Loveliest of Trees

Studio 303 Ensemble
Haeju Choi, piano

*American composer **John Duke's** songs exhibited a broad spectrum of styles, and demonstrated a specific influence of 19th-century German Lieder. Duke however, possessed a penchant for musically setting poems in his native language. Trained as a pianist, he penned almost all of his compositions for voice and when asked why, the composer said, "I think it is because of my belief that vocal utterance is the basis of music's mystery."*
