Dear Viktor:

Thank you for your letter of November 3. I am afraid a lecture at 2:00 P.M. on a day when I have to be at the airport by 4:00 P.M. to get to Oklahoma City in time for certain evening affairs would place me under undue stress. As Rita will not be in town anyhow, I will have to beg out for this time, hoping for another chance in the future.

Best wishes.

Sincerely,
