A special thanks to:

My parents who have supported me throughout my entire journey as a growing musician.

Many of my friends and family, near and far, who have taken the time to come to my concerts/performances and have helped me practice performing by requesting personal performances at events.

Justin and his family for supporting me with attending my performances and for their encouraging words.

Dr. Swartz who has guided me and taught me many things throughout my journey at ASU as a growing musician.

Kathleen who has always been there when I needed the extra help and for all the hard work she put into helping me become a better musician.

Dr. Schmidt for her kindness in helping me throughout my career path as a music teacher, through the good days and the tough days.

All my past music teachers that encouraged me and inspired me to work hard to fulfill my goals, especially Mrs. Bennett and Mr. Bitter.

To all of the audience members, thank you for coming!
