Out of respect for the performers and those audience members around you, please turn all beepers, cell phones and watches to their silent mode. Thank you.

A special thank you to my amazing violin teacher, Danwen Jiang who I am so grateful to have studied with here– thank you for all of your patience, inspiration, and music/life wisdom you have given me these four years!

Doreen – You remind me every day how rewarding teaching can be. Thank you for your constant support and encouragement!

George – Thank you for helping me grow into the musician I am today. You are one of the main reasons I continued studying the violin! Thank you for everything.

Eydn – Thank you for always being my cheer team at almost every performance I have done, and for sticking out those sleepovers the many times I had to leave temporarily to practice. I am so grateful to have you as my best friend!

And last but not least, THANK YOU Mom and Dad, Jason, and Michelle for the love and support all these years. Mom and Dad, you go above and beyond for me and I am so appreciative for everything you do. It brings me to tears just writing it out! Thank you so much for everything, I love you!
