, is Miss Kaoru Ichihara, a secretary of the Seattle Council of Churches, Miss Ichihara is living with Miss Gertrude Apel, the Counsel's general secretary.

MODEST FELLOW,

...this Hironaka!

WE HAVE

...Henry Nishi as our new police chief for Unit II. He was formerly police captain, and did a very good job. We wish him the best of luck in his new role.

CLEVELAND BOYS

...tell us that they like it very much, but the only thing that worries them is the dances. You see, the dances out in Cleveland are monopolized mostly by boys and girls from other centers and the Poston boys seem to be left out. Especially when the boys want to get dates, it is very hard for them because there is no one they know. So, they urge more Poston girls to come out to Cleveland.

THE LONG AWAITED

...Cottonwood Bowl is finally completed and we hear the carpenters did a splendid job of it.

IT WAS REVEALED

COTTONWOOD BOWL COMPLETED; FIRST SHIBAI TO BE HELD

Tonight, at the newly-constructed Cottonwood Bowl, there will be a Shibai by Camp II talents. Block managers are also going to participate.

This will be the first activity to be held at the Cottonwood bowl since its remodeling.

ARTS AND CRAFTS MAKING XMAS AND NEW YEAR CARDS

The Arts and Crafts unit is busy making Christmas and New Year cards for the coming holiday season.

The cards are mostly paintings of Poston and its community. They will be hand painted and wood cut (blocks).

More details will be given later.

HONMA, NEW 222 BLOCK MANAGER

Kitoji Honma is the new block manager of 222, replacing Fred Masumoto, who was the block manager for a period of five months, since last April.

**ASAHI DOWNS ROKU III
12-3**

In their second game of the season, the Asahi nine defeated the Roku III boys by the score of 12-3.

Playing Sunday morning at 306 diamond, the Asahi started their lead in the first inning with six runs. Hit be pitched balls, two batters were allowed on bases, both tallying. Three more scored on a two-bagger by B. Kitahata.

Roku III also scored in the first when J. Sakamoto crossed the plate for their first tally.

Asahi then added three more points to their score.

Roku III came across with another tally in the third, threatening to throw across more with bases loaded, but were stopped by "Canteen" Nob's two catches.

The 8th brought three more runs for Asahi to win the ball game.

Batteries were: Asahi--p. S. Matsuoka, S. Watanabe; c. S. Watanabe, N. Ogata.

Roku III--p. J. Sakamoto, Shinohara; c. S. Sakamoto, Kaneyuki.

**FIREMEN ON
WINNING STREAK**

The Firemen continued their winning streak when they eked out a close 14-12 win over 325 Rookies.

With both teams starting strong in the first inning, 325 knocked in 4 runs, one on a home run by T. Sakata while the Firemen rolled in five runs, three coming in on errors.

Firemen then held the Rookies scoreless for the next three innings while they scored three more runs.

The Rookies came back in the fifth to score five runs.

With the Firemen adding two more in the

EXTENDS THANKS**

Dr. Nakadate, who left this center early part of this month writes from Memphis, Tenn.

Editor:

Through you, I wish to take this opportunity of extending my warmest appreciation to the residents of Unit III for the wonderful support that they have extended me in the past and for the privileges extended me in serving in the capacity I recently vacated.

My only regret is that, due to one reason or other, I was unable to serve you better and more. However, I assure you that I have done my utmost.

I have recently received my license as a physician in this state. Also, believe I have successfully passed my examination in dentistry and expect the arrival of a dental license soon.

With kindest regards, I am

Yours sincerely,

Dear Sir:

It is our understanding that Gerald Wumino, administrator of our Unit (III), is contemplating relocation and that he expects to depart in the near future.

Therefore, we have taken upon ourselves to invoke your assistance of the entire administration, to prevail upon Mr. Wumino to remain on the project a while longer. We feel that his executive and administrative ability, as well as his untiring efforts in behalf of the community, have been largely responsible for the splendid record of maintenance and achievement which Unit III has continued to enjoy since the days of your administration.

