Gerry: If my mind's a trif- le haz- y, And my ac- tion's rath- er queer;  
Pat: I know sev'- ral oth- ers who are Not al- lowed to run a - round;

*p a tempo.*

If I seem a trif- le cra- zy, Par- don me, my dear!  
They are in the state that you are, Men- tal- ly un- sound!

I know I've been made a fool of, Still I'm in a state of bliss;  
If this feel- ing of e- la- tion Ac- ci- dent- ly comes my way,

*un poco rit.*

You will un-der-stand when you love, Why I feel like this:  
 Will this men-tal ab-ber-a-tion Ev-er make me say?

*un poco rit.*

Refrain *(not fast)*  
*p-mf a tempo.*

Don't know the time, day or the sea-son, I just know that I'm

up to the pres - ent that skies were so blue, Life was so pleas - ant, I'm

tread - ing on air, have - n't a care, I'm up in the clouds. —

I can't sleep, I just keep count - ing the

stars a - bove; They know too all

night through, whom I am think - ing of.

There'll come a time, June is the sea - son; The ding-dong will chime,

You are the rea - son, The rea - son that I'm up in the clouds, And