We feel that Mr. Wumino's continued presence, as administrator, is necessary to carry out the program under execution with respect to the Poston Square Garden, and we further feel that his two year's experience in the administrative work is needed to help us maintain community morale and spirit of progress.

Wherefor, we respectfully request that you use every reasonable means and exhaust every possible resource at your command, to the end that Mr. Gerald Wumino be persuaded to stay and help us continue the work, and for the people of the community of Unit III

Respectfully yours
Executive Staff

POSTON, ARIZONA

SATURDAY, SEPT. 30, 1944

Poston Goes on Mountain Standard Time Tomorrow

Set Clock Back One Hour at Midnight

Poston, with the rest of Arizona, will go on Mountain Standard Time beginning midnight tonight, according to Morris Burge, deputy project director. Clocks all over Arizona will be set back one hour at that time.

"It won't be fair unless you get up at midnight to set back your clock," Mr. Burge warns sternly, in the interest of good sportsmanship.

However, reliable sources predict that there will be a considerable amount of cheating earlier tonight and late tomorrow morning.

Poston has been on Mountain Wartime, which is almost like any other time.

PARENTS' HELP SOUGHT IN RABIES PREVENTION

Dr. J.W. Caldwell, project veterinarian, stresses the need of co-operation of residents in the current anti-rabies campaign.

The second and final inoculation took place Wednesday in Unit I, Thursday in Units II and III.

The gravity of the rabies situation is the center is unknown, Dr. Caldwell says, and may not be known for two or three weeks. The reason for this is that rabies is a peculiar disease which may develop any time within 7 days to 3 years after the infected bite, although the normal incubation period is 21 (Cont. on Unit I page)

\$63,266 Property Loss from Fires Last Year

In connection with Fire Prevention Week, which is to be observed here October 8-14, Joseph M. Fien, fire protection officer, reveals that property damage from fires in the center during the one-year period from October 1, 1943 to September 1, 1944, was \$63,266.

\$1,000 of the destroyed property belonged to evacuees and was of the irreplaceable type.

During Fire Prevention Week and thereafter, residents are asked to help prevent recurrence of such extensive property loss through fires.

The simple rules below, if carefully followed, should eliminate most fire hazards within the community:

(1) Keep oil mop in metal container with tight-fitting lid. (2) Never smoke in bed. (3) Don't leave electric irons attached.

(4) Notify maintenance in case of faulty fuses and wires. Don't use pennies behind fuse. (5) Don't use gasoline or cleaning fluid inside house. Don't rub clothes immersed in gasoline. (6) Don't let rubbish, loose papers, oil- (Cont. on City Page)

MESS HALL QUOTAS GO INTO EFFECT NEXT WEEK

Men kitchen workers will be released at the following rate, according to a Manpower Commission decision sent to Chief Steward Snelson today:

1--To release over 9 men: release 2 weekly for 3 weeks, and 1 each week thereafter.

2--To release 7-9: release 2 weekly for 2 weeks, and 1 each week thereafter.

3--To release 6 or less: release 2 the first week, and 1 each week thereafter.

The first week under this plan ends Monday, October 9.

"WE ARE GOING TO SEE TO IT THAT
THIS WAR ENDS IN THE RIGHT WAY"

September 16
Somewhere in Italy

Dearest Folks:

I never did have any intention of writing to you folks at Poston, for I have never been much of a letter-writer to people; but since I am one of the boys that have been taken in the army from the camp, I thought it would be nice to thank you folks back there who are helping us soldiers overseas who are fighting in European wars to make things much easier in Poston. We are doing all we can to win this great battle and as far as I can see the Japanese American boys, mostly from Hawaii, are doing a grand job and furthermore, our intention is to do much better and to prove that we are true Americans. We soldiers here went through nearly everything the Germans could throw at us and still we stood on our two feet and fought on, on every inch of ground and kept on going even though we had to climb the highest mountain in Italy... But let me tell you this, these boys are the finest and hardest fighters you can ever see a swell bunch of boys, and I'm very proud to be with them and to fight with them side by side.

Many boys may think it funny when I say I'm proud to be over here fighting, but they are quite mistaken, for to be over here is something a fellow can do and show what his real intention is. I'm not a bit hurt because I was sent overseas, for I wanted to prove to the people that me and many others love our country and to give freedom to the people we think so much of. Yes, I'm married and have a son with whom I have only spent four months after his birth before I was called into the Army. I love my little family very much and miss them badly, but still I have to think of our future and especially for our son, for he is starting on a new generation. So we are going to see to it that this war does end in the right way and that all this cruelty of Hitlerism ends. So till then I want you all to know that us boys over here are doing our best to see this end soon and to be back in civilian life.

I never was much of a speaker or letter writer to people but I do hope that you all have confidence in us boys and back us until the end. We'll do the fighting and you folks can do a lot for us by staying at home and helping the country in its work. May "God bless you all."

Sincerely,

FIRE PREVENTION RULES LISTED BY FIEN (cont. from front page)

soaked dust rags accumulate in corners or around outside of house. The cardinal rule of fire prevention is good housekeeping.

(7) Use charcoal braziers or burners carefully. Place them where children cannot fall in. (8) Be careful where you build bonfires. Don't go too close to bonfires wearing flimsy dresses. (9) Be sure where your nearest fire phone is. In case of fire, call fire department AT ONCE. But use these phones only in case of fire or in an emergency situation when an ambulance is urgently needed.

"The fire department is at your service," Mr. Fien adds. "Please feel free to call on them at any time for advice on problems relating to fire."

PARENTS AID SOUGHT IN CURBING RABIES (cont from front page) days.

It is believed that the rabid dog which was destroyed contracted the disease from coyotes.

Present plans call for the appointment of an evacuee poundmaster in each Unit. Meanwhile, to protect their children, parents must make a special effort to see that no strays run loose, Dr. Caldwell warns.

LIBRARY HOURS CHANGED

Starting Saturday, October 7, the Unit I Library will be closed Saturday nights, according to Haruko Maymura, head librarian.

BRIEFLY

Just Me

GOLF-COARSE

...do you know where all those coarse language come from-----? That's right. If you are interested take a visit out to the course one of these days. If you ever had some experience you will know why? It's spontaneous. It is all from natural impulse. It is rather amusing to be an on-looker.

CHARM...

...I'd overheard a conversation between a boy and a girl, discussing charm.

"Gads, boys go for girls with pretty dresses," says she.

"Not always, dresses are just containers. Of course, attractive packagings count, too, but contents are what really count," he concluded.

T'WAS A NICE SHIRT...

...It is funny how kids now-a-days are particular about clothing. At breakfast I'd greeted George with commenting remark about his floral printed shirt--it was pretty. Kids flew and kids came scurrying in from school and there comes George but with a different shirt. I asked him why, and he told me another girl had the same printed material made into a skirt. He'll never wear that shirt again. But somehow I was wondering how that girl felt.

LIGHT'S ON...

...rejoicing and cheers were heard thru the block as the electricity went on after six and a half hours of blink.

"The water is on!", one little boy shouted excitedly as he came out of the latrine, and continued to shout, "You can go in now, it flushes."

SEVEN CANTEENS TO BE CLOSED DURING SEVEN WEEKS PERIOD BEGINNING OCT. 5

Seven canteens in the center will be closed very soon as a result of the Manpower shortage, as reported by C. E. Operation's Manager, George S. Sakamoto.

TAKAKO YAGI ENROLLS AS SOPHOMORE AT MUSKINGUM

New Concord, Sept., 1944. --Takako Yagi, RFD 73 Corinne, Utah, has enrolled as a Sophomore on the Muskingum College Campus here for the year 1944-45.

Miss Yagi is the daughter of Mr. and Mrs. Kazutoshi Yagi and graduated from Poston II High School in June, 1943. She plans for a career in Medical Technology.

Muskingum is beginning it's 108th year editions to the academic program and this year will include a Home Management House, in which Home Economic Seniors will live together to gain practical experience, and a college radio studio, from which students broadcast regularly with stations WHIZ, Zanesville, as an outlet.

208 CARDINALS WIN OVER 226 ZEROS 6-4

Kei Harada and Yoshio Iwasa limited the 226 Zeros to four hits last Sunday afternoon.

Tosh Sonoda for the loser in his top shape went the routes allowing only 3 hits to the winners.

All of the Redbird runs came in during first and second innings, while the Zero's runs came in on the fourth and tag fifth innings.

Starting pitcher Kei Harada led the winner's attack with a homer with bases loaded. For the losers, G. Ono and T. Sonoda each had one for two to lead their attack.

INNINGS:	1	2	3	4	5
CARDINALS	4	2	0	0	0
Runs:	4	2	0	0	0
Hits:	2	1	0	0	0

The tentative date for official closing is October 14, when one eanteen will be shut down, and in each of the subsequent weeks, one additional store will be terminated from further service to the residents, until the closed canteens number seven in all.

Although the small store at Block 18 in Unit I and 2 others in Unit II have already been closed because of the lack of workers, it was stressed by Mr. Sakamoto that these closings must be regarded as temporary and that they are as yet unofficial.

Also announced was that all canteens slated for closing are small ones, and that the Main Canteens will definitely remain open for business permanently. Exactly which canteens be closed have not been determined as yet.

DESERT

People come and go in Poston...Perhaps that's what breaks the monotony of camp life for those "duration ups."

Our office staff which boasts close to perfect relocation, also have the visits of the relocatees off 'n on...and it's really good to see them again as they are all doing fine on the outside...among our recent visitors were ex-sports editor, curly top Jimmy Mano from Rockford, Colorado--- and our former peppy typist, Mrs. Ben Nishiyama (nee Masako Taketa) with her cute little baby boy from Minneapolis. Write more about them when I go to see them...

A pitiful sight--- when a ball player gives up when his team is losing.

With the new mess worker quota approved by project directors some will see themselves cut from a job. Since young girls are so urgently needed in offices, they should be the ones to fill another job.

Jobs are plentiful now and a long list of them are waiting for you to fill at the Employment office...

Go today and pick your choice.

It seems like the Japanese section of Unit III will be appearing again after a months absence, from next month...Tell your folks about it as they may be interested...

The dry goods canteen was jammed Wednesday morning as bargain seekers rushed to its door. As usual, can't get too much...

A.S.B. FORLED IN HIGH SCHOOL

The nomination of new A.S.B. officers for the fall term at Parker Valley High School started last week.

The nominations were made through the channels of petitions which were circulated around to obtain the nominees. The deadline for the petition was set for today.

Also formulated last week at the school was a core representative council to handle the matters of the student body. This council is composed of two members from each core class, one boy and one girl.

メスの定員外男子は

十月二日より順次退職

メスホールの男子定員案はミルス所長の承認に基づき即時効力を発生するとなつてゐること既に既報の通りである。この実施方法に關して所長は次の如く発表された。即ち各部落メス定員以上の男子は十月一日より二名迄の所は二名迄の所は三週迄に二名迄、それ以上の所は四週迄に二名迄、以後は各々毎月一名の割合で辞めること。尚この男子定員に就て一部の人員に六五オ以上の男子就働員は定員

以外であると言ふ誤解を生じてゐる様であるがこの年齢制限案は労働委員会にて否決されてゐる。従つて本案に於ては六十五オ以上たりとも定員数に含めらるるのである。
